GENERAL

This Proxy Statement is furnished to stockholders of Kentucky First Federal Bancorp (“Kentucky First” or the “Company”) in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) which will be held at First Federal Center on the campus of Hazard Community and Technical College located at One Community College Drive, Hazard, Kentucky on Tuesday, November 11, 2008, at 3:30 p.m., Eastern time, and at any adjournment thereof. The accompanying Notice of Annual Meeting and proxy card and this Proxy Statement are being first mailed to stockholders on or about October 10, 2008.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Thomas F. Skaggs, Secretary of the Company, at the address shown above, by filing a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The presence of a stockholder at the Annual Meeting will not in itself revoke such stockholder’s proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. **Where no instructions are indicated, proxies will be voted “FOR” the nominees for director set forth below and “FOR” the ratification of the appointment of BDK LLP as the Company’s independent public accountants for the year ending June 30, 2009.** The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors. Proxies marked as abstentions will not be counted as votes cast. Shares held in “street name” which have been designated by brokers on proxies as not voted (“broker non-votes”) will not be counted as votes cast. Proxies marked as abstentions or as broker non-votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

VOTING SECURITIES AND SECURITY OWNERSHIP

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, par value \$0.01 per share (the "Common Stock"). Stockholders of record as of the close of business on September 30, 2008 (the "Record Date") are entitled to one vote for each share of Common Stock then held. As of the Record Date, there were 7,703,750 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports with respect to such ownership pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The following table sets forth information regarding the shares of Common Stock beneficially owned as of the Record Date by persons who beneficially own more than 5% of the Common Stock, each of the Company’s directors, the executive officers of the Company named in the Summary Compensation Table set forth under “Executive Compensation - Summary Compensation Table,” and all of the Company’s directors and executive officers as a group.

PROPOSAL I -- ELECTION OF DIRECTORS

General

The Company's Board of Directors consists of seven members, all of whom are independent under the listing standards of Nasdaq, except Tony D. Whitaker and Don D. Jennings. In determining that Director Stephen G. Barker is independent, the Board of Directors considered that he had been paid approximately \$12,000 in legal fees for services provided to First Federal of Hazard during the year ended June 30, 2008. The Company's Bylaws require that directors be divided into three classes, as nearly equal in number as possible, with approximately one-third of the directors elected each year. At the Annual Meeting, two directors will be elected for a term expiring at the 2011 annual meeting. The Board of Directors has nominated Walter G. Ecton, Jr. and Don D. Jennings. to each serve as a director for a three-year period. Each of the nominees is currently a member of the Board. Pursuant to the Company's Bylaws, there is no cumulative voting for the election of directors. As a result, directors are elected by a plurality of the votes present in person or by proxy at a meeting at which a quorum is present.

It is intended that the persons named in the proxies solicited by the Board of Directors will vote for the election of the named nominees. If either nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the size of the Board may be reduced to eliminate the vacancy. At this time, the Board knows of no reason why either nominee might be unavailable to serve.

The following table sets forth, for each nominee for director and continuing director of the Company, his age, the year he first became a director of the Company, First Federal Savings and Loan Association of Hazard (“First Federal of Hazard”) or First Federal Savings Bank of Frankfort (“First Federal of Frankfort”) and the expiration of his term as a director. All such persons were appointed as directors of the Company in March 2005 upon the formation and organization of the Company. Directors Barker, Ecton, Gorman and Whitaker also serve on the Board of Directors of the Company’s wholly owned subsidiary, First Federal of Hazard, and Directors Harrod and Regan also serve on the Board of Directors of the Company’s wholly owned subsidiary, Frankfort First Bancorp, Inc. (“Frankfort First”), and Frankfort First’s wholly owned subsidiary, First Federal of Frankfort. Director Jennings also serves on the Board of Directors of First Federal of Frankfort.

During the fiscal year ended June 30, 2008, the Board of Directors' Audit Committee consisted of Directors Harrod (Chairman), Ecton, Gorman and Regan. Each of the members of the Audit Committee are "independent," as "independent" is defined in Rule 4200(a)(15) of the listing standards of the National Association of

Securities Dealers, Inc. (“NASD”)The Company’s Board of Directors has determined that one member of the Audit Committee, David R. Harrod is “independent,” as such term is defined in Item 7(d)(3)(iv)(A) of Schedule 14A of the Exchange Act.

7

The function of the Audit Committee is to review and discuss the audited financial statements with management, internal audit and the independent auditors; to determine the independent auditors' qualifications and independence; to engage the independent auditors of the Company; to review the internal audit function and internal accounting controls; to review the internal audit plan; to review the Company's compliance with legal and regulatory requirements; and to review the Company's auditing, accounting and financial processes generally. A copy of the Audit Committee Charter is attached to this proxy statement as Exhibit A. The Audit Committee met five times during the year ended June 30, 2008.

Compensation Committee. The Board of Directors has a Compensation Committee consisting of Directors Ecton, Gorman and Regan (Chairman). The Compensation Committee evaluates the compensation and fringe benefits of the directors, officers and employees and recommends changes. The Compensation Committee reviews all components of compensation, including salaries, cash incentive plans, equity incentive plans and various employee benefit matters. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Chief Executive Officer makes recommendations to the Compensation Committee regarding compensation of directors and executive officers other than himself, but final compensation decisions are made by the Board of Directors based on the recommendation of the Compensation Committee. The Compensation Committee met four times during the year ended June 30, 2008.

The Compensation Committee operates under a written charter that establishes the Compensation Committee's responsibilities. The Compensation Committee and the Board of Directors review the Charter periodically to ensure that the scope of the Charter is consistent with the Compensation Committee's expected role. Under the Charter, the Compensation Committee is charged with general responsibility for the oversight and administration of the Company's compensation program. The Charter vests in the Compensation Committee principal responsibility for determining the compensation of the Chief Executive Officer based on the Compensation Committee's evaluation of his performance. The Charter also authorizes the Compensation Committee to engage consultants and other professionals without management approval to the extent deemed necessary to discharge its responsibilities. The Compensation Committee Charter is not available via a Company website, but it was attached to the Company's proxy statement prepared in connection with the Company's 2007 annual meeting of stockholders.

Nominating/Corporate Governance Committee. The Board of Directors' Nominating/Corporate Governance Committee nominates directors to be voted on at the Annual Meeting and recommends nominees to fill any vacancies on the Board of Directors. The Nominating/Corporate Governance Committee consists of Directors Ecton (Chairman), Gorman, Harrod and Regan. The members of the Nominating/Corporate Governance Committee are "independent directors" as defined in Nasdaq listing standards. The Board of Directors has adopted a Charter for the Nominating/Corporate Governance Committee. A copy of this charter is attached to this proxy statement as Exhibit B. The Company does not have a corporate website. The Nominating/Corporate Governance Committee met one time during the fiscal year ended June 30, 2008.

It is the policy of the Nominating/Corporate Governance Committee to consider director candidates recommended by security holders who appear to be qualified to serve on the Company's Board of Directors. Any stockholder wishing to recommend a candidate for consideration by the Nominating/Corporate Governance Committee as a possible director nominee for election at an upcoming annual meeting of stockholders must provide written notice to the Nominating/Corporate Governance Committee of such stockholder's recommendation of a director nominee no later than the July 1st preceding the annual meeting of stockholders. Notice should be provided to: Thomas F. Skaggs, Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. Such notice must contain the following information:

The name of the person recommended as a director candidate;

Edgar Filing: Kentucky First Federal Bancorp - Form DEF 14A

- All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
- The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

8

- As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
- A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In its deliberations, the Nominating/Corporate Governance Committee considers a candidate's personal and professional integrity, knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the banks' market areas. Any nominee for director made by the Nominating/Corporate Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating/Corporate Governance Committee solicits the Company's then current directors for the names of potential qualified candidates. Moreover, the Nominating/Corporate Governance Committee may ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating/Corporate Governance Committee would then consider the potential pool of director candidates, select a candidate based on the candidate's qualifications and the Board's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, the Nominating/Corporate Governance Committee would consider the proposed nominee in the same manner in which the Nominating/Corporate Governance Committee would evaluate nominees for director recommended by directors.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board and independence.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Thomas F. Skaggs, Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. All communications that relate to matters that are within the scope of the responsibilities of the Board and its Committees are to be presented to the Board no later than its next regularly scheduled meeting. Communications that relate to matters that are within the responsibility of one of the Board Committees are also to be forwarded to the Chair of the appropriate Committee. Communications that relate to ordinary business matters that are not within the scope of the Board's responsibilities, such as customer complaints, are to be sent to the appropriate officer. Solicitations, junk mail and obviously frivolous or inappropriate communications are not to be forwarded, but will be made available to any director who wishes to review them.

Directors are expected to prepare themselves for and to attend all Board meetings, the Annual Meeting of Stockholders and the meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. All directors attended the Company's 2007 annual meeting of stockholders held on November 13, 2007.

During a period of disability, to the extent reasonably capable of doing so, Messrs. Whitaker and Jennings agree to provide assistance and undertake reasonable assignments for the employers.

The Agreements also require Messrs. Whitaker, Jennings, and Hulette to agree not to compete with Kentucky First, First Federal of Hazard or First Federal of Frankfort for one year following a termination of employment, other than in connection with a change in control. Kentucky First, First Federal of Hazard or First Federal of Frankfort will pay or reimburse Messrs. Whitaker, Jennings, and Hulette for all reasonable costs and legal fees paid or incurred by him in any dispute or question of interpretation regarding the Agreements, if the executive is successful on the merits in a legal judgment, arbitration proceeding or settlement. The Agreements also provide Messrs. Whitaker, Jennings, and Hulette with indemnification to the fullest extent legally allowable.

Under the Agreements, if either Kentucky First, First Federal of Hazard or First Federal of Frankfort terminates the employment of Messrs. Whitaker, Jennings, or Hulette without cause, or if Messrs. Whitaker, Jennings, or Hulette resigns under specified circumstances that constitute constructive termination, he receives his base salary and continued employee benefits for the remaining term of the Agreement, as well as continued health, life and disability coverage under the same terms such coverage is provided to other senior executives, or comparable individual coverage.

Under the Agreements, if, within one year after a change in control (as defined in the Agreements), any of Messrs. Whitaker, Jennings, or Hulette voluntarily terminate his employment under circumstances discussed in the Agreement, or involuntarily terminates employment, the executive receives a cash payment equal to three times his average annual compensation over the five most recently completed calendar years preceding the change in control. He also receives continued employee benefits and health, life and disability insurance coverage for thirty-six months

following termination of employment.

11

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's "base amount" are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of their base amount, and the employer is not entitled to deduct any parachute payments over the base amount. The Agreements limit payments made to Messrs. Whitaker and Jennings in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

Equity Grants

The Company granted each of the named executive officers equity awards of restricted stock and stock options in 2006. Upon a change in control, all outstanding stock options become immediately exercisable and the restrictions on restricted stock immediately lapse. Had a change in control occurred as of June 30, 2008, Messrs. Whitaker, Jennings and Hulette would have immediately vested in 25,200, 9,150 and 9,150 shares, respectively, of restricted stock, with a value of \$233,100, \$84,638, and \$84,638, respectively, at June 30, 2008 based on the closing sale price for the Kentucky First common stock as quoted on the Nasdaq Global Market. In addition, had a change in control occurred as of June 30, 2008, Messrs. Whitaker, Jennings and Hulette would have immediately vested in options to acquire 63,000, 31,200 and 31,200 shares, respectively, of Kentucky First common stock.

Outstanding Equity Awards at Fiscal Year End

The following table provides certain information with respect to the number of shares of Company common stock represented by outstanding stock options held by the named executive officers as of June 30, 2008.

(1) Unvested options and restricted stock awards vest in three equal installments on December 13, 2008, 2009 and 2010.

Retirement Plan. First Federal of Hazard employees, including Mr. Whitaker, participate in the Financial Institution Retirement Plan (the “Retirement Plan”) to provide retirement benefits for eligible employees. Messrs. Jennings and Hulette participate in a similar plan for First Federal of Frankfort employees. Employees are eligible to participate in the Retirement Plan after the completion of one year of employment and attainment of age 21. The formula for normal retirement benefits payable annually is 2%, under the First Federal of Hazard Retirement Plan, and 1.25%, under the First Federal of Frankfort Retirement Plan, of the average of the participant’s highest five years of compensation multiplied by the participant’s years of service. Participants in the First Federal of Hazard Retirement Plan may also receive a reduced early retirement benefit under the Retirement Plan upon attainment of age 45 and satisfaction of the Retirement Plan’s vesting requirements. Participants generally have no vested interest in Retirement Benefits prior to their completion of five years of service. Following the completion of five years of vesting service, or upon attainment of age 65, death or termination of employment due to disability, participants automatically become 100% vested in their accrued benefit under the Retirement Plan. The amounts of benefits paid under the Retirement Plan are not reduced for any social security benefit payable to participants. Benefits under the First Federal of Frankfort Retirement Plan may be paid in a lump sum, while the First Federal of Hazard Retirement Plan does not allow for a lump sum payment of accrued benefits; however, Mr. Whitaker may elect to be paid in a lump sum as a result of previous participation in a comparable plan at another financial institution.

The present value of accumulated benefits shown on the table above for the indicated Retirement Plan is calculated using the accrued benefit multiplied by a present value factor based on an assumed age 65 retirement date, the 1994 Group Annuity Mortality table projected five years and an interest rate of 5.00% for 50% of the benefit and 7.75% for 50% of the benefit, discounted to current age at an assumed interest rate of 7.75%.

Supplemental Executive Retirement Plan. First Federal of Hazard has implemented a supplemental executive retirement plan (“SERP”) to provide for supplemental retirement benefits with respect to the employee stock ownership plan (“ESOP”) and retirement plan. The SERP provides participating executives with benefits otherwise limited by certain provisions of the Internal Revenue Code or the terms of the ESOP loan. Specifically, the SERP will provide benefits to designated officers that cannot be provided under the pension plan or the ESOP as a result of limitations imposed by the Internal Revenue Code, but that would have been provided under such plans, but for these Internal Revenue Code limitations. In addition to providing for benefits lost under tax-qualified plans as a result of the Internal Revenue Code limitations, the SERP will also provide supplemental benefits upon a change of control prior to the scheduled repayment of the ESOP loan. Generally, upon a change in control, the SERP will provide participants with a benefit equal to what they would have received under the ESOP, had they remained employed throughout the term of the loan, less the benefits actually provided under the ESOP on the participant’s behalf. A participant’s benefits generally become payable upon a change in control of Kentucky First or its subsidiaries. The Board has designated Tony D. Whitaker as a participant in the SERP.

First Federal of Hazard may utilize a grantor trust in connection with the SERP, in order to set aside funds that ultimately may be used to pay benefits under the SERP. The assets of the grantor trust will remain subject to the claims of general creditors in the event of insolvency, until paid to a participant according to the terms of the SERP. No amounts have been accrued to date under the SERP for Mr. Whitaker.

The award recipients receive dividends on unvested awards of restricted stock; such dividends are reported under the column "All Other Compensation" on the above table. At June 30, 2008, each director had outstanding unvested restricted stock awards for 5,040 shares of Common Stock.
- (2) Reflects the dollar amount recognized for financial statement reporting purposes in accordance with FAS 123(R) during the year ended June 30, 2008, based upon a fair value of \$1.75 for options granted in the year ended June 30, 2006 using the Black-Scholes option pricing model. For further information regarding the assumptions used to compute fair value, see footnote A-11 to the Notes to the Consolidated Financial Statements contained in the Company's Annual Report to Stockholders filed as Exhibit 13 to the Company's Annual Report as Form 10-K. At June 30, 2007, each director had outstanding options to acquire 12,600 shares of Common Stock.
- (3) The amounts reported in the "All Other Compensation" column for the year ended June 30, 2008 consist of dividends on restricted stock.

Fees. Each nonemployee director of the Company receives a quarterly retainer of \$900, and each member of the Kentucky First Audit Committee receives \$900 per meeting attended on a date on which there is not also a meeting of the full Board of Directors. Officers of Kentucky First who are directors are not compensated for their service as directors. Directors who also serve as Directors of First Federal of Hazard receive \$10,800 annually plus \$400 for serving on the investment committee. Directors who also serve as Directors of First Federal of Frankfort receive \$9,000 annually plus \$100 for certain committee meetings. Officers of either Bank who are also directors are not compensated for their service as directors.

TRANSACTIONS WITH RELATED PERSONS

First Federal of Hazard and First Federal of Frankfort both offer loans to their directors and executive officers. These loans were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. Under current law, the Banks' loans to directors and executive officers are required to be made on substantially the same terms, including interest rates, as those prevailing for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. Furthermore, all loans to such persons must be approved in advance by a disinterested majority of the Company's Board of Directors. At June 30, 2008, loans to directors and executive officers and their affiliates totaled \$950,000, or 1.6%, of the Company's stockholders' equity, at that date.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BKD LLP ("BKD") served as the Company's independent accountants to audit the Company's fiscal years ended June 30, 2008 and 2007. Grant Thornton LLP ("Grant Thornton") served as the Company's independent accountants to audit the Company's fiscal year ended June 30, 2006.

On July 9, 2007, the Company dismissed Grant Thornton as its independent auditors, effective immediately. On July 9, 2007, the Company engaged BKD LLP as its successor independent audit firm. The Company's dismissal of Grant Thornton and engagement of BKD was approved by the Company's Audit Committee on July 9, 2007. The Company dismissed Grant Thornton because Grant Thornton sold its financial institution auditing practice based in Cincinnati, Ohio, to BKD.

Grant Thornton's reports on the Company's financial statements for the fiscal year ended June 30, 2006 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2007 and 2006) and the subsequent interim period from July 1, 2007 through June 30, 2008, there were no disagreements with either BKD or

Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BKD or Grant Thornton, would have caused BKD or Grant Thornton to make reference to the subject matter of the disagreements in their report on the financial statements for such years.

During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2007 and 2006) and the subsequent interim period from July 1, 2007 through June 30, 2008, there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2007 and 2006) and the subsequent interim period from July 1, 2007 through June 30, 2008, the Company did not consult with BKD, regarding applications of accounting principles to any specified transaction or any other matters or "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

PROPOSAL II -- RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board of Directors has approved the Company's arrangements with BKD LLP to be the Company's auditors for the 2009 fiscal year, subject to ratification by the Company's stockholders. There are no plans for a representative of BKD LLP to be present at the Annual Meeting.

The appointment of the auditors must be approved by a majority of the votes cast by the stockholders of the Company at the Meeting. The Board of Directors recommends that shareholders vote "FOR" the ratification of the appointment of auditors.

All Other Fees

The aggregate fees billed by the Company's independent accountant for all other services, exclusive of the fees disclosed above, rendered during the fiscal years ended June 30, 2008 and 2007 were \$14,950 and \$830, respectively.

For the year ended June 30, 2008, these services consisted of assistance with various accounting entries associated with Fin 48 and ESOP, as well as internal work on the audit. For the year ended June 30, 2007, these services consisted of review of quarterly tax deposits and consultation on new procedures related to the allowance for loan and lease losses.

Pre-Approval of Services by the Independent Auditor

The Audit Committee does not have a policy for the pre-approval of nonaudit services to be provided by the Company's independent auditor. Any such services would be considered on a case-by-case basis. All nonaudit services provided by the independent auditors in fiscal years 2008 and 2007 were approved by the Audit Committee. However, certain services such as the review of the Company's public filings, review of the Company's tax returns, and general discussions with management regarding accounting issues, which may be construed as necessary for the accurate completion of the audit, are approved in advance on an annual basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Exchange Act, the Company's officers and directors and all persons who own more than 10% of the Common Stock ("Reporting Persons") are required to file reports detailing their ownership and changes of ownership in the Common Stock and to furnish the Company with copies of all such ownership reports that are filed. Based solely on the Company's review of the copies of such ownership reports which it has received in the past fiscal year or with respect to the past fiscal year, or written representations that no annual report of changes in beneficial ownership were required, the Company believes that during fiscal year 2008 all Reporting Persons have complied with these reporting requirements.

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this proxy statement and matters incident to the conduct of the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the determination of a majority of the Board of Directors.

MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telegraph or telephone without additional compensation.

The Company's 2008 Annual Report to Stockholders, including financial statements, is being mailed to all stockholders of record as of the close of business on the Record Date. In addition, at least one member of the Audit Committee shall have past employment in finance or accounting, requisite professional certification in accounting, or any comparable experience or background which results in the individual’s financial sophistication, including having been a chief executive officer, chief financial officer, or other senior officer with oversight responsibilities. The members of the Audit Committee will be appointed by the Board on an annual basis.

8. As needed, the chairman of the committee will submit a record of the meeting to the Board regarding any recommendations that the Committee may deem appropriate.

Ensure that the independent auditor discusses with the Audit Committee their judgements about the quality, not just the acceptability, of the Company's accounting principles as applied in the financial reports. The discussion should include such issues as the clarity of the Company's financial disclosures and degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates and other significant decisions made by management in preparing financial disclosures.

The Audit Committee should confirm the independence of the independent auditor by requiring them to disclose in writing all relationships that, in the auditor's professional judgement, may reasonably be thought to bear on the ability to perform the audit independently and objectively.
16. Review the performance of the independent auditor
17. Review the process by which the internal audit function is performed at the two subsidiary banks. 18. Be authorized to retain independent counsel and other advisors as it deems necessary to carry out its duties and to assist it in the conduct of any investigation. In connection therewith, the Audit Committee shall be provided appropriate funding as determined by the Audit Committee for payment to accountants and auditors.
