**PROXY STATEMENT**

**Annual Meeting of Shareholders: May 9, 2012**

**Approximate Mailing Date: April 9, 2012**

**SOLICITATION OF PROXY**

**General**

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF LAKELAND BANCORP, INC. (hereinafter called "Lakeland" or the "Company") for use in connection with the Annual Meeting of Shareholders to be held at the Grand Chalet, 1377 Route 23 South, Wayne, New Jersey 07470 on Wednesday, May 9, 2012 at 5:00 p.m., and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the enclosed notice of such meeting and are more fully discussed below.

Only shareholders of record at the close of business on March 29, 2012, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. If the enclosed proxy is properly executed and returned to Lakeland and not revoked before its exercise, all shares represented thereby will be voted as specified in the form of proxy. If the proxy is signed but no specification is given, the shares will be voted in favor of the Board's nominees for election to the Board, in favor of Proposals 2 (ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for 2012) and 3 (non-binding approval of the compensation of the Company's executives as described in this proxy statement), and with respect to Proposal 4, in favor of the Company holding an annual advisory vote on executive compensation. The proxy will enable you to assure that your shares are voted and to aid in securing a quorum at the annual meeting.

In order to reduce the number of annual reports being sent to one address, only one annual report is being delivered to multiple security holders sharing an address unless Lakeland has received contrary instructions from one or more of the security holders. This is called "householding". Lakeland will deliver a separate copy of the annual report to any security holder who requests a copy in writing or by telephone. If you wish to receive a separate copy of the 2011 annual report, or if you wish to receive a separate copy of future annual reports, please contact Mr. Harry Cooper at Lakeland Bancorp, Inc., 250 Oak Ridge Road, Oak Ridge, New Jersey 07438 (toll-free telephone 866-284-1291). If you are currently receiving multiple copies of the annual report at the same address, and wish to have one annual report sent to multiple security holders sharing that address in the future, please contact Mr. Cooper at the above address and telephone number.

The entire cost of this solicitation will be borne by Lakeland. Officers and regular employees of Lakeland may also, but without additional compensation, solicit proxies by further mailings, personal conversations, telephone, facsimile or e-mail. Lakeland will make arrangements with brokerage houses, custodians, nominees and fiduciaries for the forwarding of proxy solicitation materials to beneficial owners of shares held of record by these brokerage houses, custodians, nominees and fiduciaries and Lakeland will reimburse these brokerage houses, custodians, nominees and fiduciaries for their reasonable expenses incurred in connection with the solicitation.

All share information, including stock option information, contained in this proxy statement has been adjusted to reflect Lakeland's previously effectuated 5% stock dividends, including the 5% stock dividend distributed on February 16, 2011 to shareholders of record on January 31, 2011. Such share information has not been adjusted, however, to reflect Lakeland's recently declared 5% stock dividend, payable on April 16, 2012 to shareholders of record at the close of business March 30, 2012.

**Important notice regarding the availability of proxy materials for the annual meeting of shareholders to be held on May 9, 2012: This proxy statement and our 2011 annual report are available at [www.lakelandbank.com](http://www.lakelandbank.com).**

### **Voting your Shares**

Lakeland shareholders will have four alternative ways to vote:

by traditional paper proxy card;

by telephone;

via the Internet; or

in person at the Annual Meeting.

Please take a moment to read the instructions, choose the way to vote that you find most convenient and cast your vote as soon as possible.

*Voting by Proxy Card.* If proxy cards in the accompanying form are properly executed and returned, the shares represented thereby will be voted in the manner specified therein. If you vote by proxy card but make no specification on your proxy card that you have otherwise properly executed, your shares will be voted FOR the election of the Board's nominees for director, FOR Proposals 2 and 3 and with respect to Proposal 4, FOR approval of an annual advisory vote on executive compensation.

*Voting by Telephone.* If you wish to vote by telephone and you are a shareholder of record of Lakeland, use a touch-tone telephone to call toll-free 1-800-PROXIES and follow the instructions. If you vote by telephone, you must have your control number and the proxy card available when you call.

*Voting by the Internet.* If you wish to vote through the Internet and you are a shareholder of record of Lakeland, you can access the web page at [www.voteproxy.com](http://www.voteproxy.com) and follow the on-screen instructions. If you vote through the Internet, you must have your control number and the proxy card available when you access the web page.

If your shares are registered in the name of a broker or other nominee, the voting form your broker or other nominee sent you will provide telephone and Internet voting instructions.

The deadline for voting by telephone or through the Internet as a shareholder of record of Lakeland is 11:59 p.m., local time, on May 8, 2012. For shareholders whose shares are registered in the name of a broker or other nominee, please consult the voting instructions provided by your broker or other nominee for information about the deadline for voting by telephone or through the Internet.

*Voting in Person.* If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

### **Changing your Vote**

You will be able to change your vote as many times as you wish and the last vote received chronologically by any means will supersede your prior vote(s). Please note, however, that if you vote by the Internet, the maximum number of times that you can access the website using any one control number is limited to five times per day.

Any Lakeland shareholder may revoke a proxy at any time before or at the Annual Meeting in one or more of the following ways:

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

Delivering a written notice of revocation, bearing a later date than the proxy, at any time prior to the vote at the Annual Meeting to Timothy J. Matteson, Corporate Secretary of Lakeland; or

-2-

Submitting a later-dated proxy card; or

Submitting a new proxy via telephone or the Internet.

A Lakeland shareholder should send any written notice of revocation or subsequent proxy card to Lakeland Bancorp, Inc., Attention: Timothy J. Matteson, Corporate Secretary, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438, or hand deliver the notice of revocation or subsequent proxy card to Mr. Matteson before the taking of the vote at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

**Required Vote**

The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. Provided that a quorum is present, directors will be elected by a plurality vote (there is no right to vote stock cumulatively) and approval of Proposals 2 and 3 will require the affirmative vote of a majority of the votes cast with respect to each such proposal. With respect to Proposal 4, the option of one year, two years or three years that receives the highest number of votes cast will be the frequency of the vote on the compensation of our named executive officers that has been approved by the shareholders on an advisory basis. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast for or against (or, with respect to Proposal 4, every one year, every two years or every three years) are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Broker non-votes occur when brokers who hold their customers' shares in street name submit proxies for such shares on some matters, but not others. Generally, this would occur when brokers have not received any instructions from their customers. In these cases, the brokers, as the holders of record, are permitted to vote on routine matters, which typically include the ratification of the independent registered public accounting firm, but not on non-routine matters. The election of directors and votes on executive compensation matters are not considered routine matters.

**CAPITAL STOCK OUTSTANDING**

At the close of business on March 29, 2012, there were 25,678,882 shares of Lakeland's common stock, no par value (the Common Stock), outstanding and entitled to vote at the Annual Meeting. Each share will be entitled to one vote on all matters properly coming before the meeting.

Lakeland's management is not aware of any individual or entity that owned of record or beneficially more than five percent of the outstanding voting securities of Lakeland as of the record date, other than BlackRock, Inc. **PROPOSAL 1****ELECTION OF DIRECTORS**

Unless a shareholder either indicates withhold authority on his proxy or indicates on his proxy that his shares should not be voted for certain nominees, it is intended that the persons named in the proxy will vote for the election as directors of the four persons named in Table I below to serve for three year terms and thereafter until their successors shall have been duly elected and shall have qualified. Each of the Board's nominees has consented to be named in this proxy statement and to serve as a director of the Company if elected. Discretionary authority is also solicited to vote for the election of a substitute for any of said nominees who, for any reason presently unknown, cannot be a candidate for election.

Table I sets forth the names and ages of the nominees for election to the Board of Directors, the positions and offices presently held by each such person within Lakeland, the period during which each such person has served on Lakeland's Board of Directors, the expiration of their respective terms, the principal occupations and employment of each such person during the past five years, and the number of shares of Lakeland Common Stock which they beneficially owned as of February 1, 2012. Except as otherwise indicated, Table II sets forth comparable information with respect to those directors whose terms of office will continue beyond the date of the Annual Meeting. Unless otherwise indicated, positions have been held for more than five years. Unless otherwise stated in the footnotes following the tables, the nominees and other directors listed in the tables have sole power to vote and dispose of the shares which they beneficially owned as of February 1, 2012. Shares covered by stock options are included in the tables below only to the extent that such options may be exercised by April 1, 2012.

All of the persons named in both tables have been directors of Lakeland and Lakeland Bank for at least five years, except as follows: (a) Mr. McCracken and Ms. Hendershot were appointed to the Lakeland Bank Board on August 13, 2008, (b) Bruce D. #### **Stock Ownership Guidelines for Directors**

Although the Company's by-laws provide that the minimum value of Company stock to be held by directors is \$1,000, during 2010, the Board adopted Corporate Guidelines which established a goal that directors own or otherwise control, at a minimum, the number of shares or share equivalents of Company stock equal to approximately five times (5x) the director annual retainer fee, with new directors attaining that goal within five years. The Compensation Committee periodically reviews this stock ownership goal.

#### **Board Qualifications**

The Company's Board does not have a formal policy of considering diversity in identifying potential director candidates. However, since the Board believes that its membership should broadly reflect the banking community served by Lakeland, it has an informal practice of considering a nominee's age, race, ethnicity, national origin, gender, and geographic location in addition to such nominee's qualifications for Board service. See Nominating and Corporate Governance Committee Matters-Qualifications and the charter of such committee for a description of the qualifications the Company's directors must possess.

The Board considered the following attributes of its nominees and other directors in determining that each is qualified to serve as a director of the Company:

Mr. Bosma's 50 years of banking experience and the breadth of his knowledge in all areas of banking, including asset/liability management, loans and asset quality, retail banking and bank marketing, the audit function and overall bank operations, and his stature in the banking industry, led the Board to conclude that this

individual should serve as a director of the Company. Mr. Bosma has an intimate knowledge of Lakeland and the Company after serving as President and Chief Executive Officer from 1999 to April 2008. He has served in many prominent positions in the banking industry, including as chairman of the New Jersey Bankers Association and a member of the Community Bankers Committee of the American Bankers Association. Mr. Bosma has held leadership positions in numerous charitable organizations, including the Chilton Hospital Foundation, the Juvenile Diabetes Research Foundation, the Ramapo College Foundation and Paterson Habitat for Humanity.

Mr. Mark Fredericks' experience in managing three businesses in the Company's market area, his long service as a director of the Company and Lakeland Bank and his charitable work led the Board to conclude that this individual should serve as a director of the Company. His business experience includes serving as president of Fredericks Fuel and Heating Service, Keil Oil Inc. and F&B Trucking Inc. He is knowledgeable about the real estate industry as a result of his management of a number of real estate partnerships. He has served as a trustee (1998-2008) of Chilton Memorial Hospital (and served as a member of the finance committee during that time) and as president of the West Milford Education Foundation (1996 to present).

Ms. Hendershot has had significant experience in the leadership and management of various corporate entities and operations. She also has experience in managing and controlling risk-taking operations within the insurance industry, and in IT strategy and developments. This experience, as well as her educational background (including a degree in economics from Cornell University) led the Board to conclude that this individual should serve as a director of the Company.

Mr. Nicholson's business experience with Eastern Propane Corporation (including his serving as president and CEO of that entity since 1988), his educational background in finance and business management, his experience in buying and selling companies and commercial real estate properties and his reputation in the business and local community led the Board to conclude that this individual should serve as a director of the Company. In 2009, Mr. Nicholson was honored with the Outstanding Citizen of the Year award from Sparta Township and as a Distinguished Citizen by the Boy Scouts of America, Patriots Path Council. In March 2010, Mr. Nicholson received the Distinguished Alumni Award from Florida Southern College for outstanding service to his professions and community.

Mr. Flynn is a Partner at O'Connor Davies Munns & Dobbins, LLP, one of the largest regional accounting firms in the tri-state area. He received his Bachelor of Science Degree, cum laude, from Monmouth College. With nearly 30 years of experience as a practicing CPA, Mr. Flynn brings in depth knowledge of generally accepted accounting principles and auditing standards to our Board. He has worked with audit committees and boards of directors in the past, including previously serving on the Boards of TD Banknorth, Inc. and Hudson United Bancorp, and provides the Company's Board of Directors and its Audit Committee with extensive experience in auditing and preparation of financial statements. For these reasons, the Board has concluded that this individual should serve as a director of the Company.

Mr. Bohuny's 19 years of experience in the real estate business, particularly land development and building, and his background in the equity and fixed income markets, led the Board to conclude that this individual should serve as a director of the Company.

Ms. Deacon's over 30 years of extensive experience in the real estate development process, building contracting, property management and sales, her service to a number of community associations, her reputation in the broader business community as well as in the local real estate markets and her dedication to the Company and Lakeland Bank led the Board to conclude that this individual should serve as a director of the Company. Ms. Deacon is responsible for the planning and administration of numerous operating companies, three condominium associations and an equipment leasing entity. Her past participation in the state and local real estate associations includes leadership positions and committee experience in ethics, professional standards, strategic planning and governance. Ms. Deacon is committed to enhancing her professional participation as a director of Lakeland and frequently attends continuing education seminars and institutes applicable to directors of banks and bank holding companies. During her 16 year tenure at Lakeland, she has served on every committee

of the Board. In January 2010, she was elected Vice Chairman of the Board of the Company and Lakeland Bank and in May 2011, she was elected Chairman of the Board of the Company and Lakeland Bank.

Mr. O Dowd's knowledge of the banking industry, gained through his service as a director of Lakeland for 14 years and for the 12 years prior to his joining Lakeland, as a director of Metropolitan State Bank, his experience and reputation in the business community and his civic service led the Board to conclude that this individual should serve as a director of the Company. He is president of his own advertising company, a partner in two real estate holding companies and the former owner and operator of a food manufacturing business. He is the director of the Montville Chamber of Commerce, a past president of the Montville Kiwanis Club and has served as Deputy Mayor and on the Planning Board of Montville Township.

Mr. McCracken's knowledge of the banking industry, his over 15 years of service on the boards of various banks (including serving on the Company's Board since 2004 and Lakeland Bank's Board since 2008), his business experience as an owner and operator of various businesses and real estate within Lakeland's footprint, his reputation in the community as a lifelong resident within Lakeland's footprint, his many long standing relationships with the Company's non-institutional shareholder base and his involvement in many non-profit and local charities (including serving as Chairman of the Newton Medical Center Advisory Board and member of the Board of Atlantic Health Systems) led the Board to conclude that this individual should serve as a director of the Company.

Mr. Shara's over 30 years of experience in the banking industry, his stature and reputation in the banking and local community, and his service as President and CEO of the Company and Lakeland Bank since April 2008 led the Board to conclude that this individual should serve as a director of the Company. His knowledge and understanding of all facets of the business of banking, the leadership he has demonstrated at the Company and at prior institutions and his involvement in charitable and trade organizations make him extremely valuable as a Board member. Mr. Shara serves as a member of the Federal Reserve Bank of New York's Community Institutions Advisory Counsel, on the Board of Directors of the Commerce and Industry Association of New Jersey, the Board of Trustees of the Boys and Girls Club of Paterson and Passaic, New Jersey and the Board of Trustees of the Chilton Hospital Foundation. He also serves on the Board of Governors of the Ramapo College Foundation. Mr. Shara earned a Master's Degree in Business Administration as well as a Bachelor of Science Degree from Fairleigh Dickinson University.

Mr. Tilton's extensive and diverse experience in the financial markets and knowledge of financial instruments, including his current positions as Chairman and Chief Executive Officer of Tilton Securities, LLC, led the Board to conclude that this individual should serve as a director of the Company. This experience also includes serving as Chairman of GovPx, a company organized by dealers and brokers in 1990, which provides financial prices on all U.S. Treasury securities, including MBS securities, playing a significant role in establishing a clearing house for all government securities trading globally, his expertise on interest rates and derivative products and his involvement in establishing various federal funds markets between 1967 and 1985. Additionally, Mr. Tilton serves as president of Tilton Automotive Group, which consists of two automotive dealerships in northern New Jersey.

### Stock Ownership Guidelines for Executive Officers

During 2010, the Board, through the Compensation Committee, adopted executive officer stock ownership guidelines which established certain goals that current executive officers own or otherwise control, at a minimum, the following number of shares or share equivalents of Company stock within the next three years: for the President and Chief Executive Officer, 100,000 shares; for Senior Executive Vice Presidents, 50,000 shares;

and for Executive Vice Presidents, 25,000 shares. New executive officers would be expected to attain the prescribed goals within three years from the date of promotion or joining the Company. The Compensation Committee periodically reviews these stock ownership goals.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder require Lakeland's directors, executive officers and 10% shareholders to file with the SEC certain reports regarding such persons' ownership of Lakeland's securities. Lakeland is required to disclose any failures to file such reports on a timely basis. Based solely upon a review of the copies of the forms or information furnished to Lakeland, Lakeland believes that during 2011, all filing requirements applicable to its directors and officers were satisfied on a timely basis.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### *Our Compensation Objectives and the Focus of Our Compensation Rewards*

Our compensation program is designed to attract highly qualified individuals, retain those individuals in a competitive marketplace for executive talent and reward performance in a manner that maximizes our corporate performance while ensuring that these programs do not encourage unnecessary or excessive risks that threaten the value of our Company. We seek to align individual executives' performance and their long-term interests with our long-term strategic business objectives and shareholder value. We believe that the combination of executive compensation that we provide fulfills these objectives and motivates key executives to remain with the Company for productive careers.

Currently, our executive compensation program has three key elements: (i) salary; (ii) long-term equity incentives; and (iii) other executive retirement benefits and perquisites. We annually review our mix of short term performance incentives versus long term incentives and seek a reasonable balance of those incentives, while maintaining discretion over the compensation plans.

Our compensation philosophy is determined by our Board of Directors, based upon the recommendations of the Compensation Committee, which is comprised solely of independent directors. Our Chief Executive Officer makes recommendations to the Compensation Committee concerning the compensation of our other executive officers, but does not participate in establishing his own compensation.

The guiding principle of our compensation philosophy is that the compensation of our executive officers should be based primarily on the financial performance of the Company, and partially on individual performance. While this pay-for-performance philosophy requires the Compensation Committee to first consider the Company's profitability, the Committee does not intend to reward unnecessary or excessive risk taking. These principles are reflected in the specific elements of our compensation program, particularly our incentive bonus program, as described below.

#### *Specific Elements of Our Compensation Program*

We have described below the specific elements of our compensation program for executive officers.

**Salary.** We believe that a key objective of our salary structure is to maintain reasonable fixed compensation costs, while taking into account the performance of our executive officers.

Thomas J. Shara serves as President and Chief Executive Officer of the Company and Lakeland Bank under an employment agreement which provides that Mr. Shara will receive an annual base salary of at least \$400,000. See Employment Agreements and Other Arrangements with Executive Officers for a description of Mr. Shara's employment agreement, as well as descriptions of certain other agreements entered into with the other executive officers named in our summary compensation table. (Mr. Shara and the other executive officers named in our summary compensation table are referred to as the Named Executive Officers.) The Compensation Committee decided to increase Mr. Shara's salary from \$450,000 in 2010 to \$500,000 in 2011 because of his continuing leadership and performance.

**Long-Term Equity Incentive Compensation and Equity Ownership.** The Company's shareholders approved the Lakeland Bancorp, Inc. 2009 Equity Compensation Program (referred to as our Equity Compensation Program) at the Company's 2009 annual meeting of shareholders. The 2009 Equity Compensation Program replaced the 2000 Equity Compensation Program, which was scheduled to expire on February 8, 2010.

Our Equity Compensation Program permits the Company to grant stock options, restricted stock awards and restricted stock unit awards. Stock options previously have been granted to our executive officers at an exercise price equal to the then current market price of our Common Stock. Stock options,

restricted stock awards and restricted stock unit awards may be recommended by the Compensation Committee and granted by the Board under the Equity Compensation Program on a discretionary basis, taking into account the Company's financial performance and each executive's contribution to such performance.

*Repricing of Stock Options.* Pursuant to the Company's Corporate Guidelines, the Board previously had considered the issue of repricing stock options and determined not to reprice stock options issued by the Company by reducing the option's exercise price. No further changes regarding this determination have been considered by the Board.

*Other Incentive Compensation.* In 2011, each of the Named Executive Officers had an opportunity to earn other incentive compensation, based on the achievement of specific performance targets. For Mr. Shara, the Company's President and Chief Executive Officer, and Mr. Vandenberg, the Company's Senior Executive Vice President and Chief Operating Officer, this incentive compensation was based 75% on the achievement of Company goals, including a net income performance target and favorable comparison of certain financial metrics to selected peer bank holding companies having total assets between \$2 billion and \$5 billion, and 25% on the achievement of individual goals. For Mr. Hurley, the Company's Chief Financial Officer, this incentive compensation was based 70% on the achievement of Company goals and 30% on the achievement of individual goals. For the other Named Executive Officers, this incentive compensation was based 65% on the achievement of Company goals and 35% on the achievement of individual goals. The individual performance criteria included an assessment of the executive's leadership and contributions to revenue enhancement, cost containment efforts, loan and deposit growth and maintenance of credit quality.

For 2011, the Company's net income performance target was \$20.9 million before U.S. Treasury Troubled Asset Relief Program (TARP) Capital Purchase Program expenses, or \$18.5 million after such expenses (the Net Income Target). Under the 2011 plan, for each full percentage point by which actual 2011 net income fell below the Net Income Target, the bonus amount payable would decrease by 5.4%, provided that if actual 2011 net income was less than 80% of the Net Income Target, no incentive compensation would be payable under this portion of the 2011 plan. For each full percentage point by which actual 2011 net income exceeded the Net Income Target, the incentive compensation amount payable would increase by 1.8%, up to the maximum amounts set forth in the table below. The Company's 2011 net income before TARP Capital Purchase Program expenses was \$19.7 million, and \$17.7 million after such expenses. As a result, the Company paid 72.25% of the incentive payments budgeted for the Net Income Target portion of the 2011 plan.

The companies selected for the 2011 peer group financial metrics comparison included: Financial Institutions, Inc., Hudson Valley Holding Corp., OceanFirst Financial Corp., Provident New York Bancorp, Inc., S&T Bancorp, Inc., Sandy Spring Bancorp, Inc., Sterling Bancorp, Inc., Sun Bancorp, Inc., Tompkins Financial Corp. and Univest Corp. of Pennsylvania. The three financial metrics selected for peer comparison purposes (Peer Comparison Goals) were: (1) net income margin, (2) efficiency ratio and (3) earnings per share growth ratio, as determined before taxes, provision and TARP Capital Purchase Program expenses. Based upon the foregoing metrics, the Company paid 100% of the incentive payments budgeted for the Peer Comparison Goals portion of the 2011 plan.

For 2011, the Company established a minimum performance threshold of 85% attainment of individual goals for payment eligibility under this portion of the 2011 plan. Each of the Named Executive Officers met or exceeded the threshold for eligibility under the individual goal portion of the 2011 plan, which resulted in the Company paying 95.12% of the incentive payments budgeted for the individual goals portion of the 2011 plan.

Based on the achievement of these performance goals for 2011, on January 30, 2012, the Company granted incentive compensation to Mr. Shara and the other Named Executive Officers in the form of restricted stock awards. The minimum (threshold), target and maximum bonus amounts that each Named Executive Officer could have received, and the actual amounts paid, are as follows:

Name	Estimated Future Payouts Under Equity Incentive Plan Awards (1)			Restricted Stock Awards
	Threshold (\$)	Target (\$)	Maximum (\$)	Granted January 2012 (1) (\$)
(a) Thomas J. Shara	119,778	225,000	250,000	187,538
Joseph F. Hurley	52,417	93,800	116,495	79,484
Robert A. Vandenberg	68,140	128,000	159,230	105,088
Ronald E. Schwarz	38,894	69,600	86,440	58,977
Louis E. Luddecke	38,138	68,250	84,763	57,833

- (1) The amounts in the columns above are denominated in dollars, although the payouts were made in grants of restricted stock awards under the Company's 2009 Equity Compensation Program. The Named Executive Officers received the following restricted stock awards on January 30, 2012: Mr. Shara: 18,679 shares, Mr. Hurley: 7,917 shares; Mr. Vandenberg: 10,467 shares; Mr. Schwarz: 5,874 shares; and Mr. Luddecke: 5,760 shares. Subject to the 2009 Equity Compensation Program, the shares of restricted stock subject to each award vest as follows: 45% on January 30, 2014, 45% on January 30, 2015, and 10% on January 30, 2017. The dollar amounts under the caption "Restricted Stock Awards Granted January 2012" refer to the aggregate grant date fair value computed in accordance with FASB ASC Topic 718. As these restricted stock awards were granted in 2012, they do not appear in the summary compensation table or the other compensation tables set forth in this proxy statement.

*Other Elements of Compensation for Executive Officers.* In order to attract and retain qualified executives, we provide executives with a variety of benefits and perquisites, consisting primarily of retirement benefits through our 401(k) and various retirement plans, executive life insurance, and the use of automobiles. Details of the values of these benefits and perquisites may be found in the footnotes and narratives to the summary compensation table. The Company has also entered into Supplemental Executive Retirement Plan Agreements with Mr. Shara and Mr. Vandenberg. See "Employment Agreements and Other Arrangements with Executive Officers."

*Employment and Other Agreements.*

Our agreements with the Named Executive Officers are described later in this proxy statement. See "Employment Agreements and Other Arrangements with Executive Officers."

*Compliance with Sections 162(m) and 409A of the Internal Revenue Code*

Section 162(m) of the Internal Revenue Code denies a deduction to any publicly held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation exceeds \$1,000,000 for a covered employee. Certain performance-based compensation that has been approved by our shareholders is not subject to this limitation. As a result, stock options granted under our Equity Compensation Program are not subject to the limitations of Section 162(m). However, restricted stock awards granted under our Equity Compensation Program generally will not be treated as performance-based compensation. Restricted stock award grants made to date under the Equity Compensation Program have not been at levels that, together with other compensation, approached the \$1,000,000 limit. Also, since we retain discretion over cash bonuses, those bonuses also will not qualify for the exemption for performance-based compensation.

It is our intention to maintain our executive compensation arrangements in conformity with the requirements of Section 409A of the Internal Revenue Code, which imposes certain restrictions on deferred compensation arrangements.

*Prior Participation in the Treasury's Capital Purchase Program*

In February 2009, the Company received \$59,000,000 under the U.S. Treasury's Troubled Asset Relief Program (TARP) Capital Purchase Program. Participants in the Program were required to accept several compensation-related limitations associated with the Program. In February, 2012, the Company redeemed the remaining outstanding shares of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series A and the Warrant that had been issued to the U.S. Treasury under the Capital Purchase Program and, accordingly, the Company is no longer subject to the compensation-related limitations imposed upon participants in the Program.

**Summary of Cash and Certain Other Compensation**

The following table sets forth, for the three years ended December 31, 2011, 2010 and 2009, a summary of the compensation earned by Thomas J. Shara, our President and Chief Executive Officer, Joseph F. Hurley, our Chief Financial Officer, and our three other most highly compensated executive officers for 2011. We refer to the executive officers named in this table as the Named Executive Officers. The Named Executive Officers did not receive any compensation from non-equity incentive plans with respect to performance during 2011.

**Grant of Plan Based Awards**

During 2011, the only equity incentive plan awards to our Named Executive Officers were restricted stock awards granted in January 2011 based on 2010 performance. The information in the table below under columns (b), (i) and (l) pertain to these grants. The Named Executive Officers did not receive awards in 2011 under any non-equity incentive plan. The following table shows amounts that could have been earned under the Company's 2011 incentive bonus plan. The amounts in the columns under Estimated Future Payouts Under Equity Incentive Plan Awards are denominated in dollars, although the applicable payouts were made in grants of restricted stock awards in January 2012 under the Company's 2009 Equity Compensation Program. As the actual restricted stock awards were made in 2012, they are not included in the Summary Compensation Table contained herein. For a description of the Company's 2011 incentive compensation plan, including the various performance targets, and the payouts that were made in January 2012, see "Other Incentive Compensation" under the "Compensation Discussion and Analysis."

The following table sets forth, for each of the Named Executive Officers, information regarding stock options exercised during 2011 and stock awards vested during 2011. As indicated, none of the Named Executive Officers exercised options during 2011. The phrase "value realized on exercise" represents the number of shares of Common Stock set forth in column (b) multiplied by the difference between the market price of our Common Stock on the date of exercise and the Named Executive Officer's exercise price. Similarly, the phrase "value realized on vesting" represents the number of shares of Common Stock set forth in column (d) multiplied by the market price of our Common Stock on the date on which the Named Executive Officer's stock award vested.

The National Bank of Sussex County ( "NBSC" ) entered into a salary continuation agreement during 1996 with Mr. Vandenberg, its president, which entitled him to certain payments upon his retirement. As part of the merger of the Company and NBSC's parent (High Point Financial Corp.) in July 1999, the Company placed in trust amounts equal to the present value of the amounts that would be owed to Mr. Vandenberg in his retirement. This amount was \$381,000. The earnings for 2011 were \$23,119 and the aggregate balance of the trust at December 31, 2011 was \$265,609. We have no further obligation to pay additional amounts pursuant to this agreement. The \$17,611 withdrawn in 2011 was used to pay the premium for additional life insurance and trustee fees for Mr. Vandenberg. In December 2008, the salary continuation agreement with Mr. Vandenberg was amended to comply with Section 409A of the Internal Revenue Code of 1986, as amended.

NBSC also provided Mr. Vandenberg with a split dollar life insurance death benefit, pursuant to which his beneficiary will receive an amount equal to three times his last salary. The one time premium for such insurance was paid prior to 2011.

**Employment Agreements and Other Arrangements with Executive Officers**

Thomas J. Shara joined the Company as President and Chief Executive Officer of Lakeland and Lakeland Bank on April 2, 2008. On May 22, 2008, Lakeland, Lakeland Bank and Mr. Shara, executed an Employment Agreement (the "Employment Agreement") and a Supplemental Executive Retirement Plan Agreement (the "SERP"). Both the Employment Agreement and the SERP are effective as of April 2, 2008.

The Employment Agreement provides that Mr. Shara will be employed as President and Chief Executive Officer of the Company and Lakeland Bank for a term commencing on April 2, 2008 (the "Effective Date") and expiring on April 1, 2011 (the "Initial Term"). The Initial Term will automatically be extended for an additional one year period on each anniversary date of the Effective Date, unless on or before each such anniversary date either party provides written notice to the other of its (or his) intent not to extend the then current term, provided, however, that on and after the 15th anniversary of the Effective Date, if Mr. Shara remains employed, his employment will be on an at-will basis. The Initial Term and any renewal period through the 15th anniversary of the Effective Date collectively are referred to as the "Term".

The Employment Agreement further provides that Mr. Shara will be nominated for election (i) as a member of Lakeland Bank's Board of Directors at each annual meeting of the sole shareholder of Lakeland Bank occurring during the Term and (ii) as a member of the Company's Board of Directors at each annual meeting of shareholders of the Company at which Mr. Shara's term as a director of the Company expires occurring during the Term. Mr. Shara initially was appointed to the Lakeland Bank Board and the Company Board on April 2, 2008, and was nominated to stand for election at the Company's 2008 annual meeting of shareholders for a term of two years, at which he was so elected. He was nominated and elected for a three year term at the 2010 Annual Meeting.

The Employment Agreement provides that Mr. Shara will receive a base salary of not less than \$400,000 per year. He will participate in the executive bonus program as approved annually by the Company's Board. Upon joining the Company on April 2, 2008, Mr. Shara received a restricted stock award of 60,000 shares. A total of

25% of such restricted shares vested or will vest on each of December 1, 2009, December 1, 2010, December 1, 2011 and December 1, 2012, provided that Mr. Shara is an employee of the Company or Lakeland Bank on the respective vesting date. The Employment Agreement also provides that Mr. Shara will be entitled to participate in all employee benefit plans or programs, including without limitation the 401(k) Plan and Profit Sharing Plan, and to receive all benefits and perquisites, including without limitation an automobile, which are approved by the Boards of the Company and Lakeland Bank and are generally made available to executive officers of the Company, to the extent permissible under the general terms and provisions of such plans or programs.

The Employment Agreement provides that if Mr. Shara's employment is terminated during the Term by the Company without Cause (as contractually defined) or Mr. Shara resigns for Good Reason (as contractually defined), Mr. Shara will receive a severance payment equal to 36 months of his annual base salary at the rate in effect as of the termination date. In addition, all of Mr. Shara's restricted shares and stock options (to the extent not already vested) will become fully vested, and he will be permitted to exercise any such option for the period specified in the Company's equity compensation plan as in effect at such time. He will also be entitled to the continuation of certain medical benefits. However, if within 90 days following a Change in Control (as contractually defined), Mr. Shara's employment is terminated without Cause or he resigns for Good Reason, then he will receive a severance payment equal to three times the sum of (a) an amount equal to his annual base salary at the rate in effect as of the termination date, plus (b) an amount equal to the highest annual bonus paid to Mr. Shara during the last three years prior to the his termination date.

The Employment Agreement provides that in the event it is determined that any payment or benefit made or provided by the Company or Lakeland Bank pursuant to the terms of the Employment Agreement or otherwise would be subject to the excise tax (the "Excise Tax") imposed by Section 4999 of the Internal Revenue Code, then Mr. Shara will be entitled to receive an additional payment from the Company (a "Gross-Up Payment") such that the net amount received by Mr. Shara after deduction of such Excise Tax and any federal, state and local income tax, penalties, interest and Excise Tax upon the Gross-Up Payment will be equal to the payments otherwise payable to him under the terms of the Employment Agreement. Mr. Shara also agrees in the Employment Agreement not to compete with Lakeland Bank's business for a 12 month period following termination of employment in a geographic area equal to 20 miles from any of Lakeland Bank's branches at the time of Mr. Shara's termination of employment.

The SERP provides that Mr. Shara will receive a normal retirement benefit of \$150,000 per year for 15 years upon termination of his employment after the normal retirement age of 65. The benefit will be paid in monthly payments of \$12,500 each. The SERP further provides that if, prior to a Change in Control, Mr. Shara resigns his employment with the Company or Lakeland Bank for Good Reason, his employment with the Company or Lakeland Bank terminates due to disability, or his employment with the Company or Lakeland Bank is terminated by the Company or Lakeland Bank other than for Cause, he will receive the same benefit of \$150,000 per year for 15 years, payable in monthly payments of \$12,500 each, commencing with the month following Mr. Shara's 65th birthday. If Mr. Shara is employed by the Company or Lakeland Bank at the time of a Change in Control, he will receive the same benefit, beginning with the month following his 65th birthday. If Mr. Shara should die while employed, his beneficiary will receive the same monthly payment described above for the period specified, except that such payments will commence within 60 days of receipt of a death certificate. If Mr. Shara should die after the benefit payments have commenced but before receiving all such payments, the Company will pay the remaining benefits to his beneficiary at the same time and in the same amounts they would have been paid to Mr. Shara had he survived. The SERP provides that Mr. Shara is not entitled to any benefit under the SERP if (i) the Company terminates his employment for Cause, or (ii) he resigns his employment with the Company other than for Good Reason prior to the earlier of attaining age 65 or a Change in Control. Amounts payable under the SERP are subject to the same gross up provisions as are applicable under the Employment Agreement. Amounts payable under both the Employment Agreement and the SERP may be delayed in order to comply with Section 409A of the Internal Revenue Code.

Lakeland and Lakeland Bank also entered into agreements, dated March, 2001 and as amended by agreements dated March 10, 2003, with each of Messrs. Hurley, Vandenberg and Luddecke (each, an

Executive ) providing for certain terms and conditions of their employment in the event of a change in control (each a Change in Control Agreement ). Under such Change in Control Agreements, the term of each Executive s employment becomes fixed for a period (the contract period ) ending on the earlier of the Executive s death, attainment of age 65, or the second anniversary of the date of such change in control. During the contract period, each Executive is to be employed in the same position as held by him immediately prior to such event, and is entitled to base salary equal to the annual salary in effect immediately prior to the change in control and bonus equal to the highest annual bonus paid during the three most recent fiscal years prior to the change in control. In addition, during the contract period, each Executive is entitled to certain other benefits and perquisites as in effect as of the change in control. If during the contract period, an Executive s employment is terminated without cause , or he resigns for good reason (each as defined in the Change in Control Agreement), he will be entitled to continued life and health insurance benefits for the balance of the contract period and a lump sum cash payment equal to two times the sum of his highest salary and bonus paid to him during any of the three most recent calendar years prior to the change in control. For purposes of each Change in Control Agreement, the term change in control has the same meaning as under the Equity Compensation Program. Each Change in Control Agreement contains confidentiality and non-compete covenants in favor of Lakeland. Mr. Luddecke attained age 65 in November 2011, at which time his Change in Control Agreement expired pursuant to its terms.

In December 2008, the Change in Control Agreements with each of Messrs. Hurley, Vandenberg and Luddecke were amended to comply with Section 409A of the Internal Revenue Code. The amendments provide for a six month payment delay and interest paid during that six month payment delay period, in accordance with Section 409A.

Lakeland and Lakeland Bank entered into a Change in Control Agreement with Mr. Schwarz, dated as of June 12, 2009, which contains provisions comparable to those contained in the Change in Control Agreements for Messrs. Hurley, Vandenberg and Luddecke.

The Company entered into a Supplemental Executive Retirement Plan ( SERP ) agreement, dated December 23, 2008, with Mr. Vandenberg. The SERP provides that Mr. Vandenberg will receive a normal retirement benefit of \$90,000 per year for 10 years upon termination of his employment after the normal retirement age of 65. The benefit will be paid in monthly payments of \$7,500 each. The SERP further provides that if, prior to a change in control Mr. Vandenberg resigns his employment with the Company or Lakeland Bank for Good Reason (as defined), his employment with the Company or Lakeland Bank terminates due to disability or his employment with the Company or Lakeland Bank is terminated by the Company or Lakeland Bank other than for Cause (as defined), he will receive the same benefit of \$90,000 per year for 10 years, payable in monthly payments of \$7,500 each, commencing with the month following Mr. Vandenberg s 65th birthday. If Mr. Vandenberg is employed by the Company or Lakeland Bank at the time of a change in control, he will receive the same benefit, beginning with the month following his 65th birthday. If Mr. Vandenberg should die while employed, his beneficiary will receive the same monthly payment described above for the period specified, except that such payments will commence within 60 days of receipt of a death certificate. If Mr. Vandenberg should die after the benefit payments have commenced but before receiving all such payments, the Company will pay the remaining benefits to his beneficiary at the same time and in the same amounts they would have been paid to Mr. Vandenberg had he survived. The SERP provides that Mr. Vandenberg is not entitled to any benefit under the SERP if (i) the Company terminates his employment for Cause, or (ii) he resigns his employment with the Company other than for Good Reason prior to the earlier of attaining age 65 or a change in control. Amounts payable under the SERP may be delayed in order to comply with Section 409A.

Had each of the Named Executive Officers terminated employment as of December 31, 2011 in connection with a change in control, either through a termination by the Company (or a successor entity) without Cause or by the executive for Good Reason (as defined in the applicable agreements described above), the estimated amounts that each Named Executive Officer would have been entitled to receive under their respective agreements are as follows: for Mr. Shara: \$4,113,227; for Mr. Hurley: \$680,835; for Mr. Vandenberg:

\$1,706,312; for Mr. Schwarz: \$570,423; and for Mr. Luddecke: \$0. The above amounts for Messrs. Shara and Vandenberg include the aggregate value of the respective SERP payments that each would receive beginning at age 65, which amounts are \$2,250,000 and \$900,000 but which have a present value of accumulated benefit of \$261,998 and \$212,774, respectively. See Pension Plans for a description of the present value of accumulated benefits.

See Deferred Compensation for a description of a salary continuation agreement with Mr. Vandenberg.

### **Board Leadership Structure and Role in Risk Oversight**

The Company currently has, and historically has had, a Chairman of the Board, separate from the Chief Executive Officer. The Board believes it is important to have an independent director in a Board leadership position at all times. The Chairman provides leadership for the Board. Having an independent Chairman enables non-management directors to raise issues and concerns for Board consideration without immediately involving management. The Chairman also serves as a liaison between the Board and senior management. The Company's Board has determined that the current structure, an independent Chairman, separate from the Chief Executive Officer, is the most appropriate structure at this time, as it ensures that, at all times, there will be an independent director in a Board leadership position.

The full Board of Directors is responsible for and regularly engages in discussions about risk management and receives reports on this topic from executive management, other officers of the Company and the Chairman of the Audit Committee. While the Board of Directors oversees risk management, management is responsible for the day-to-day risk management process, in connection with which management established an enterprise risk management committee on which two directors serve as Board liaisons. The Company believes that its Board leadership structure supports this approach to risk management.

During 2011, the Company's Senior Risk Officers (consisting of the Company's Internal Auditor, Director of Human Resources and General Counsel) evaluated all of the compensation plans in which the Company's employees, including executive officers, participate and reported on two separate occasions (in March and September) to the Compensation Committee that none individually, or taken together, was reasonably likely to have a material adverse effect on the Company. No component of compensation was considered to encourage undue risk. The Compensation Committee accepted the Senior Risk Officers' report. See Compensation Committee Report.

### **Board Independence; Committees**

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. NASDAQ adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. As noted below, the Board has determined that the members of the Audit Committee satisfy all such definitions of independence. The Board has also determined that the following members of the Board satisfy the NASDAQ definition of independence: Roger Bosma, Mary Ann Deacon, Brian Flynn, Mark J. Fredericks, Janeth C. Hendershot, Robert E. McCracken, Robert B. Nicholson, III, Joseph P. O'Dowd and Stephen R. Tilton, Sr. In March 2007, the Board of Directors created a new position of presiding director, whose primary responsibility is to preside over periodic sessions of the Board of Directors in which management directors do not participate. Mary Ann Deacon was appointed as the first presiding director in 2007, with Joseph P. O'Dowd serving as the presiding director in 2008, Stephen R. Tilton, Sr. serving as the presiding director in 2009 and George H. Guptill, Jr. serving as the presiding director in 2010. Mr. Guptill continued in that capacity until his retirement in May 2011. Since Mary Ann Deacon, who assumed the position of Chairman upon the retirement of John W. Fredericks at the 2011 Annual Meeting, is and has always been deemed an independent director, the Board believes it is not necessary to have a presiding director while Ms. Deacon is serving as Chairman.

During 2011, Lakeland's Board of Directors held 14 meetings. Lakeland's Board of Directors also maintains several Board committees, which include: Audit, Nominating and Governance and Compensation. In addition, the Board maintains an Independent Directors Committee, consisting of independent non-management directors, which met twice during 2011.

The Audit Committee, consisting of Joseph P. O'Dowd (Chairman), Robert E. McCracken, Brian Flynn and Roger Bosma, is responsible for reviewing the reports submitted by Lakeland's independent registered public accounting firm and internal auditor and for reporting to the Board on significant audit and accounting principles, policies, and practices related to Lakeland. The Audit Committee met four times in 2011.

Lakeland is required to disclose whether the Board of Directors has determined that a member of the Audit Committee is an audit committee financial expert, as that term is defined in rules adopted by the SEC, and, if not, why not. Lakeland's Board has determined that Brian Flynn, a director and member of the Audit Committee, is an audit committee financial expert. The Audit Committee has the authority to hire outside experts and consultants as it deems appropriate in carrying out its responsibilities.

The Nominating and Corporate Governance Committee consists of Robert E. McCracken (Chairman), Mark J. Fredericks and Robert B. Nicholson, III. This committee is responsible for interviewing potential candidates for election to the Board and for nominating individuals each year for election to the Board. In addition, this committee is responsible for developing, recommending to the Board and reviewing annually the Board's Corporate Governance Guidelines, including the Code of Ethics. This committee met five times in 2011.

The Compensation Committee, consisting of Janeth C. Hendershot (Chairman), Mark J. Fredericks, Robert B. Nicholson, III and Stephen R. Tilton, Sr., makes recommendations to the Board concerning compensation for Lakeland's executive officers and directors. The Compensation Committee also administers the Company's 2009 Equity Compensation Program. The Compensation Committee met six times in 2011. During 2011, Ms. Deacon also served on the Compensation Committee (as Chairman) until she was appointed Chairman of the Board of the Company in May 2011.

**Directors Compensation**

The following table sets forth certain information regarding the compensation we paid to each individual who served as a director of Lakeland during 2011, other than Thomas J. Shara. See the Summary Compensation Table for information regarding Mr. Shara. None of our directors received option awards or stock awards during 2011 or any compensation under any non-equity incentive plan. Messrs. John W. Fredericks and George H. Guptill, Jr. retired as of the 2011 Annual Meeting. Paul G. Viall, Jr. retired in January 2012, and was a member of the Audit and Nominating and Corporate Governance Committees during 2011.
