the Proposals

Provident's board of directors unanimously recommends that stockholders vote **FOR** each of the nominees for director listed in this Proxy Statement, **FOR** approval of the compensation paid to our named executive officers, **FOR** an annual advisory vote on executive compensation, and **FOR** the ratification of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2011.

Provident

Provident is a Delaware corporation and the bank holding company for The Provident Bank, an FDIC-insured New Jersey-chartered capital stock savings bank that operated 81 full-service branch offices in northern and central New Jersey at December 31, 2010. Provident had \$6.82 billion in total assets at December 31, 2010. Provident's principal executive offices are located at 239 Washington Street, Jersey City, New Jersey 07302. Provident's telephone number is (732) 590-9200.

#### **Who Can Vote**

The Provident board of directors has fixed March 8, 2011 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Provident common stock at the close of business on such date will be entitled to vote at the Annual Meeting. On March 8, 2011, 60,461,522 shares of Provident common stock, par value of \$0.01 per share, were outstanding and held by approximately 5,840 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting.

#### **How Many Votes You Have**

Each holder of shares of Provident common stock outstanding on March 8, 2011 will be entitled to one vote for each share held of record. However, Provident's certificate of incorporation provides that stockholders of record who beneficially own in excess of 10% of the then outstanding shares of Provident common stock are not entitled to vote any of the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate of, as well as by any person acting in concert with, such person or entity.

#### **Matters to Be Considered**

The purpose of the Annual Meeting is to elect four directors, vote on an advisory basis on executive compensation, vote on an advisory basis on the frequency of stockholder voting on executive compensation, and ratify the appointment of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2011. Provident may adjourn or postpone the Annual Meeting for the purpose of allowing additional time to solicit proxies.

#### **How to Vote**

You may vote your shares by completing and signing the enclosed Proxy Card and returning it in the enclosed postage-paid envelope or by attending the Annual Meeting. Alternatively, you may choose to vote your shares using the Internet or telephone voting options explained on your Proxy Card. You should complete and return the Proxy Card accompanying this document, or vote using the Internet or telephone voting options, to

ensure that your vote is counted at the Annual Meeting, regardless of whether you plan to attend. **If you return an executed Proxy Card without marking your instructions, your executed Proxy Card will be voted FOR the election of the four nominees for director, FOR approval of the executive compensation paid to our named executive officers, FOR an annual advisory vote on executive compensation, and FOR the ratification of the appointment of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2011.**

Stockholders of record can vote in person at the Annual Meeting. If a broker holds your shares in street name, then you are not the stockholder of record and you must ask your broker how you can vote in person at the Annual Meeting.

The board of directors is currently unaware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, Provident intends that shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies in the Proxy Card in their best judgment.

#### **Participants in Provident Benefit Plans**

If you are a participant in The Provident Bank Employee Stock Ownership Plan or The Provident Bank 401(k) Plan, or any other benefit plans sponsored by The Provident Bank through which you own shares of Provident common stock, you will have received with this Proxy Statement voting instruction forms that reflect all shares you may vote under the plans. Under the terms of these plans, the trustee or administrator votes all shares held by the plan, but each participant may direct the trustee or administrator how to vote the shares of Provident common stock allocated to his or her plan account. If you own shares through any of these plans and you do not vote, the respective plan trustees or administrators will vote your shares in accordance with the terms of the respective plans. The deadline for returning your voting instructions is April 22, 2011.

#### **Quorum and Vote Required**

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Provident common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. A proxy submitted by a broker that is not voted is sometimes referred to as a broker non-vote.

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees proposed is Withheld. The advisory vote on executive compensation and ratification of the appointment of the independent registered public accounting firm are each determined by a majority of the votes cast, without regard to broker non-votes or proxies marked Abstain. The advisory vote on the frequency of stockholder voting on executive compensation will be determined based on the choice receiving the most votes.

#### **Revocability of Proxies**

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. You may revoke your proxy by:

submitting written notice of revocation to the Corporate Secretary of Provident prior to the voting of such proxy;

submitting a properly executed proxy bearing a later date;

using the Internet or telephone voting options explained on the Proxy Card; or

voting in person at the Annual Meeting; however, simply attending the Annual Meeting without voting will not revoke an earlier proxy.

Written notices of revocation and other communications regarding the revocation of your proxy should be addressed to:

Provident Financial Services, Inc.

239 Washington Street

Jersey City, New Jersey 07302

Attention: John F. Kuntz, Esq.

Corporate Secretary

If your shares are held in street name, you should follow your broker's instructions regarding the revocation of proxies.

### **Solicitation of Proxies**

Provident will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, Provident will request that banks, brokers and other holders of record send proxies and proxy materials to the beneficial owners of Provident common stock and secure their voting instructions, if necessary. Provident will reimburse such holders of record for their reasonable expenses in taking those actions. Provident has also made arrangements with Phoenix Advisory Partners to assist Provident in soliciting proxies and has agreed to pay them a fee of \$7,500 plus reasonable expenses for their services. If necessary, Provident may also use several of its employees, who will not be specially compensated, to solicit proxies from stockholders, personally or by telephone, facsimile or letter.

### **Householding**

Unless Provident has received contrary instructions, Provident has sent a single copy of these proxy materials to any household at which one or more stockholders reside if Provident believes the stockholders are members of the same household. Each stockholder in the household will receive a separate Proxy Card. This process, known as householding, reduces the volume of duplicate information received at your household and helps reduce Provident's expenses. If you would like to receive your own set of proxy materials, please follow these instructions:

If your shares are registered in your own name, contact Provident's transfer agent and inform them of your request to revoke householding by calling them at 1-800-368-5948 or by writing them at Registrar and Transfer Company, 10 Commerce Drive, Cranford, New Jersey 07016, Attention: Investor Relations Department. Future proxy mailings will then be mailed to each individual stockholder.

If a bank, broker or other nominee holds your shares, contact your bank, broker or other nominee directly.

### **Recommendation of the Board of Directors**

Your board of directors unanimously recommends that you vote **FOR** each of the nominees for director listed in this Proxy Statement, **FOR** approval of the compensation paid to our named executive officers, **FOR** approval of an annual advisory vote on executive compensation, and **FOR** the ratification of KPMG LLP as Provident's independent registered public accounting firm for the year ending December 31, 2011.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Provident common stock is registered with the Securities and Exchange Commission pursuant to Section 12(b) of the Securities Exchange Act of 1934, as amended. The executive officers and directors of Provident and The Provident Bank, and beneficial owners of greater than 10% of Provident common stock, are required to file reports on Forms 3, 4 and 5 with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership of Provident common stock. The Securities and Exchange Commission rules require disclosure in the Proxy Statement or Annual Report on Form 10-K of the failure of an executive officer, director or greater than 10% beneficial owner of Provident common stock to file a Form 3, 4, or 5 on a timely basis. Based solely on a review of ownership reports and confirmations by executive officers and directors, Provident believes that during the year ended December 31, 2010, executive officers and directors timely filed all required stock ownership reports.

**PROPOSAL 1 ELECTION OF PROVIDENT DIRECTORS**

**General**

Provident's board of directors currently consists of 13 members and is divided into three classes, with one class of directors elected each year. Each of the members of the board of directors also serves as a director of The Provident Bank. Directors are elected to serve for a three-year term and until their respective successors shall have been elected and qualified.

A director is not eligible to be elected or appointed to the board of directors after reaching age 72. As of the Annual Meeting date, two current directors (Messrs. Jackson and McConnell) terms of office will expire. As these directors have reached retirement age, the number of members of the board of directors will be reduced to 11 following the Annual Meeting.

Four directors will be elected at the Annual Meeting to serve for a three-year term and until their respective successors shall have been elected and qualified. On the recommendation of the Governance/Nominating Committee, the board of directors nominated Laura L. Brooks, Terence Gallagher, Carlos Hernandez and Katharine Laud for election as directors at the Annual Meeting.

All of the nominees for election at the Annual Meeting currently serve as directors of Provident and The Provident Bank. The stockholders previously elected Ms. Brooks, Ms. Laud and Dr. Hernandez. Mr. Gallagher

was recommended for consideration by the non-management directors and was appointed to the boards of directors of Provident and The Provident Bank by the board of directors in September 2010. There are no arrangements or understandings between any nominee and any other person pursuant to which any such nominee was selected. **Unless authority to vote for the nominees is withheld, it is intended that the shares represented by the enclosed Proxy Card, if executed and returned, will be voted FOR the election of all nominees.**

Each of the nominees has consented to be named a nominee. In the event that any nominee is unable to serve as a director, the persons named in the Proxy Card as proxies will vote with respect to a substitute nominee designated by Provident's current board of directors. At this time, the board of directors knows of no reason why any of the nominees would be unable or would decline to serve, if elected.

**PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.**

**The Board of Directors**

Provident's board of directors is comprised of individuals with considerable and varied business experiences, backgrounds, skills and qualifications who collectively have a strong knowledge of Provident's business and markets and are committed to enhancing long-term value. The Governance/Nominating Committee is responsible for identifying and selecting director candidates that meet the evolving needs of the board of directors. Director candidates must have the highest personal and professional ethics and integrity. Additional criteria weighed by the Governance/Nominating Committee in the director identification and selection process include the relevance of a candidate's experience to the business of Provident, enhancement of the diversity of experience of the board, the candidate's independence from conflict or direct economic relationship with Provident, and the candidate's ability and willingness to devote the proper time to prepare for and attend meetings. The Governance/Nominating Committee will also take into account whether a candidate satisfies the criteria for independence under Provident's Independence Standards and the New York Stock Exchange rules, and if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether the candidate qualifies as an Audit Committee financial expert. While the Governance/Nominating Committee does not have a formal policy respecting diversity on the board of directors, consideration is given to nominating persons with different perspectives and experience to enhance the deliberation and strategic decision-making processes of the board of directors.

The following table sets forth certain information, as of March 8, 2011, regarding the nominees for election as directors and the incumbent directors whose terms will continue following the Annual Meeting, including the terms of office of each director.

#### **Corporate Governance Matters**

Provident is committed to maintaining sound corporate governance principles and the highest standards of ethical conduct and is in compliance with applicable corporate governance laws and regulations.

### ***Board of Directors Meetings and Committees***

The board of directors of Provident meets quarterly, or more often as may be necessary. The board of directors met nine times in 2010. The board of directors currently maintains four standing committees: the Compensation Committee, the Audit Committee, the Risk Committee and the Governance/Nominating Committee. The board of directors of The Provident Bank meets monthly at least 11 times a year, as required by New Jersey banking law.

All directors attended no fewer than 75% of the total number of meetings held by the Provident board of directors and all committees of the board on which they served (during the period they served) in 2010. When the Provident and The Provident Bank board of directors and committee meetings are aggregated, all directors attended no fewer than 75% of the aggregated total number of meetings in 2010. Provident has a policy requiring each director to attend the annual meeting of stockholders. All persons serving on the board of directors at the time of the annual meeting of stockholders held on April 22, 2010 attended the meeting, except for Mr. McConnell who was not able to secure a timely flight from Europe due to the disruptions caused by an active volcano in Iceland.

### ***Board Leadership Structure***

The board of directors believes that combining the Chairman and Chief Executive Officer positions, together with the appointment of an independent Lead Director, is the appropriate board leadership structure for Provident. The board of directors believes that the Chief Executive Officer is most knowledgeable about Provident's business and corporate strategy and is in the best position to lead the board of directors, especially in relation to its oversight of corporate strategy formation and execution. Management accountability and the board's independence from management are best served by maintaining a super majority of independent directors, electing an independent Lead Director and maintaining standing board committees that are comprised of independent members and leadership. The Lead Director plays an important role on the board of directors and has the following responsibilities:

Schedules executive sessions of the non-management directors without management present at least two times each year and advises the Chairman of the schedule for such executive sessions.

With input from the non-management directors, develops agendas for, and presides over the executive sessions. The Lead Director provides the Chairman with timely feedback from the executive sessions where appropriate and oversees the preparation and timely distribution of minutes of the executive sessions.

Acts as the principal liaison between the non-management directors and the Chairman on issues relating to the working relationship between the board and management, including providing input as to the quality, quantity and timeliness of information provided by management to the board in order to ensure that the conduct of board meetings allows adequate time for discussion of appropriate issues and that appropriate information is made available to the board on a timely basis.

Provides input to the Chairman regarding board meeting agendas and meeting materials based on requests from the non-management directors.

Attends board committee meetings as a non-member at the invitation of the respective committee chair.

### ***Risk Oversight/Risk Committee***

The entire board of directors is engaged in risk management oversight. In October 2010 the board established a separate standing Risk Committee to facilitate its risk oversight responsibilities. The current members of the Risk Committee are: Ms. Brooks (Chair) and Messrs. Connor and Shein. Each member of the

Risk Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Risk Committee oversees the overall risk management activities employed by management in pursuit of:

maintaining a culture of discipline that enforces and provides proper incentives to employees for a sound, effective, and coordinated enterprise risk management process designed to identify potential events that may affect Provident and to appropriately manage risks in order to provide reasonable assurance that Provident's stated objectives will be achieved; and

identifying potential emerging risks in a routine and systematic manner, assessing the implications of those risks to Provident, and managing those risks in a manner appropriate to the probability of their occurrence and potential consequence to Provident.

The Risk Committee receives regular reports from management and other standing board committees regarding relevant risks and the actions taken by management to adequately address those risks.

The Risk Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com). Following its establishment in October 2010, the Committee met three times during 2010.

### ***Corporate Governance Principles***

The board of directors has adopted Corporate Governance Principles, which are posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com). The Corporate Governance Principles cover the general operating policies and procedures followed by the board of directors including:

establishing the size and composition of the board of directors and the desired qualifications of directors;

setting a minimum stock ownership requirement for directors at 10,000 shares of Provident common stock to be achieved over five years;

providing for director orientation and continuing education and an annual performance assessment of the board of directors;

selecting board committee membership; and

reviewing annual compensation paid to the non-management directors.

The Corporate Governance Principles provide for the board of directors to meet in regularly scheduled executive sessions without management at least two times a year. Four executive sessions were conducted in 2010. Mr. Fekete, who served as Lead Director in 2010 following the retirement of John G. Collins in April 2010, presides over these executive sessions conducted by the non-management directors, all of whom are independent.

### ***Director Independence***

The New York Stock Exchange rules provide that a Provident director does not qualify as independent unless the board of directors affirmatively determines that the director has no direct or indirect material relationship with Provident. The New York Stock Exchange rules require the board of directors to consider all relevant facts and circumstances in determining the materiality of a director's relationship with Provident and permit the board of directors to adopt and disclose standards to assist the board in making independence determinations. Accordingly, the board of directors has adopted Independence Standards to assist the board in determining whether a director has a material relationship with Provident. These Independence Standards, which should be read with the New York Stock Exchange rules, are available on the Governance Documents section of the Investor Relations page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com).

In February 2011, the board of directors conducted an evaluation of director independence, based on the Independence Standards and the New York Stock Exchange rules. In connection with this review, the board of directors considered all relevant facts and circumstances relating to relationships that each director or his or her immediate family members and their related interests had with Provident.

After its evaluation, the board of directors affirmatively determined that each of Mr. Berry, Ms. Brooks, Mr. Connor, Mr. Fekete, Mr. Gallagher, Dr. Hernandez, Mr. Hogan, Mr. Jackson, Ms. Laud, Mr. McConnell, Mr. O'Donnell and Mr. Shein is an independent director. The board of directors determined that Mr. Martin is not independent because he has served as a Provident employee in the last three years. The board of directors specifically considered the following business relationship in reaching its independence determinations:

The Provident Bank leases space for a branch banking office from Fords Circle Associates LLC. Mr. Shein owns a 7.5% percent equity interest in Fords Circle Associates LLC. In 2010, The Provident Bank paid rent and related charges of approximately \$53,600 for this branch banking office.

***Governance/Nominating Committee***

The current members of the Governance/Nominating Committee are: Messrs. Connor (Chair), Jackson, McConnell and O'Donnell. Each member of the Governance/Nominating Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Governance/Nominating Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com). The Committee met four times during 2010.

The functions of the Governance/Nominating Committee include, among other things:

to evaluate and make recommendations to the board concerning the number of directors, committee assignments and committee membership rotation practices;

to establish the qualifications, relevant background, and selection criteria for board members;

to make recommendations to the board concerning board nominees;

to conduct evaluations of the effectiveness of the operation of the board;

to develop corporate governance principles applicable to Provident;

to recommend revisions to the code of business conduct and ethics;

to make recommendations to the board regarding director orientation and continuing education; and

to evaluate the Governance/Nominating Committee's performance on an annual basis.

The Governance/Nominating Committee identifies nominees for director by first assessing the performance of the current members of the board of directors willing to continue service. Current members of the board with skills and experience that are relevant to Provident's business and who are willing to continue service are first considered for re-nomination, balancing the value of continuity of service by existing members of the board with that of obtaining a new perspective. If any member of the board does not wish to continue service, or if the Governance/Nominating Committee or the board decides not to re-nominate a member for re-election, or if the size of the board is increased, the Governance/Nominating Committee will solicit suggestions for director candidates from all board members. In addition, the Governance/Nominating Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. Candidates must have the highest personal and professional ethics and integrity.

*Procedures for the Nomination of Directors by Stockholders*

If a determination is made that an additional candidate is needed for the board, the Governance/Nominating Committee will consider candidates properly submitted by Provident's stockholders. Stockholders can submit the

names of qualified candidates for director by writing to the Corporate Secretary at Provident Financial Services, Inc., 239 Washington Street, Jersey City, New Jersey 07302. The Corporate Secretary must receive a submission not less than 120 days prior to the date of Provident's proxy materials for the preceding year's annual meeting. If the date of the annual meeting is advanced by more than 30 days prior to, or delayed by more than 30 days after, the anniversary of the preceding year's annual meeting, a stockholder's submission must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made. A stockholder's submission must be in writing and include the following information:

the name and address of the stockholder as they appear on Provident's books, and the number of shares of Provident common stock that are beneficially owned by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

the name, address and contact information for the candidate, and the number of shares of Provident common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the candidate's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in Provident's proxy statement pursuant to Securities and Exchange Commission Regulation 14A;

a statement detailing any relationship between the candidate and Provident, The Provident Bank and any subsidiaries of The Provident Bank;

a statement detailing any relationship between the candidate and any customer, supplier or competitor of Provident and The Provident Bank;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

Stockholder submissions that are timely and that meet the criteria outlined above will be forwarded to the Chair of the Governance/Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation at an annual meeting of Provident's stockholders must comply with the procedural and informational requirements described later in this Proxy Statement under the heading *Advance Notice Of Business To Be Conducted at an Annual Meeting*.

#### ***Stockholder and Interested Party Communications with the Board***

A stockholder of Provident and any other interested party may communicate with the board of directors, the non-management directors, the Lead Director or with any individual director by writing to the Chair of the Governance/Nominating Committee, c/o Provident Financial Services, Inc., 239 Washington Street, Jersey City, New Jersey 07302. A communication from a stockholder should indicate that the author is a stockholder and, if shares of Provident common stock are not held of record, the letter should include appropriate evidence of stock ownership.

#### ***Code of Business Conduct and Ethics***

Provident has adopted a Code of Business Conduct and Ethics that is applicable to all directors, officers and employees of Provident and The Provident Bank, including the principal executive officer, principal financial officer, principal accounting officer, and all persons performing similar functions. The Code of Business Conduct and Ethics is posted on the *Governance Documents* section of the *Investor Relations* page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com). Amendments to and waivers from the Code of Business Conduct and Ethics will also be disclosed on The Provident Bank's website.

### ***Transactions With Certain Related Persons***

Federal laws and regulations generally require that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. However, regulations also permit executive officers and directors to receive the same terms through benefit or compensation plans that are widely available to other employees, as long as the executive officer or director is not given preferential treatment compared to participating employees. Pursuant to such a program, loans may be extended to executive officers on substantially the same terms as those prevailing at the time for comparable transactions with the general public, except as to the interest rate charged, so long as such rate is generally available to participating employees. These loans may not involve more than the normal risk of repayment or present other unfavorable features. As of December 31, 2010, The Provident Bank had aggregate loans and loan commitments totaling \$100,000 in the form of a home equity line of credit to one executive officer. The Provident Bank does not make loans to members of the board of directors or to their immediate family members and their related interests, as such terms are defined in The Provident Bank's Loan Policy.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to Provident. The provisions of the Sarbanes-Oxley Act of 2002 that prohibit loans do not apply to loans made by a depository institution, such as The Provident Bank, that is insured by the Federal Deposit Insurance Corporation and is subject to the insider lending restrictions of the Federal Reserve Act. Any loans to Provident's and The Provident Bank's officers are made in conformity with the Federal Reserve Act and Regulation O.

Provident's Code of Business Conduct and Ethics requires directors and executive officers to promptly disclose any interest they may have in any proposed transaction involving Provident and The Provident Bank, and any such director or executive officer shall abstain from any deliberation or voting on the transaction. Any such transaction would require approval of a majority of the directors who have no interest in the proposed transaction. In addition, directors and executive officers annually disclose any transactions, relationships or arrangements they or their related interests may have with Provident or The Provident Bank. Such disclosures, together with information obtained from each director's annual statement of interest form, are used to monitor related party transactions and make independence determinations.

The independent registered public accounting firm is responsible for performing an independent audit of Provident's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue an opinion on those financial statements, and for providing an attestation report on management's assessment of internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As part of its ongoing activities, the Audit Committee has:

reviewed and discussed with management, and the independent registered public accounting firm, the audited consolidated financial statements of Provident for the year ended December 31, 2010;

discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, as amended, and as adopted by the Public Company Accounting Oversight Board; and

Based on the review and discussions referred to above, the Audit Committee has recommended to Provident's board of directors that the audited consolidated financial statements for the fiscal year ended December 31, 2010 be included in Provident's Annual Report on Form 10-K for filing with the Securities and Exchange Commission. In addition, the Audit Committee approved the re-appointment of KPMG LLP as the independent registered public accounting firm for the year ending December 31, 2011, subject to the ratification of this appointment by the stockholders of Provident.

**Compensation Committee Matters**

*Compensation Committee*

The current members of the Compensation Committee are: Messrs. Berry (Chair), Fekete, Gallagher, O'Donnell and Shein. Each member of the Compensation Committee is considered independent as defined in the New York Stock Exchange corporate governance listing standards. The Compensation Committee is responsible for executive management development and succession planning, and for reviewing and evaluating compensation programs and policies and risks associated with such programs and policies, including setting performance measures and goals consistent with principles of safety and soundness, approving awards under existing compensation plans and administering long-term equity awards. On at least an annual basis, the Compensation Committee meets to review the performance of, and the compensation payable to the named executive officers, including the Chief Executive Officer. The basic elements of Provident's executive compensation program include base salary, an annual cash incentive primarily tied to corporate financial targets, a long-term equity award and certain other benefit arrangements, such as retirement benefits. The Compensation Committee's charter is posted on the Governance Documents section of the Investor Relations page of The Provident Bank's website at [www.providentnj.com](http://www.providentnj.com). The Compensation Committee met 11 times during 2010, including three conference call meetings for which no meeting fees were paid.

The Compensation Committee has retained the services of McLagan (after the merger of Amalfi Consulting with and into McLagan) as its independent compensation consultant to assist it in evaluating executive compensation programs and in making determinations regarding executive and director compensation. The independent compensation consultant reports directly to the Compensation Committee and periodically meets with the Committee in executive session, without the presence of management. McLagan does not perform any other services for Provident, The Provident Bank or their affiliates, or for the management of Provident or The Provident Bank. In 2010, McLagan conducted a market review of executive compensation at the direction of the Compensation Committee to validate the peer group and to provide updated total compensation market data for the named executive officers. McLagan was also retained to conduct an independent third-party risk assessment of Provident's incentive compensation plans in the context of the final guidance released by the bank regulatory agencies on Sound Incentive Compensation Policies.

The Compensation Committee determines the compensation payable to the Chief Executive Officer based on corporate financial performance against established goals and the Chief Executive Officer's individual performance. The Compensation Committee establishes corporate financial performance goals and individual goals for the Chief Executive Officer at the beginning of each year, and members of the Compensation Committee meet with the Chief Executive Officer during the year to review progress against the goals. The Compensation Committee also sets performance goals for, and determines the compensation payable to, the named executive officers. The Chief Executive Officer provides the Compensation Committee with performance assessments and compensation recommendations for each of the named executive officers and other members of

executive management. The Compensation Committee considers those recommendations in arriving at its compensation determinations. The independent compensation consultant and other data sources are available to the Compensation Committee for assistance in these determinations.

In addition to evaluating Provident's overall financial performance in its review of the named executive officers, the Compensation Committee reviews how each executive officer performs his or her business responsibilities and their performance with respect to several key management competencies and behaviors. The named executive officers are held accountable for the performance of the business lines they manage. The key management competencies and behaviors are reviewed in the context of the named executive officer's effectiveness as a leader and his or her role in building a cohesive executive team. These competencies and behaviors include, but are not limited to, integrity, management skills, cooperation, teamwork, communication skills, leadership and vision. These performance characteristics, along with business accountabilities, form the basis of a performance review discussion with the named executive officer that reinforces the executive's role in achieving Provident's business plan and short- and long-term strategies.

The Compensation Committee assesses risks posed by the compensation plans maintained for the benefit of, and incentive compensation paid to, officers and employees. In 2010, a comprehensive risk assessment was performed by Provident's internal audit function and by the independent compensation consultant. Each assessment was presented to, and reviewed by, the Compensation Committee, which concluded that Provident's incentive compensation plans do not pose significant risks or promote excessive risk taking that are reasonably likely to have a material adverse effect on Provident.

Director compensation is established by the board of directors upon the recommendation of the Compensation Committee and is discussed in this Proxy Statement under the heading Director Compensation.

#### ***Compensation Committee Interlocks and Insider Participation***

Messrs. Berry, Fekete, Gallagher, O'Donnell and Shein served as members of the Compensation Committee in 2010. None of these directors has ever been an officer or employee of Provident. In addition, none of these directors is an executive officer of another entity where one of Provident's executive officers serves on the compensation committee or the board of directors, or which had any transactions or relationships with Provident in 2010 requiring specific disclosures under Securities and Exchange Commission rules.

#### **Compensation Discussion and Analysis**

##### ***Summary***

Provident's executive compensation program is designed to tie pay and performance in a manner consistent with safe and sound business practices and sustainable financial performance aligned with stockholder interests. The key features of the program, which are discussed in more detail below, are:

Active oversight by the Compensation Committee made up solely of independent directors;

Assistance regularly provided to the Compensation Committee by an independent compensation consultant selected by the Compensation Committee;

The major components of Provident's program are salary, annual cash incentives and long-term equity;

Provident's executive compensation program is focused on pay for performance in order to align compensation with business strategies and the enhancement of stockholder value;

Annual and long-term compensation opportunities are tied to key corporate performance metrics and performance against peer group metrics;

Executives are subject to share ownership guidelines; and

Perquisites are limited.

*Executive Compensation Philosophy*

The Compensation Committee believes that Provident's executive compensation program is consistent with promoting sound risk management and long-term value creation for Provident's stockholders. Provident's executive compensation program is intended to align the interests of its executive officers and employees with stockholders by rewarding performance against established corporate financial goals, and by rewarding strong executive leadership and superior individual performance. By offering competitive annual cash incentives, long-term equity compensation and competitive benefits, Provident's goal is to attract, motivate and retain a highly qualified and talented team of executives who will help maximize Provident's long-term financial performance and earnings growth.

The compensation paid to each named executive officer is based on the executive's level of job responsibility, corporate financial performance measured against annual goals, an assessment of the executive's individual performance and the competitive market. For the named executive officers and other members of executive management, annual incentive compensation is linked more directly to corporate financial performance, because these executives are in leadership roles that influence corporate financial results.

The Compensation Committee regularly reviews the components of the executive compensation program with advice from its independent compensation consultant. In 2010, McLagan was engaged to review Provident's executive compensation program, which included a review and recommendation of an appropriate peer group to assess competitive compensation practices, as well as for comparing performance against certain financial targets. Financial targets for 2010 were established based upon a peer group of 18 banking institutions. During 2010, one financial institution in the peer group was removed because its asset size had increased to approximately \$20 billion and three financial institutions were removed since their assets had a concentration of approximately 80% in commercial loans. The resultant peer group of 18 financial institutions used by the Compensation Committee in 2010 included publicly traded thrift and banking institutions with assets of \$3 to \$15 billion, having an asset mix similar to Provident as follows:

The Compensation Committee may modify the peer group from time to time based on mergers and acquisitions within the industry or other relevant factors. While Provident's executive compensation program targets base salary and annual cash incentive compensation at market levels, actual compensation paid to a named executive officer may vary based on other factors, such as the individual's performance, experience and tenure, and competitive market conditions.

**Elements of 2010 Executive Compensation**

Provident pays its named executive officers in accordance with a pay for performance philosophy by providing competitive compensation for demonstrated performance. The Compensation Committee evaluates Provident's corporate financial performance and its performance against peers. The Committee also takes into consideration the performance of the individual executive, the competitive market, business challenges and opportunities and the performance assessment presented by management. The Compensation Committee employs a total compensation approach in establishing executive compensation opportunities, consisting of base salary, annual cash incentive compensation, long-term equity awards (which may include performance-vesting stock options, performance-vesting stock awards, time-vesting stock awards and discretionary stock grants to recognize exceptional individual or corporate performance or to maintain a competitive total compensation package where warranted), a competitive benefits package and limited perquisites.

**Base Salary**

A competitive base salary is necessary to attract and retain talented executives. The Compensation Committee evaluates each named executive officer's base salary level on an annual basis. In general, competitive base salary information, or market data, is furnished to the Compensation Committee by the independent compensation consultant. Each named executive officer's base salary level is compared to the competitive market data. The Committee reviews the individual named executive officer's performance, leadership, operational effectiveness and experience in the industry, as well as market conditions.

In establishing base salaries for 2011, the Compensation Committee considered Provident's financial performance, as well as peer group and market-based industry salary data. In consideration of the performance achieved in difficult economic conditions prevailing in 2010 and to maintain a competitive base salary for each of the named executive officers, the Compensation Committee determined that base salary increases were appropriate for each of the named executives to remain competitive with the external market.

**Annual Cash Incentive Payment/The 2010 Annual Incentive Plan**

Annual cash incentive opportunities are provided to Provident's named executive officers in order to align the attainment of annual corporate financial performance objectives with executive compensation. At the beginning of each year, the Compensation Committee assigns corporate financial targets and a range of annual cash incentive award opportunities to each named executive officer. The award opportunities are linked to a specific target and range of performance results for multiple corporate financial performance measures. Although the annual incentive cash award is generally calculated based upon pre-determined metrics and measurable achievement, the Compensation Committee has discretion to modify the metrics and cash incentive awards.

The Compensation Committee recommended, and the board of directors approved, the 2010 Annual Incentive Plan. The 2010 Annual Incentive Plan provided the opportunity for a cash incentive payment based upon the achievement of corporate and individual goals. The Compensation Committee established the annual incentive component of total compensation as a percentage of base salary, for the Chief Executive Officer and other named executive officers, based upon competitive total compensation data previously provided by the independent compensation consultant as follows:

| Participant                    | Annual Cash Incentive as a % of Base Salary |        |         |
|--------------------------------|---|--------|---------|
|                                | Threshold                                   | Target | Maximum |
| Chief Executive Officer        | 25%   | 50%    | 100%    |
| Other Named Executive Officers | 15%   | 30%    | 60%     |

The cash incentive payments under the 2010 Annual Incentive Plan for Provident's named executive officers were based on 2010 financial performance compared with 2010 targets (collectively, the Corporate Targets) relating to:

net income (weighted 20%);

efficiency ratio (weighted 10%);

core deposits as a percent of total deposits (weighted 10%);

loan growth, net of provisions (weighted 10%);

non-performing assets to average assets versus peer median (weighted 10%);

return on average assets (weighted 10%);

earnings per share growth versus peer median (weighted 10%);

net interest margin (weighted 5%);

services per household (weighted 5%);

Tier 1 risk-based capital (weighted 5%); and

compliance evaluation (weighted 5%).

The cash incentive payments under the 2010 Annual Incentive Plan for employees other than the named executive officers and members of executive management were primarily based on individual performance against goals and 2010 financial performance compared with 2010 targets relating to:

earnings per share (weighted 50%);

efficiency ratio (weighted 25%); and

return on average assets (weighted 25%).

The Compensation Committee established the following Corporate Targets and relative weightings for the 2010 Annual Incentive Plan for the named executive officers:

| Metric   | Weight | Threshold<br>95% | Target<br>100% | Maximum<br>115% |
|--|--------|------------------|----------------|-----------------|

## Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

| Compliance Evaluation  | 5% | Baseline | Meets | Exceeds |
|--|----|----------|-------|---------|
| Under the plan, cash incentive payments based on Provident's actual 2010 financial performance would be made if 2010 financial performance met or exceeded 95% of any one of the Corporate Targets ( Threshold ). Cash incentive payments would be a minimum of 1.25% of base salary for the Chief Executive Officer and .75% of base salary for the other named executive officers upon the achievement of at least one metric (weighted at 5%) at the Threshold level, increasing to 100% of base salary for the Chief Executive Officer and 60% of base salary for the other named executive officers upon achievement of all metrics at the Maximum level. |    |          |       |         |

For 2010, Provident achieved all Corporate Targets. The efficiency ratio, core deposit, and Tier 1 risk- based capital metrics were achieved at Maximum. The net income, non-performing assets, return on average assets, earnings per share growth and net interest margin metrics were achieved Above Target. The Compliance metric was achieved at Target and the services per household and loan growth metrics were achieved Above

Threshold. In aggregate, the overall achievement of Corporate Targets was Above Target. Based upon the foregoing, the Committee authorized payouts under the 2010 Annual Incentive Plan to the named executive officers as follows:

| Name                | Cash Incentive<br>\$ |
|---------------------|----------------------|
| Christopher Martin  | 383,850              |

***Long-Term Equity Incentives***

In 2008, Provident's stockholders approved the Provident Financial Services, Inc. 2008 Long-Term Equity Incentive Plan (the "Long-Term Equity Plan"), which provides the opportunity to grant various forms of equity incentives on a time-vesting and performance-vesting basis. The Compensation Committee believes that stock ownership provides a significant incentive in building long-term stockholder value by further aligning the interests of officers and employees with stockholders. The importance of this component of compensation increases as Provident's common stock appreciates in value and serves as a retention tool for executives. The inclusion of performance-vesting awards also encourages a long-term strategic focus. It is the current policy of the Compensation Committee to make equity grants when the window for trading by officers and directors in Provident common stock is open under Provident's stock trading policy. Historically equity awards have been granted in January or February of each year. Throughout the year, equity awards may be granted to new hires and promoted employees, or to existing employees to recognize superior performance with a grant date effective as of the date of the next regularly scheduled Compensation Committee meeting that falls when the window for trading is open under Provident's stock trading policy.

The Compensation Committee established the equity component of total compensation as a percentage of base salary, for the Chief Executive Officer and other named executive officers, based upon competitive total compensation data previously provided by the independent compensation consultant. The Compensation Committee also exercises discretion in making equity grants and may grant equity to the Chief Executive Officer and other named executive officers based on exceptional individual or corporate performance and to maintain a competitive total compensation where warranted. The Compensation Committee generally follows the guidelines below with respect to annual equity grants:

| Participant                    | Equity Amount as a % of Base Salary |        |         |         |
|--------------------------------|-------------------------------------|--------|---------|---------|
|                                | Threshold                           | Target | Target+ | Maximum |
| Chief Executive Officer        | 12.5%                               | 50.0%  | 75.0%   | 100.0%  |
| Other Named Executive Officers | 10.0%                               | 40.0%  | 60.0%   | 80.0%   |

The Compensation Committee determined that for equity grants made in 2010 under the Long-Term Equity Plan to all named executive officers other than the Chief Executive Officer, 75% of equity grants would be subject to performance-vesting, and 25% would be time-vesting over three years; and for the Chief Executive Officer, 100% of equity grants would be subject to performance-vesting. Such performance-vesting would be measured at the end of a three-year period based upon metrics approved by the Compensation Committee at the time of the equity grant. Currently the performance metrics include projections of average annual growth in earnings per share over a three-year period and a comparison of total stockholder return to the peer group over a three-year period. These performance metrics are designed to encourage conduct that drives long-term strategic decisions suited to maximizing stockholder value.

In February 2010, the Compensation Committee granted the named executive officers three-year performance-vesting non-qualified stock options and restricted stock with vesting tied to corporate financial performance against the established metrics for the period 2010 to 2012. Performance-vesting equity can be realized at Threshold, Target, Target-Plus or Maximum at levels shown in the preceding table depending on the level of actual corporate financial performance against the established metrics at the end of the three-year vesting period. If actual corporate financial performance does not meet or exceed Threshold, performance-vesting awards do not vest and are forfeited. In addition, each named executive officer, other than the Chief Executive Officer, was granted three-year time-vesting restricted stock as a retention incentive. Mr. Lyons was granted an additional 2,100 time-vesting restricted stock awards in 2010 in recognition of his performance and to maintain a competitive total compensation package for Mr. Lyons in his then new role as Chief Financial Officer. The 2010 long-term equity grants were made based on the following matrix:

| Participant                    | Three-Year Performance-Vesting |                  | Three-Year Time-Vesting |
|--------------------------------|--------------------------------|------------------|-------------------------|
|                                | Non-Qualified Stock Options    | Restricted Stock | Restricted Stock        |
| Chief Executive Officer        | 50%                            | 50%              | 0%                      |
| Other Named Executive Officers | 25%                            | 50%              | 25%                     |

Provident offers the named executive officers benefits generally available to all employees, including medical and dental, disability insurance, group life insurance coverage, an Employee Stock Ownership Plan ( ESOP ) and a 401(k) Plan with discretionary employer matching contributions. Certain of the named executive officers have accrued benefits under a noncontributory defined benefit pension plan that was frozen as of April 1, 2003 following the adoption of the ESOP. In addition to pension benefits, medical and life insurance benefits are made available to certain employees when they retire. These post-retirement benefits have been eliminated. However, certain employees with ten or more years of service at the time the benefits were eliminated, including Mr. Martin, still qualify for these post-retirement benefits upon retirement.

Effective January 1, 2004, Provident established The Provident Bank Nonqualified Supplemental Employee Stock Ownership Plan, which was amended and restated as the Non-Qualified Supplemental Defined Contribution Plan (the Supplemental DC Plan ) effective January 1, 2010. The Supplemental DC Plan provides additional benefits to participants whose benefits under the 401(k) Plan and ESOP are limited by tax law limitations applicable to tax-qualified plans. The Supplemental DC Plan requires a contribution by Provident for each participant who also participates in the 401(k) Plan and ESOP equal to the amount which would have been contributed under the terms of the 401(k) Plan and ESOP, but for the tax law limitations, less the amount actually contributed under the 401(k) Plan and ESOP. This benefit is payable in a lump sum upon the death of a participant, a participant's separation from service or disability, or a change in control (as those terms are defined in the Supplemental DC Plan) of Provident or The Provident Bank. All of the named executive officers are eligible for participation in the Supplemental DC Plan, and Messrs. Martin, Blum and Kuntz are currently accruing benefits under the Supplemental DC Plan.

**Perquisites**

The Compensation Committee believes that perquisites should be provided on a limited basis, and only to the most senior level of executive officers. The following perquisites are currently provided: a club membership for Mr. Martin and the use of a company-owned automobile for Messrs. Martin, Blum and Raimonde. Messrs. Lyons and Kuntz are paid a monthly car allowance. All of the named executive officers are eligible for an annual medical examination at Provident's expense.

*Elements of Post-Termination Benefits*

*Employment Agreement*

Provident entered into an employment agreement with Mr. Martin dated September 23, 2009. The initial term of the employment agreement was 36 months. Commencing on August 31, 2012, and continuing each August 31 thereafter, the agreement renews for an additional year such that the remaining term will be twelve full calendar months. The employment agreement provides that if employment were terminated for reasons other than for cause, or as a result of the executive's death, retirement or disability, the executive would be entitled to:

earned but unpaid base salary through the termination date;

an annual bonus to which the executive may be entitled under any cash-based annual bonus or performance compensation plan then in effect;

benefits due to the executive as a former employee other than pursuant to the agreement;

severance pay or liquidated damages equal to the executive's base salary and bonuses due for the longer of the remaining term of the agreement or twelve months following termination, with bonuses due to be the greater of (i) one-twelfth of the average annual cash bonus paid to the executive with respect to the three completed fiscal years prior to the termination, or (ii) the cash bonus paid to the executive for the last fiscal year prior to the date of termination multiplied by the number of full calendar months in the longer of the remaining term of the agreement or twelve months following termination; and

the continuation of life, medical, dental and disability insurance coverage for the longer of the remaining term of the agreement or twelve months following termination.

The executive may resign from employment for good reason and receive these termination benefits in the event of certain adverse changes in the executive's employment conditions. Under the employment agreement, the termination benefits are subject to the executive's compliance with non-solicitation and non-compete provisions for a period of one year following the executive's termination, or for six months following a termination occurring after September 1, 2011. The employment agreement does not provide for benefits for a termination following a change in control. Those benefits are provided for in a separate change in control agreement between Provident and Mr. Martin described below.

*Change in Control Agreements*

Change in control agreements are reserved for a limited number of executives (currently 11 persons). Benefits are payable under the change in control agreements after a termination of the executive following a change in control of Provident. Provident has entered into a three-year change in control agreement with Mr. Martin and two-year change in control agreements with Messrs. Blum, Kuntz, Lyons and Raimonde.

Following a change in control, the executive is entitled to a severance payment if:

the executive's employment is terminated during the term of such agreement, other than for cause, disability, or retirement; or

the executive terminates employment during the term of the agreement for good reason.

Good reason is generally defined to include:

## Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form DEF 14A

the assignment of duties materially inconsistent with the executive's positions, duties or responsibilities as in effect prior to the change in control;

a reduction in his or her base salary or fringe benefits;

a relocation of his or her principal place of employment by more than 25 miles from its location immediately prior to the change in control; or

a failure by Provident to obtain an assumption of the agreement by its successor.

For Mr. Martin, the change in control severance payment is equal to three times the highest level of aggregate annualized base salary and other cash compensation paid to him during the calendar year termination occurs, or during either of the immediately preceding two calendar years, whichever is greater. For the other executive officers, the change in control severance payment is equal to two times the highest level of aggregate annualized base salary and other cash compensation paid to the executive during the calendar year termination occurs, or during either of the immediately preceding two calendar years, whichever is greater. In addition, the executive is generally entitled to receive life, health, dental and disability coverage for the remaining term of the agreement. Payments under the change in control agreements for executive officers, other than Mr. Martin, are reduced to the extent necessary to prevent an excess parachute payment under Section 280G of the Internal Revenue Code.

**Other Matters**

**Executive Stock Ownership Requirements**

The Compensation Committee recommended, and the board of directors adopted, the following minimum equity ownership requirements for senior executives to further align their interests with stockholders:

|         |                                |                |
|---------|--------------------------------|----------------|
| Tier I  | Chief Executive Officer        | 100,000 shares |
| Tier II | Other Named Executive Officers | 10,000 shares  |

Each of the named executive officers currently meets or exceeds these requirements. New executives are given five years from their date of hire or promotion to achieve the minimum equity ownership levels, and vested and unvested restricted stock awards and shares of Provident common stock held in the ESOP and 401(k) Plan count toward the requirements.

**Tax Deductibility of Executive Compensation**

Under Section 162(m) of the Internal Revenue Code, companies are subject to limits on the deductibility of executive compensation. Deductible compensation is limited to \$1 million per year for each executive officer listed in the summary compensation table. Compensation that is performance-based under the Internal Revenue Code’s definition is exempt from this limit. Stock option grants and other equity grants subject to performance vesting are intended to qualify as performance-based compensation.

The Compensation Committee does not have a formal policy with respect to the payment of compensation in excess of the deduction limit. The Compensation Committee’s practice is to structure compensation programs offered to the named executive officers with a view towards maximizing the tax deductibility of amounts paid. However, in structuring compensation programs and making compensation decisions, the Committee considers a variety of factors, including Provident’s tax position, the materiality of the payments and tax deductions involved and the need for flexibility to address unforeseen circumstances. After considering these factors, the Committee may decide to authorize payments, all or part of which would be nondeductible for federal tax purposes. In 2010, no compensation payments exceeded the deduction limit.

- (1) The amounts shown assume achievement of 100% of individual goals and objectives. The range of estimated possible payouts reflects the full potential of the annual incentive payment if only one performance metric is achieved at Threshold level and if all performance metrics are achieved at Maximum level.
- (2) Represents the number of restricted stock awards that may vest if performance metrics are achieved over the three-year period 2010-2012 at Target level.
- (3) Represents the number of stock options that may vest if performance metrics are achieved over the three-year period 2010-2012 at Target level.
- (4) Represents the number of three-year time-vesting restricted stock awards made. Mr. Lyons was granted an additional 2,100 time-vesting stock awards.
- (5) The fair value of stock awards is based on the closing price on the date of grant of \$10.34. A Black-Scholes value of \$2.91 was used to determine the fair value of stock options.

(2) Stock options generally expire 10 years after the grant date.

(3) The amounts shown are based on the fair market value of Provident common stock on December 31, 2010 of \$15.13.

(4) Amounts shown represent the number of stock awards that may vest if performance metrics are achieved over the three-year periods 2009-2011 and 2010-2012 at Target level.

**Option Exercises And Stock Vested**

**Pension Benefits**

The Provident Bank maintains a noncontributory defined benefit pension plan covering full-time employees who had attained age 21 with at least one year of service as of April 1, 2003. The pension plan was frozen as of that date, and thereafter employees were not entitled to accrue additional benefits.

Pension plan participants generally become entitled to retirement benefits upon the later of attainment of age 65 or the fifth anniversary of participation in the plan, which is referred to as the normal retirement date. The normal retirement benefit is equal to 1.35% of the participant's average final compensation up to the average social security level plus 2% of the participant's average final compensation in excess of the average social security level multiplied by the participant's years of credited service to a maximum of 30 years.

Participants who have completed at least five years of vested service generally become 100% vested in their accrued retirement benefits. Vested retirement benefits generally will be paid beginning on the participant's normal retirement date. Participants with accrued benefits in the pension plan prior to April 1, 2003 continued to vest in their pre-April 1, 2003 accrued benefit.

A participant may elect to retire prior to age 65 and receive early retirement benefits if retirement occurs after completion of at least five consecutive years of vested service and attainment of age 55. If an early retirement election is made by a participant, retirement benefits will begin on the first day of any month during the ten-year period preceding the participant's normal retirement date, as directed by the retiring participant. If a participant elects to retire prior to attaining age 65 and after completing five years of credited service, his or her accrued pension benefit will be reduced 3% per year for the first five years prior to age 65 and 5% per year thereafter to age 55. However, if a participant elects to retire early after both attaining age 60 and completing 25 years of credited service, his or her accrued pension benefit will be unreduced. Any participant who terminated employment prior to January 1, 2002, will receive an early pension benefit equal to the actuarial equivalent of the annual amount of the normal pension that would otherwise have been payable to the participant had he or she not elected to receive an early pension. If the termination of service occurs after the normal retirement date, the participant's benefits will begin on the participant's postponed retirement date.

The table below shows the present value of accumulated benefits payable to each of the named executive officers, including the number of years of service credited to each named executive officer, under each of the pension plans determined using interest rate and mortality rate assumptions consistent with those used in Provident's financial statements.

It is also assumed that the benefit would be deferred to the first age each participant could collect unreduced benefits.

**Nonqualified Deferred Compensation**

The following table sets forth information with respect to nonqualified defined contribution and other nonqualified deferred compensation plans at and for the year ended December 31, 2010 for the named executive officers.

**Potential Payments Upon Termination or Change in Control**

Provident has entered into an employment agreement and a three-year change in control agreement with Mr. Martin and two-year change in control agreements with Messrs. Blum, Kuntz, Lyons and Raimonde. The following tables reflect the amount of compensation and benefits payable to each of the named executive officers of Provident at December 31, 2010 pursuant to such individual's employment agreement or change in control agreement, as applicable, in the event of termination of such executive's employment. No payments are required due to a voluntary termination under the employment agreement and the change in control agreements. The

amount of compensation and benefits payable to each named executive officer upon an involuntary or good reason not-for-cause termination, termination following a change of control and in the event of disability (with respect to the employment agreement) is shown in the following tables. The amounts shown assume that such termination was effective as of December 31, 2010, and thus include amounts earned through such time and are estimates of the amounts which would be paid out to the executive upon his termination. The amounts shown relating to unvested options and stock awards are based on the fair market value per share of Provident common stock on December 31, 2010, or \$15.13 per share. Using that fair market value, only certain unvested stock options had value at December 31, 2010. The actual amounts that may be paid out to each executive can only be determined at the time of such executive's separation from Provident. The amounts shown on the following tables do not take into account any reductions that may be required in order to comply with Internal Revenue Code Section 280G cutback provisions in each of the named executive officers' agreements. There is no such cutback provision in Mr. Martin's agreement.

## **Director Compensation**

### ***Elements of Director Compensation***

#### ***Director Fees***

Non-management directors are paid meeting fees for attending board and committee meetings as follows:

\$1,250 for each board meeting attended;

\$1,000 for each Compensation Committee, Governance/Nominating Committee and Risk Committee meeting attended; and

\$1,000 for each Directors' Wealth Management and Trust Committee meeting of the board of directors of The Provident Bank attended.

The Chair of the Audit Committee is paid an annual retainer of \$27,500 and the members of the Audit Committee are paid an annual retainer of \$15,000 in lieu of being paid meeting fees.

The Chairs of the other board committees are paid meeting fees as follows:

\$2,000 meeting fee for the Chairs of the Compensation, Governance/Nominating and Risk Committees and the Chair of The Provident Bank's Directors' Wealth Management and Trust Committee for each committee meeting they attend in such capacity.

In addition to the meeting fees paid for attendance, an annual retainer of \$30,000 is paid to each non-management director on The Provident Bank board. In 2010, an annual grant of 6,000 shares of time-vesting restricted stock was made to each non-management director as a component of the annual director compensation. The Lead Director is paid an additional annual retainer of \$10,000.

The board of directors establishes non-management director compensation based on recommendations of the Compensation Committee. Periodically, the Compensation Committee will engage the services of a third party and will consult external surveys to assist it in a review of director compensation. The Compensation Committee has not recommended any changes to the compensation for non-management directors in 2011.

#### ***Director Benefits***

The Provident Bank makes available to each non-management director an annual medical examination under an arrangement with a designated service provider. A non-management director may also enroll in the health, dental and vision plans generally made available to The Provident Bank's employees, so long as the non-management director bears the entire cost of the coverage.

#### ***Retirement Plan for the Board of Directors of The Provident Bank***

The Retirement Plan for the Board of Directors of The Provident Bank was terminated in 2005 to eliminate the accrual of benefits for directors with less than ten years of service as of December 31, 2006. For directors having ten or more years of service as of December 31, 2006 (currently five directors), the plan provides cash payments for up to ten years based on age and length of service requirements. The maximum payment under this plan to a board member who terminates service on or after the age of 72 with at least ten years of service on the board is 40 quarterly payments of \$1,250. The Provident Bank may suspend payments under this plan if it does not meet Federal Deposit Insurance Corporation or New Jersey Department of Banking and Insurance minimum capital requirements. The Provident Bank may terminate this plan at any time although such termination may not reduce or eliminate any benefit previously accrued to a board member without his or her consent. The plan further provides that, in the event of a change in control (as defined in the plan), the undistributed balance of a director's accrued benefit will be distributed to him or her within 60 days of a change in control.

**Voluntary Fee Deferral Plans**

Non-management directors may elect to defer the receipt of all or a portion of the cash compensation paid to them for service on the board of directors. Elections to defer fees and the scheduled distribution of amounts deferred and earnings on those amounts shall comply with the requirements of Section 409A of the Internal Revenue Code. Deferred fees are credited to a memorandum account established for the benefit of each participant, and credited amounts currently earn interest at the prevailing prime rate.

In connection with the acquisition of First Sentinel Bancorp, Inc., Provident assumed the First Savings Bank Directors' Deferred Fee Plan, which was frozen prior to the completion of the acquisition. This plan will be paid out in accordance with the provisions of its governing documents.

The following table sets forth for the year ended December 31, 2010 certain information as to total remuneration paid to directors who served on the board of directors in 2010 other than Mr. Martin, who is not paid director fees. Compensation paid to Mr. Martin is included in Executive Compensation-Summary Compensation Table.

**PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Compensation Discussion and Analysis appearing earlier in this Proxy Statement describes Provident's executive compensation program and the compensation decisions made by the Compensation Committee with respect to the Chief Executive Officer and other officers named in the Summary Compensation Table (who are referred to as the named executive officers). Pursuant to recently adopted Section 14A of the Securities Exchange Act of 1934, the board of directors is requesting stockholders to cast a non-binding advisory vote on the following resolution:

RESOLVED, that the stockholders of Provident Financial Services, Inc. ( Provident ) approve the compensation paid to Provident's named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and narrative accompanying the tables.

Provident's executive compensation program is based on a pay for performance philosophy that is designed to support Provident's business strategy and align the interests of its executives with its stockholders. The board of directors believes that the link between compensation and the achievement of its long- and short-term business goals has helped Provident's financial performance over time, while not encouraging excessive risk-taking by management.

For these reasons, the board of directors is requesting stockholders to support this proposal. While this advisory vote is non-binding, the Compensation Committee and the board of directors value the views of the stockholders and will consider the outcome of this vote in future executive compensation decisions.

**PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE COMPENSATION PAID TO PROVIDENT'S NAMED EXECUTIVE OFFICERS.**

**PROPOSAL 3 ADVISORY VOTE ON THE FREQUENCY OF EXECUTIVE COMPENSATION ADVISORY VOTES**

In Proposal 2, stockholders are being asked to cast a non-binding advisory vote with respect to the compensation paid to Provident's named executive officers. This advisory vote is referred to as a say-on-pay vote. Pursuant to recently adopted Section 14A of the Securities Exchange Act of 1934, in this Proposal 3, the board of directors is requesting stockholders to cast a non-binding advisory vote on how frequently say-on-pay votes should be held in the future. Stockholders will be able to cast their votes on whether to hold say-on-pay votes every one, two or three years. Alternatively, you may abstain from casting a vote. Provident will ask you to vote on an advisory basis on the frequency of the say-on-pay vote at least once every six years.

This advisory vote is not binding on the board of directors; however, the board believes that an annual say-on-pay vote is appropriate.

**PROPOSAL 4 RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Provident's independent registered public accounting firm for the year ended December 31, 2010 was KPMG LLP. The Audit Committee has re-appointed KPMG LLP to continue as the independent registered public accounting firm for Provident for the year ending December 31, 2011, subject to the ratification by Provident's stockholders at the Annual Meeting. Representatives of KPMG LLP are expected to attend the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP is not required by Provident's Bylaws or otherwise. However, the board of directors is submitting the appointment of the independent registered public accounting firm to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment of KPMG LLP, the Audit Committee will reconsider whether it should select another independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change is in the best interests of Provident and its stockholders.

**Audit Fees.** The aggregate fees billed to Provident for professional services rendered by KPMG LLP for the audit of Provident's annual financial statements, review of the financial statements included in Provident's Quarterly Reports on Form 10-Q and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings and engagements were \$799,500 and \$773,500 during the fiscal years ended December 31, 2010 and 2009, respectively.

**Audit-Related Fees.** The aggregate fees billed to Provident for assurance and related services rendered by KPMG LLP that are reasonably related to the performance of the audit and review of the financial statements and that are not already reported in *Audit Fees* above, were \$105,000 and \$115,000 during the fiscal years ended December 31, 2010 and 2009, respectively. These services included audits of Provident's employee benefit plans.

**Tax Fees.** No fees were billed to Provident for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning during the fiscal years ended December 31, 2010 and 2009. The Audit Committee has a policy that the independent registered public accounting firm shall not perform the preparation and filing of Provident's corporate tax returns, tax compliance and other tax-related services.

**All Other Fees.** The aggregate fees billed to Provident for other permissible services rendered by KPMG LLP were \$0 during the each of the fiscal years ended December 31, 2010 and 2009.

**Pre-Approval Policy.** The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit and audit-related services up to a maximum amount of \$25,000 between meetings of the Audit Committee, provided the Chair reports any such approvals to the full Audit Committee at its next meeting. The full Audit Committee pre-approves all other services to be performed by the independent registered public accounting firm and the related fees.

**PROVIDENT'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

## ADVANCE NOTICE OF BUSINESS TO BE CONDUCTED AT AN ANNUAL MEETING

The Bylaws of Provident provide an advance notice procedure for certain business, or nominations to the board of directors to be brought before an annual meeting of stockholders. In order for a stockholder to properly bring business before an annual meeting, the stockholder must give written notice to the Corporate Secretary of Provident not less than 120 days prior to the date of Provident's proxy materials for the preceding year's annual meeting, or by no later than November 16, 2011 for next year's annual meeting of stockholders; provided, however, that if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made. The notice must include the stockholder's name, record address, and number of shares owned, describe briefly the proposed business, the reasons for bringing the business before the annual meeting, and any material interest of the stockholder in the proposed business. Nothing in this paragraph shall be deemed to require Provident to include in its proxy statement and proxy relating to an annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the Securities and Exchange Commission in effect at the time such proposal is received.

## OTHER MATTERS

As of the date of this Proxy Statement, the board of directors knows of no matters that will be presented for consideration at the Annual Meeting other than as described in this document. However, if any other matters shall properly come before the Annual Meeting or any adjournment or postponement thereof and shall be voted upon, the proposed proxy will be deemed to confer authority to the individuals named as authorized therein to vote the shares represented by the proxy in accordance with their best judgment as to any matters that fall within the purposes set forth in the notice of Annual Meeting.
