As of December 3, 2004, Kforce Inc. (Kforce) entered into an Asset Purchase Agreement (the Agreement) with VistaRMS, Inc. (Vista) and the shareholders of Vista (the Shareholders). Vista is engaged in the business of providing integrated business and information technology staffing and solutions to the commercial and government sectors.

Pursuant to the Agreement, Kforce will purchase substantially all of the assets of Vista and will also assume and become responsible for certain of Vista's liabilities. As consideration for the assets being acquired, Kforce will, upon the closing of the transactions contemplated by the Agreement, issue at a maximum, 2,348,337 shares of Kforce common stock (the Common Stock) to Vista (the Consideration). The number of shares of Common Stock to be issued in connection with the Agreement was based on a price per share of Common Stock of \$10.22, which represented the average per share closing price of the Common Stock during the period of October 20, 2004 through November 2, 2004.

On the date of closing, Kforce will place into escrow 450,000 shares of the total Consideration for the purpose of securing Vista's indemnification obligations under the Agreement and will place an additional 782,779 shares of the total Consideration into escrow to satisfy potential adjustments to the Consideration that will be determined following the consummation of the transactions contemplated by the Agreement. The Consideration will be reduced (i) to the extent the net assets of Vista as of June 30, 2004 exceed the net assets of Vista as of the date of the closing of the transaction contemplated by the Agreement, (ii) in the event that revenue generated by Vista pursuant to contracts and relationships with its customers is not able to be assigned or transferred to Kforce, (iii) in the event that certain of Vista's accounts receivable that are being transferred to Kforce under the Agreement remain uncollected 90 days following the closing of the transaction contemplated by the Agreement, and (iv) by the amount of any tax liability incurred by Kforce resulting from Vista's use of the cash receipts and disbursements method of accounting for computing taxable income. The transaction is subject to obtaining all necessary consents and approvals.

The Consideration to be issued in connection with the Agreement will not be registered under the Securities Act of 1933, as amended (the Securities Act).
