GENERAL INFORMATION ABOUT PROXIES AND VOTING

Solicitation, Use and Revocation of Proxies

Our Board of Directors solicits the accompanying proxy for use at the 2006 Annual Meeting of Stockholders (the Annual Meeting). Giving your proxy means that you authorize the persons indicated on the proxy card to vote your shares at the Annual Meeting in the manner you direct. If you sign, date and return the enclosed proxy card but do not specify how to vote, your shares will be voted for (i) the election of the nominees designated below to serve for an approximate one-year term ending at the Annual Meeting of Stockholders in 2007; and (ii) approval of the proposal for adjournment in order to permit further solicitation of proxies. You also authorize such persons to vote on all other matters that may properly come before the Annual Meeting or any adjournments thereof. You may revoke your proxy at any time before it is voted at the Annual Meeting by:

(i) delivering to our Secretary a signed notice of revocation or a new proxy card with a later date; or

(ii) voting in person at the Annual Meeting.

The cost of soliciting proxies for the Annual Meeting will be borne by us. The costs of printing and mailing the proxy materials is estimated to be \$2,500. Certain of our officers and regular employees, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. We may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries, for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of shares of common stock.

Your attendance at the Annual Meeting in itself does not constitute revocation of your proxy. Before the Annual Meeting, any written notice of revocation should be sent to Computer Software Innovations, Inc., 900 E. Main Street, Suite T, Easley, South Carolina 29640, Attention: Secretary. Any notice of revocation that is delivered at the Annual Meeting should be hand delivered to our Secretary before a vote is taken. You may be asked to present documents for the purpose of establishing your identity as a Computer Software Innovations, Inc. stockholder.

Record Date, Voting Rights and Outstanding Shares

Our Board of Directors has established the close of business on April 14, 2006, as the record date for determining stockholders entitled to receive notice of and to vote on proposals at the Annual Meeting or any adjournment or postponement of the Annual Meeting. Only holders of record of our common stock on the record date are entitled to vote at the Annual Meeting. Holders of common stock on the record date are entitled to one vote per share on each matter voted upon at the Annual Meeting. As of the record date, there were 3,345,680 shares of common stock outstanding.

Quorum, Voter Requirements and Effect of Abstentions and Broker Non-Votes

A quorum is necessary for the transaction of business at the Annual Meeting. A quorum exists when holders of a majority of the total number of issued and outstanding shares of common stock that are entitled to vote at the Annual Meeting are present in person or by proxy. At the Annual Meeting, the Secretary will determine the presence of a quorum and tabulate the results of the voting by stockholders. The Secretary will treat valid proxies marked abstain or proxies required to be treated as broker non-votes as present for purposes of determining whether there is a quorum at the Annual Meeting. A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker nominee does not have discretionary voting power and has not received instructions from the beneficial owner of the shares. Abstentions with respect to any matter will have the same effect as a vote against that proposal.

A plurality of the votes of the holders of the common stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote on the election of directors, is required for the election of directors. This means that the nominees for director who receive the greatest number of votes cast will be elected. The proposal for adjournment will require the approval of a majority of the votes of the record holders present at the meeting, and present in person or represented by proxy, and entitled to vote on the matter.

Management and the Board of Directors are not aware of any matters to be presented for action at the Annual Meeting other than the election of directors as stated in the Notice of Annual Meeting of Stockholders. If any such matter requiring a vote of the stockholders should properly come before the Annual Meeting, unless otherwise instructed, it is the intention of the persons named in the proxy card to vote such proxy in accordance with their best judgment.

PROPOSAL 1

ELECTION OF DIRECTORS

General

Our Amended and Restated Certification of Incorporation and our Amended and Restated Bylaws set our Board of Directors (the Board) at three to nine members, with the exact number within that range to be fixed from time to time by the Board of Directors. Our Board currently consists of four members. The Board of Directors has nominated Anthony H. Sobel, Nancy K. Hedrick, Shaya Phillips and Thomas P. Clinton, each of whom is an incumbent director, for re-election to the Board of Directors for an approximate one-year term ending at the 2007 Annual Meeting of Stockholders.

If any nominee is unable to serve as a director, the persons named in the enclosed proxy reserve the right to vote for a lesser number of directors or for a substitute nominee designated by our Board of Directors, to the extent consistent with our Certificate of Incorporation, as amended, and our Amended and Restated Bylaws. All of the nominees listed above have consented to be nominated and to serve if elected. We do not expect that any nominee will be unable to serve.

Directors Standing for Re-Election - To Hold Office Until 2007

ANTHONY H. SOBEL, (51), has served as a director and Chairman of the Board since January 31, 2005. Since January 1996, he has been the CEO of Montana Metal Products, L.L.C., a precision sheet metal fabrication and machining company located in Des Plaines, Illinois. Mr. Sobel is chairman of the Board's Audit Committee and a member of its Compensation Committee.

NANCY K. HEDRICK, (56), has served as President and Chief Executive Officer since January 31, 2005. She has served as a director since February 2005. Prior to the Company's February 2005 merger, Ms. Hedrick held the position of President of Computer Software Innovations, Inc., a South Carolina corporation and predecessor to the Company (CSI-South Carolina) for approximately fifteen years. Ms. Hedrick was a founder of CSI-South Carolina.

SHAYA PHILLIPS, (45), has served as a director since January 31, 2005. From March 2002 until the present, Mr. Phillips has been the Assistant Vice President of Information Technology at the Fashion Institute of Technology of the State University of New York. The Fashion Institute of Technology is a public institution of higher education with an emphasis on design, fashion and business education. From January 2000 to March 2002, Mr. Phillips was a consultant for CSSP, an unincorporated association that was engaged in the business of network consulting. From January to November 2001, Mr. Phillips was the Chief Operating Officer and Chief Technology Officer of Global Broadband, Inc. a telecommunications company. From March 1998 to January 2001, Mr. Phillips was the Director of Enterprise Technology for St. Johns University. Mr. Phillips is chairman of the Board's Compensation Committee and a member of the Audit Committee.

THOMAS P. CLINTON, (43), has served as Vice President of Sales since January 31, 2005. He has served as a director since February 2005. Mr. Clinton served as Vice-President of Sales for CSI-South Carolina from February 1999 to February 2005. Mr. Clinton oversees the Company's sales efforts both in the Software Applications Segment as well as the Technology Solutions Segment.

Our Board of Directors recommends that the holders of common stock vote FOR incumbent directors Anthony H. Sobel, Nancy K. Hedrick, Shaya Phillips, and Thomas P. Clinton.

GOVERNANCE OF THE COMPANY

Our business and affairs are managed under the direction of the Board of Directors in accordance with the Delaware General Corporation Law and our Certificate of Incorporation, as amended, and our Amended and Restated Bylaws. Members of the Board of Directors are kept informed of our business through discussions with management, by reviewing materials provided to them, and by participating in meetings of the Board of Directors and its committees. The corporate governance practices that we follow are summarized below.

Independence

The Board of Directors has determined that two of its four current members are independent as defined by the Nasdaq National Market (Nasdaq) Listing Standards, including the following: Anthony H. Sobel and Shaya Phillips.

Code of Business Conduct and Ethics

The Board of Directors has approved a Code of Business Conduct and Ethics for our directors, chief executive officer, chief financial officer, other officers and employees. The Code addresses such topics as protection and use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading.

Meeting Attendance

Board and Committee Meetings

During 2005, each incumbent member of the Board of Directors attended at least 75 percent of the aggregate meetings of the Board of Directors and the committees on which they served.

Annual Meeting of Stockholders

In the absence of extenuating circumstances, each member of the Board of Directors is expected to attend the Annual Meeting.

Committees of the Board

The standing committees of the Board of Directors are the Audit Committee and the Compensation Committee. Membership on the Board of Directors in each standing committee, as of April 20, 2006, was as follows:

Name	Board	Audit	Compensation
Anthony H. Sobel	X*	X*	X
Nancy K. Hedrick	X

Total Number of Meetings in 2005	7	4	1

Audit Committee

The Audit Committee assists the Board of Directors in its oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company. The Audit Committee's role includes discussing with management the Company's processes to manage business and financial risk and for compliance with significant applicable legal, ethical, and regulatory requirements. The Audit Committee is responsible for the appointment, replacement, compensation and oversight of the independent registered public accounting firm engaged to prepare or

issue audit reports on the financial statements of the Company. The Audit Committee relies on the expertise and knowledge of management and the internal auditors in carrying out its oversight responsibilities. The specific responsibilities in carrying out the Audit Committee's oversight role are delineated in the Audit Committee Charter set forth in [Appendix A](#) to this proxy statement.

The Board of Directors, in its business judgment, has determined that the members of the Audit Committee are independent as defined by regulations of the Securities and Exchange Commission and the Nasdaq Listing Standards. The Board of Directors has also determined that the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee. However, the Board of Directors has determined that none of the members serving on the Audit Committee qualifies as an audit committee financial expert as defined by regulations of the Securities and Exchange Commission. The Board believes that despite the lack of an audit committee financial expert, the Audit Committee possesses the requisite knowledge for a company of our size and complexity.

The Audit Committee is authorized to engage or consult from time to time, as appropriate, at our expense, independent legal counsel and other experts and advisors it considers necessary, appropriate or advisable in the discharge of its responsibilities.

Compensation Committee

The primary responsibilities of the Compensation Committee are to (a) review and approve the compensation of the chief executive officer and other executive officers of the Company, (b) review executive bonus plan allocations, (c) oversee and advise the Board of Directors on the adoption of policies that govern the Company's compensation programs, (d) oversee the Company's administration of its equity based compensation and other benefit plans, and (e) approve grants of stock options and stock awards to directors, officers and employees of the Company under its stock plan. The Compensation Committee is authorized to engage or consult from time to time, as appropriate, at our expense, consultants, independent legal counsel and other experts and advisors it considers necessary, appropriate or advisable in the discharge of its responsibilities. The members of our Compensation Committee are independent as defined in the Nasdaq Listing Standards.

Director Nominations

The Board of Directors does not have a standing Nominating Committee. We believe that due to the current size of our Board of Directors, it is more beneficial and efficient to have all of the directors identify and evaluate potential nominees. On March 20, 2006, the Board of Directors adopted a Policy for Nomination of Directors. This policy is included as [Appendix B](#) to this proxy statement.

In the Policy for Nomination of Directors, the Board of Directors set forth guidelines for the evaluation of potential nominees, including the following:

The ability of the prospective nominee to represent the interests of the stockholders of the Company;

The prospective nominee's standards of integrity, commitment and independence of thought and judgment;

The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

The extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees and customers; and

The willingness of the prospective nominee to abide by the Company's Code of Business Conduct and Ethics and other policies applicable to directors.

These guidelines apply to both potential nominees selected by the Board and those recommended by stockholders.

Stockholders entitled to vote for the election of directors may submit candidates for consideration if we timely receive written notice, in proper form, for each such recommended nominee. If the notice is not written and in proper form, then the Board of Directors cannot consider the nominee. To be in proper form, the notice must satisfy the requirements of our Amended and Restated Bylaws and applicable law, including (a) each nominee's written consent to be named as a nominee and to serve, if elected; (b) the name, date of birth and business address of the nominee; and (c) information about the person nominated for election conforming with the Securities and Exchange Commission's biographical requirements for directors. Additionally, the stockholder submitting the nomination must (x) provide his or her name and business address; (y) evidence setting forth the class and number of shares of the Company owned by the submitting stockholder; and (z) any other information relating to the stockholder that would be required to be disclosed in a proxy statement or other required filings in connection with solicitations of proxies for elections of directors in accordance with Section 14 of the Securities and Exchange Act of 1934 and the rules and regulations promulgated thereunder.

A notice submitted for the nomination of a director must be received at the Company's executive offices not less than 45 days nor more than 60 days prior to the anniversary date of the mailing of proxy materials for the immediately preceding annual meeting of stockholders. If that date is not within 30 days before or after such anniversary date, the notice must be received not later than 10 days after the notice of the date of the annual meeting was mailed or public disclosure of the annual meeting date was made, whichever first occurs. All stockholder nominations should be sent to:

Selection of Current Director Nominees

The nominees for director all currently serve on the Board of Directors. Anthony H. Sobel and Shaya Phillips have served on the Board since January 31, 2005. They were elected to the Board by our predecessor, Computer Software Innovations, Inc., a South Carolina corporation (CSI-South Carolina), acting as majority stockholder by non-unanimous written consent. On January 31, 2005, CSI-South Carolina purchased from Maximum Ventures, Inc., a New York corporation (Maximum Ventures) approximately 77% of the issued and outstanding common stock of the Company, then known as VerticalBuyer, Inc. (VerticalBuyer).

Prior to the closing of the Maximum Ventures transaction, Messrs. Sobel and Phillips had no previous association with VerticalBuyer or CSI South Carolina. Prior to CSI South Carolina and VerticalBuyer entering into any definitive merger agreements, the management of CSI South Carolina was having difficulty in identifying and securing independent director candidates that it thought would add value to the Company. Accordingly, management solicited advice from Barron Partners LP (Barron), currently the holder of our preferred stock and common stock warrants, regarding potential independent director candidates. Barron introduced Messrs. Sobel and Phillips, as well as Thomas V. Butta, who resigned as a director effective February 22, 2006. Mr. Sobel, who had no prior business or investment ties to Barron, has experience in the management and financing of emerging enterprises. Mr. Sobel is the chief executive officer of Montana Metal Products, L.L.C., a precision sheet metal manufacturing concern. Robert F. Steel, a consultant to us who is also an investor in Barron, is an investor with Mr. Sobel in Montana Metal Products. Mr. Phillips was introduced to CSI South Carolina because of his experience in technology and software-based businesses. Mr. Phillips previously served as chief operating officer and chief technology officer of Global Broadband, Inc., a concern in which Barron years earlier had invested. Mr. Phillips has consulted in the past on a limited basis for Barron with respect to technology investments.

In connection with the merger transaction on February 11, 2005 pursuant to which CSI-South Carolina merged into the Company, Nancy K. Hedrick and Thomas P. Clinton were appointed to the Board of Directors. Ms. Hedrick and Mr. Clinton are former CSI-South Carolina shareholders, and serve as President and CEO and Vice-President of Sales, respectively, of the Company.

Communications with the Board of Directors

Stockholders may communicate directly with the Board of Directors. All communications to the Board or a named director should be directed to the Company's Chief Financial Officer at the address below and should be marked Confidential. If no party is specified, the communication will be forwarded to the entire Board of Directors. Each communication intended for the Board of Directors and received by the Chief Financial Officer will be forwarded to the specified party(ies) following its clearance through normal security procedures used for regular mail. The communication will be forwarded without review to the intended recipient(s). Stockholder communications to the Board of Directors should be sent to:

Director Compensation

Employee directors do not receive any compensation for serving on our Board of Directors. Non-employee directors do not receive any cash compensation for serving on the board, but are reimbursed for incidental expenses related to attendance at board meetings.

On February 21, 2006, the Compensation Committee of the Board of Directors and the full Board of Directors approved awards of common stock for our outside directors under the Company's 2005 Incentive Compensation Plan (the Plan). Directors receiving awards under the Plan were Anthony H. Sobel, Chairman; Shaya Phillips; and Thomas V. Butta. Mr. Sobel was granted 98,496 shares, while Messrs. Phillips and Butta were granted 49,248 shares each. One-third of the awarded shares vested immediately upon approval. An additional one-third vested on February 28, 2006, with the final one-third to vest on February 28, 2007. Except in the event of a change in control of the Company, the directors may not sell any shares awarded to them prior to March 1, 2007. If a director's service terminates prior to a vesting date, all unvested shares will be forfeited, subject to exception in the discretion of the Board. As a result of his resignation as a director on February 22, 2006, Mr. Butta forfeited 32,832 shares.

Resignation of Thomas V. Butta

Thomas V. Butta resigned from the Company's Board of Directors effective February 22, 2006. His resignation was not the result of any disagreement relating to the Company's operations, policies or practices. Rather, Mr. Butta resigned in order to devote his full attention to his responsibilities at an unaffiliated company of which he is the Chief Executive Officer. Mr. Butta served on the Board's Audit and Compensation Committees.

Clinton, Vice President of Sales; William J. Buchanan, Vice President of Support Services (as of January 1, 2006); and Beverly N. Hawkins, Vice President of Product Development (as of January 1, 2006). All such employment agreements are identical except for name and job title. They provide for: a term of three years, expiring on February 10, 2008, with automatic renewals of one year thereafter in the absence of either party giving 30 days advance notice; compensation at a rate of \$185,000 a year, plus such bonuses and raises as our Board of Directors in its discretion may determine; provisions prohibiting us from modifying the executive's job responsibilities and duties in a manner inconsistent with the executive's job position and prohibiting us from relocating the executive's principal location of employment in Easley, South Carolina to more than thirty miles away; termination by us for cause; provisions prohibiting the executive from competing with us, soliciting our customers or suppliers, or employing any of our employees, at our election, for the longer of one year after termination of employment or the remainder of the initial three year term plus one year upon a voluntary termination of employment; confidentiality; severance benefits in the event of termination by us without cause equaling 18 months of base salary; and consideration for the non-compete provisions, to be paid over a one year period following termination of employment, equal to 75% of the average of the employee's base salary and bonuses during the period of his or her employment. The employment agreements also contain other standard provisions for employment agreements of this type.

On May 6, 2005, the Company entered into a written employment agreement with David B. Dechant, whereby Mr. Dechant serves as Chief Financial Officer of the Company. base salary for each year of service with the Company, not to exceed eighteen months. The employment agreement also contains other standard provisions for employment agreements of this type.

Change of Control upon February 2005 Reverse Merger

In the first quarter of 2005, the Company completed a series of recapitalization transactions which began January 31, 2005 with a change in control due to the purchase of a majority of our common stock by CSI South Carolina. The recapitalization transactions culminated on February 11, 2005 with the merger of CSI South Carolina into VerticalBuyer, our issuance of preferred stock, common stock, common stock warrants and certain subordinated notes, and the change of our name to Computer Software Innovations, Inc. from VerticalBuyer. For more information on the merger and related transactions, see Certain Relationships and Related Transactions.

Potential for Change of Control

Edgar Filing: COMPUTER SOFTWARE INNOVATIONS INC - Form DEF 14A

As of April 14, 2006, our outstanding shares of common stock totaled 3,345,680, 2,169,264 of which were owned by management. Accordingly, as of such date, our management effectively possessed control of the Company. However, pursuant to a registration statement on Form SB-2 filed and declared effective February 14,

2006, Barron Partners LP may sell up to 15,295,728 shares of common stock. Barron is prohibited from beneficially owning greater than 4.9% of our shares (except under limited circumstances involving significant acquisition transactions). However, one or more investors could acquire enough shares in or subsequent to the offering so as to effect a change of control of the Company. We are currently unaware of any plan or arrangement to effect a change of control of us.

Section 16(a) Beneficial Ownership Reporting Compliance

On January 25, 2006, we filed a Form 8-A registering our common stock, \$.001 par value per share, under Section 12(g) of the Securities and Exchange Act of 1934 (the Exchange Act). Prior to filing the Form 8-A, we had no class of equity security registered under the Exchange Act. Accordingly, no Section 16(a) beneficial ownership forms were required to be filed in 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Maximum Ventures Purchase of Controlling Interest in VerticalBuyer

On March 12, 2004, Maximum Ventures, Inc. (Maximum Ventures) purchased 13,950,000 shares of our predecessor's (VerticalBuyer, Inc. or VerticalBuyer) common stock from controlling stockholders Leslie Kent and Timothy Rosen for \$150,000. At the time, the purchase represented the transfer of approximately 80% of VerticalBuyer's outstanding common stock. In the stock purchase transaction, Maximum Ventures assumed certain liabilities of VerticalBuyer. In August 2004, Joseph Donahue resigned from the Board of Directors, and on August 16, 2004, Chris Kern was appointed as a director of VerticalBuyer. On October 22, 2004, Messrs. Kent and Rosen resigned as officers and directors of VerticalBuyer. Mr. Kern then appointed Abraham Mirman, President of Maximum Ventures, as director and CEO of VerticalBuyer. Mr. Kern subsequently resigned from the board and was appointed Interim CFO on November 17, 2004.

Participants in the Merger and Related Transactions

Immediately prior to the February 2005 merger of the Company and CSI South Carolina owned of record and beneficially approximately 77% of all of the issued and outstanding capital stock of VerticalBuyer. As previously disclosed, these shares were purchased on January 31, 2005 from Maximum Ventures pursuant to a stock purchase agreement dated January 31, 2005. A portion of the consideration for the purchase of such shares was approximately \$450,000 plus \$20,000 paid for reimbursement of Maximum Ventures' legal expenses. Of the total paid to Maximum Ventures by CSI South Carolina, approximately \$56,387.50 was applied against VerticalBuyer's outstanding liabilities. A portion of the consideration was paid out of cash of CSI South Carolina, and \$50,000 was advanced by Barron. The purchase of the shares from Maximum Ventures was arranged by Barron, which subsequently purchased certain shares of our preferred stock and warrants. None of our directors or executive officers is affiliated with Barron, and Barron's relationship with us is otherwise limited to its ownership of the Series A non-voting convertible preferred stock, certain warrants to purchase common stock, a subordinated loan to us in the original principal amount of approximately \$1.9 million and related agreements. Barron received no finder's or other fee with respect to its role in the transaction with Maximum Ventures.

Two of our directors, Nancy K. Hedrick and Thomas P. Clinton, were formerly directors, executive officers and shareholders of CSI South Carolina. Likewise, our current officers, with the exception of David B. Dechant, are the former officers of CSI South Carolina. During the period following the January 31, 2005 purchase by CSI South Carolina of a controlling interest in VerticalBuyer from Maximum Ventures until immediately prior to the merger, the following principals of CSI South Carolina served in the following officer positions with VerticalBuyer: Nancy K. Hedrick, President and CEO; Joe G. Black, Interim Chief Financial Officer; Beverly N. Hawkins, Secretary; and William J. Buchanan, Treasurer. Upon the consummation of the merger on February 11, 2005 the following former shareholders and officers of CSI South Carolina became executive officers of the Company, as follows: Nancy K. Hedrick, President and CEO; Thomas P. Clinton, Vice President of Sales; Beverly N. Hawkins, Secretary and Vice President of Product Development; William J. Buchanan, Treasurer and Vice President of Delivery and Support; and Joe G. Black, Interim CFO. On July 5, 2005, Mr. Black resigned his position as Interim CFO and became a consultant to the Company.

On February 10, 2005, VerticalBuyer entered into an Agreement and Plan of Merger with CSI South Carolina. At that time, CSI South Carolina owned approximately seventy-seven percent (77%) of VerticalBuyer's issued and outstanding common stock. The Agreement and Plan of Merger provided that, upon the terms and conditions set forth in the agreement, CSI South Carolina would merge into VerticalBuyer, and that VerticalBuyer would continue as the surviving corporation. The merger and related transactions were consummated on February 11, 2005.

Pursuant to the Agreement and Plan of Merger, in the merger and related CSI South Carolina dividend transactions, the former shareholders of CSI South Carolina received certain consideration in exchange for their shares of common stock in CSI South Carolina. Specifically, they received approximately \$7.1 million of cash, subordinated notes aggregating approximately \$1.9 million to be repaid over the next fifteen months and 2,526,905 shares of our common stock. The five shareholders included Nancy K. Hedrick, our current Chief Executive Officer and Director; Thomas P. Clinton, Vice President of Sales and Director; William J. Buchanan, Treasurer and Vice President of Delivery and Support; Beverly N. Hawkins, Secretary and Vice President of Product Development; and Joe G. Black, our former interim Chief Financial Officer.

As described under the caption Executive Compensation Employment Agreements, Ms. Hedrick, Ms. Hawkins and Messrs Clinton and Buchanan entered into employment agreements with the Company. As also described in Consulting Arrangements below, Mr. Black entered into a consulting agreement with the Company.

Lease

We lease approximately 4800 square feet of office space from our former Interim Chief Financial Officer, Joe Black. The total rent paid to Mr. Black in the 2005 and 2004 fiscal years was approximately \$30,000 per year. We believe the leasing arrangement with Mr. Black is competitive with similar arms length leasing arrangements in Easley, South Carolina. The lease with Mr. Black terminated on December 31, 2005, although we continue to rent the office space from him on a month-to-month basis. After April 30, 2006, we will no longer rent the office space from Mr. Black.

Consulting Arrangements

Robert F. Steel and Kenneth A. Steel

We have entered into a consulting arrangement with Robert F. Steel and Kenneth A. Steel of Lamont, Illinois, for Messrs. Steel to advise the Company on the development and implementation of strategic business plans, to assist management in developing marketing and growth strategies, and to assist management in seeking out and analyzing potential acquisition opportunities. On February 27, 2006, the Company entered into a Letter of Engagement (the LOE) and individual stock agreements of the same date with Robert F. Steel and Kenneth A. Steel, Jr. The terms of the LOE and the stock agreements provide that Messrs. Steel will provide consulting services to the Company through February 10, 2008. In exchange, the Company issued 172,367 shares of common stock to each of Kenneth A. and Robert F. Steel pursuant to the Company's 2005 Incentive Compensation Plan. If Robert F. or Kenneth A. Steel is terminated for cause prior to the earlier to occur of February 28, 2007 or a change in control of the Company, then he will be required to return one-third of the stock award at the time of termination.

Robert F. Steel has more than fifteen years of management and consulting experience with public and private companies in a variety of industries, including technology companies. He is President, CEO, Director and a shareholder of K.A. Steel Chemicals, Inc., a Chicago, Illinois based chemical manufacturing and distribution company. He is also Chairman, Director, and a co-owner of Montana Metal Products, L.L.C., a precision sheet metal fabrication and machining company located in Des Plaines, Illinois. Mr. Steel holds a Bachelor of Science degree in Accounting and Finance from Georgetown University and a Master's in Business Administration from the University of Chicago. He also did one year of post-graduate work in international marketing and finance at the Oxford Center of Management at Oxford University, England.

Kenneth A Steel is Executive Vice President, Director and a shareholder of K.A. Steel Chemicals, Inc. He is also President, Director and co-owner of San Francisco Foods, L.L.C., a San Francisco, California based branded food company. Mr. Steel has been involved as a consultant and/or as management in initial public offerings for several entities.

Messrs. Steel are investors in Barron Partners LP, which holds our Series A Convertible Preferred Stock, the warrants and some of our subordinated debt. Robert F. Steel is co-owner of Montana Metal Products, L.L.C., with Anthony H. Sobel, our Chairman.

Joe G. Black

We entered into a consulting agreement with Joe G. Black to provide financial and accounting consulting services to us with a compensation of \$75 an hour during the term of the consulting agreement. The consulting agreement provides for an initial term of one year, which began on July 5, 2005. The consulting agreement also contains provisions prohibiting Mr. Black from competing with us, soliciting our customers or suppliers or employing any of our employees for a period of one year following expiration of the consulting agreement. The initial term of the consulting agreement is renewable in one year increments upon mutual agreement with the same compensation.

Settlement of Litigation

As previously disclosed in filings with the Securities and Exchange Commission, on April 4, 2005, Integrated Tek Solutions, Inc. filed a lawsuit against us in the Supreme Court of the State of New York, County of New York, alleging breach of contract, fraud, negligent misrepresentation and promissory estoppel. The action arose out of a letter of intent pursuant to which a predecessor to the plaintiff, Yasup, LLC, and our predecessor, CSI - South Carolina, conducted negotiations relating to a potential acquisition of CSI - South Carolina's capital stock by Yasup, LLC. Named defendants included the Company and some of our current and former officers and directors, including Nancy K. Hedrick, Joe G. Black, Beverly N. Hawkins, Thomas P. Clinton and William J. Buchanan. Ms. Hedrick and Mr. Clinton are currently serving as directors and are director nominees. Other defendants included Alan Marrullier, The Geneva Companies, Inc., Capital Access Group LLC, Barron Partners LP, Liberty Capital LLC, Andrew Worden, Philip Seifert, Ned Gelband and Lee Haskin. The complaint sought damages of up to \$60 million. In order to avoid any potential conflicts of interest, our Board of Directors on July 8, 2005 formed a special litigation committee composed of outside directors who were not named defendants to manage the lawsuit.

On December 28, 2005, settlement was reached by all parties to the lawsuit. Pursuant to a settlement agreement, Integrated Tek Solutions, Inc. released all claims against all defendants in exchange for payment of the sum of \$600,000. Of that amount, \$200,000 was paid by the Company. The above-named five individual current and former officers and directors of the Company contributed an additional \$20,000 each. The balance of \$300,000 was paid by the other defendants named in the lawsuit.

The settlement was approved by the special litigation committee of the Board of Directors of the Company. The special litigation committee engaged independent counsel, who conducted an investigation, and they found no evidence of wrongdoing on the party of the Company or its officers. Although the Company believed the lawsuit to be without merit, in light of the expected cost of continuing litigation the Company believed the settlement to be prudent and in the best interest of its stockholders.

AUDIT INFORMATION

Change in Independent Registered Public Accounting Firm

On January 31, 2005, the Board of Directors of the Company engaged Elliott Davis, LLC as the Company's independent registered public accounting firm to replace Sherb & Co., LLP for the fiscal year ended December 31, 2004. On such date, CSI-South Carolina acquired approximately 77% of the issued and outstanding shares of common stock of the Company. Elliott Davis was the existing public accountant of CSI-South Carolina. Accordingly, in the interest of economy and in order to avoid duplication, the Board of Directors of the Company voted to dismiss Sherb & Co., LLP and engage Elliott Davis, LLC as the Company's new independent accountant.

The report of Sherb & Co., LLP on the consolidated financial statements of the Company for its fiscal year ended December 31, 2002 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. The report of Sherb & Co., LLP on the consolidated financial statements of the Company for its fiscal year ended December 31, 2003 contained no adverse opinion or disclaimer

of opinion and was not qualified or modified as to audit scope or accounting principles, but was modified to reflect the existence of certain conditions that raised substantial doubt about the Company's ability to continue as a going concern.

In connection with its audits for the two fiscal years ended December 31, 2003 and through the interim period ended January 31, 2005, there were no disagreements with Sherb & Co., LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Sherb & Co., LLP would have caused them to make reference thereto in their report on the Company's consolidated financial statements for such years.

During the 2003 and 2004 fiscal years and through January 31, 2005, there were no reportable events (as defined in Regulation S-B Item 304(a)(1)(iv)).

Fees Paid to Independent Registered Public Accounting Firm

The following table sets forth professional fees billed by Elliott Davis, LLC to the Company for professional services rendered for the fiscal years ended December 31, 2005 and 2004. In 2005, audit fees consisted primarily of the audit of the Company's annual consolidated financial statements and for reviews of the condensed financial statements included in the Company's quarterly reports on Form 10-QSB. Audit related fees consisted primarily of services rendered in connection with the Company's registration statement on Form SB-2 declared effective by the Securities Exchange Commission on February 14, 2006. Tax fees consist of those fees billed by the independent registered accounting firm's tax department, except those services related to the audit, including tax advice provided to the Company's named executive officers.

Description	2005	2004
Audit fees	\$ 78,600	\$ 32,600
Audit related	85,700	35,500
Tax fees	8,000	7,400
All other fees	0	0
TOTAL FEES	\$ 172,300	\$ 75,500

Pre-approved Services

The Company's Audit Committee Charter stipulates that the audit committee will pre-approve all audit and non-audit services (subject to de minimis exceptions as defined by law for non-audit services) provided by the independent auditors in accordance with applicable regulations. The audit committee may delegate its authority to pre-approve non-audit services to one or more designated audit committee members. As permitted in its charter, the audit committee delegated its pre-approval authority with respect to non-audit services provided to the Company by Elliott Davis, LLC, to Anthony H. Sobel, the audit committee chairman. The decisions of the designated member shall be presented to, and ratified by, the full audit committee at the next subsequent meeting. In 2005, all audit related services, tax services and other services were pre-approved by the audit committee.

Selection of Independent Registered Public Accounting Firm

We have retained Elliott Davis, LLC to serve as the Company's independent registered public accounting firm for the 2006 fiscal year. Representatives of Elliott Davis, LLC will be present at the Annual Meeting and available to respond to appropriate questions from stockholders and may make a statement if they so desire.

Report of the Audit Committee of the Board of Directors

The Audit Committee of the Board of Directors is responsible for providing independent oversight of the Company's accounting functions and internal controls. Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee has reviewed the audited financial statements for the year ended December 31, 2005 and has discussed the audited financial statements with management. The Audit Committee has discussed with our independent accountants, Elliott Davis, LLC, the matters required to be discussed by Statement on Auditing Standards No. 61 – Codification of Statements on Auditing Standards (having to do with accounting methods used in the financial statements). The Audit Committee has received written disclosures and the letter from Elliott Davis, LLC required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor’s independence), and has discussed with Elliott Davis, LLC the auditor’s independence. Based on this, the Audit Committee recommended to the Board that the audited financial statements be included in the Computer Software Innovations, Inc. Form 10-KSB for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE CHARTER

I. PURPOSE

The audit committee is established by and among the board of directors for the primary purpose of assisting the board in:

Overseeing the integrity of the company's financial statements.

Overseeing the independent auditor's qualifications and independence.

Overseeing the performance of the company's independent auditor, and its internal audit function (if and when instituted).

Overseeing the company's systems of disclosure controls and procedures, internal controls over financial reporting, internal controls over compliance with legal and regulatory requirements, and compliance with ethical standards as may be adopted by the company. Consistent with this function, the audit committee should encourage continuous improvement of, and should foster adherence to, the company's policies, procedures, and practices at all levels. The audit committee should also provide for open communication among the independent auditor, financial and senior management, the internal audit function (if and when instituted), and the board of directors.

The audit committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The company will provide appropriate funding, as determined by the audit committee, for compensation to the independent auditor, to any advisors that the audit committee chooses to engage, and for payment of ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties.

The audit committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this charter. The audit committee will report regularly to the board of directors regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The audit committee will comprise three or more directors as determined by the board. Each audit committee member will be a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship which, in the opinion of the board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. All committee members must be independent, including being free of disallowed compensation agreements, under all other applicable rules and regulations.

All members of the committee must comply with all financial literacy requirements of the securities exchange(s) on which the company may be listed. The board will determine whether at least one member of the committee qualifies as an audit committee financial expert in compliance with the criteria established by the SEC. The existence of such a member, including his or her name and whether or not he or she is independent, will be disclosed in periodic filings as required by the SEC.

The members of the committee will be elected by the board at the annual organizational meeting of the board to serve until their successors are elected. Unless a chairperson is elected by the full board, the members of the committee may designate a chairperson by majority vote.

The committee will meet four times annually, or more frequently as circumstances dictate. As part of its responsibility to foster open communication, the committee will, as it deems appropriate, meet periodically with management and the independent auditor in separate executive sessions.

A-1

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the audit committee will:

Documents/Reports/Accounting Information Review

1. Review this charter periodically, at least annually, and recommend to the board of directors any necessary amendments.
2. Review and discuss with management and the independent auditor the company's annual financial statements, and as applicable, all internal controls reports (or summaries thereof). Review and discuss with management (and the independent auditor, as the committee deems appropriate) the company's quarterly financial statements (prior to the company's 10-QSB filings or release of earnings). Review other relevant reports or financial information submitted by the company to any governmental body or the public, including management certifications as required by the Sarbanes-Oxley Act of 2002 and relevant reports rendered by the independent auditor (or summaries thereof).
3. Recommend to the board whether the financial statements should be included in the annual report on Form 10-KSB.
4. Review the regular internal reports to management (or summaries thereof) prepared by the internal auditing function (if and when instituted), as well as management's response.

Independent Auditor

5. Appoint, compensate, retain, and oversee the work performed by the independent auditor for the purpose of preparing or issuing an audit report or related work. Discuss with the independent auditor the overall scope and plans for its audit, including the adequacy of staffing. Review the performance of the independent auditor and remove the independent auditor if circumstances warrant. The independent auditor will report directly to the audit committee and the audit committee will oversee the resolution of disagreements between management and the independent auditor if they arise. Consider whether the auditor's performance of permissible nonaudit services is compatible with the auditor's independence. Discuss with the independent auditor the matters required to be discussed under Statement on Auditing Standards (SAS) No. 61, as amended by SAS No. 84 and SAS No. 90.
6. Review with the independent auditor any problems or difficulties and management's response; as applicable, review the independent auditor's attestation and report on management's internal control report, from the time that such reports are prepared; and hold timely discussions with the independent auditor regarding the following:

All critical accounting policies and practices.

All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.

Other material written communications between the independent auditor and management, including, but not limited to, the management letter and schedule of unadjusted differences.

7. At least annually, obtain and review a report by the independent auditor describing:

The firm's internal quality-control procedures.

Any material issues raised by the most recent internal quality-control review or peer review, or by any inquiry or investigation conducted by governmental or professional authorities during the preceding five years with respect to independent audits carried out by the firm, and any steps taken to deal with any such issues.

A-2

All relationships between the independent auditor and the company, addressing the matters set forth in Independence Standards Board Standard No. 1.

This report should be used to evaluate the independent auditor's qualifications, performance, and independence. Further, the committee will review the experience and qualifications of the lead partner and other senior members of the independent audit team each year and determine that all partner rotation requirements, as promulgated by applicable rules and regulations, are executed. The committee will also consider whether there should be rotation of the firm itself.

8. Actively engage in dialogue with the independent auditor with respect to any disclosed relationships or services that may affect the independence and objectivity of the auditor and take, or recommend that the full board take, appropriate actions to oversee the independence of the outside auditor.
9. Review and pre-approve (which may be pursuant to pre-approval policies and procedures) both audit and nonaudit services to be provided by the independent auditor.
