ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION

On July 1, 2010, AmStem Corporation (AmStem) entered into agreements with two private individuals (Investors) that will provide AmStem financing through a one million dollar (\$1,000,000) secured note (the Note).

The Note has a term of six months and has no amortization prior to maturity. The interest rate for the Note is six percent (6%) with no interest paid until the principle is due.

The note is secured by all of AmStem's property and assets, whether real or personal, tangible or intangible, and whether now owned or hereafter acquired, or in which it now has or at any time in the future may acquire any right, title or interests.

In connection with this agreement, AmStem expects to incur certain cash expenses and issue cashless warrants to purchase 14,710,666 of AmStem common stock at \$0.075 per common share for a period of five years. The cash expenses are paid as finder's fees and legal expenses incurred in connection with securing the financing.
