Item 1.01. Entry into a Material Definitive Agreement.

On February 7, 2005, our board of directors adopted a compensation arrangement for our non-employee directors, effective as of the date of our 2005 Annual Meeting of Stockholders. The compensation arrangement provides for the following:

the quarterly retainer fee is increased to \$18,750 for each non-employee director and all meeting fees have been eliminated;

an additional quarterly retainer fee of \$2,500 for the chairman of our board's audit committee;

an additional quarterly retainer fee of \$1,250 for each chairman of our board's compensation committee and nominating and governance committee; and

a grant of restricted shares of our common stock (or, in the discretion of the compensation committee, equivalent equity-based incentives payable in common stock) to each non-employee director, which shall be granted as of the date of each of our Annual Meetings of Stockholders, beginning in 2005, in a number equal to \$75,000 divided by the last reported sale price of our common stock on the New York Stock Exchange on the trading day immediately preceding the grant date, which shall vest in full as of the immediately succeeding Annual Meeting of Stockholders.

Any cash amounts paid to a non-employee director under this arrangement will be eligible, at the election of the director, for payment pursuant to our non-employee directors deferred stock compensation plan.

On February 7, 2005, our board also adopted a policy, effective immediately, under which we will grant to each new non-employee director, as of the date on which such director is first elected to the board, a non-qualified stock option to purchase 10,000 shares of our common stock, which option shall:

have an exercise price equal to the last reported sale price of our common stock on the New York Stock Exchange on the trading day immediately preceding the grant date, and

vest in three annual installments.
