PROXY STATEMENT FOR

2006 ANNUAL MEETING OF STOCKHOLDERS OF

QUADRAMED CORPORATION TO BE HELD ON

MAY 11, 2006

GENERAL INFORMATION ABOUT QUADRAMED S ANNUAL MEETING

The Company intends to mail this proxy statement and accompanying proxy card on or about March 30, 2006, to all stockholders entitled to vote at the annual meeting.

WHEN AND WHERE IS THE ANNUAL MEETING?

The annual meeting will be held on Thursday, May 11, 2006, at 9:00 AM at the Company's headquarters in Reston, Virginia. Directions to the meeting are at the back of this proxy statement.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Any owner of record of QuadraMed common stock as of the close of business on March 16, 2006 is entitled to one vote per share owned. There were 41,536,100 shares outstanding on that date.

Under the terms of the Certificate of Designation for the Series A Cumulative Mandatory Convertible Preferred Stock (Series A Preferred Stock), the holders of Series A Preferred Stock do not have voting rights for any of the proposals contained in this proxy statement. As of March 16, 2006, there were 4,000,000 shares of the Company's Series A Preferred Stock outstanding.

WHO IS SOLICITING MY PROXY TO VOTE MY SHARES AND WHEN?

Edgar Filing: QUADRAMED CORP - Form DEF 14A

QuadraMed's Board of Directors is soliciting your proxy, or your authorization for our representatives to vote your shares. Your proxy will be effective for the May 11, 2006 meeting and at any adjournment or continuation of that meeting.

WHO IS PAYING FOR AND WHAT IS THE COST OF SOLICITING PROXIES?

QuadraMed is bearing the entire cost of soliciting proxies. Proxies will be solicited principally through the mail, but may also be solicited personally or by telephone, telegraph or special letter by QuadraMed's directors, officers and regular employees for no additional compensation. To assist in the solicitation of proxies and the distribution and collection of proxy materials, QuadraMed has engaged Georgeson Shareholder Inc., a proxy solicitation firm, for an estimated fee of \$7,500. QuadraMed will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to their customers or principals who are the beneficial owners of shares of common stock.

WHAT ARE THE REQUIREMENTS FOR BUSINESS TO BE CONDUCTED AT THE ANNUAL MEETING?

For business to be conducted at the annual meeting, a quorum constituting a majority of the shares of QuadraMed common stock issued and outstanding and entitled to vote must be in attendance or represented by proxy. As the Series A Preferred Stock is not entitled to vote on any proposal at the annual meeting, shares of the Series A Preferred Stock (or shares of common stock issuable upon conversion of the Series A Preferred Stock) do not count towards a quorum.

WHERE DO I FIND THE RESULTS OF VOTING AT THE MEETING?

Preliminary voting results will be announced at the meeting. Final voting results will be published in a Current Report on Form 8-K following the meeting. The report will be filed with the Securities and Exchange Commission on or about May 17, 2006, and you may receive a copy by contacting QuadraMed Investor Relations at 703-709-2300, or the SEC at 800-SEC-0330 for the location of its nearest public reference room. PROPOSALS FOR STOCKHOLDER VOTE AND APPROVAL REQUIREMENTS

Management is presenting four (4) proposals for a stockholder vote. Delaware law and QuadraMed's Certificate of Incorporation and Bylaws govern the vote on each proposal.

PROPOSAL 1. ELECTION OF DIRECTORS

The first proposal item to be voted on is the election of five Directors for a one-year term. The Board has nominated five people as Directors, each of whom is currently serving as a Director of QuadraMed.

You may find information about these nominees, as well as information about QuadraMed's Board, its committees, compensation for Directors and other related matters beginning on Page 5.

You may vote in favor of all the nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. Assuming a quorum, the nominees receiving the highest number of votes will be elected. Stockholders may not cumulate their votes. Abstentions will have no effect on the outcome of the vote.

The Board of Directors unanimously recommends a vote FOR each director nominee.

PROPOSAL 2. APPROVAL AND RATIFICATION OF AMENDMENTS TO THE 2004 STOCK COMPENSATION PLAN

The second proposal item to be voted on is to approve and ratify certain technical tax-related amendments to the 2004 Stock Compensation Plan.

You may find information about this proposal beginning on Page 30.

You may vote in favor of the proposal, vote against the proposal, or abstain from voting. Assuming a quorum, and as required by Section 423 of the Internal Revenue Code of 1986, as amended, the proposal will pass if approved by a majority of the shares present in person or represented and entitled to vote on the matter. Abstentions will have the same effect as votes against the proposal.

The Board of Directors unanimously recommends a vote FOR the approval and ratification of the proposed amendments to the 2004 Stock Compensation Plan as described in this proxy statement.

PROPOSAL 3. APPROVAL AND RATIFICATION OF AN AMENDMENT TO THE 2002 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED FOR ISSUANCE UNDER THE PLAN FROM 453,450 TO 703,450.

The third proposal item to be voted on is to approve the amendment to the 2002 Employee Stock Purchase Plan.

OTHER MATTERS TO COME BEFORE THE ANNUAL MEETING

The Board is not aware of any other business to be presented for a vote of the stockholders at the annual meeting. If any other matters are properly presented for a vote, the people named as proxies will have discretionary authority, to the extent permitted by law, to vote on such matters according to their best judgment.

The chairman of the annual meeting may refuse to allow presentation of a proposal or nominee for the Board if the proposal or nominee was not properly submitted. The requirements for submitting proposals and nominations for this year's meeting are the same as those described on Page 34 for next year's meeting.

VOTING AND PROXY PROCEDURE

HOW DO I VOTE?

You may vote in either of two (2) ways:

1. BY MAIL. Mark your voting instructions on, sign and date the proxy card and then return it in the postage-paid envelope provided. If you mail your proxy card, we must receive it before the polls close at the end of the meeting.

If we receive your signed proxy card, but you do not give voting instructions, our representatives will vote your shares FOR Proposals 1, 2, 3 and 4. If any other matters arise during the meeting that require a vote, the representatives will exercise their discretion.

2. IN PERSON. Attend the annual meeting, or send a personal representative with an appropriate proxy, in order to vote.

HOW DO I REVOKE MY PROXY OR CHANGE MY VOTING INSTRUCTIONS?

You may revoke your proxy or change your voting instructions in three (3) different ways:

1. WRITE TO QUADRAMED S CORPORATE SECRETARY, DAVID L. PIAZZA, AT 12110 SUNSET HILLS ROAD, SUITE 600, RESTON, VIRGINIA 20190.

Your letter should contain the name in which your shares are registered, your control number, the date of the proxy you wish to revoke or change, your new voting instructions, if applicable, and your signature. Mr. Piazza must receive your letter before the annual meeting begins.

Table of Contents

2. SUBMIT A NEW PROXY CARD BEARING A LATER DATE THAN THE ONE YOU WISH TO REVOKE. We must receive your new proxy card before the annual meeting begins.

3. ATTEND THE ANNUAL MEETING AND VOTE IN PERSON (OR BY PERSONAL REPRESENTATIVE WITH AN APPROPRIATE PROXY).

HOW WILL PROXIES BE VOTED IF I GIVE MY AUTHORIZATION?

The Board of Directors has selected David L. Piazza and David W. Wells, and each of them, to act as proxies with full power of substitution. With respect to the proposal regarding election of directors, stockholders may (a) vote in favor of all nominees, (b) withhold their votes as to all nominees or (c) withhold their votes as to specific nominees by so indicating in the appropriate space on the enclosed proxy card. With respect to the proposals to approve and ratify amendments to the 2004 Stock Compensation Plan, approve and ratify an amendment to the 2002 Employee Stock Purchase Plan and approve the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm for fiscal year 2006, stockholders may (i) vote for, (ii) vote against or (iii) abstain from voting as to each such matter. All properly executed proxy cards delivered by stockholders and not revoked will be voted at the annual meeting in accordance with the directions given. IF NO SPECIFIC INSTRUCTIONS ARE GIVEN WITH REGARD TO THE MATTERS TO BE VOTED UPON, THE SHARES REPRESENTED BY A PROPERLY EXECUTED PROXY CARD WILL BE VOTED (i) FOR THE ELECTION OF ALL DIRECTOR NOMINEES, (ii) FOR THE APPROVAL AND RATIFICATION OF THE PROPOSED AMENDMENTS TO THE 2004 STOCK COMPENSATION PLAN AS DESCRIBED HEREIN, (iii) FOR THE APPROVAL AND RATIFICATION OF THE PROPOSED AMENDMENT TO THE 2002 EMPLOYEE STOCK PURCHASE PLAN AS DESCRIBED HEREIN, AND (iv) FOR THE APPOINTMENT OF BDO SEIDMAN, LLP AS QUADRAMED'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. Management knows of no other matters that may come before the annual meeting for consideration by the stockholders. However, if any other matter properly comes before the annual meeting, the persons named in the enclosed proxy card as proxies will vote upon such matters in accordance with their judgment.

HOW WILL VOTES BE COUNTED?

The inspector of elections appointed by the Board for the annual meeting will calculate affirmative votes, negative votes, abstentions and broker non-votes. Under Delaware law, shares represented by proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

A broker non-vote results on a matter when a broker or other street or nominee record holder returns a duly executed proxy but does not vote on such matter solely because the record holder does not have discretionary authority to vote on such matter and has not received voting instructions from the beneficial holder. Such record holders have discretionary authority to vote on routine matters, regardless of whether they have received voting instructions. Accordingly, no broker non-votes occur when voting on routine matters. The proposal to approve and ratify the proposed amendment to the 2002 Employee Stock Purchase Plan, however, is not considered routine. This proposal is determined based on the vote of all shares present in person or represented and entitled to vote on the matter. Therefore, abstentions on such proposal have the same effect as a vote against this proposal. Broker non-votes have no effect on the vote of this proposal.

WHAT IF MY SHARES ARE NOT REGISTERED IN MY NAME?

If you own your shares in street name, meaning that your broker is actually the record owner, you should contact your broker. There are certain instances in which brokers are prohibited from voting shares held for customers without specific voting instructions. When a broker does not

Edgar Filing: QUADRAMED CORP - Form DEF 14A

have voting instructions and withholds its vote on one of these matters, it is called a broker non-vote. Broker non-votes count toward a quorum and can affect the outcome of certain proposals. See the paragraph above entitled "How Will Votes Be Counted?" for more information.

Table of Contents

The Nominating and Governance Committee will evaluate director nominees, including nominees that are submitted to the Company by a stockholder, taking into consideration certain criteria, including issues of experience, wisdom, integrity, skills such as understanding of finance and marketing, educational and professional background. At all times, at least one member of the Board must meet the definition of "financial expert" set forth in the Sarbanes-Oxley Act of 2002 for service on the Company's Audit Committee, and all members of the Board serving on the Company's Audit Committee must meet the requirements of the American Stock Exchange and the Sarbanes-Oxley Act of 2002. In addition, directors must have time available to devote to Board activities and be able to work well with the Chief Executive Officer and other members of the Board.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

QuadraMed's Compensation Committee establishes general executive compensation policies and reviews and determines the salaries, bonuses, and discretionary option grants awarded to QuadraMed's executives, including the Chief Executive Officer.

The Compensation Committee retained an independent compensation consulting firm in 2004 to provide advice on executive compensation matters and provide it with the following:

Comparative executive compensation information, including salary, bonus, and option data for companies similar to QuadraMed and that compete with QuadraMed for executive talent.

Specific recommendations to maintain QuadraMed's executive compensation at levels competitive with the marketplace.

The following table summarizes the key policies, factors and other compensation information that the Compensation Committee used in determining 2005 executive compensation, including that of the Chief Executive Officer:

Policies	Provide competitive compensation to attract and retain highly-skilled executives.
	Align and tie executive personal performance to QuadraMed's financial performance through the use of variable and long-term incentive awards.
Executive Compensation Elements	Annual base salary, tied to the Compensation Committee's evaluation of personal executive performance and the competitive marketplace for comparable executives.
	Variable incentive awards, tied to achievement of QuadraMed's financial goals set at the beginning of the fiscal year and evaluation of personal executive contribution.
	Long-term equity-based incentive awards, tied to aligning the interests of executive officers with stockholders' interests.
2005 Factors	Contribution margin targets set by the Board.
	Improvement of management processes.
	Development of long-term corporate business, research and development, and financial strategies.

Improved communication with customers, the investment community and the Board.

With regard to Mr. English's compensation as Chief Executive Officer, the Compensation Committee evaluated QuadraMed's contribution margins and Mr. English's performance on a variety of matters, including improvement of management processes, reduction in expenses, strengthening of the management team, increase in revenues, development of long-term corporate business and financial strategies and improved communication with customers, the investment community and the Board.

The Company hired Keith B. Hagen to succeed Mr. English as the Company's Chief Executive Officer and President, effective October 17, 2005. The Compensation Committee, with the review of the full Board, negotiated Mr. Hagen's employment documents, including his Employment Agreement, Inducement Stock Option Agreement and Restricted Stock Agreement, as described in this proxy statement at Employment Contracts and Termination of Employment and Change in Control Arrangements. These agreements did not provide for compensation to Mr. Hagen based upon the Company's performance in the 2005 fiscal year. As provided in his Employment Agreement, Mr. Hagen will be eligible for 2006 bonus compensation (up to half of his annual base salary) related to the Company's 2006 fiscal year performance, in addition to a guaranteed bonus of half of his annual base salary. The Compensation Committee will determine any such bonus compensation based upon the same, or similar, criteria as listed in the above table.

Table of Contents

Pursuant to Section 162(m) of the Internal Revenue Code, QuadraMed is not allowed a tax deduction for non-performance based compensation paid to an executive officer in excess of \$1 million in any fiscal year. Non- performance based compensation paid to a QuadraMed executive officer in 2005 did not exceed this limitation, and it is unlikely that this limitation will be exceeded in the foreseeable future. Consequently, the Compensation Committee has decided not to take any action to limit or restructure the elements of cash compensation payable to QuadraMed's executive officers. This decision will be reconsidered, however, should the non-performance based compensation of any executive officer ever approach the \$1 million level.

The Board did not modify or reject any Compensation Committee action or recommendation regarding executive compensation for the 2005 fiscal year.

PERFORMANCE GRAPH

The following chart, produced by Research Data Group, depicts the Company's performance for the period beginning on December 31, 2000, and ending December 31, 2005, as measured by total stockholder return on the Company's common stock compared with the total return of the American Stock Exchange and the NASDAQ Computer and Data Processing Index. Upon request, the Company will furnish stockholders a list of the component companies of such indexes.

In the Company's 2005 Proxy Statement, the Performance Graph included the five-year cumulative return for the NASDAQ Stock Market (U.S.) Index. The inclusion of both the NASDAQ Stock Market (U.S.) Index and the American Stock Exchange in the 2005 Proxy Statement was due to the transition of our shares from trading on the NASDAQ Stock Market to the American Stock Exchange during 2004. Our stock was not publicly traded on the NASDAQ Stock Market during 2005 and therefore the five-year cumulative return for the NASDAQ Stock Market is not included in the performance graph above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires QuadraMed's directors and executive officers, and persons who own more than ten percent (10%) of a registered class of QuadraMed's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of QuadraMed's equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish QuadraMed with copies of all Section 16(a) reports they file. Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, QuadraMed believes that all reporting requirements under Section 16(a) for the fiscal year ended December 31, 2005 were met in a timely manner by its directors, executive officers and greater than ten percent (10%) beneficial owners, with the following exceptions: Mr. Hagen filed one late-filed Form 3 and one late-filed Form 4 reporting a transaction in October 2005; Mr. Piazza filed one late-filed Form 3 and one late-filed Form 4 reporting a transaction in August 2005; Mr. Klein filed one late-filed Form 3 and one late-filed Form 4 reporting a transaction in August 2005; Mr. Milligan filed one late-filed Form 3 and one late-filed Form 4 reporting a transaction in August 2005; Mr. Russell filed one late-filed Form 3 and one late-filed Form 4 reporting a transaction in November 2005; and Mr. English filed one late-filed Form 4 reporting a transaction in December 2005.

PROPOSAL TWO

APPROVAL AND RATIFICATION OF AMENDMENTS TO THE 2004 STOCK COMPENSATION PLAN

The second proposal item to be voted on is the approval and ratification of two technical tax-related amendments to the 2004 Stock Compensation Plan.

General

On May 6, 2004, the stockholders approved the adoption of the 2004 Stock Compensation Plan (the 2004 Plan), which provides stock compensation to employees, consultants, directors and advisors based on their service to the Company, their performance and other factors. The 2004 Plan has a term of May 6, 2004 to May 6, 2014. The 2004 Plan authorizes the issuance of nonqualified and incentive stock options (within the meaning of Section 422(b) of the Internal Revenue Code of 1986, as amended (the Code)), stock appreciation rights, restricted stock and restricted stock units. The Plan is limited to a maximum distribution of 1,536,369 shares, with a limit of 1,500,000 granted to any one individual as stock options or stock appreciation rights in any one calendar year period. Stock options, restricted stock, restricted stock units and stock appreciation rights granted under the 2004 Plan will become exercisable/fully vested upon the occurrence of a Change of Control, as defined in the 2004 Plan.

Since the stockholders adoption of the 2004 Plan, the U.S. Congress passed the American Jobs Creation Act of 2004 (the Jobs Creation Act). Section 409A of the Jobs Creation Act (Section 409A) provides new, more restricted rules regarding the ability of employers and employees to defer income. The Company s review of the 2004 Plan revealed the necessity and advisability of revising certain provisions of the 2004 Plan as a measure of good faith compliance with Section 409A and applicable Internal Revenue Service (IRS) guidance. Based upon this review, on March 9, 2006, the Board and the Compensation Committee approved amendments to the 2004 Plan and recommended them for submission to the Company s stockholders for approval and ratification. Accordingly, the Company proposes to amend and restate the 2004 Plan to:

Restrict employee elections to defer the proceeds from the exercise of any stock option or stock appreciation right to no later than the end of the taxable year preceding the year in which the participant performs the services for which compensation is deferred; and

Conform the definition of unforeseeable emergency to that definition provided by the IRS under Section 409A and related proposed regulations.

In all other respects, the existing terms of 2004 Plan will remain unchanged.

In consenting to this proposal, you will consent to the amendment and restatement of the 2004 Plan to reflect the proposed amendments, if this proposal is approved at the annual meeting. A copy of the 2004 Plan as proposed to be amended and restated is attached hereto as *Exhibit A*.

Text of the Proposed Amendments

The Company proposes to amend the 2004 Plan in Section 10 as indicated:

10. Deferral Election.

Notwithstanding the provisions of this Plan, any Participant may elect, with the concurrence of the Committee and consistent with any rules and regulations established by the Committee, to defer the delivery of the proceeds of the exercise of any Option or SAR not transferred under the applicable provisions of this Plan.

(a) The election to defer the delivery of the proceeds from any eligible Award must be made ~~at least six months prior to the date such Award is exercised or at such other time as the Committee may~~ **at least six months prior to the date such Award**

Table of Contents

~~specify, no later than the end of the taxable year preceding the year in which the Participant performs the service for which the compensation may be deferred, or such longer period as the Committee in its discretion may specify.~~ Deferrals will only be allowed for exercises which occur while the Participant is an active employee of the Company. Any election to defer the delivery of proceeds from an eligible Award shall be irrevocable as long as the Participant remains an employee of the Company.

(b) The deferral of the proceeds of an eligible Award may be elected by a Participant subject to the regulations established by the Committee. The proceeds from such an exercise shall be credited to the Participant's deferred stock account as the number of deferred share units equivalent in value to those proceeds. Deferred share units shall be valued at the Fair Market Value on the date of exercise. Subsequent to exercise, the deferred share units shall be valued at the Fair Market Value of Common Stock. Deferred share units shall accrue dividends at the rate paid on the Common Stock and shall be credited in the form of additional deferred share units. Deferred share units shall be distributed in shares of Common Stock, or, in the discretion of the Committee, by the payment of cash equal to the aggregate Fair Market Value of the shares of Common Stock which the Company would otherwise be obligated to deliver, upon the termination of employment of the Participant or at such other date as may be approved by the Committee over a period of no more than 10 years.

(c) The Committee may, at its sole discretion, allow for the early payment of a Participant's deferred share units account in the event of an unforeseeable emergency or in the event of the death or Permanent Disability of the Participant. ~~An unforeseeable emergency is defined as an unanticipated emergency caused by an event beyond the control of the Participant that would result in severe financial hardship if the distribution were not permitted.~~ For the purposes of this section, an unforeseeable emergency is a severe financial hardship of the Participant resulting from (i) an illness or accident of the Participant, the Participant's beneficiary, the spouse of the Participant or the Participant's beneficiary, or a dependent of the Participant or the Participant's beneficiary; (ii) loss of the Participant's (of the Participant's beneficiary's) property due to casualty (including the need to rebuild a home following damage to the home not otherwise covered by insurance; or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant or the Participant's beneficiary, including any events or circumstances described in guidance issued by the IRS under section 409A of the Code. Such distributions shall be limited to the amount necessary to sufficiently address the financial hardship. Any distributions under this provision shall be consistent with the Regulations established under the Code. Additionally, the Committee may use its discretion to cause deferred share unit accounts to be distributed when continuing the program is no longer in the best interest of the Company.

(d) No rights to deferred share unit accounts may be assigned or subject to any encumbrance, pledge or charge of any nature except that a Participant may designate a beneficiary pursuant to any rules established by the Committee.

Reasons for the Proposed Amendments

The Company believes that it is in the best interests of the Company's stockholders and employees to revise the 2004 Plan as a measure of good faith compliance with Section 409A and applicable IRS guidance. Failure to comply with Code Section 409A will subject employees to current taxation on deferred earnings and subject the Company to excise taxes for withholding less than the proper amount of employee earnings as required by the IRS.

The Board of Directors unanimously recommends that you vote FOR this proposal.

PROPOSAL THREE

APPROVAL AND RATIFICATION OF AN AMENDMENT TO THE 2002 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED FOR ISSUANCE UPON EXERCISE OF OPTIONS GRANTED UNDER THE PLAN FROM 453,450 TO 703,450

The third proposal item to be voted on is to approve an amendment to the 2002 Employee Stock Purchase Plan.

You are being asked to approve and ratify an increase in the number of shares reserved for issuance upon exercise of options granted under the 2002 Employee Stock Purchase Plan (the "ESPP") from 432,250 to 703,450. The ESPP, which is payroll deduction based, is intended to qualify under Section 423 of the Code and provides employees the opportunity to acquire common stock ownership in the Company.

Based on the Compensation Committee's recognition that the Company's success is dependent upon its ability to attract and retain talented employees and that one of the best ways to compete for such personnel is to offer significant potential rewards which are tied to the Company's success, the Board adopted the ESPP on January 28, 2002. On April 29, 2002, the stockholders approved and ratified the adoption of the ESPP. The Board believes that all employees of the Company and its subsidiaries should be provided the opportunity to acquire or increase their holdings of the Company's common stock. When adopted, 333,450 shares of common stock were reserved for the grant of options under the ESPP. On May 6, 2004, QuadraMed's stockholders voted to approve and ratify an amendment to the ESPP to increase the number of shares of common stock reserved for issuance under the ESPP from 333,450 to 453,450. As of March 16, 2006, 318,084 options had been granted, and only 15,366 shares remain available for issuance under the ESPP.

The full text of the ESPP, including the Enrollment/Change Form and Stock Purchase Agreement, is attached to this proxy statement as Exhibit B.

The Company believes it is in the best interests of the Company's stockholders and employees to increase the number of shares of common stock available to the ESPP by 250,000 shares, as this will allow the Company to continue to attract and retain quality personnel and to promote employee participation in equity ownership of the Company.

The Board of Directors unanimously recommends that you vote FOR this proposal.

PROPOSAL FOUR

APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The fourth proposal item to be voted on is to approve the appointment of BDO Seidman, LLP as QuadraMed's independent registered public accounting firm for the fiscal year ending December 31, 2006.

The Audit Committee has appointed, and the Board has approved, BDO Seidman, LLP to act as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. The Board has directed that such appointment be submitted to our stockholders for ratification. BDO Seidman, LLP was the Company's independent registered public accounting firm for the preceding four fiscal years.

Stockholder ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm is not required. The Board, however, is submitting the appointment to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Board will reconsider whether or not to retain BDO Seidman, LLP or another firm. Even if the appointment is ratified, the Board, in its discretion, may direct the appointment of a different accounting firm at any time during the 2006 fiscal year if the Board determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of BDO Seidman, LLP are expected to be present at the annual meeting and will have an opportunity to make a statement if they so desire. They will be available to respond to appropriate questions.

The Board of Directors unanimously recommends that you vote FOR this proposal.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted, in amended and restated form, by the Audit Committee on March 8, 2006 and approved by the Board of Directors on March 9, 2006. All members of the Audit Committee meet the independence and knowledge requirements of the marketplace rules of the American Stock Exchange and the Sarbanes-Oxley Act of 2002. The Audit Committee appoints and retains the Company's independent registered public accounting firm, whose appointment is confirmed and ratified by the Board of Directors. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. However, the Company's management has the primary responsibility for overseeing preparation of the financial statements and the overall reporting process, including the systems of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2005 with management, including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with BDO Seidman, LLP, our independent registered public accounting firm who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, and not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the

Edgar Filing: QUADRAMED CORP - Form DEF 14A

Committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with BDO Seidman, LLP such firm's independence from management and the Company, and has received and reviewed the written disclosures and letter from BDO Seidman, LLP required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended the selection of BDO Seidman, LLP as the Company's independent registered public accounting firm for fiscal year 2006.

If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to the Company will be voted in accordance with the recommendation of the Board, or in the absence of such a recommendation, in accordance with the judgment of the proxy holder.

(f) The Committee's interpretation and construction of the provisions of the Plan and the rules and regulations adopted by the Committee shall be final and binding on all persons, unless otherwise determined by the Board. No member of the Committee or the Board shall be liable for any action taken or determination made, in respect of the Plan, in good faith.

(g) The Committee may impose such other terms and conditions, as it deems advisable, including, without limitation, restrictions and requirements relating to (i) the registration, listing or qualification of the Common Stock, (ii) the grant or exercise of purchase rights under the Plan, or (iii) the shares of Common Stock acquired under the Plan.

(h) Notwithstanding any other provisions of the Plan, the Company shall have no obligation to deliver any shares of Common Stock under the Plan or make any other distribution of any benefit under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of the Exchange Act or any securities exchange or similar entity.

5. Participation in the Plan

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(a) Participation in the Plan shall be limited to the employees of the Company (including prospective employees conditioned on their becoming employees) and any advisor, consultant, director or other person providing services to the Company who shall be designated by the Committee.

(b) No member of the Committee shall participate in deliberations concerning the granting of, and the terms and conditions of, his or her own Award.

6. Stock Subject to the Plan

(a) The amount of Common Stock which may be made subject to Awards under this Plan shall be 1,536,369 shares, which is the amount of shares of Common Stock available for, and not made subject to, grants of options or other awards under the Prior Plans as of March 29, 2004, subject to adjustment based upon grants under the Prior Plans between March 29, 2004 and the Effective Date of the Plan. To determine

the number of shares of Common Stock available at any time for the granting of Awards, there shall be deducted from the total number of reserved shares of Common Stock, the number of shares of Common Stock in respect of which Awards have been granted pursuant to the Plan that are still outstanding or have been exercised. The shares of Common Stock to be issued upon the exercise of Awards granted pursuant to the Plan shall be made available from the authorized and unissued shares of Common Stock or shares subsequently acquired by the Company as treasury shares. If for any reason shares of Common Stock as to which an Award has been made are forfeited or otherwise cease to be subject to purchase thereunder, then such shares of Common Stock again shall be available for issuance pursuant to the exercise of Awards pursuant to the Plan.

(b) Subject to Paragraph 6(c), the maximum number of shares that may be covered by Awards granted to any one individual pursuant to Paragraph 7 (relating to Options) or Paragraph 9 (relating to SARs) shall be one million five hundred thousand (1,500,000) shares during any one calendar year period; and the maximum number of shares that may be issued to any one individual in conjunction with the Awards granted pursuant to Paragraph 11 (relating to Restricted Stock Awards) shall be seven hundred fifty thousand (750,000) shares during any one calendar year period.

(c) In the event of a recapitalization, stock split, stock dividend, combination of shares of Common Stock, share exchange or any similar corporate transaction or event in respect of the Common Stock, the Plan will be appropriately adjusted in the number and class of shares reserved for the granting of Awards and in the number, class and price of shares covered by Awards granted pursuant to the Plan but not then exercised. The Board shall make such adjustments, and its determination shall be final, binding and conclusive.

7. Terms and Conditions of Options

(a) Each Option granted pursuant to the Plan shall be evidenced by an Award Agreement in such form as the Committee may approve, which agreement shall be subject to the terms and conditions of this Plan, and shall contain such terms and conditions, as the Committee shall prescribe.

(b) The exercise price per share of Common Stock purchasable under an Option shall be determined by the Committee at the time the Option is granted but will not be less than the Fair Market Value of a share of Common Stock as of the date of the grant of such Options.

(c) Each Option, subject to the other limitations set forth in the Plan, may extend for a period of up to ten (10) years from the date on which it is granted. The term of each Option shall be determined by the Committee at the time of grant of the Option, provided that if no term is established by the Committee the term of the Option shall be ten (10) years from the date on which it is granted.

(d) The Optionholder's right to exercise the Option shall vest as follows: (i) 25% of the Option shares shall vest upon the Participant's completion of one year of continuous service with the Company; and (ii) the balance of the Option shares shall vest in a series of thirty-six (36) equal successive monthly installments upon the Participant's completion of each additional month of continuous employment. The Committee may, however, provide in the Award Agreement that the right to exercise each Option for the number of shares subject to each Option shall vest in the Optionholder over any other shorter or longer period, or in periodic installments that may, but need not, be equal; and the Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Committee may deem appropriate. However, in the event of a Change in Control, any Option that is not then fully exercisable, shall become fully exercisable immediately prior to that Change in Control.

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(e) Options shall be nontransferable and nonassignable, except that Options may be transferred by testamentary instrument or by the laws of descent and distribution, and shall be exercisable by the Participant during his lifetime only by him. Notwithstanding the foregoing, the Committee may set forth in the Award Agreement at the time of grant or thereafter, that the Option (other than an Incentive Stock Option) may be transferred to Immediate Family Members, to trusts solely for the benefit of such Immediate

A-5

Table of Contents

Family Members, and to partnerships in which such Immediate Family Members and/or trusts are the only partners. Any transfer of Options made under this provision shall not be effective until notice of such transfer is delivered to the Company. In the event an Option is transferred in accordance with the foregoing, the Option shall be exercisable solely by the transferee and shall remain subject to the provisions of the Plan. The Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(f) Upon voluntary or involuntary termination of a Participant's active service with the Company for any reason (including illness or disability), his or her Option and all rights thereunder shall terminate effective ninety (90) days, or two (2) years, in the case of an Insider, after the date the Optionholder ceases active, regular service with the Company, except (i) to the extent previously exercised and (ii) as provided in subparagraphs (g), (h) and (i) of this Paragraph 7.

(g) In the event a Participant (i) takes a leave of absence from the Company for personal reasons or as a result of entry into the armed forces of the United States, or any of the departments or agencies of the United States government or (ii) terminates his or her employment or ceases providing services to the Company, by reason of illness, Permanent Disability, voluntary termination with the consent of the Committee, or other special circumstances, the Committee may consider his or her case and may take such action in respect of the related Award Agreement as it may deem appropriate under the circumstances, including accelerating the time previously granted Options may be exercised and extending the time following the Participant's termination of active employment during which the Optionholder is entitled to purchase the shares of Common Stock subject to such Options, provided that in no event may any Option be exercised after the expiration of the term of the Option.

(h) If a Participant dies during the term of his or her Option without having fully exercised the Option, the Optionholder or the person who inherits the right to exercise the Option by bequest or inheritance, shall have the right at any time following the Participant's death and for a period of one (1) year following the date of the Participant's death, or two (2) years in the case of Insider, to purchase the number of shares of Common Stock that the Optionholder was entitled to purchase at the date of death of the Participant, after which the Option shall lapse, provided that in no event may any Option be exercised after the expiration of the term of the Option. In the event of the death of the transferee of an Option transferred in accordance with Paragraph 7(e), above, the Option shall be exercisable by the executors, administrators, legatees or distributees of the transferee's estate, as the case may be, for a period of one (1) year following the date of the transferee's death, or two (2) years in the case of Insider, provided that in no event may the Option be exercised after the expiration of the term of the Option.

(i) If a Participant ceases to actively provide services to the Company due to his or her retirement with the consent of the Company and without his or her Option having been fully exercised, then the Optionholder shall have the right within ninety (90) days of the Participant's termination of employment, or two (2) years in the case of an Insider, to purchase the number of shares of Common Stock that the Optionholder was entitled to purchase at the date of the Participant's termination, after which the Option shall lapse, provided that in no event may any Option be exercised after the expiration of the term of the Option. The Committee may cancel an Option during the post-termination exercise period referred to in this paragraph, if the Participant engages in Detrimental Activity as defined in subparagraph 14(a) or otherwise engages in employment or activities contrary, in the opinion of the Committee, to the best interests of the Company. The Committee shall determine in each case whether a termination of employment shall be considered a retirement with the consent of the Company, and, subject to applicable law, whether a leave of absence shall constitute a termination of active service for the Company. Any such determination of the Committee shall be final and binding on all persons, unless overruled by the Board.

(j) Notwithstanding the foregoing, in the event of the termination of a Participant's employment for Cause, all outstanding Options granted to such Participant shall terminate and expire as of the commencement of business on the effective date of such termination.

Table of Contents

(k) In addition to the general terms and conditions set forth in the Paragraph 7 in respect of Options granted pursuant to the Plan, Incentive Stock Options granted pursuant to the Plan shall be subject to the following additional terms and conditions:

(i) Incentive Stock Options shall be granted only to individuals who, at the date of grant of the Option, are employees of the Company or a Subsidiary;

(ii) No employee who owns beneficially more than 10% of the total combined voting power of all classes of stock of the Company shall be eligible to be granted an Incentive Stock Option, unless the exercise price per share is at least 110% of the Fair Market Value of the Common Stock subject to the Option on the date of grant of the Option and the Option, by its terms, is not exercisable after the expiration of five years from the date the Option is granted;

(iii) To the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Common Stock in respect of which an Option is exercisable for the first time by the Participant during any calendar year (and taking into account all incentive stock option plans of the Company) exceeds \$100,000, that number of whole shares for which an Option issued hereunder is exercisable with an aggregate fair market value in excess of this \$100,000 limit shall not be treated as having been granted under an Incentive Stock Option; and

(iv) Any other terms and conditions specified by the Board that are not inconsistent with the Plan, except that such terms and conditions must be consistent with the requirements for incentive stock options under Section 422 of the Code.

8. Methods of Exercise of Options

(a) An Optionholder (or other person or persons, if any, entitled to exercise an Option hereunder) desiring to exercise an Option granted pursuant to the Plan as to all or part of the shares of Common Stock covered by the Option shall (i) notify the Company in writing to that effect at its principal executive offices prior to 4:30 p.m. Washington, D.C. time on the day of exercise (which must be a business day at the executive offices of the Company), specifying the number of shares of Common Stock to be purchased and the method of payment therefor, and (ii) make payment for the shares of Common Stock so purchased in accordance with this Paragraph 8. Such written notice may be given by means of a facsimile or other electronic transmission. If a facsimile or other electronic transmission is used, the Optionholder should mail the original executed copy of the written notice to the Company promptly thereafter.

(b) Payment shall be made by delivery to the Company at the address set forth in subparagraph 8(a) by the Optionholder of either (i) United States currency in an amount equal to the aggregate purchase price of the shares of Common Stock as to which such exercise relates or (ii) at the discretion of the Committee, and to the extent permitted by applicable statutes and regulations, shares of other Common Stock then held by the Optionholder that are owned free and clear of any liens, claims, encumbrances or security interests and that are valued at Fair Market Value on the date of exercise. Subject to any restrictions on Insiders pursuant to Section 13(k) of the Exchange Act (and rules and regulations promulgated thereunder), the Committee may permit the exercise of the Award and payment of any applicable withholding tax in respect of an Award by delivery of notice, subject to the Company's receipt from a third party of payment (or commitment to make payment) in full in cash for the exercise price and the applicable withholding taxes prior to issuance of Common Stock, in the manner and subject to the procedures as may be established by the Committee.

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(c) Holders of Nonqualified Stock Options shall be entitled, at or prior to the time the written notice provided for in subparagraph 8(a) is delivered to the Company to elect to deliver previously owned shares of Common Stock upon exercise of the Option to satisfy any withholding taxes attributable to the exercise of the Option. If the Committee does not include any provisions relating to this withholding feature in its resolutions granting the Option or in the Award Agreement, however, the maximum amount that an Optionholder may elect to have withheld from the shares of Common Stock otherwise deliverable upon exercise or the maximum number of previously owned shares an Optionholder may deliver shall be equal to

A-7

the minimum federal and state withholding. Notwithstanding the foregoing provisions, the Committee may include in the Award Agreement relating to any such Option provisions limiting or eliminating the Optionholder's ability to pay his withholding tax obligation with shares of Common Stock or, if no such provisions are included in the Award Agreement but in the opinion of the Committee such withholding would have an adverse tax, accounting or other effect on the Company, at or prior to exercise of the Option, the Committee may so limit or eliminate the Optionholder's ability to pay his or her withholding tax obligation with shares of Common Stock. Notwithstanding the foregoing provisions, a holder of a Nonqualified Stock Option may not elect any of the methods of satisfying his withholding tax obligation in respect of any exercise if, in the opinion of counsel to the Company, such method would not be in compliance with all applicable laws and regulations.

(d) An Optionholder at any time may elect in writing to abandon an Option in respect of all or part of the number of shares of Common Stock as to which the Option shall not have been exercised.

(e) An Optionholder shall have none of the rights of a stockholder of the Company until the shares of Common Stock covered by the Option are issued to him or her upon exercise of the Option.

9. Stock Appreciation Rights

The Committee may grant SARs pursuant to the Plan, which shall be evidenced by Award Agreements in such form as the Committee shall, from time to time, approve. SARs shall be subject to such terms and conditions as the Committee shall impose, including the following:

(a) The per share exercise price of any SAR under the Plan shall be determined by the Committee at the time of the grant of the SAR, but shall not be less than the Fair Market Value of a share of Common Stock as of the date of the grant of such SAR.

(b) A SAR shall be exercisable on such date or dates, during such period and for such number of shares of Common Stock as shall be determined by the Committee and set forth in the Agreement evidencing the SAR. In the event of a Change in Control, any SAR that is not then fully exercisable, shall become fully exercisable immediately prior to that Change in Control.

(c) A SAR shall entitle the Participant to receive from the Company that number of shares of Common Stock having an aggregate value equal to (or, in the discretion of the Committee, less than) the excess of the Fair Market Value of one share of Common Stock over the exercise price per share specified in the Award Agreement evidencing the SAR times the number of shares called for by the SAR. The Committee shall be entitled to cause the Company to settle its obligation, arising out of the exercise of a SAR, by the payment of cash equal to the aggregate Fair Market Value of the shares of Common Stock which the Company would otherwise be obligated to deliver, or partly by the payment of cash and partly by the delivery of Common Stock.

(d) Except as otherwise provided in an applicable Award Agreement, during the lifetime of a Participant, each SAR granted to a Participant shall be exercisable only by the Participant and no SAR shall be assignable or transferable otherwise than by will or by the laws of descent and distribution. The Committee may, in any applicable Award Agreement evidencing a SAR, permit a Participant to transfer all or some of the SAR to (i) the Participant's Immediate Family Members, or (ii) a trust or trusts solely for the exclusive benefit of such Immediate Family Member and to partnerships in which such Immediate Family Members and/or trusts are the only partners.

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(e) Unless otherwise provided in an applicable Award Agreement, in the event that the employment of a Participant with the Company shall terminate for any reason other than retirement with the consent of the Company, Cause, Permanent Disability or death (i) SARs granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of 90 days after such termination, or two (2) years after such termination in the case of an Insider, on which date they shall expire, and (ii) SARs granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; *provided, however*, that no SAR shall be exercisable after the expiration of its term.

A-8

Table of Contents

(f) Unless otherwise provided in an applicable Award Agreement, in the event that the employment of a Participant with the Company shall terminate on account of the death or Permanent Disability of the Participant (i) SARs granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of one (1) year after such termination, or two (2) years in the case of an Insider, on which date they shall expire, and (ii) SARs granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; *provided, however*, that no SAR shall be exercisable after the expiration of its term.

(g) In the event of the termination of a Participant's employment for Cause, all outstanding SARs granted to such Participant shall expire as of the commencement of business on the effective date of such termination.

10. Deferral Election

Notwithstanding the provisions of this Plan, any Participant may elect, with the concurrence of the Committee and consistent with any rules and regulations established by the Committee, to defer the delivery of the proceeds of the exercise of any Option or SAR not transferred under the applicable provisions of this Plan.

(a) The election to defer the delivery of the proceeds from any eligible Award must be made no later than the end of the taxable year preceding the year in which the Participant performs the service for which the compensation may be deferred, or such longer period as the Committee in its discretion may specify. Deferrals will only be allowed for exercises which occur while the Participant is an active employee of the Company. Any election to defer the delivery of proceeds from an eligible Award shall be irrevocable as long as the Participant remains an employee of the Company.

(b) The deferral of the proceeds of an eligible Award may be elected by a Participant subject to the regulations established by the Committee. The proceeds from such an exercise shall be credited to the Participant's deferred stock account as the number of deferred share units equivalent in value to those proceeds. Deferred share units shall be valued at the Fair Market Value on the date of exercise. Subsequent to exercise, the deferred share units shall be valued at the Fair Market Value of Common Stock. Deferred share units shall accrue dividends at the rate paid on the Common Stock and shall be credited in the form of additional deferred share units. Deferred share units shall be distributed in shares of Common Stock, or, in the discretion of the Committee, by the payment of cash equal to the aggregate Fair Market Value of the shares of Common Stock which the Company would otherwise be obligated to deliver, upon the termination of employment of the Participant or at such other date as may be approved by the Committee over a period of no more than 10 years.

(c) The Committee may, at its sole discretion, allow for the early payment of a Participant's deferred share units account in the event of an unforeseeable emergency or in the event of the death or Permanent Disability of the Participant. For the purposes of this section, an unforeseeable emergency is a severe financial hardship of the Participant resulting from (i) an illness or accident of the Participant, the Participant's beneficiary, the spouse of the Participant or the Participant's beneficiary, or a dependent of the Participant or the Participant's beneficiary; (ii) loss of the Participant's (of the Participant's beneficiary's) property due to casualty (including the need to rebuild a home following damage to the home not otherwise covered by insurance; or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant or the Participant's beneficiary, including any events or circumstances described in guidance issued by the IRS under section 409A of the Code. Such distributions shall be limited to the amount necessary to sufficiently address the financial hardship. Any distributions under this provision shall be consistent with the Regulations established under the Code. Additionally, the Committee may use its discretion to cause deferred share unit accounts to be distributed when continuing the program is no longer in the best interest of the Company.

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(d) No rights to deferred share unit accounts may be assigned or subject to any encumbrance, pledge or charge of any nature except that a Participant may designate a beneficiary pursuant to any rules established by the Committee.

11. Terms and Conditions of Restricted Stock and Restricted Stock Unit Awards

(a) Each Award of Restricted Stock or Restricted Stock Units under the Plan shall be evidenced by an Award Agreement between the Participant and the Company in such form as the Committee may approve, which agreement shall be subject to the terms and conditions of this Plan and shall contain such terms and conditions as the Committee shall prescribe.

(b) Restricted Stock may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services; provided, however, that to the extent that an Award consists of newly issued Restricted Stock, the Participant shall furnish consideration with a value not less than the par value of such Restricted Stock in the form of cash equivalents or past services rendered to the Company, as the Committee may determine.

(c) Each award of Restricted Stock or Restricted Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Award Agreement. During any restricted period, the Participant shall not be permitted to sell, transfer, pledge or assign any Restricted Stock awarded under this Plan. In the event of the Participant's retirement, Permanent Disability or death, or in cases of special circumstances, the Committee, in its sole discretion may waive, in whole or in part, any or all remaining restrictions with respect to such Participant's Restricted Stock. Notwithstanding the foregoing, each Award Agreement shall provide that all Restricted Stock and Restricted Stock Units subject to the agreement shall become fully vested in the event that a Change in Control occurs.

(d) The Committee shall establish the criteria upon which the restriction period shall be based. Restrictions may be based upon either the continued employment of the Participant or upon the attainment by the Company of one or more measures of operating performance, including, but not limited to: revenue, net income, EBITDA, cash flow and financial return ratios.

The Committee shall establish the specific targets for the selected criteria. These targets may be set at a specific level or may be expressed as relative to the comparable measure at comparison companies or a defined index. Performance objectives may be established in combination with restrictions based upon the continued employment of the Participant. These targets may be based upon the total Company or upon a defined business unit.

In cases where objective performance criteria are established, the Committee shall determine the extent to which the criteria have been achieved and the corresponding level to which restrictions will be removed from the Award or the extent to which a Participant's right to receive an Award should be lapsed in cases where the performance criteria have not been met and shall certify these determinations in writing. The Committee may provide for the determination of the attainment of such restrictions in installments where deemed appropriate.

(e) The holders of Restricted Stock awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. An Award Agreement, however, may require that the holders of Restricted Stock invest any cash dividends received in additional Restricted Stock. Such additional Restricted Stock shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

(f) When an Award of Restricted Stock is granted hereunder, the Company shall issue a certificate or certificates in respect of such Restricted Stock, which shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award similar to the following:

The transferability of the shares represented by this certificate is subject to the terms and conditions (including forfeiture) of a Restricted Stock Agreement entered into between the registered owner and QuadraMed Corporation. A copy of such agreement is on file in the offices of the Secretary of the Corporation.

A-10

Table of Contents

(g) In order to enforce the restrictions, terms and conditions that may be applicable to a Participant's shares of Restricted Stock, the Committee may require the Participant, upon the receipt of a certificate or certificates representing such shares, or at any time thereafter, to deposit such certificate or certificates, together with stock powers and other instruments of transfer, appropriately endorsed in blank, with the Company or an escrow agent designated by the Company under an escrow agreement in such form as by the Committee shall prescribe.

12. Non-Employee Director Option Grant Program

(a) Option Terms

1. *Grant Dates.* Nonqualified Stock Option grants under the Non-Employee Director Option Grant Program shall be made on the dates specified below:

A. Each individual who is first elected or appointed as a non-employee Board member at any time shall automatically be granted, on the date of such initial election or appointment, a Nonqualified Stock Option to purchase 46,000 shares of Common Stock (the "Initial Grant"), provided, that the individual has not previously been in the employ of the Company or any Subsidiary or Affiliate.

B. At each annual meeting of the stockholders beginning with the 2006 annual meeting of the stockholders, each individual who is to continue to serve as a non-employee Board member, whether or not that individual is standing for re-election to the Board at that particular annual meeting, shall automatically be granted a Nonqualified Stock Option to purchase 12,000 shares of Common Stock, provided such individual has not received an Initial Grant under this Non-Employee Director Option Grant Program as of the date of either of the preceding two (2) Annual Stockholder Meetings.

2. *Exercise Price.*

A. The exercise price per share shall be equal to one hundred percent (100%) of the Fair Market Value per share of Common Stock as of the grant date.

B. The exercise price shall be payable in one or more of the alternative forms authorized under Paragraph 8. Except to the extent the sale and remittance procedure specified thereunder is utilized, payment of the exercise price for the purchased shares must be made on the exercise date.

3. *Option Term.* Each Option shall have a term of ten (10) years measured from the Option grant date.

4. *Exercise and Vesting of Options.* The right of a non-employee Board Member to exercise each initial 46,000-share Option grant shall vest as follows: (i) one-half of the Option shares shall vest upon the Participant's completion of one (1) year of Board service measured from the Option grant date and (ii) the balance of the Option shares shall vest upon the Participant's completion of his or her second year of Board service

Edgar Filing: QUADRAMED CORP - Form DEF 14A

measured from such grant date. The right of a non-employee Board Member to exercise a 12,000-share Option grant shall vest in a series of 12 successive equal monthly installments over the Participant's period of Board service.

5. *Termination of Board Service.* The following provisions shall govern the exercise of any Options held by the Participant at the time the Participant ceases to serve as a Board member:

A. The Participant shall have a two (2)-year period following the date of the Participant's cessation of Board service in which to exercise each such option for the number of vested shares of Common Stock for which the Option is exercisable at the time of the Participant's cessation of Board service.

B. In no event shall the Option remain exercisable after the expiration of the Option term. Upon the expiration of the post-termination exercise period or (if earlier) upon the expiration of the Option term, the Option shall terminate and cease to be outstanding for any vested shares for

A-11

which the Option has not been exercised. However, the Option shall, immediately upon the Participant's cessation of Board service for any reason other than death or Permanent Disability, terminate and cease to be outstanding to the extent the Option is not otherwise at that time exercisable for vested shares.

(b) Change In Control

In connection with any Change in Control, the shares of Common Stock at the time subject to each outstanding Option but not otherwise vested shall automatically vest in full so that each such Option shall, immediately prior to the effective date of the Change in Control, become fully exercisable for all of the shares of Common Stock at the time subject to such Option and may be exercised for all or any portion of those shares as fully-vested shares of Common Stock. Each such Option shall remain exercisable for such fully-vested Option shares until the expiration or sooner termination of the Option.

(c) Remaining Terms.

The remaining terms of each Option granted under the Non-Employee Director Option Grant Program shall be the same as the relevant terms in effect for Option grants made under Paragraphs 7 and 8.

13. Director Fee Option Grant Program

(a) *Option Grants.* Each non-employee Board member may elect to apply all or any portion of the annual retainer fee otherwise payable in cash for his or her service on the Board to the acquisition of a special option grant under this Director Fee Option Grant Program. Such election must be filed with the Company's Chief Financial Officer prior to first day of the calendar year for which the annual retainer fee which is the subject of that election is otherwise payable. Each non-employee Board member who files such a timely election shall automatically be granted an Option under this Director Fee Option Grant Program on the first trading day in January in the calendar year for which the annual retainer fee which is the subject of that election would otherwise be payable.

(b) *Option Terms.* Each Option shall be a Nonqualified Stock Option governed by the terms and conditions specified below.

1. Exercise Price.

A. The exercise price per share shall be thirty-three and one-third percent (33 1/3%) of the Fair Market Value per share of Common Stock as of the Option grant date.

B. The exercise price shall become immediately due upon exercise of the Option and shall be payable in one or more of the alternate forms authorized under Paragraph 8. Except to the extent the sale and remittance procedure specified thereunder is utilized, payment of the exercise

price for the purchased shares must be made on the Exercise Date.

2. *Number of Option Shares.* The number of shares of Common Stock subject to the Option shall be determined pursuant to the following formula (rounded down to the nearest whole number):

$X=(A)(B \times 66-2/3\%)$, where

X is the number of Option shares

A is the portion of the annual retainer fee subject to the non-employee Board member's election, and

B is the Fair Market Value per share of Common Stock as of the Option grant date.

3. *Exercise and Term of Options.* The Option shall become exercisable for fifty-percent (50%) of the Option shares upon the Participant's completion of six (6) months of Board service in the calendar year for which his or her election under this Director Fee Option Grant Program is in effect, and the

Table of Contents

balance of the Option shares shall become exercisable upon the Participant's completion of twelve (12) months of Board service during that calendar year. Each Option shall have a maximum term of ten (10) years measured from the Option grant date.

4. *Termination of Board Service.* Should the Participant cease Board service for any reason (other than death or Permanent Disability) while holding one or more Options under this Director Fee Option Grant Program, then each such Option shall remain exercisable, for any or all of the shares for which the Option is exercisable at the time of such cessation of Board service, until the *earlier* of (i) the expiration of the ten (10)-year Option term or (ii) the expiration of the two (2)-year period measured from the date of such cessation of Board service. However, each Option held by the Participant under this Director Fee Option Grant Program at the time of his or her cessation of Board service shall immediately terminate and cease to remain outstanding with respect to any and all shares of Common Stock for which the Option is not otherwise at that time exercisable.

5. *Death or Permanent Disability.* Should the Participant's service as a Board member cease by reason of death or Permanent Disability, then each Option held by such Participant under this Director Fee Option Grant Program shall immediately become exercisable for all the shares of Common Stock at the time subject to that Option, and the Option may be exercised for any or all of those shares as fully-vested shares until the *earlier* of (i) the expiration of the ten (10)-year Option term or (ii) the expiration of the two (2)-year period measured from the date of such cessation of Board service.

Should the Participant die after cessation of Board service but while holding one or more Options under this Director Fee Option Grant Program, then each such Option may be exercised, for any or all of the shares for which the Option is exercisable at the time of the Participant's cessation of Board service (less any shares subsequently purchased by Participant prior to death) by the personal representative of the Participant's estate or by the person or persons to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. Such right of exercise shall lapse, and the Option shall terminate, upon the *earlier* of (i) the expiration of the ten (10)-year Option term or (ii) the two (2)-year period measured from the date of the Participant's cessation of Board service.

(c) *Change in Control.* In connection with any Change in Control, the shares of Common Stock at the time subject to each outstanding Option but not otherwise vested shall automatically vest in full so that each such Option shall, immediately prior to the effective date of the Change in Control, become fully exercisable for all of the shares of Common Stock at the time subject to such Option and may be exercised for all or any portion of those shares as fully-vested shares of Common Stock. Each such Option shall remain exercisable for such fully-vested Option shares until the expiration or sooner termination of the Option.

(d) *Remaining Terms.* The remaining terms of each Option granted under this Director Fee Option Grant Program shall be the same as the terms in effect for option grants made under Paragraphs 7 and 8.

14. Cancellation and Rescission of Awards

(a) Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid, or deferred Awards at any time if the Participant is not in compliance with all applicable provisions of the applicable Award Agreement and the Plan, or if the Participant engages in any Detrimental Activity. Detrimental Activity shall include: (i) the rendering of services for any organization or engaging directly or indirectly in any business which is or becomes competitive with the Company or any Subsidiary or Affiliate, or which organization or business, or the rendering of services to such organization or business, is or becomes otherwise prejudicial to or in conflict with the interests of the Company or any Subsidiary or Affiliate; (ii) the disclosure to anyone outside the Company or any of its Subsidiaries and Affiliates, or the use in other than the Company's business, without prior written authorization from the Committee, of

any confidential information or material, relating to the business of the Company or any of its Subsidiaries and Affiliates, acquired by the

Participant either during or after his period of service with the Company; (iii) the failure or refusal to disclose promptly and to assign to the Company, all right, title and interest in any invention or idea, patentable or not, made or conceived by the Participant while employed by or otherwise performing services for the Company, relating in any manner to the actual or anticipated business, research or development work of the Company or any Subsidiary or Affiliate or the failure or refusal to do anything reasonably necessary to enable the Company or any Subsidiary or Affiliate to secure a patent where appropriate in the United States and in other countries; (iv) activity that results in termination of the Participant's employment for Cause (either as defined herein or in the Participant's employment agreement with the Company); (v) any attempt directly or indirectly to induce any employee or other person performing services for the Company or any Subsidiary or Affiliate to be employed or perform services elsewhere or any attempt directly or indirectly to solicit the trade or business of any current or prospective customer, supplier or partner of the Company or any Subsidiary or Affiliate; or (vi) any other conduct or act determined to be injurious, detrimental or prejudicial to any interest of the Company or any Subsidiary or Affiliate.

(b) Upon exercise, payment or delivery pursuant to an Award, the Participant shall certify in a manner acceptable to the Committee that he or she is in compliance with the terms and conditions of the Plan. In the event a Participant fails to comply with the provision of paragraphs (a)(i)-(vi) of this Paragraph 14 prior to, or during the six months after, any exercise, payment or delivery pursuant to an Award, such exercise, payment or delivery may be rescinded within two years thereafter. In the event of any such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the rescinded exercise, payment or delivery, in such manner and on such terms and conditions as may be required, and the Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

15. Repurchase of Shares

(a) Unless and to the extent a different repurchase right or obligation is specified in a separate agreement with the Participant, the Common Stock acquired in connection with an Award issued under this Plan shall be subject to a right (but not an obligation) of repurchase by the Company as described in this Paragraph 15. If the Participant transfers any shares of Common Stock, then this Paragraph 15 shall apply to the transferee to the same extent as to the Participant.

(b) If the Company exercises the right of repurchase, it shall pay the Participant an amount equal to the Fair Market Value for each of the shares of Common Stock being repurchased.

16. Amendments and Discontinuance of the Plan; Modification of Awards

(a) The Board shall have the right at any time and from time to time to amend, modify, or discontinue the Plan; provided, however, that, except as provided in subparagraph 6(c), no such amendment, modification, or discontinuance of the Plan shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy the requirement of Section 422 of the Code, Section 162(m) of the Code, or any Nasdaq or Stock Exchange listing requirements.

(b) Subject to the terms and conditions of, and within the limitations of the Plan, the Committee may modify, extend or renew Awards under the Plan; provided, however, that the Committee shall not have the authority, without the prior approval of the stockholders, to (i) amend any Option or SAR to reduce the exercise price of the Option or SAR, (ii) accept the surrender or cancellation of any Options or any SARs and grant new Options or SARs in substitution therefore at an exercise price that is less than the exercise price of the Options or SARs surrendered or cancelled or (iii) otherwise reprice any outstanding Option or SAR. Subject to the foregoing, no amendment of any Award shall be effective to revoke or alter the terms of any valid Award previously granted pursuant to the Plan without the consent of the Participant.

17. Plan Subject to Governmental Laws and Regulations

The Plan and the grant and exercise of Awards pursuant to the Plan shall be subject to all applicable governmental laws and regulations. Notwithstanding any other provision of the Plan to the contrary, the Board may in its sole and absolute discretion make such changes in the Plan as may be required to conform the Plan to such laws and regulations.

18. Exclusion From Retirement and Fringe Benefit Computation

No portion of any Award under this Plan shall be taken into account as wages, salary or compensation for any purpose, whether in determining eligibility, benefits or otherwise, under (i) any pension, retirement, profit sharing or other qualified or non-qualified plan of deferred compensation, (ii) any employee welfare or fringe benefit plan including, but not limited to, group insurance, hospitalization, medical, disability and severance programs, or (iii) any form of extraordinary pay including but not limited to bonuses, sick pay, vacation pay, termination indemnities or the like.

19. Non-Guarantee of Employment

Nothing in the Plan or in any Award granted pursuant to the Plan shall be construed as a contract of employment between the Company or any Subsidiary or Affiliate, and selection of any person as a Participant in the Plan will not give that person the right to continue in the employ of the Company or any Subsidiary or Affiliate, the right to continue to provide services to the Company or any Subsidiary or Affiliate or as a limitation of the right of the Company or any Subsidiary or Affiliate to discharge any Participant or any other person at any time.

20. Liability Limited; Indemnification

(a) To the maximum extent permitted by Delaware law, neither the Company, the Board or the Committee nor any of its members, shall be liable for any action or determination made with respect to this Plan.

(b) In addition to such other rights of indemnification that they may have, the members of the Board and the Committee shall be indemnified by the Company to the maximum extent permitted by Delaware law against any and all liabilities and expenses incurred in connection with their service in such capacity.

EXHIBIT B

(Proposal Three)

In the event Proposal Three as described in the proxy statement for QuadraMed's 2006 Annual Meeting of Stockholders is approved by the requisite vote of the stockholders at the annual meeting, QuadraMed's Corporation 2002 Employee Stock Purchase Plan shall read in its entirety as follows:

QUADRAMED CORPORATION

2002 EMPLOYEE STOCK PURCHASE PLAN

ARTICLE ONE

GENERAL PROVISIONS

I. PURPOSE OF THE PLAN

This Employee Stock Purchase Plan is intended to promote the interests of QuadraMed Corporation (the Company) by providing eligible employees with the opportunity to acquire a proprietary interest in the Company through participation in a payroll-deduction based employee stock purchase plan designed to qualify under Section 423 of the Code.

Capitalized terms herein shall have the meanings assigned in the attached Exhibit.

II. ADMINISTRATION OF THE PLAN

The Plan Administrator shall have full authority to interpret and construe any provision of the Plan and to adopt such rules and regulations for administering the Plan as it may deem necessary in order to comply with the requirements of Code Section 423. Decisions of the Plan Administrator shall be final and binding on all parties having an interest in the Plan.

III. STOCK SUBJECT TO PLAN

A. The stock purchasable under the Plan may be shares of authorized but unissued or reacquired Common Stock, including shares of Common Stock purchased on the open market. The maximum number of shares of Common Stock which may be issued over the term of the Plan shall not exceed Seven Hundred Three Thousand Four Hundred Fifty (703,450) shares.

B. Should any change be made to the Common Stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and class of securities issuable under the Plan, (ii) the maximum number and class of securities purchasable per Participant on any one Purchase Date and (iii) the number and class of securities and the price per share in effect under each outstanding purchase right in order to prevent the dilution or enlargement of benefits thereunder.

IV. OFFERING PERIODS

A. Shares of Common Stock shall be offered for purchase under the Plan through a series of successive offering periods until such time as (i) the maximum number of shares of Common Stock available for issuance under the Plan shall have been purchased or (ii) the Plan shall have been sooner terminated.

B. Each offering period shall be of such duration (not to exceed twenty-four (24) months) as determined by the Plan Administrator prior to the start date. The Initial Offering Period shall commence on the first business

B-1

Table of Contents

day in August and terminate on the last business day in January. The next offering period shall commence on the first business day in February and subsequent offering periods shall commence as designated by the Plan Administrator.

C. Each offering period shall be comprised of a series of one or more successive Purchase Intervals. Purchase Intervals shall run from the first business day in February each year to the last business day in July of the same year and from the first business day in August each year to the last business day in January of the following year. The first Purchase Interval in effect under the Initial Offering Period, however, shall commence on the first business day in August 2002 and terminate on the last business day in January 2003.

D. Should the Fair Market Value per share of Common Stock on any Purchase Date within an offering period be less than the Fair Market Value per share of Common Stock on the start date of that offering period, then that offering period shall automatically terminate immediately after the purchase of shares of Common Stock on such Purchase Date, and a new offering period shall commence on the next business day following such Purchase Date. The new offering period shall have a duration of twenty four (24) months, unless a shorter duration is established by the Plan Administrator within five (5) business days following the start date of that offering period.

V. ELIGIBILITY

A. Each individual who is an Eligible Employee on the start date of any offering period under the Plan may enter that offering period on such start date or on any subsequent Semi-Annual Entry Date within that offering period, provided he or she remains an Eligible Employee.

B. Each individual who first becomes an Eligible Employee after the start date of an offering period may enter that offering period on any subsequent Semi-Annual Entry Date within that offering period on which he or she is an Eligible Employee.

C. The date an individual enters an offering period shall be designated his or her Entry Date for purposes of that offering period.

D. To participate in the Plan for a particular offering period, the Eligible Employee must complete the enrollment forms prescribed by the Plan Administrator (including a stock purchase agreement and a payroll deduction authorization) and file such forms with the Plan Administrator (or its designate) on or before his or her scheduled Entry Date.

VI. PAYROLL DEDUCTIONS

A. The payroll deduction authorized by the Participant for purposes of acquiring shares of Common Stock during an offering period may be any multiple of one percent (1%) of the Base Salary paid to the Participant during each Purchase Interval within that offering period, up to a maximum of ten percent (10%). The deduction rate so authorized shall continue in effect throughout the offering period, except to the extent such rate is changed in accordance with the following guidelines:

Edgar Filing: QUADRAMED CORP - Form DEF 14A

(i) The Participant may, at any time during the offering period, reduce his or her rate of payroll deduction to become effective as soon as possible after filing the appropriate form with the Plan Administrator. The Participant may not, however, effect more than one (1) such reduction per Purchase Interval.

(ii) The Participant may, prior to the commencement of any new Purchase Interval within the offering period, increase the rate of his or her payroll deduction by filing the appropriate form with the Plan Administrator. The new rate (which may not exceed the ten percent (10%) maximum) shall become effective on the start date of the first Purchase Interval following the filing of such form.

B-2

Table of Contents

B. Payroll deductions shall begin on the first pay day following the Participant's Entry Date into the offering period and shall (unless sooner terminated by the Participant) continue through the pay day ending with or immediately prior to the last day of that offering period. The amounts so collected shall be credited to the Participant's book account under the Plan, but no interest shall be paid on the balance from time to time outstanding in such account. The amounts collected from the Participant shall not be held in any segregated account or trust fund and may be commingled with the general assets of the Company and used for general corporate purposes.

C. Payroll deductions shall automatically cease upon the termination of the Participant's purchase right in accordance with the provisions of the Plan.

D. The Participant's acquisition of Common Stock under the Plan on any Purchase Date shall neither limit nor require the Participant's acquisition of Common Stock on any subsequent Purchase Date, whether within the same or a different offering period.

VII. PURCHASE RIGHTS

A. **GRANT OF PURCHASE RIGHT.** A Participant shall be granted a separate purchase right for each offering period in which he or she participates. The purchase right shall be granted on the Participant's Entry Date into the offering period and shall provide the Participant with the right to purchase shares of Common Stock, in a series of successive installments over the remainder of such offering period, upon the terms set forth below. The Participant shall execute a stock purchase agreement embodying such terms and such other provisions (not inconsistent with the Plan) as the Plan Administrator may deem advisable.

Under no circumstances shall purchase rights be granted under the Plan to any Eligible Employee if such individual would, immediately after the grant, own (within the meaning of Code Section 424(d)) or hold outstanding options or other rights to purchase, stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any Corporate Affiliate.

B. **EXERCISE OF THE PURCHASE RIGHT.** Each purchase right shall be automatically exercised in installments on each successive Purchase Date within the offering period, and shares of Common Stock shall accordingly be purchased on behalf of each Participant (other than Participants whose payroll deductions have previously been refunded pursuant to the Termination of Purchase Right provisions below) on each such Purchase Date. The purchase shall be effected by applying the Participant's payroll deductions for the Purchase Interval ending on such Purchase Date to the purchase of whole shares of Common Stock at the purchase price in effect for the Participant for that Purchase Date.

C. **PURCHASE PRICE.** The purchase price per share at which Common Stock will be purchased on the Participant's behalf on each Purchase Date within the offering period shall be equal to eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the Participant's Entry Date into that offering period or (ii) the Fair Market Value per share of Common Stock on that Purchase Date.

D. **NUMBER OF PURCHASABLE SHARES.** The number of shares of Common Stock purchasable by a Participant on each Purchase Date during the offering period shall be the number of whole shares obtained by dividing the amount collected from the Participant through payroll deductions during the Purchase Interval ending with that Purchase Date by the purchase price in effect for the Participant for that Purchase Date. However, the maximum number of shares of Common Stock purchasable per Participant on any one Purchase Date shall not exceed seven hundred fifty (750) shares, subject to periodic adjustments in the event of certain changes in the Company's capitalization.

E. **EXCESS PAYROLL DEDUCTIONS.** Any payroll deductions not applied to the purchase of shares of Common Stock on any Purchase Date because they are not sufficient to purchase a whole share of Common

B-3

Table of Contents

Stock shall be held for the purchase of Common Stock on the next Purchase Date. However, any payroll deductions not applied to the purchase of Common Stock by reason of the limitation on the maximum number of shares purchasable by the Participant on the Purchase Date shall be promptly refunded.

F. TERMINATION OF PURCHASE RIGHT. The following provisions shall govern the termination of outstanding purchase rights:

(i) A Participant may, at any time prior to the next scheduled Purchase Date in the offering period, terminate his or her outstanding purchase right by filing the appropriate form with the Plan Administrator (or its designate), and no further payroll deductions shall be collected from the Participant with respect to the terminated purchase right. Any payroll deductions collected during the Purchase Interval in which such termination occurs shall, at the Participant's election, be immediately refunded or held for the purchase of shares on the next Purchase Date. If no such election is made at the time such purchase right is terminated, then the payroll deductions collected with respect to the terminated right shall be refunded as soon as possible.

(ii) The termination of such purchase right shall be irrevocable, and the Participant may not subsequently rejoin the offering period for which the terminated purchase right was granted. In order to resume participation in any subsequent offering period, such individual must re-enroll in the Plan (by making a timely filing of the prescribed enrollment forms) on or before his or her scheduled Entry Date into that offering period.

(iii) Should the Participant cease to remain an Eligible Employee for any reason (including death, disability or change in status) while his or her purchase right remains outstanding, then that purchase right shall immediately terminate, and all of the Participant's payroll deductions for the Purchase Interval in which the purchase right so terminates shall be immediately refunded. However, should the Participant cease to remain in active service by reason of an approved unpaid leave of absence, then the Participant shall have the right, exercisable up until the last business day of the Purchase Interval in which such leave commences, to (a) withdraw all the payroll deductions collected to date on his or her behalf for that Purchase Interval or (b) have such funds held for the purchase of shares on his or her behalf on the next scheduled Purchase Date. In no event, however, shall any further payroll deductions be collected on the Participant's behalf during such leave. Upon the Participant's return to active service, his or her payroll deductions under the Plan shall automatically resume at the rate in effect at the time the leave began, unless the Participant withdraws from the Plan prior to his or her return.

G. CORPORATE TRANSACTION. Each outstanding purchase right shall automatically be exercised, immediately prior to the effective date of any Corporate Transaction, by applying the payroll deductions of each Participant for the Purchase Interval in which such Corporate Transaction occurs to the purchase of whole shares of Common Stock at a purchase price per share equal to eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the Participant's Entry Date into the offering period in which such Corporate Transaction occurs or (ii) the Fair Market Value per share of Common Stock immediately prior to the effective date of such Corporate Transaction. However, the applicable limitation on the number of shares of Common Stock purchasable per Participant shall continue to apply to any such purchase.

The Company shall use its best efforts to provide at least ten (10) days prior written notice of the occurrence of any Corporate Transaction, and Participants shall, following the receipt of such notice, have the right to terminate their outstanding purchase rights prior to the effective date of the Corporate Transaction.

H. PRORATION OF PURCHASE RIGHTS. Should the total number of shares of Common Stock to be purchased pursuant to outstanding purchase rights on any particular date exceed the number of shares then available for issuance under the Plan, the Plan Administrator shall make a pro-rata allocation of the available shares on a uniform and nondiscriminatory basis, and the payroll deductions of each Participant, to the

Edgar Filing: QUADRAMED CORP - Form DEF 14A

extent in excess of the aggregate purchase price payable for the Common Stock pro-rated to such individual, shall be refunded.

B-4

Table of Contents

I. **ASSIGNABILITY.** The purchase right shall be exercisable only by the Participant and shall not be assignable or transferable by the Participant.

J. **STOCKHOLDER RIGHTS.** A Participant shall have no stockholder rights with respect to the shares subject to his or her outstanding purchase right until the shares are purchased on the Participant's behalf in accordance with the provisions of the Plan and the Participant has become a holder of record of the purchased shares.

VIII. ACCRUAL LIMITATIONS

A. No Participant shall be entitled to accrue rights to acquire Common Stock pursuant to any purchase right outstanding under this Plan if and to the extent such accrual, when aggregated with (i) rights to purchase Common Stock accrued under any other purchase right granted under this Plan and (ii) similar rights accrued under other employee stock purchase plans (within the meaning of Code Section 423) of the Company or any Corporate Affiliate, would otherwise permit such Participant to purchase more than Twenty-Five Thousand Dollars (\$25,000) worth of stock of the Company or any Corporate Affiliate (determined on the basis of the Fair Market Value per share on the date or dates such rights are granted) for each calendar year such rights are at any time outstanding.

B. For purposes of applying such accrual limitations to the purchase rights granted under the Plan, the following provisions shall be in effect:

(i) The right to acquire Common Stock under each outstanding purchase right shall accrue in a series of installments on each successive Purchase Date during the offering period on which such right remains outstanding.

(ii) No right to acquire Common Stock under any outstanding purchase right shall accrue to the extent the Participant has already accrued in the same calendar year the right to acquire Common Stock under one (1) or more other purchase rights at a rate equal to Twenty-Five Thousand Dollars (\$25,000) worth of Common Stock (determined on the basis of the Fair Market Value per share on the date or dates of grant) for each calendar year such rights were at any time outstanding.

C. If by reason of such accrual limitations, any purchase right of a Participant does not accrue for a particular Purchase Interval, then the payroll deductions which the Participant made during that Purchase Interval with respect to such purchase right shall be promptly refunded.

D. In the event there is any conflict between the provisions of this Article and one or more provisions of the Plan or any instrument issued thereunder, the provisions of this Article shall be controlling.

IX. EFFECTIVE DATE AND TERM OF THE PLAN

Edgar Filing: QUADRAMED CORP - Form DEF 14A

A. The Plan was adopted by the Board on January 28, 2002 and shall become effective on the first day of the Initial Offering Period, provided no purchase rights granted under the Plan shall be exercised, and no shares of Common Stock shall be issued hereunder, until (i) the Plan shall have been approved by the stockholders of the Company and (ii) the Company shall have complied with all applicable requirements of the 1933 Act (including the registration of the shares of Common Stock issuable under the Plan on a Form S-8 registration statement filed with the Securities and Exchange Commission), all applicable listing requirements of any stock exchange (or the NASDAQ National Market, if applicable) on which the Common Stock is listed for trading and all other applicable requirements established by law or regulation. In the event such stockholder approval is not obtained, or such compliance is not effected, within twelve (12) months after the date on which the Plan is adopted by the Board, the Plan shall terminate and have no further force or effect, and all sums collected from Participants during the Initial Offering Period hereunder shall be refunded.

B. Unless sooner terminated by the Board, the Plan shall terminate upon the earliest of (i) the last business day in July 2012, (ii) the date on which all shares available for issuance under the Plan shall have been sold

pursuant to purchase rights exercised under the Plan or (iii) the date on which all purchase rights are exercised in connection with a Corporate Transaction. No further purchase rights shall be granted or exercised, and no further payroll deductions shall be collected under the Plan following such termination.

X. AMENDMENT OF THE PLAN

The Board may alter, amend, suspend or discontinue the Plan at any time to become effective immediately following the close of any Purchase Interval. However, the Board may not, without the approval of the Company's stockholders, (i) materially increase the number of shares of Common Stock issuable under the Plan or the maximum number of shares purchasable per Participant on any one Purchase Date, except for permissible adjustments in the event of certain changes in the Company's capitalization, (ii) alter the purchase price formula so as to reduce the purchase price payable for the shares of Common Stock purchasable under the Plan or (iii) materially increase the benefits accruing to Participants under the Plan or materially modify the requirements for eligibility to participate in the Plan.

XI. GENERAL PROVISIONS

A. All costs and expenses incurred in the administration of the Plan shall be paid by the Company.

B. Nothing in the Plan shall confer upon the Participant any right to continue in the employ of the Company or any Corporate Affiliate for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Corporate Affiliate employing such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's employment at any time for any reason, with or without cause.

C. The provisions of the Plan shall be governed by the laws of the State of Delaware without resort to that State's conflict-of-laws rules.

QUADRAMED CORPORATION
STOCK PURCHASE AGREEMENT

I hereby elect to participate in the Employee Stock Purchase Plan (the "ESPP") effective with the Entry Date specified below, and I hereby subscribe to purchase shares of Common Stock of QuadraMed Corporation (the "Company") in accordance with the provisions of this Agreement and the ESPP. I hereby authorize payroll deductions from each of my paychecks following my entry into the ESPP in the 1% multiple of my salary (not to exceed a maximum of 10%) specified in my attached Enrollment Form.

Each offering period is divided into a series of successive purchase intervals. The initial purchase interval is to begin on the first business day of August 2002. Subsequent purchase intervals will each be of six (6) months duration and will run from the first business day of February to the last business day of July each year and from the first business day of August each year until the last business day of January in the following year. My participation will automatically remain in effect from one offering period to the next in accordance with this Agreement and my payroll deduction authorization, unless I withdraw from the ESPP or change the rate of my payroll deduction or unless my employment status changes. I may reduce the rate of my payroll deductions on one occasion per purchase interval, and I may increase my rate of payroll deduction to become effective at the beginning of any subsequent purchase interval within the offering period.

My payroll deductions will be accumulated for the purchase of shares of the Company's Common Stock on the last business day of each purchase interval within the offering period. The purchase price per share shall be equal to 85% of the lower of (i) the fair market value per share of Common Stock on my entry date into the offering period or (ii) the fair market value per share on the semi-annual purchase date. I will also be subject to ESPP restrictions (i) limiting the maximum number of shares which I may purchase on any one purchase date to 750 shares and (ii) prohibiting me from purchasing more than \$25,000 worth of Common Stock for each calendar year my purchase right remains outstanding.

I may withdraw from the ESPP at any time prior to the last business day of a purchase interval and elect either to have the Company refund all my payroll deductions for that purchase interval or to have those payroll deductions applied to the purchase of shares of the Company's Common Stock at the end of such interval. However, I may not rejoin that particular offering period at any later date. Upon the termination of my employment for any reason, including death or disability, or my loss of eligible employee status, my participation in the ESPP will immediately cease and all my payroll deductions for the purchase interval in which my employment terminates or my loss of eligibility occurs will automatically be refunded.

If I take an unpaid leave of absence, my payroll deductions will immediately cease, and any payroll deductions for the purchase interval in which my leave begins will, at my election, either be refunded or applied to the purchase of shares of Common Stock at the end of that purchase interval. Upon my return to active service, my payroll deductions will automatically resume at the rate in effect when my leave began.

A stock certificate for the shares purchased on my behalf at the end of each purchase interval will automatically be deposited into a brokerage account that the Company will open on my behalf. I will notify the Company of any sale or disposition of my ESPP shares, and I will satisfy all applicable income and employment tax withholding requirements at the time of such sale or disposition.

The Company has the right, exercisable in its sole discretion, to amend or terminate the ESPP at any time, with such amendment or termination to become effective immediately following the exercise of outstanding purchase rights at the end of any current purchase interval. Should the Company elect to terminate the ESPP, I will have no further rights to purchase shares of Common Stock pursuant to this Agreement.

Table of Contents

I have received a copy of the official Plan Prospectus summarizing the major features of the ESPP. I have read this Agreement and the Prospectus and hereby agree to be bound by the terms of both this Agreement and the ESPP. The effectiveness of this Agreement is dependent upon my eligibility to participate in the ESPP.

OF THE BOARD OF DIRECTORS
OF QUADRAMED CORPORATION**

This Charter identifies the purpose, composition, meeting requirements, committee responsibilities, annual evaluation procedures and investigations and studies of the Audit Committee (the *Committee*) of the Board of Directors (the *Board*) of QuadraMed Corporation, a Delaware corporation (the *Company*).

I. MISSION STATEMENT

The Committee is the key overseer of the Company's financial reporting, internal controls and business ethics. It serves as the primary interface with the Company's external auditors. The key to successful performance of its function is strict independence from Company management combined with a thorough understanding of the Company's business and material financial reporting issues.

II. PURPOSE

The Committee has been established to: (a) assist the Board in its oversight responsibilities regarding (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent accountant's qualifications and independence and (4) the performance of the Company's internal audit function; (b) prepare the report required by the United States Securities and Exchange Commission (the *SEC*) for inclusion in the Company's annual proxy statement; (c) appoint, retain, compensate, evaluate and terminate the Company's independent accountants; (d) approve audit and non-audit services to be performed by the independent accountants; and (e) perform such other functions as the Board may from time to time assign to the Committee overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company. In performing its duties, the Committee shall seek to maintain an effective working relationship with the Board, the independent accountants, the internal auditors and management of the Company.

The Committee members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Committee certify that the independent auditor is independent under applicable rules. The Committee serves a Board level oversight role where it oversees the relationship with the independent auditor, as set forth in this Charter, receives information and provides advice, counsel and general direction, as it deems appropriate, to management and the auditors, taking into account the information it receives, discussions with the auditor and the experience of the Committee's members in business, financial and accounting matters.

III. COMPOSITION

The Committee shall be composed of at least three, but not more than five, members (including a Chairperson), all of whom shall be independent directors, as such term is defined in the rules and regulations of the SEC and the American Stock Exchange. The members of the Committee and the Chairperson shall be selected annually by the Board and serve at the pleasure of the Board. A Committee member (including

Edgar Filing: QUADRAMED CORP - Form DEF 14A

the Chairperson) may be removed at any time, with or without cause, by the Board. The Board may designate one or more independent directors as alternate members of the Committee, who may replace any absent or disqualified member or members at any meetings of the Committee. No person may be made a member of the Committee if his or her service on the Committee would violate any restriction on service imposed by any rule or regulation of the SEC or any securities exchange or market on which shares of the common stock of the Company are traded.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and must be able to read and understand fundamental financial statements, including the Company's balance

sheet, income statement and cash flow statement, or will become able to do so within a reasonable period of time after his or her appointment to the Committee. Additionally, there will be at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities, and at least one member of the Committee shall be an audit committee financial expert. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant. The Chairperson shall maintain regular communication with the chief executive officer, chief financial officer, the lead partner of the independent accountant and the manager of the internal audit.

Except for Board and Committee fees, a member of the Committee shall not be permitted to accept any fees paid directly or indirectly for services as a consultant, legal advisor or financial advisor or any other fees prohibited by the rules of the SEC and the American Stock Exchange. In addition, no member of the Committee may be an affiliated person of the Company or any of its subsidiaries. Members of the Committee may receive their Board and Committee fees in cash, Company stock or options or other in-kind consideration as determined by the Board or the Compensation Committee, as applicable, in addition to all other benefits that other directors of the Company receive. No director may serve on the Committee, without the approval of the Board, if such director simultaneously serves on the audit committee of more than three public companies.

IV. MEETING REQUIREMENTS

The Committee shall meet as necessary, but at least four times each year without management present, to enable it to fulfill its responsibilities. Committee meetings shall occur at the following times, among others, and no member of the Company's management shall be present: prior to commencement of the annual audit, prior to completion of the annual audit, and after meeting with Company management. The Committee shall meet at the call of its Chairperson, preferably in conjunction with regular Board meetings. The Committee may meet by telephone conference call or by any other means permitted by law or the Company's Bylaws. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. Without a meeting, the Committee may act by unanimous written consent of all members. Each Committee meeting shall have a written agenda. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore, in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare written minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent accountants, internal auditors or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board from time to time (but at least once each year) as requested by the Board.

As part of its responsibility to foster free and open communication, the Committee should meet periodically with management, the internal auditors and the independent accountants in separate executive sessions to discuss any matters that the Committee or any of these groups believe should be discussed privately. In addition, the Committee or at least its Chairperson should meet with the independent accountants and management quarterly to review the Company's financial statements prior to their public release consistent with the provisions set forth below in Section IV. The Committee may also meet from time to time with the Company's investment bankers, investor relations professionals and financial analysts who follow the Company.
