**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On September 25, 2007 Alliance Resource Partners, L.P.'s wholly-owned subsidiary Alliance Resource Operating Partners, L.P. (the Intermediate Partnership) entered into an amended and restated credit facility (Amended Credit Facility). The Amended Credit Facility is for \$150.0 million and has an expiration date of September 25, 2012. This Amended Credit Facility replaces a \$100 million credit facility (Credit Facility) that would have expired in April 2011. The interest rate on the Amended Credit Facility fluctuates based on the LIBOR rate and the financial performance of the Intermediate Partnership. Initially, the interest rate will be the LIBOR rate plus 0.75%. The Amended Credit Facility contains events of default provisions that could cause the acceleration of the term if an event of default occurs. Examples of an event of default by the Intermediate Partnership include but are not limited to the following: failing to pay any principal or interest payments within five business days of due date, failure to perform or meet covenant requirements and a change of control. Additionally, the Intermediate Partnership may request that the aggregate amount of the Amended Credit Facility be increased up to \$250 million, subject to lender approval.

The Intermediate Partnership had \$27.0 million outstanding under the Credit Facility at closing which were transferred to the Amended Credit Facility. Letters of credit can be issued under the Amended Credit Facility not to exceed \$100 million; outstanding letters of credit reduce amounts available under the Amended Credit Facility. At closing, the Intermediate Partnership had letters of credit of \$24.7 million outstanding under the Credit Facility that were transferred to the Amended Credit Facility. A copy of the Amended Credit Facility is attached as an exhibit hereto.

**ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION**
