Item 1.01. Entry into a Material Definitive Agreement

On March 9, 2006, the Compensation and Human Resources Committee (the Committee) of the Board of Directors of Autodesk, Inc. (Autodesk) determined the participants, target awards and payout formulas for fiscal year 2007 under Autodesk's Executive Incentive Plan (the Plan). The Plan was approved by the stockholders in June 2005 and is intended to permit the payment of bonuses that may qualify as performance-based compensation under Internal Revenue Code Section 162(m).

For fiscal year 2007, the Committee determined that Carol Bartz, Carl Bass, Jan Becker, Alfred Castino and Ken Bado would be participants in the Plan. For each participant, the Committee established a target award equal to a specified percentage of such participant's base salary. The Committee also determined a payout formula for each participant related to achievement of certain growth in revenues as compared to fiscal 2006 as well as certain operating margin levels.

The actual bonuses payable for fiscal year 2007 (if any) will vary depending on the extent to which actual performance meets, exceeds or falls short of the goals approved by the Committee and other factors set forth in the Plan. In addition, the Committee retains discretion to reduce or eliminate (but not increase) the bonus that otherwise would be payable based on actual performance. Moreover, each of the individuals named above must remain an employee for all of fiscal year 2007 in order to be eligible for any bonus.

In addition, on March 9, 2006, the Committee determined that Carl Bass' salary would be increased to \$700,000, effective upon his promotion to President and Chief Executive Officer on May 1, 2006, and that he would be granted an option to purchase 750,000 shares of Autodesk common stock at current fair market value.
