**EXPLANATORY NOTE**

Computer Software Innovations, Inc. (the Company) is filing this post-effective amendment to deregister 1,100,000 shares of common stock of the Company that were registered under the Registration Statement on Form S-8 filed on December 27, 2005 (File No. 333-130700) for issuance pursuant to the Computer Software Innovations, Inc. 2005 Incentive Compensation Plan (the Plan). No shares were issued under the Plan.

The Company is filing this post-effective amendment because it believes that at the time of filing it did not technically meet the eligibility requirements under General Instruction A.1 that it be required to file reports under Section 13 or 15(d) of the Securities Exchange Act of 1934 (the Exchange Act). Specifically, since the Company believes it was not required to report under the Exchange Act at the time of filing, it was not eligible to file the Form S-8. However, the Company has continuously filed reports under the Exchange Act since 2000 and is current in all such filings.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Easley, State of South Carolina, on this 25<sup>th</sup> day of January, 2006.
