Ladies and Gentlemen:

Agenus Inc., a Delaware corporation (the **Company**), confirms its agreement (this **Agreement**) with MLV & Co. LLC, a Delaware limited liability company (**MLV** or the **Agent**), as follows:

1. **Issuance and Sale of Shares.** The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it may issue and sell through the Agent, acting as agent and/or principal, up to 5,000,000 shares (the **Shares**) of the Company's common stock, par value \$0.01 per share (the **Common Stock**). The issuance and sale of Shares through the Agent will be effected pursuant to the Registration Statement (as defined below) filed by the Company and declared effective by the Securities and Exchange Commission (the **Commission**), although nothing in this Agreement shall be construed as requiring the Company to use the Registration Statement to issue Shares.

The Company has filed, in accordance with the provisions of the Securities Act of 1933, as amended (the **Securities Act**), and the rules and regulations thereunder (the **Rules and Regulations**), with the Commission a registration statement on Form S-3 (File No. 333-164481), including a base prospectus, with respect to equity and other offerings, including the Shares, and which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the **Exchange Act**). The Company will prepare a prospectus supplement (the **Prospectus Supplement**) to the base prospectus included as part of such registration statement, relating to the offering of the Shares. The Company will furnish to the Agent, for use by the Agent, copies of one or more prospectuses included as part of such registration statement, as supplemented by the Prospectus Supplement. Except where the context otherwise requires, such registration statement, as amended when it became effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) under the Securities Act and also including any other registration statement filed pursuant to Rule 462(b) under the Securities Act, as well as any comparable successor registration statement filed by the Company for the sale of its Common Stock, including the Shares, collectively, are herein called the **Registration Statement**, and the base prospectus, including all documents incorporated therein by reference, included in the Registration Statement, as supplemented by the Prospectus Supplement or any

other final prospectus relating to a Placement (as defined below), in the form filed by the Company with the Commission pursuant to Rule 424(b) under the Securities Act is herein called the **Prospectus**. Any reference herein to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms amend, amendment or supplement with respect to the Registration Statement or the Prospectus shall be deemed to refer to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein (such documents incorporated or deemed to be incorporated by reference are herein called the **Incorporated Documents**). For purposes of this Agreement, all references to the Registration Statement, the Prospectus or to any amendment or supplement thereto shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval System (**EDGAR**).

2. **Placements.** Each time that the Company wishes to issue and sell Shares hereunder (each, a **Placement**), it will notify MLV by email notice (or other method mutually agreed to in writing by the parties) of the proposed terms of such Placement. If MLV wishes to accept such proposed terms (which it may decline to do for any reason in its sole discretion) or, following discussions with the Company, wishes to accept amended terms, MLV, will issue to the Company a written or email notice setting forth the terms that MLV is willing to accept, including without limitation the number of Shares (**Placement Shares**) to be issued, the manner(s) in which sales are to be made, the date or dates on which such sales are anticipated to be made, any minimum price below which sales may not be made, and the capacity in which MLV may act in selling Placement Shares hereunder (as principal, agent or both) (a **Placement Notice**), the form of which is attached hereto as Schedule 1. The amount of any discount, commission or other compensation to be paid by the Company to MLV in any Placement shall be an aggregate amount equal to 3.0% of the gross proceeds received by the Company from the sales of the Placement Shares. The terms set forth in a Placement Notice will not be binding on the Company or MLV unless and until the Company delivers written or email notice of its acceptance of all of the terms of such Placement Notice (an **Acceptance**) to MLV; *provided, however*, that neither the Company nor MLV will be bound by the terms of a Placement Notice unless the Company delivers to MLV an Acceptance with respect thereto prior to 4:30 p.m. (New York time) on the Business Day (as defined below) following the Business Day on which such Placement Notice is received by Company in accordance with Section 12 (Notices). It is expressly acknowledged and agreed that neither the Company nor MLV will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until MLV delivers a Placement Notice to the Company and the Company accepts such Placement Notice by means of an Acceptance, and then only upon the terms specified therein and herein. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice will control.

3. **Sale of Placement Shares by the Agent.** Subject to the terms and conditions herein set forth, upon the Company's delivery of an Acceptance with respect to a Placement Notice, and unless the sale of the Placement Shares described therein has been suspended or otherwise terminated in accordance with the terms of this Agreement, the Agent will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Placement Shares up to the amount specified, and otherwise in accordance with the terms of such Placement Notice. The Agent will provide written confirmation to the Company no later than

the opening of the Trading Day (as defined below) next following the Trading Day on which the Agent has made sales of Placement Shares hereunder setting forth the number of Placement Shares sold on such day, the compensation payable by the Company to the Agent with respect to such sales pursuant to Section 2, and the Net Proceeds (as defined below) payable to the Company, with an itemization of deductions made by the Agent (as set forth in Section 5(a)) from gross proceeds for the Placement Shares that they receive from such sales. The Agent agrees that all sales of Placement Shares will be made only by methods deemed to be an at the market offering as defined in Rule 415 of the Securities Act, including without limitation sales made directly on the NASDAQ Capital Market (the **Exchange**) or on any other existing trading market for the Common Stock. The Agent acknowledges and agrees that (i) all sales of Placement Shares will be made at prevailing market prices in ordinary brokerage transactions open to all market participants and (ii) it will distribute the Placement Shares to brokers for resale into the market immediately after acquiring them from the Company. The Agent may only sell Placement Shares in privately negotiated transactions with the prior express written consent of the Company which, if the Placement Notice provided for such negotiated transactions, may include the Acceptance. The Company acknowledges and agrees that (i) there can be no assurance that the Agent will be successful in selling Placement Shares, and (ii) the Agent will not incur any liability or obligation to the Company or any other person or entity if it does not sell Placement Shares for any reason other than a failure by it to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Placement Shares as required under this Section 3. For the purposes hereof, **Trading Day** means any day on which Common Stock is purchased and sold on the principal market on which the Common Stock is listed or quoted.

4. Suspension of Sales. The Company or MLV may, upon notice to the other party in writing (including by email correspondence if receipt of such correspondence is actually acknowledged by the party to whom the notice is sent, other than via auto-reply) or by telephone (confirmed immediately by verifiable facsimile transmission or email correspondence to each of the individuals of such party on Schedule 4), suspend any sale of Placement Shares; *provided, however*, that such suspension shall not affect or impair any party's obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. Each of the parties agrees that no such notice shall be effective against another unless it is made to one of the individuals named on Schedule 4 hereto, as such Schedule may be amended from time to time.

5. Settlement.

(a) Settlement of Placement Shares. Unless otherwise specified in the applicable Placement Notice, settlement for sales of Placement Shares will occur on the third Business Day (or such earlier day as is industry practice for regular-way trading) (each, a **Settlement Date**) following the respective Point of Sale (as defined below). The amount of proceeds to be delivered to the Company on a Settlement Date against receipt of the Placement Shares sold (the **Net Proceeds**) will be equal to the aggregate sales price received by the Agent at which such Placement Shares were sold, after deduction for (i) the Agent's commission, discount or other compensation for such sales payable by the Company pursuant to Section 2 hereof, and (ii) any other undisputed amounts due and payable by the Company to the Agent hereunder pursuant to Section 7(g) (Expenses).

(b) **Delivery of Placement Shares.** On or before each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Shares being sold by crediting the Agent's or its designee's (provided the Agent shall have given the Company written notice of such designee at least one Business Day prior to the Settlement Date) account at The Depository Trust Company through its Deposit and Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto and, upon receipt of such Placement Shares, which in all cases shall be freely tradable, transferable, registered shares in good deliverable form, the Agent will deliver the related Net Proceeds in same day funds to an account designated by the Company prior to the Settlement Date. If the Company defaults in its obligation to deliver Placement Shares on a Settlement Date, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Section 9(a) (Indemnification) hereto, it will hold the Agent harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company; *provided, however,* that the Company shall not be obligated to so indemnify and reimburse the Agent if the Placement Shares are not delivered due to (1) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or the Exchange; (2) a general moratorium on commercial banking activities declared by either federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (3) an outbreak or escalation of hostilities or acts of terrorism involving the United States or a declaration by the United States of a national emergency or war; or (4) any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere.

(a) Registration Statement Amendments. During any period in which a Prospectus relating to any Placement Shares is required to be delivered by the Agent under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), (i) the Company will notify the Agent promptly of the time when any subsequent amendment to the Registration Statement, other than documents incorporated by reference or amendments not related to any Placement, has been filed with the Commission and/or has become effective or any subsequent supplement to the Prospectus, other than documents incorporated by reference, has been filed and of any request by the Commission for any amendment or supplement related to any Placement to the Registration Statement or Prospectus or for additional information related to any Placement, (ii) the Company will not file any amendment or supplement to the Registration Statement or Prospectus relating to the Placement Shares (except for documents incorporated by reference) unless a copy thereof has been submitted to the Agent in a reasonable period of time before the filing and the Agent has reasonably objected thereto (*provided, however, (A) that the failure of the Agent to make such objection shall not relieve the Company of any obligation or liability hereunder, or affect the Agent's right to rely on the representations and warranties made by the Company in this Agreement and (B) that the Company has no obligation to provide the Agent any advance copy of such filing or to provide the Agent an opportunity to object to such filing if such filing does not name the Agent or does not relate to the transactions contemplated hereunder*) and the Company will furnish to the Agent at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference into the Registration Statement or Prospectus, except for those documents available via EDGAR; and (iii) the Company will cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the

applicable paragraph of Rule 424(b) of the Securities Act or, in the case of any document to be incorporated therein by reference, to be filed with the Commission as required pursuant to the Exchange Act, within the time period prescribed. The determination to file or not file any amendment or supplement with the Commission under this Section 7(a), based on the Company's reasonable opinion or reasonable objections, shall be made exclusively by the Company.

(b) Notice of Commission Stop Orders. During any period beginning with the Acceptance of a Placement Notice and ending after a Prospectus relating to any Placement Shares is no longer required to be delivered by the Agent under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will advise the Agent, promptly after it receives notice or obtains knowledge thereof, (i) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement; (ii) of the suspension of the qualification of the Placement Shares for offering or sale in any jurisdiction; (iii) of the initiation of any proceeding for any of the purposes set out in (i) or (ii); or (iv) of any request by the Commission for any amendments to the Registration Statement or any amendment or supplements to the Prospectus or any Issuer Free Writing Prospectus or for additional information related to the offering of the Shares or for additional information related to the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus. If the Company has omitted any information from the Registration Statement, pursuant to Rule 430A, it will use its best efforts to comply with the provisions of and make all requisite filings with the Commission pursuant to said Rule 430A and to notify the Agent promptly of all such filings. If during such period any event occurs as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary to amend or supplement the Registration Statement or Prospectus to comply with the Securities Act, the Company will promptly notify the Agent to suspend the offering of Placement Shares during such period and the Company will promptly amend or supplement the Registration Statement or Prospectus (at the expense of the Company) so as to correct such statement or omission or effect such compliance.

(d) Listing of Placement Shares. During any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agent under the Securities Act with respect to the offer and sale of the Placement Shares (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will use its commercially reasonable efforts to cause the Placement Shares to be listed on the Exchange and to qualify the Placement Shares for sale under the securities laws of such jurisdictions as the Agent reasonably designates and to continue such qualifications in effect so long as required for the distribution of the Placement Shares; *provided, however*, that the Company shall not be required in connection therewith to qualify as a foreign corporation or dealer in securities or file a general consent to service of process in any jurisdiction.

(e) Delivery of Registration Statement and Prospectus. The Company will furnish to the Agent and its counsel (at the expense of the Company) copies of the Registration Statement, the Prospectus (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement or Prospectus that are filed with the Commission during any period in which a Prospectus relating to the Placement Shares is required to be delivered under the Securities Act (including all documents filed with the Commission during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities as the Agent may from time to time reasonably request and, at the Agent's request, will also furnish copies of the Prospectus to each exchange or market on which sales of the Placement Shares may be made; *provided, however*, that the Company shall not be required to furnish any document (other than the Prospectus) to the Agent to the extent such document is available on EDGAR.

(h) Use of Proceeds. The Company will use the Net Proceeds as described in the Prospectus in the section entitled **Use of Proceeds**.

(i) Notice of Other Sales. During the pendency of any Placement Notice given hereunder, or any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agent, the Company shall provide the Agent notice as promptly as reasonably possible before it offers to sell, contracts to sell, sells, grants any option to sell or otherwise disposes of any shares of Common Stock (other than Placement Shares offered pursuant to the provisions of this Agreement) or securities convertible into or exchangeable for Common Stock, warrants or any rights to purchase or acquire Common Stock; *provided, that* such notice shall not be required in connection with the issuance of shares of Common Stock upon exercise of stock options and warrants disclosed as outstanding in the Registration Statement and the Prospectus, the grant of options under existing stock option plans described in the Registration Statement and the Prospectus, the issuance of Common Stock pursuant to the Company's dividend reinvestment and stock purchase plans described in the Registration Statement and the Prospectus, or issuances pursuant to consulting arrangements or service provider arrangements the primary purpose of which is not to raise capital, unless such arrangements are required to be disclosed on a Current Report on Form 8-K.

(j) Change of Circumstances. During the pendency of any Placement Notice given hereunder, or any period in which the Prospectus relating to the Placement Shares is required to be delivered by the Agent, the Company will advise the Agent promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document required to be provided to the Agent pursuant to Sections 7(l) and 7(n) of this Agreement.

(k) Due Diligence Cooperation. The Company will cooperate with any reasonable due diligence review conducted by the Agent or its agents in connection with the transactions contemplated hereby, including, without limitation, providing information and making available documents and senior corporate officers, during regular business hours and at the Company's principal offices, as the Agent may reasonably request.

(l) Required Filings Relating to Placement of Placement Shares. The Company agrees that on such dates as the Securities Act shall require, the Company will (i) file a prospectus supplement with the Commission under the applicable paragraph of Rule 424(b) under the Securities Act, which prospectus supplement will set forth, within the relevant period, the amount of Placement Shares sold through the Agent, the Net Proceeds to the Company and the compensation payable by the Company to the Agent with respect to such Placement Shares, and (ii) deliver such number of copies of each such prospectus supplement to each exchange or market on which such sales were effected as may be required by the rules or regulations of such exchange or market.

(m) Representation Dates: Certificate. During the term of this Agreement, on the date of the first Placement Notice given hereunder and within seven days of each time

the Company (i) amends the Registration Statement by means of a post-effective amendment or amends or supplements the Prospectus relating to the Placement Shares (other than by means of (A) the filing of the prospectus supplement referenced in Section 1 or (B) incorporation of document(s) by reference to the Registration Statement or the Prospectus); (ii) files an annual report on Form 10-K under the Exchange Act; or (iii) files its quarterly reports on Form 10-Q under the Exchange Act (each date of filing of one or more of the documents referred to in clauses (i) through (iii) shall be a **Representation Date**); the Company shall furnish the Agent with a certificate, in the form attached hereto as Exhibit 7(m). The requirement to provide a certificate under this Section 7(m) shall be waived for any Representation Date occurring during a fiscal quarter during which the Company does not intend to sell Placement Shares prior to the next occurring Representation Date; *provided, however*, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 10-K. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Shares following a Representation Date when the Company relied on such waiver and did not provide the Agent with a certificate under this Section 7(m), then before the Agent either delivers the Placement Notice or sells any Placement Shares, the Company shall provide the Agent with a certificate, in the form attached hereto as Exhibit 7(m), dated the date of the Placement Notice.

(n) Legal Opinion. On the date of the first Placement Notice given hereunder, the Company shall cause to be furnished to the Agent a written opinion of Choate, Hall & Stewart LLP, in a form reasonably acceptable to the Agent and its counsel. Thereafter, within seven days of the filing by the Company of an annual report on Form 10-K under the Exchange Act, the Company shall cause to be furnished to the Agent a written letter of Choate, Hall & Stewart LLP, in a form reasonably acceptable to the Agent and its counsel, modified, as necessary, to relate to the Registration Statement and the Prospectus as then amended or supplemented.

(o) Comfort Letter. On or prior to the date of the first Placement Notice given hereunder and thereafter within seven days of the filing by the Company of an annual report on Form 10-K under the Exchange Act the Company shall cause its independent accountants to furnish to the Agent a letter, dated as of such date, in a form reasonably acceptable to the Agent and its counsel, confirming that they are independent accountants within the meaning of the Securities Act and the Exchange Act and the respective applicable published rules and regulations thereunder, including without limitation the rules of the Public Company Accounting Oversight Board and Rule 2-01 of Regulation S-X, and that:

(i) in their opinion the audited financial statements and financial statement schedules included or incorporated in the Registration Statement and the Prospectus and audited by them comply as to form in all material respects with the applicable accounting requirements of the Securities Act and the Exchange Act and the related published rules and regulations;

(ii) nothing has come to their attention which caused them to believe that the information included in the Registration Statement and the Prospectus in

response to Regulation S-K, Item 301 (Selected Financial Data), Item 302 (Supplementary Financial Information) and Item 503(d) (Ratio of Earnings to Fixed Charges) is not in conformity with the applicable disclosure requirements of Regulation S-K; and

(iii) they have performed certain other specified procedures as a result of which they determined that certain information of an accounting, financial or statistical nature (which is limited to accounting, financial or statistical information derived from the general accounting records of the Company and its subsidiaries) set forth in the Registration Statement and the Prospectus, including the information included or incorporated in Items 1, 2, 6, 7, 7A, 11 and 13 of the Company's Annual Report on Form 10-K, incorporated in the Registration Statement and the Prospectus, and the information included in the **Management's Discussion and Analysis of Financial Condition and Results of Operations** included in each of the Company's Quarterly Reports on Form 10-Q, incorporated in the Registration Statement and the Prospectus, agrees with the accounting records of the Company and its subsidiaries, excluding any questions of legal interpretation.

References to the Prospectus in this paragraph include any supplement thereto at the date of the letter.

(p) Market Activities. The Company will not, directly or indirectly take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares.

8. Conditions to the Agent's Obligations. The obligations of the Agent hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein, to the due performance by the Company of its obligations hereunder, to the completion by the Agent of a due diligence review satisfactory to the Agent in its reasonable judgment, and to the continuing satisfaction (or waiver by the Agent in its sole discretion with such waiver for a given Placement having no effect on any other Placement) of the following additional conditions:

(a) Registration Statement Effective. The Registration Statement shall have become effective and shall be available for the (i) resale of all Placement Shares issued to the Agent and not yet sold by the Agent and (ii) the sale of all Placement Shares contemplated to be issued by any Placement Notice.

(b) No Material Notices. None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration

Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any material statement made in the Registration Statement or the Prospectus or any material document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) No Misstatement or Material Omission. The Agent shall not have advised the Company that the Registration Statement or Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in the Agent's reasonable opinion is material, or omits to state a fact that in the Agent's opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(d) Material Changes. Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, there shall not have been any material adverse change, on a consolidated basis, in the authorized capital stock of the Company or any Material Adverse Effect, or any development that could reasonably be expected to cause a Material Adverse Effect, or a downgrading in or withdrawal of the rating assigned to any of the Company's securities (other than asset backed securities) by any rating organization or a public announcement by any rating organization that it has under surveillance or review its rating of any of the Company's securities (other than asset backed securities), the effect of which, in the case of any such action by a rating organization described above, in the reasonable judgment of the Agent (without relieving the Company of any obligation or liability it may otherwise have), is so material as to make it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

(e) Legal Opinion. The Agent shall have received the opinions and letters required to be delivered pursuant Section 7(n) on or before the date on which such delivery of such opinions or letters are required pursuant to Section 7(n).

(f) Comfort Letter. The Agent shall have received the Comfort Letter required to be delivered pursuant Section 7(o) on or before the date on which such delivery of such Comfort Letter is required pursuant to Section 7(o).

(g) Representation Certificate. The Agent shall have received the certificate required to be delivered pursuant to Section 7(m) on or before the date on which delivery of such certificate is required pursuant to Section 7(m).

(h) No Suspension. Trading in the Common Stock shall not have been suspended on the Exchange.

(i) Other Materials. On the date hereof and on each date on which the Company is required to deliver a certificate pursuant to Section 7(m), the Company shall use its commercially reasonable efforts to furnish to the Agent such appropriate further information, certificates and documents as the Agent may reasonably request. All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof. The Company will furnish the Agent with such conformed copies of such opinions, certificates, letters and other documents as the Agent shall reasonably request.

(j) Securities Act Filings Made. All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424.

(k) Approval for Listing. The Placement Shares shall either have been (i) approved for listing on the Exchange, subject only to notice of issuance, or (ii) the Company shall have filed an application for listing of the Placement Shares on the Exchange at, or prior to, the issuance of any Placement Notice.

(l) No Termination Event. There shall not have occurred any event that would permit the Agent to terminate this Agreement pursuant to Section 11(a).

9. Indemnification and Contribution.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless the Agent and its directors, officers, partners, employees and agents and each person, if any, who (i) controls the Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, or (ii) is controlled by or is under common control with the Agent from and against any and all losses, claims, liabilities, expenses and damages (including any and all investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), as and when incurred, to which the Agent, or any such person, may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise, insofar as such losses, claims, liabilities, expenses or damages arise out of or are based, directly or indirectly, on (x) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the Prospectus or any amendment or supplement to the Registration Statement or the Prospectus, or in any Issuer Free-Writing Prospectus, or (y) the omission or alleged omission to state in such document a material fact required to be stated in it or necessary to make the statements in it not misleading; *provided, however*, that this indemnity agreement shall not apply to the extent that such loss, claim, liability, expense or damage arises from the sale of the Placement Shares pursuant to this Agreement and is caused directly or indirectly by an untrue statement or omission, or alleged untrue statement or omission, made in reliance on and in conformity

with information relating to the Agent and furnished in writing to the Company by or on behalf of the Agent expressly for inclusion in any document described in clause (a)(x) above. This indemnity agreement will be in addition to any liability that the Company might otherwise have.

(b) **Indemnification by the Agent.** The Agent agrees to indemnify and hold harmless the Company and its directors and each officer of the Company who signed the Registration Statement, and each person, if any, who (i) controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act or (ii) is controlled by or is under common control with the Company (a **Company Affiliate**) against any and all losses, liabilities, claims, damages and expenses to which the Company, or any Company Affiliate, may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, as and when incurred, but only insofar as such losses, claims, liabilities, expenses or damages arise out of or are based, directly or indirectly, on untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement or the Prospectus or any amendment or supplement to the Registration Statement or the Prospectus, or in any Issuer Free-Writing Prospectus in reliance upon and in conformity with written information relating to the Agent and furnished to the Company by or on behalf of the Agent expressly for inclusion in any document as described in Section 9(a). The Company acknowledges that, for all purposes under this Agreement, the name of the Agent and the paragraph relating to placement agent fees and reimbursement of expenses appearing in the Prospectus constitute the only information relating to the Agent furnished in writing to the Company by the Agent expressly for inclusion in the Registration Statement, any Preliminary Prospectus or the Prospectus.

(c) **Procedure.** Any party that proposes to assert the right to be indemnified under this Section 9 will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim is to be made against an indemnified party or parties under this Section 9, notify each such indemnifying party of the commencement of such action, enclosing a copy of all papers served, but the omission so to notify such indemnifying party will not relieve the indemnifying party from (i) any liability that it might have to any indemnified party otherwise than under this Section 9 and (ii) any liability that it may have to any indemnified party under the foregoing provision of this Section 9 unless, and only to the extent that, such omission results in the forfeiture or material impairment of substantive rights or defenses by the indemnifying party. If any such action is brought against any indemnified party and it notifies the indemnifying party of its commencement, the indemnifying party will be entitled to participate in and, to the extent that it elects by delivering written notice to the indemnified party promptly after receiving notice of the commencement of the action from the indemnified party, jointly with any other indemnifying party similarly notified, to assume the defense of the action, with counsel reasonably satisfactory to the indemnified party, and after notice from the indemnifying party to the indemnified party of its election to assume the defense, the indemnifying party will not be liable to the indemnified party for any legal or other expenses except as provided below. The indemnified party will have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel will be at the expense of such

indemnified party unless (1) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying party, or (2) the indemnifying party has not in fact employed counsel to assume the defense of such action within a reasonable time after receiving notice of the commencement of the action, in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm admitted to practice in such jurisdiction at any one time for all such indemnified party or parties. All such fees, disbursements and other charges will be reimbursed by the indemnifying party promptly as they are incurred. An indemnifying party will not, in any event, be liable for any settlement of any action or claim effected without its written consent. No indemnifying party shall, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this Section 9 (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising or that may arise out of such claim, action or proceeding.

(d) Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in the foregoing paragraphs of this Section 9 is applicable in accordance with its terms but for any reason is held to be unavailable from the Company or the Agent, the Company and the Agent will contribute to the total losses, claims, liabilities, expenses and damages (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted but after deducting any contribution received by the Company from persons other than the Agent such as persons who control the Company within the meaning of the Securities Act or the Exchange Act, officers of the Company who signed the Registration Statement and directors of the Company, who also may be liable for contribution) to which the Company and the Agent may be subject in such proportion as shall be appropriate to reflect the relative benefits received. The relative benefits received shall be deemed to be in the same proportion as the total net proceeds from the sale of the Placement Shares (net of commissions to the Agent but before deducting expenses) received by the Company as set forth on the cover of the Prospectus bear to the total compensation received by the Agent from the sale of Placement Shares on behalf of the Company. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and the Agent, on the other, with respect to the statements or omission that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Agent, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Agent agree that it would

not be just and equitable if contributions pursuant to this Section 9(d) were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this Section 9(d) shall be deemed to include, for the purpose of this Section 9(d), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim to the extent consistent with Section 9(c) hereof. Notwithstanding the foregoing provisions of this Section 9(d), the Agent shall not be required to contribute any amount in excess of the commissions received by it under this Agreement and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9(d), any person who controls a party to this Agreement within the meaning of the Securities Act or the Exchange Act, and any officers, directors, partners, employees or agents of the Agent, will have the same rights to contribution as that party, and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 9(d), will notify any such party or parties from whom contribution may be sought, but the omission so to notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 9(d) except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from whom contribution is sought. Except for a settlement entered into pursuant to the last sentence of Section 9(c) hereof, no party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 9(c) hereof.

10. Representations and Agreements to Survive Delivery. All representations and warranties of the Company herein or in certificates delivered pursuant hereto shall survive, as of their respective dates, regardless of (i) any investigation made by or on behalf of the Agent, any controlling persons, or the Company (or any of their respective officers, directors or controlling persons), (ii) delivery and acceptance of the Placement Shares and payment therefor or (iii) any termination of this Agreement.

11. Termination.

(a) The Agent shall have the right by giving notice as hereinafter specified at any time to terminate this Agreement if (i) any Material Adverse Effect, or any development that has actually occurred and that is reasonably expected to cause a Material Adverse Effect has occurred that, in the reasonable judgment of the Agent, may materially impair the ability of the Agent to sell the Placement Shares hereunder, (ii) the Company shall have failed, refused or been unable to perform any agreement on its part to be performed hereunder; *provided, however*, in the case of any failure of the Company to deliver (or cause another person to deliver) any certification, opinion, or letter required under Sections 7(m), 7(n), or 7(o), the Agent's right to terminate shall not arise unless

(A) such failure to deliver (or cause to be delivered) continues for more than thirty days from the date such delivery was required; and (B) the Agent has not waived such requirement; and (C) the Company has not completed performance prior to Agent's communication to the Company of Agent's intent to terminate; or (iii) any other condition of Agent's obligations hereunder is not fulfilled, or (iv), any suspension or limitation of trading in the Placement Shares or in securities generally on the Exchange shall have occurred. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g) (Expenses), Section 9 (Indemnification), Section 10 (Representations and Agreements to Survive Delivery), Section 16 (Applicable Law; Consent to Jurisdiction) and Section 17 (Waiver of Jury Trial) hereof shall remain in full force and effect notwithstanding such termination. If the Agent elects to terminate this Agreement as provided in this Section 11(a), Agent shall provide the required notice as specified in Section 12 (Notices).

(b) The Company shall have the right, by giving ten days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(c) The Agent shall have the right, by giving ten days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(d) Unless earlier terminated pursuant to this Section 11, this Agreement shall automatically terminate upon the issuance and sale of all of the Placement Shares through the Agent on the terms and subject to the conditions set forth herein; *provided that* the provisions of Section 7(g), Section 9, Section 10, Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

(e) This Agreement shall remain in full force and effect unless terminated pursuant to Sections 11(a), (b), (c), or (d) above or otherwise by mutual agreement of the parties; *provided, however*, that any such termination by mutual agreement shall in all cases be deemed to provide that Section 7(g), Section 9, Section 10, Section 16 and Section 17 shall remain in full force and effect.

(f) Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however*, that such termination shall not be effective until the close of business on the date of receipt of such notice by the Agent or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.

12. Notices. All notices or other communications required or permitted to be given by any party to any other party pursuant to the terms of this Agreement shall be in writing and

**Agenus Expands QS-21 License and Grants Right of First Negotiation to
GlaxoSmithKline**

Agenus to receive \$9 million upfront

Agenus to host a conference call at 11 am ET today

Lexington, MA March 5, 2012 Agenus Inc. (NASDAQ: AGEN) announced today that GlaxoSmithKline (GSK) and Agenus have amended the QS-21 license and manufacturing agreement to include additional rights for the use of Agenus proprietary QS-21 Stimulon® adjuvant in GSK Biologicals adjuvant systems. In addition, Agenus has agreed to grant the vaccines company the first right to negotiate for the purchase of Agenus or certain of its assets. The first right to negotiate will expire after five years.

Under the terms of the agreement, GSK will pay Agenus a non-refundable payment of \$9 million, of which \$2.5 million is creditable against future manufacturing technology transfer royalty payments. The agreement also includes royalty payments for an undisclosed indication upon commercialization of a vaccine product.

Today's announcement further validates QS-21 as a key adjuvant while expanding its potential use in another important indication, stated Garo Armen, Ph.D., chairman and CEO of Agenus. With over a dozen clinical programs in development containing our adjuvant, we are pleased to be able to contribute to the future development of a broad range of vaccines.

Saponin Platform: QS-21 Stimulon® Adjuvant

QS-21 Stimulon® adjuvant is designed to strengthen the body's immune response to a vaccine's antigen, thus making it more effective. QS-21 has become a critical component in the development of investigational preventive vaccine formulations across a wide variety of investigational prophylactic and therapeutic vaccines. Licensees of QS-21 include GSK, Janssen Alzheimer Immunotherapy, and Integrated Biotherapeutics. Agenus is generally entitled to receive milestone payments as QS-21-containing programs advance as well as royalties on sales of products.

Edgar Filing: AGENUS INC - Form 424B3

Data from Phase 3 pivotal trials of four GSK vaccine candidates, which include MAGE-A3 Cancer immunotherapeutic (CI) for selected patients with non-small cell lung cancer, and melanoma, RTS,S for malaria, and Herpes Zoster for shingles, are anticipated to be released over the next year or so.

Between Agenus and its partners, 18 programs are in clinical development, including many programs that contain QS-21 Stimulon adjuvant. QS-21 is being studied in clinical trials for 15 vaccine programs. They include:

Phase 3: GSK's RTS,S for malaria*
