ITEM 1.01 Entry Into a Material Definitive Agreement.

On December 22, 2010, Newtek Asset Backed Securities, LLC (NABS), a bankruptcy-remote special purpose entity wholly-owned by Newtek Small Business Finance, Inc. (NSBF), itself a wholly-owned subsidiary of Newtek Business Services, Inc. (the Company), completed the issuance of a note referred to as the Unguaranteed SBA 7(a) Loan-Backed Notes, Series 2010-1 (the Notes), attached hereto as Exhibit 10.19.1. The Notes were issued pursuant to the Trust Indenture dated December 22, 2010 between Newtek Small Business Loan Trust 2010-A (the Trust) and U.S. Bank National Association, as Indenture Trustee, in the aggregate principal amount of \$16,000,000. The Notes are backed by approximately \$23,000,000 of the unguaranteed portions of loans originated and to be originated by NSBF under the Section 7(a) loan program of the United States Small Business Administration (SBA). The Notes were rated AA (sf) by Standard & Poor's, a nationally recognized statistical rating organization. The final maturity date of the Notes is March 22, 2037. The proceeds of the transaction will be used to repay debt and originate new loans.

Security

The Notes are secured by, among other things, a pledge in the collateral owned by the Trust, consisting of the unguaranteed portions of loans originated and to be originated by NSBF under the SBA Section 7(a) loan program. The assets of the Trust will not be available to satisfy the claims of NSBF general creditors. The aforementioned collateral will secure only the Notes and not any other obligations of NSBF or the Trust. The Trust was established pursuant to a Trust Agreement between NABS, Wilmington Trust Company, as Trustee, and U.S. Bank National Association, as Administrator, dated December 22, 2010 (the Trust Agreement).

Interest

The Notes will bear interest at a variable rate based upon the Wall Street Journal prime rate plus a spread of 0.70%. As of the closing, the yield of the Notes was set at 5.75%.

Covenants

The Trust and NABS are subject to numerous restrictive covenants under the Trust Agreement and related agreements, including restrictive covenants with respect to liens, indebtedness, mergers, disposition of assets, acquisition of assets, dividends, investments, agreements, the types of business it may conduct and other customary covenants for a bankruptcy-remote special purpose entity.

Events of Default

The Notes are subject to events of default that are customary in nature for asset-backed securitizations of this type, including non-payment of principal or interest, violation by NABS of covenants, material inaccuracy of representations or warranties and insolvency or certain bankruptcy events. The occurrence of an event of default could result in the acceleration of the Notes and in certain instances the liquidation of the collateral that secure the Notes.

Purchasers

Pursuant to a note purchase agreement, NABS sold the Notes to Guggenheim Securities, LLC. The Notes were then resold pursuant to a Private Placement Memorandum dated December 21, 2010 and the Trust Agreement and were initially acquired by one or more institutional investors.

The above description is a summary and is qualified in its entirety by the terms of the Notes, which are filed as Exhibit 10.19.1 to this Current Report on Form 8-K and are incorporated by reference herein.
