***Amendment to Senior Credit Agreement***

On May 17, 2010, Petrohawk Energy Corporation (the *Company*) entered into the First Amendment to the Fourth Amended and Restated Senior Revolving Credit Agreement, dated as of May 17, 2010 (the *Amendment*), between the Company, each of the lenders from time to time party thereto (the *Lenders*), BNP Paribas, as administrative agent for the Lenders, Bank of America, N.A. and Bank of Montreal as co-syndication agents for the Lenders, and JPMorgan Chase Bank, N.A. and Wells Fargo Bank, N.A., as co-documentation agents for the Lenders. The Amendment amends the Company's Fourth Amended and Restated Senior Revolving Credit Agreement dated October 14, 2009 (the *Senior Credit Agreement*). The Amendment was entered into to facilitate the closing of the previously announced joint venture, known as KinderHawk Field Services LLC or KinderHawk, between Hawk Field Services, LLC ( *HFS* ), a wholly owned subsidiary of the Company and KM Gathering LLC ( *Kinder Morgan* ), an affiliate of Kinder Morgan Energy Partners, L.P., a publicly traded master limited partnership. Upon closing of the joint venture, the Amendment modifies the terms of the Company's Senior Credit Agreement to expressly permit various transactions integral to the joint venture, including, among other things, HFS's conveyance of its Haynesville Shale gathering and treating business in Northwest Louisiana to KinderHawk and the making of any capital contributions to KinderHawk that may be required pursuant to the terms of the limited liability company agreement governing KinderHawk.

The Senior Credit Agreement is a \$2.0 billion facility. After taking into account the sale of the Company's interests in the Terryville and WEHLU fields, the borrowing base under the Senior Credit Agreement is approximately \$1.3 billion, \$1.0 billion of which relates to the Company's oil and gas properties and up to \$300 million (currently limited as described below) of which relates to the Company's midstream business. The portion of the borrowing base which relates to the Company's oil and gas properties will be redetermined on a semi-annual basis (with the Company and the Lenders each having the right to one annual interim unscheduled redetermination) and adjusted based on the Company's oil and gas properties, reserves, other indebtedness and other relevant factors. The component of the borrowing base related to the Company's midstream business is limited to the lesser of \$300 million or 3.5 times midstream EBITDA, and is automatically determined quarterly. Following consummation of the joint venture, the available borrowing base aggregates \$1.05 billion as the midstream component will be approximately \$50 million. Borrowings under the Senior Credit Agreement will be secured by first priority liens on substantially all of the Company's assets, including all of the assets of, and equity interests in, the Company's restricted subsidiaries.

The foregoing summary of the terms of the Amendment is qualified in its entirety by reference to the full text of the Amendment, attached hereto as Exhibit 10.1.
