ITEM 1.01. Entry into a Material Definitive Agreement.

On September 16, 2006, the Board of Directors (the Board) of Potlatch Corporation (the Company) approved amendments to the Company's 2000 Stock Incentive Plan, 2005 Stock Incentive Plan and Benefits Protection Trust Agreement, and approved the adoption of the Company's Management Performance Award Plan II and Deferred Compensation Plan for Directors II (collectively the Company Plans). On September 15, 2006, the Executive Compensation and Personnel Policies Committee of the Board (the Compensation Committee), which has oversight of the broad-based employment compensation plans of the Company's subsidiary, Potlatch Forest Products Corporation (PFPC), approved amendments to PFPC's Severance Program for Executive Employees and approved the adoption of PFPC's Salaried Employees Supplemental Benefits Plan II (collectively, together with the Company Plans, the Plans).

The Board or the Compensation Committee approved the amendments to the existing Plans and approved the adoption of the new Plans primarily to bring the Company's and PFPC's nonqualified deferred compensation plans into compliance with new Internal Revenue Code Section 409A rules regarding deferred compensation as well as to conform certain definitions and terms across the Plans where appropriate. In addition, the definition of change in control contained in the Plans has been amended to narrow the circumstances under which a change in control of the Company is deemed to have occurred. A change in control of the Company generally results in the vesting of stock options under the 2000 Stock Incentive Plan and 2005 Stock Incentive Plan and payment of a prorated bonus under the Management Performance Award Plan II. In addition, severance benefits are paid upon certain terminations of employment following a change in control under PFPC's Severance Program for Executive Employees.

The Management Performance Award Plan II (the MPAP II) provides bonus opportunities to employees of the Company and its subsidiaries who can contribute to significant improvements in profit performance and growth, and provides for the subsequent deferral of such bonus. The MPAP II is the successor plan to the Company's Management Performance Award Plan, which has been frozen. Awards paid under the MPAP II are based on the same performance goals and are subject to the same limitations, terms and conditions as were applicable under the frozen plan; provided, however, that MPAP II provides for payment of a prorated bonus in the event of a change in control of the Company and is modified to comply with Internal Revenue Code Section 409A. MPAP II is effective with respect to bonuses earned and deferred after December 31, 2004.

The Deferred Compensation Plan for Directors II (the Directors Plan II) provides non-employee directors of the Company with an opportunity to defer payment of their directors' fees. The Directors Plan II is the successor plan to the Company's Deferred Compensation Plan for Directors, which has been frozen. The Directors Plan II is substantially similar to the frozen plan, except that the Directors Plan II is modified to comply with Internal Revenue Code Section 409A. The Directors Plan II is effective with respect to amounts deferred after December 31, 2004.

PFPC's Salaried Employees Supplemental Benefits Plan II (the Supplemental Plan II) provides for the accrual of retirement benefits for highly compensated employees of the Company and its subsidiaries in excess of the limits placed on tax-qualified retirement benefits by the Internal Revenue Code. The Supplemental Plan II is the successor plan to PFPC's Salaried Employees Supplemental Benefits Plan, which has been frozen. The Supplemental Plan II is substantially similar to the frozen plan, except that the Supplemental Plan II is modified to comply with Internal Revenue Code Section 409A. The Supplemental Benefit Plan II is effective with respect to benefits accrued after December 31, 2004.

The foregoing description of the amendments to the existing Plans or adoption of the new Plans does not purport to be complete and is qualified in its entirety by reference to the full text of each of the Plans, copies of which are filed with this Current Report on Form 8-K.
