ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 25, 2005, Seminole Electric Cooperative, Inc. (Seminole) and Webster County Coal, LLC (successor-in-interest to Webster County Coal Corporation), White County Coal, LLC (successor-in-interest to White County Coal Corporation), and Alliance Coal, LLC, as successor-in-interest to Mapco Coal, Inc. and agent for Webster County Coal, LLC and White County Coal, LLC (Webster County Coal, LLC, White County Coal, LLC and Alliance Coal, LLC are hereinafter referred to as the Seller) entered into an agreement (Amendment No. 4 to the Coal Supply Agreement) to amend their Restated and Amended Coal Supply Agreement between Seminole and Webster County Coal Corporation and White County Coal Corporation dated February 1, 1986, as amended (the Coal Supply Agreement). The Coal Supply Agreement requires the Seller to sell to Seminole, and Seminole to purchase, coal from the Seller s mines for use in Seminole s Plant Units 1 and 2 located in the State of Florida. The Coal Supply Agreement has a term beginning February 1, 1986 and continuing through December 31, 2010.

Amendment No.4 to the Coal Supply Agreement amends certain provisions of the above referenced Coal Supply Agreement to:

- (1) terminate effective September 1, 2005 Amendment No. 3, dated January 1, 2003, to the Coal Supply Agreement (Amendment No. 3);
- (2) confirm, acknowledge and provide that the Coal Supply Agreement and Amendment No. 1, dated May 10, 1996, together contain the entire agreement between the parties as to coal produced, sold and delivered pursuant to the Coal Supply Agreement and provide that there are no representations, undertakings, or agreements, oral or written, which are not included in the Coal Supply Agreement and said Amendment No. 1; and
- (3) confirm and acknowledge, to the best of Seller s and Seminole s respective knowledge and belief, that the Guaranty, signed by MAPCO, Inc., remains in full force and effect.

ITEM 1.02 TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT

On October 25, 2005, Seminole Electric Cooperative, Inc. (Seminole) and Webster County Coal, LLC (successor-in-interest to Webster County Coal Corporation), White County Coal, LLC (successor-in-interest to White County Coal Corporation), and Alliance Coal, LLC, as successor-in-interest to Mapco Coal, Inc. and agent for Webster County Coal, LLC and White County Coal, LLC (Webster County Coal, LLC, White County Coal, LLC and Alliance Coal, LLC are hereinafter referred to as the Seller) entered into an agreement (Amendment No. 4 to the Coal Supply Agreement) to amend their Restated and Amended Coal Supply Agreement between Seminole and Webster County Coal Corporation and White County Coal Corporation dated February 1, 1986, as amended (the Coal Supply Agreement). The Coal Supply Agreement requires the Seller to sell to Seminole, and Seminole to purchase, coal from the Seller s mines for use in Seminole s Plant Units 1 and 2 located in the State of Florida. The Coal Supply Agreement has a term beginning February 1, 1986 and continuing through December 31, 2010.

Amendment No. 4 to the Coal Supply Agreement amends certain provisions of the above referenced Coal Supply Agreement to:

- (1) terminate effective September 1, 2005 Amendment No. 3, dated January 1, 2003, to the Coal Supply Agreement (Amendment No. 3);
- (2) confirm, acknowledge and provide that the Coal Supply Agreement and Amendment No. 1, dated May 10, 1996, together contain the entire agreement between the parties as to coal produced, sold and delivered pursuant to the Coal Supply Agreement and provide that there are no representations, undertakings, or agreements, oral or written, which are not included in the Coal Supply Agreement and said Amendment No. 1; and
- (3) confirm and acknowledge, to the best of Seller's and Seminole's respective knowledge and belief, that the Guaranty, signed by MAPCO, Inc., remains in full force and effect.

The material circumstances surrounding the termination of Amendment No. 3 are that (1) Amendment No. 3 provided the agreement between the Seller and Seminole concerning the substitution of non-conventional source fuel, or synfuel, for contract coal and (2) synfuel tax credits are subject to a pro-rata phase-out or reduction. Thus, Seminole and the Seller terminated Amendment No. 3 effective September 1, 2005. There were no material early termination penalties incurred by the registrant.
