**Item 8.01 Other Events**

On April 23, 2009, the Compensation Committee of the Board of Directors of General Dynamics Corporation took the following actions:

Revised the form of severance protection agreement to be entered into with future executive officers to remove the provision providing for reimbursement of excise taxes that may become due upon a change of control;

Adopted a policy to no longer provide reimbursement of taxes triggered by the receipt of perquisites by the company's executive officers, effective beginning with perquisites provided in the 2010 tax year; and

Approved amendments to the General Dynamics 2009 Equity Compensation Plan to:

Revise the third sentence of Section 6 of the Plan to reduce the maximum number of shares available for grants of restricted stock and participation units to 5,000,000 from 10,000,000.

Delete the following two sentences from Section 6 of the Plan:

Shares of Common Stock subject to an Award that expire unexercised, or that are forfeited, terminated or canceled (in whole or in part), shall thereafter again be available for grant under the Plan, except as otherwise provided by the Committee. To the extent any shares of Common Stock covered by an Award are not issued to a Participant or Beneficiary because instead such shares are used to satisfy the applicable tax withholding obligations or to pay the purchase price of any Option or other Award or to the extent unrestricted shares of Common Stock are delivered by a Participant or Beneficiary to satisfy such obligations, then any such withheld or delivered shares shall be available for grant pursuant to the Plan, except as otherwise provided by the Committee.

The amended Plan will be presented for shareholder approval at the company's Annual Meeting of Shareholders to be held on Wednesday, May 6, 2009.

A copy of the General Dynamics 2009 Equity Compensation Plan incorporating the amendments (marked to show the amendments) is attached as Exhibit 99.1 to this Form 8-K.
