**Item 2.05. Costs Associated with Exit or Disposal Activities**

On November 12, 2008, the Board of Directors of Sun Microsystems, Inc. ("Sun" or the "Company") approved a plan to better align the Company's resources with its strategic business objectives, including reducing its workforce by approximately 5,000 to 6,000 employees (the "Restructuring Plan"). The Company expects to incur total charges ranging from \$500 million to \$600 million over the next twelve months in connection with the Restructuring Plan, all of which is expected to relate to cash severance costs. Approximately \$375 million to \$450 million of the total charges are expected to be incurred in the Company's fiscal year ending June 30, 2009 (the "2009 Fiscal Year"). The Company expects total annual cost savings as a result of the Restructuring Plan of approximately \$700 million to \$800 million. The Company expects to begin realizing cost savings in connection with the Restructuring Plan in the third quarter of the 2009 Fiscal Year, and expects to realize a substantial portion of the run rate benefit by the first quarter of the Company's fiscal year ending June 30, 2010.

This Current Report on Form 8-K contains forward-looking statements, including, but not limited to, statements regarding the expected charges, costs and cost savings, including the timing of such savings, related to the Restructuring Plan. These forward looking statements are only predictions based on current information and expectations and are subject to certain risks and uncertainties, including, but not limited to, Sun's ability to implement the workforce reductions in various geographies; possible changes in the size and components of the expected costs and charges; and general economic conditions. More information about potential factors that could affect Sun's business and financial results is included in the "Risk Factors" set forth in the periodic reports Sun files with the Securities and Exchange Commission from time to time, including Sun's Annual Report on Form 10-K for the fiscal year ended June 30, 2008 and its Quarterly Report on Form 10-Q for the fiscal quarter ended September 28, 2008. Actual results could differ materially from those set forth in the forward-looking statements as a result of such risk factors, as well as other risks and uncertainties. Sun assumes no obligation to, and does not currently intend to, update these forward-looking statements.

On November 14, 2008, Sun issued a press release announcing the Restructuring Plan. The full text of Sun's press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
