NEWS RELEASE

Agrium sends letter to CF stockholders

Reaffirms commitment to acquiring CF

Urges CF stockholders to send message to CF board by WITHHOLDING votes

for CF directors at April 21 annual meeting

April 15, 2009 - ALL AMOUNTS ARE STATED IN U.S.\$

CALGARY, Alberta Agrium Inc. (TSX and NYSE: AGU) today announced that it mailed the following letter to CF stockholders urging them to vote the **GREEN** proxy card and **WITHHOLD** votes for CF's three director nominees up for election at CF's 2009 Annual Meeting of Stockholders on April 21, 2009.

The full text of the letter sent to CF stockholders follows:

CF STOCKHOLDERS: SEND A MESSAGE TO YOUR BOARD

VOTE TO WITHHOLD ON THE GREEN PROXY CARD!

Dear Fellow CF Industries Stockholder:

CF's Annual Meeting is only a few days away. We are writing to urge you to **WITHHOLD** your votes for CF's three director nominees running for re-election on April 21, 2009. This will send a clear and strong message to CF's board and management to engage with Agrium and negotiate a mutually beneficial transaction. Voting to withhold will give you a voice in the future of your company.

Time is short. If you have not already done so, please sign, date and return the enclosed **GREEN** proxy card today.

AGRIUM IS OFFERING YOU \$35.00 IN CASH PLUS ONE AGRIMUM SHARE PER CF SHARE

(And More If CF Can Demonstrate Additional Value)

WHAT IS CF OFFERING YOU?

(Trying To Buy Terra At A Premium Without Letting You Vote)

WHAT YOU GET	Agrium's Offer for CF	CF's Offer for Terra
Significant premium	YES	NO
Opportunity to elect cash or stock	YES	NO
Track record of successful acquisitions	YES	NO
Diversified business well positioned for future market cycles	YES	NO

SEND A MESSAGE TO CF'S BOARD TO MEET WITH US TO GET VALUE FOR YOU

Despite Agrium offering a substantial premium which compares favorably to precedent transactions and our clearly stated willingness to consider raising our offer further if CF can demonstrate additional value, CF's board persists in just saying no.

Agrium has increased its offer to purchase all of the common stock of CF to \$35.00 in cash plus one Agrium common share for each CF common share. Based on our closing price on March 26, 2009, the day before we raised our offer, Agrium's offer is a 35% premium to CF's closing price on February 24, 2009, the day before we announced our initial proposal and a 48% premium to CF's 30-day volume weighted average price through that date. Premiums for North American chemicals and fertilizer companies have averaged just 27% since January 2004¹. Our offered exchange ratio of 1.8685 (subject to proration), is well above the historical ratio of Agrium and CF share prices, which has averaged 1.1433 from CF's 2005 IPO to February 24, 2009, the day before Agrium announced its initial proposal.

In addition, since over 50% of the total consideration is in Agrium stock, CF stockholders are presented with a unique opportunity for significant long-term value creation as well as near-term liquidity. In fact, the fertilizer industry analyst at Morgan Stanley, CF's own financial advisor, stated, *we view Agrium as the company best positioned to take advantage of secular, sustainable growth across the entire value chain*

AGRIUM IS FULLY COMMITTED TO ACQUIRING CF

Contrary to CF's assertions, the facts clearly demonstrate Agrium's determination to complete this transaction. It is indisputable that Agrium is offering a substantial premium to acquire CF. Indeed, based on unaffected stock prices, Agrium is offering a multiple for CF that is 39% greater than what CF is proposing to pay for Terra. Agrium has also incurred significant bank commitment fees in

order to make an offer with no financing condition, launched our bid within 24 hours of receiving financing commitments, and is moving ahead to secure regulatory approvals. Agrium has successfully completed and integrated nine major acquisitions over the last five years and is determined to acquire CF.

WITHHOLD YOUR VOTE FOR STEPHEN A. FURBACHER, DAVID R. HARVEY, AND

JOHN D. JOHNSON ON THE GREEN PROXY CARD TODAY!

In our view, the CF board is not doing its job for CF stockholders it has refused to negotiate with Agrium to see how high a price we would be willing to pay and has exercised its discretion to restructure its proposal to acquire Terra to take away your right to vote on it.

Accordingly, we believe the way for you to have a voice in the future of your company, and the opportunity to benefit from Agrium's premium offer, is to **WITHHOLD** your votes for the CF directors and urge the CF board to engage with us.

Please **WITHHOLD** your vote for the three director nominees: Stephen A. Furbacher, David R. Harvey, and John D. Johnson. Ironically, Mr. Harvey is Chairman of your Board's Corporate Governance and Nominating Committee and Mr. Furbacher is a member of this Committee.

VOTE YOUR GREEN PROXY CARD FOR A VOICE IN YOUR COMPANY'S FUTURE

If your CF shares are held in your own name, please authorize a proxy to vote by signing and returning the enclosed **GREEN** proxy card in the postage-paid envelope we have provided to you. If you hold your shares of common stock in street name with a bank, brokerage firm, dealer, trust company or other nominee, only they can exercise your right to vote with respect to your shares and only after receiving your specific instructions. **DON'T LET YOUR BROKER DECIDE FOR YOU. ACCORDINGLY, IT IS CRITICAL THAT YOU PROMPTLY GIVE INSTRUCTIONS TO YOUR BANK, BROKERAGE FIRM, DEALER, TRUST COMPANY OR OTHER NOMINEE TO ENSURE THAT A GREEN PROXY CARD IS SUBMITTED ON YOUR BEHALF.** Please follow the instructions to authorize a proxy to vote on the enclosed **GREEN** proxy card. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by Internet or telephone, instructions are included with the enclosed **GREEN** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and to provide a copy of those instructions to us, care of Georgeson Inc., at 199 Water Street, 26th Floor, New York, New York 10038, or by facsimile at (212) 440-9009, or by email at cftransaction@georgeson.com so that we may be aware of all instructions given and are in a position to ensure that such instructions are followed.

Do not return any white proxy card you may receive from CF or otherwise authorize a proxy to vote your shares for CF's nominees. If you have already returned a white proxy card to CF or otherwise authorized a proxy to vote your shares for CF's nominees, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign, date, and return the enclosed GREEN proxy card in the postage-paid envelope provided. Only your latest dated proxy will be counted.

CF stockholders of record as of March 16, 2009 are entitled to vote at the annual meeting. If you are a CF stockholder of record, you can still vote even if you have since sold your shares.

Georgeson Inc. is assisting Agrium with its efforts to solicit proxies. If you have any questions about voting your shares, please call Georgeson Inc. toll-free at (866) 318-0506 (banks and brokerage firms should call (212) 440-9800) or email cftransaction@georgeson.com.

Every stockholder's vote is important, regardless of how many shares you own. To ensure your vote is counted, submit your vote on the **GREEN** proxy card so we receive it by April 20th.

Thank you for your support.

Very truly yours,

Michael M. Wilson

Forward-Looking Statements

Certain statements and other information included in this press release constitute forward-looking information within the meaning of applicable Canadian securities legislation or constitute forward-looking statements (together, forward-looking statements). All statements in this press release, other than those relating to historical information or current condition, are forward-looking statements, including, but not limited to, estimates, forecasts and statements as to management s expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to future operations following the proposed acquisition of CF. These forward-looking

statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such forward-looking statements.

Events or circumstances that could cause actual results to differ materially from those in the forward-looking statements, include, but are not limited to, CF's failure to accept Agrium's proposal and enter into a definitive agreement to effect the transaction, Agrium common shares issued in connection with the proposed acquisition may have a market value lower than expected, the businesses of Agrium and CF, or any other recent business acquisitions, may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the expected combination benefits and synergies and costs savings from the Agrium/CF transaction may not be fully realized or not realized within the expected time frame, the possible delay in the completion of the steps required to be taken for the eventual combination of the two companies, including the possibility that approvals or clearances required to be obtained from regulatory and other agencies and bodies will not be obtained in a timely manner or will be obtained on conditions that may require divestiture of assets expected to be acquired, disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees and suppliers, general business and economic conditions, interest rates, exchange rates and tax rates, weather conditions, crop prices, the supply, demand and price level for our major products, gas prices and gas availability, operating rates and production costs, domestic fertilizer consumption and any changes in government policy in key agriculture markets, including the application of price controls and tariffs on fertilizers and the availability of subsidies or changes in their amounts, changes in development plans, construction progress, political risks, including civil unrest, actions by armed groups or conflict, governmental and regulatory requirements and actions by governmental authorities, including changes in government policy, changes in environmental, tax and other laws or regulations and the interpretation thereof and other risk factors detailed from time to time in Agrium and CF's reports filed with the SEC.

Agrium disclaims any intention or obligation to update or revise any forward-looking statements in this press release as a result of new information or future events, except as may be required under applicable U.S. federal securities laws or applicable Canadian securities legislation.

These forward-looking statements are based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. Expected future developments are based, in part, upon assumptions respecting our ability to successfully integrate the businesses of Agrium and CF, or any other recent acquisitions.

All of the forward-looking statements contained herein are qualified by these cautionary statements and by the assumptions that are stated or inherent in such forward-looking statements. Although we believe these assumptions are reasonable, undue reliance should not be placed on these assumptions and such forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include, but are not limited to, CF's acceptance of Agrium's proposal and the entering into of a definitive agreement to effect the proposed transaction, closing the proposed transaction, the market value of Agrium common shares issued in connection with the proposed acquisition, our ability to successfully integrate within expected time frames and costs, and realize the expected combination benefits and synergies and costs savings from, the combination of the businesses of Agrium and CF, or any other recent business acquisitions, and our ability to maintain relationships with customers, employees and suppliers during the course of the proposed transaction.
