Equity Compensation Plan Information

The following table gives information about common stock that may be issued upon the exercise of options, warrants and rights under equity compensation plans as of December 31, 2009. Prior to the mergers, both TransCommunity Financial and BOE Financial maintained equity compensation plans as incentives for certain officers and directors. In the mergers, the Company adopted all awards that were outstanding under such plans, but terminated certain provisions of them so that no further awards will be made under them.

Edgar Filing: Community Bankers Trust Corp - Form 10-K/A

In 2009, the Company adopted the Community Bankers Trust Corporation 2009 Stock Incentive Plan. The Company did not make any awards under that plan during the year ended December 31, 2009.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in First Column)

Stock Incentive Plan and the BOE Financial Services of Virginia, Inc. Stock Option Plan for Outside Directors. Certain provisions of these plans were terminated so that no further awards will be made under them.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

All of the shares of common stock outstanding immediately prior to the Company's initial public offering, including 862,500 shares held by Gary A. Simanson, a director and the Company's former Chief Strategic Officer, and Community Bankers Acquisition LLC, of which Mr. Simanson is the sole manager, were originally held in escrow by Continental Stock Transfer & Trust Company as escrow agent. Because the Company completed a business combination on or before the deadlines contained in its initial certificate of incorporation, these shares were released from escrow on June 2, 2009. The holders of the majority of the 1,875,000 shares that the Company issued prior to its initial public offering are entitled to make up to two demands that the Company register these shares for resale pursuant to an agreement signed concurrently with the consummation of the Company's initial public offering. The holders of the majority of these shares are entitled to elect to exercise these registration rights at any time after the date on which these shares of common stock are released from escrow. In addition, these stockholders will have certain "piggy-back" registration rights on registration statements filed subsequent to the date on which these shares of common stock are released from escrow. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Some of the Company's directors and executive officers are at present, as in the past, its banking customers. As such, the Company, through its banking subsidiary, has had, and expects to have in the future, banking transactions with directors, officers, principal stockholders and their associates. All loans and commitments to lend to such parties have been made in the ordinary course of business and on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. These transactions do not involve more than the normal risk of collectibility or present other unfavorable features. The aggregate outstanding balance of loans to such parties at December 31, 2009 was \$7.2 million.

The Company has not adopted a formal policy that covers the review and approval of related person transactions by its Board of Directors that is separate from the Code of Conduct and Ethics that applies to directors, officers and all employees of the Company and its subsidiaries. The Board reviews all proposed related party transactions for approval. During such a review, the Board will consider, among other things, the related person's relationship to the Company, the facts and circumstances of the proposed transaction, the aggregate dollar amount of the transaction, the related person's relationship to the transaction and any other material information. Those directors that are involved in a proposed related party transaction are excused from the Board and/or committee meeting during the discussion and vote of the proposal.

Director Independence

The Company's Board of Directors has determined that 9 of its 11 members are independent as defined by the listing standards of NYSE Amex, including the following: Richard F. Bozard, L. McCauley Chenault, Alexander F. Dillard, Jr., P. Emerson Hughes, Jr., Philip T. Minor, Troy A. Peery, Jr., Eugene S. Putnam, Jr., John C. Watkins and Robin Traywick Williams. In reaching this conclusion, the Board of Directors considered that the Company and its subsidiaries conduct business with companies of which certain members of the Board of Directors or members of their immediate families are or were directors or officers.

In making this independence determination, the Board of Directors considered certain relationships between the Company and certain of its directors, such as the provision of legal services by law firms with which Messrs. Chenault and Dillard are affiliated, to determine whether such director was independent under NYSE Amex's listing standards. See the "Certain Relationships and Related Transactions" section above for additional information on certain transactions with members of the Company's Board of Directors.

George B. Elliott, who served as a director during all of 2009, was also determined to be independent during 2009.
