Compensation of Non-Employee Directors

The form and amount of compensation paid to non-employee directors of CONSOL Energy Inc. (the Company) is to be reviewed annually by the Compensation Committee (the Compensation Committee) of the Company's Board of Directors (the Board). On October 11, 2006, the Board, upon the recommendation of the Compensation Committee, approved a modification to the compensation arrangement for non-employee directors. Effective October 11, 2006, the Annual Equity Award (as defined in the Form 8-K filed by the Company on October 24, 2005 (the October 24, 2005 Form 8-K)) to such directors will consist entirely of restricted stock units. Previously, the Annual Equity Award was comprised of 50% of the value in restricted stock units and 50% in stock options. All other elements of the compensation arrangement for non-employee directors that was approved by the Board in October 2005 have not changed. No grants of equity awards were made in connection with the modification.

Item 7.01 Regulation FD Disclosure.

On October 11, 2006, upon the recommendation of the Compensation Committee, the Board approved a modification to the stock ownership guidelines applicable to non-employee directors. As originally adopted, the guidelines require that all such directors hold five times the Annual Board Retainer (as defined in the October 24, 2005 Form 8-K) in the Company's common stock (including any securities convertible or exercisable into the Company's common stock, which includes stock options) after five years of service on the Board. The guidelines as modified on October 11, 2006 now exclude for the purposes of stock ownership all shares issuable upon the exercise of stock options. The modification was made to conform such guidelines to the stock ownership guidelines applicable to certain of the Company's officers.
