General Information about the Annual Meeting and Voting

Why are you receiving these proxy materials?

We are providing these proxy materials to you because our board of directors is asking (technically called soliciting) holders of our Common Stock to provide proxies to be voted at the Annual Meeting. The Annual Meeting is scheduled for June 1, 2012, commencing at 10:00 a.m., local time, at the Franklin Marriot Cool Springs, 700 Cool Springs Blvd., Franklin, Tennessee 37067. Your proxy will be used at the Annual Meeting or at any adjournment(s) of the meeting. The Notice of Annual Meeting of Stockholders, this Proxy Statement, and the enclosed proxy card are being mailed to stockholders beginning on or about May 1, 2012.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on the record date, April 4, 2012, may vote at the Annual Meeting. There were 56,867,928 shares of our Common Stock outstanding on April 4, 2012. During the ten days before the Annual Meeting, you may inspect a list of stockholders eligible to vote. If you would like to inspect the list, please call Mark R. Sullivan, our Secretary, at 9009 Carothers Parkway, Suite C-2, Franklin, Tennessee 37067 to arrange a visit to our offices.

What are the voting rights of the holders of our Common Stock?

Each outstanding share of our Common Stock will be entitled to one vote on each matter considered at the Annual Meeting.

How can you vote?

If you are a record holder, meaning your shares are registered in your name, you may vote or submit a proxy:

1. *By Mail* Complete and sign the enclosed proxy card and mail it in the enclosed postage prepaid envelope. Your shares will be voted according to your instructions. If you sign your proxy card but do not specify how you want your shares voted, they will be voted as recommended by our board of directors. Unsigned proxy cards will not be voted.
2. *In Person at the Meeting* If you attend the Annual Meeting, you may deliver a completed and signed proxy card in person or you may vote by completing a ballot, which we will provide to you at the Annual Meeting.

Beneficial Owners and Broker Non-Votes

Most of our stockholders hold their shares in street name through a stockbroker, bank, or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your stockbroker, bank, or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your stockbroker, bank, or other nominee on how to vote your shares. If you hold your shares in street name, your stockbroker, bank, or other nominee has enclosed a voting instruction card for you to use in directing your stockbroker, bank, or other nominee in how to vote your shares.

Stockbrokers, banks, or other nominees that are member firms of the New York Stock Exchange and who hold shares in street name for customers have the discretion to vote those shares with respect to certain matters if they have not received instructions from the beneficial owners. Stockbrokers, banks, or other nominees will have this discretionary authority with respect to routine matters such as the ratification of the appointment of our independent registered public accounting firm; however, they will not have this discretionary authority with respect to non-routine matters, including each of the other Annual Meeting proposals. As a result, with respect to

Table of Contents

these non-routine matters, if the beneficial owners have not provided instructions with respect to these non-routine matters (commonly referred to as broker non-votes), those beneficial owners' shares will be included in determining whether a quorum is present, but otherwise will not be counted. Thus, a broker non-vote will make a quorum more readily obtainable, but a broker non-vote will not otherwise affect the outcome of a vote on a proposal that requires a plurality of the votes cast in respect of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote or a majority of the voting power of the shares present in person or represented by proxy and entitled to vote. We encourage you to provide voting instructions to the organization that holds your shares.

Can you change your vote or revoke your proxy?

You may revoke your proxy at any time before your shares are voted at the Annual Meeting by: (1) notifying our Secretary, Mark R. Sullivan, in writing at 9009 Carothers Parkway, Suite C-2, Franklin, TN 37067, that you are revoking your proxy; (2) submitting new voting instructions using any of the methods described above; or (3) attending and voting by ballot at the Annual Meeting.

If you are the beneficial owner of shares held in street name, you must submit new voting instructions to your stockbroker, bank, or other nominee pursuant to the instructions you have received from them.

What is a proxy?

A proxy is a person you appoint to vote on your behalf. By using any of the methods discussed above, you will be appointing as your proxies Roger L. Davenport, our Chairman and Chief Executive Officer, and Ronald L. Scarborough, our Chief Financial Officer. They may act together or individually on your behalf, and will have the authority to appoint a substitute to act as proxy. If you are unable to attend the Annual Meeting, please use the means available to you to vote by proxy so that your shares of Common Stock may be voted.

How will your proxy vote your shares?

Your proxy will vote according to your instructions. If you choose to vote by mail and complete, sign, and return the enclosed proxy card but do not indicate your vote, your proxy will vote FOR the election of the nominated Class I Directors (Proposal 1), FOR Proposals 2 and 3 and marking the ONE year box with respect to Proposal 4. We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. However, on any other business that properly comes before the Annual Meeting, your proxies are authorized to vote on your behalf using their judgment.

What constitutes a quorum?

The holders of a majority of the voting power of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting, present in person or represented by proxy, constitutes a quorum. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Broker non-votes will be counted as present for the purpose of establishing a quorum. If a quorum is not present at the Annual Meeting by person or proxy, the person presiding at the meeting or stockholders holding a majority in voting power of the shares of our stock present in person or by proxy and entitled to vote thereat may adjourn the meeting to a date when a quorum is present. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

What vote is required to approve each matter and how are votes counted?

Proposal 1 Elect three Class I directors For Proposal 1, the election of three Class I directors, the nominees will be elected by a plurality of the votes cast in respect of the shares present in person or represented

Table of Contents

by proxy at the Annual Meeting and entitled to vote. This means that the nominees with the most votes for election will be elected. You may choose to vote or withhold your vote for such nominees. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of a director will not be voted with respect to the director indicated, although it will be counted for the purposes of determining whether there is a quorum.

Proposals 2 and 3 Ratify the selection by the Audit Committee of KPMG LLP as our independent registered public accounting firm and approve of the compensation of our named executive officers For Proposals 2 and 3, the affirmative vote of the majority of the voting power of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. A properly executed proxy marked **ABSTAIN** with respect to this proposal will not be voted, although it will be counted for purposes of determining the number of shares of Common Stock present in person or represented by proxy and entitled to vote. Accordingly, an abstention will have the effect of a negative vote.

Proposal 4 Approve the frequency of the advisory vote on the compensation of our named executive officers For purposes of ascertaining stockholder sentiment regarding whether the vote to approve the compensation of our Named Executive Officers should occur every one, two or three years, our board of directors will look to the frequency, if any, that receives a plurality of the votes cast in respect of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote. This means that the frequency with the most votes will be considered to be the sentiment of our stockholders.

Are there other matters to be voted on at the Annual Meeting?

We do not know of any other matters that may come before the Annual Meeting other than Proposals 1 through 4 included herein. If any other matters are properly presented at the Annual Meeting, the persons named as proxies in the accompanying proxy card intend to vote or otherwise act in accordance with their judgment on the matter.

Where can you find the voting results?

Voting results will be reported in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (SEC) within four business days following the Annual Meeting.

Who is soliciting proxies, how are they being solicited, and who pays the cost?

The solicitation of proxies is being made on behalf of our board of directors and we will bear the costs of the solicitation. We will be responsible for paying for all expenses to prepare, print, and mail the proxy materials to stockholders. In accordance with the regulations of the SEC, we will make arrangements with brokerage houses and other custodians, nominees, and fiduciaries to send proxies and proxy materials to their principals and will reimburse them for their reasonable expenses in so doing. In addition to the solicitation by use of the mails, our officers, directors, and employees may solicit the return of proxies by telephone or personal interviews. We may also retain a proxy solicitor if it appears reasonably likely that we may not obtain a quorum to conduct the Annual Meeting.

Who is our Independent Registered Public Accounting Firm, and will they be represented at the Annual Meeting?

KPMG LLP served as our independent registered public accounting firm for the fiscal year ended December 31, 2011 and audited our consolidated financial statements and our internal control over financial reporting for such fiscal year. KPMG LLP has been selected by the Audit Committee to serve in the same role and to provide the same services for the fiscal year ending December 31, 2012. We expect that one or more representatives of KPMG LLP will be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire, and will be available to answer appropriate questions after the meeting.

Table of Contents

Why are you being asked to ratify the selection of KPMG LLP?

Although stockholder approval of our Audit Committee's selection of KPMG LLP as our independent registered public accounting firm is not required, we believe that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Audit Committee has agreed to reconsider its selection of KPMG LLP, but will not be required to take any action.

How may you obtain additional copies of our Annual Report on Form 10-K or this Proxy Statement?

You may request a copy of our Annual Report on Form 10-K for the year ended December 31, 2011, or this Proxy Statement, to be sent to you for no charge, by writing to Mark R. Sullivan, our Secretary, at MModal Inc., 9009 Carothers Parkway, Suite C-2, Franklin, TN 37067.

Director Nomination Process

The process followed by our Nomination and Corporate Governance Committee to identify and evaluate candidates includes requests to members of our board of directors and others (including, where appropriate, professional search firms) for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates. In considering whether to recommend any candidate for inclusion in our board of directors' slate of recommended director nominees, including candidates recommended by stockholders, the Nomination and Corporate Governance Committee considers many factors. Our Nomination and Corporate Governance Committee does not have a diversity policy; however, its goal is to nominate candidates from a broad range of experiences and backgrounds who can contribute to our board of directors' deliberations by reflecting a range of perspectives, thereby increasing its overall effectiveness. In identifying and recommending nominees for positions on our board of directors, our Nomination and Corporate Governance Committee places primary emphasis on the candidate's personal and professional integrity, experience in corporate management, knowledge of our business and industry, experience as a board member of another publicly held company, diversity of experience in substantive matters pertaining to our business, and practical and mature business judgment. The Nomination and Corporate Governance Committee does not assign specific weights to particular factors and no particular factor is a prerequisite for each nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow our board of directors to fulfill its responsibilities. In the case of an incumbent director whose term of office is set to expire, the Nomination and Corporate Governance Committee reviews such director's overall service to the Company during the director's term. In the case of a new director candidate, the Nomination and Corporate Governance Committee reviews whether the nominee is independent, based on applicable listing standards of The NASDAQ Stock Market, LLC (NASDAQ) and applicable SEC rules and regulations, if necessary.

Stockholders may recommend individuals to the Nomination and Corporate Governance Committee for consideration as potential director candidates by timely submitting their name, along with the additional information and materials required by our by-laws, to our Nomination and Corporate Governance Committee at MModal Inc., 9009 Carothers Parkway, Suite C-2, Franklin, TN 37067, Attention: Secretary. Our by-laws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an

annual meeting of stockholders must provide timely notice of their proposal in writing to the corporate secretary. Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary date of the immediately preceding annual meeting of stockholders. Our by-laws also specify requirements as to the form and content of a stockholder's notice. Please see the section of this Proxy Statement "Stockholder Proposals for the 2013 Annual Meeting" for more information regarding the submission of stockholder nominations and other proposals.

Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nomination and Corporate Governance Committee will evaluate those candidates by following the same process, and applying the same criteria discussed above.

Board Leadership

Our board of directors does not have a policy on whether the chairman of the board and chief executive officer positions should be combined or separated. Our board of directors believes that it should have the flexibility to periodically determine the leadership structure that it believes is best for us.

Currently, the chairman of the board and chief executive officer positions are held by the same individual, Roger L. Davenport. We believe that our company, like many U.S. companies, has been well-served by this leadership structure. We believe that Mr. Davenport is a strong and effective leader, at both the company and board levels, who provides critical leadership for carrying out our strategic initiatives and confronting our challenges. He also serves as a bridge between the board and management, facilitating strong collaboration and encouraging open lines of communication with the board. Having Mr. Davenport serve as both chief executive officer and chairman of the board of directors demonstrates for our employees, suppliers, customers, and stockholders that we are under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations.

We do not have a lead independent director. We believe that the number of independent, experienced directors that make up our board of directors benefits the Company and its shareholders.

With respect to risk oversight, the overall duty of risk identification and management lies with our board of directors. To assist in this task, the board utilizes the Compensation Committee, the Nomination and Corporate Governance Committee, and the Audit Committee, which are comprised entirely of independent directors, to review and assess risks inherent in our business, as well as the effectiveness of communications within the Company and between management and our board of directors. See "Risk Assessment and Compensation Practices" below for a further discussion of our risk management policies with respect to our compensation programs.

Stockholder Communications with Directors

We have established a process for stockholders to send communications to the members of our board of directors. Stockholders may send such communications by mail addressed to our full board of directors, a specific member or members of the board, or to a particular committee of the board, at MModal Inc., 9009 Carothers Parkway, Suite C-2, Franklin, TN 37067, Attention: Secretary. All such communications will be opened by our Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to our board of directors or any individual director or group or committee of directors, our Secretary will make sufficient copies of the contents to send to such director or each director who is a member of the group or committee to which the envelope is addressed.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and holders of more than 10% of our Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock. Based solely on our review of copies of Section 16(a) reports furnished to us and representations made to us, we believe that during fiscal 2011 our officers, directors, and holders of more than 10% of our Common Stock complied with all Section 16(a) filing requirements, except as set forth in this paragraph. Lehman Brothers Commercial Corp. Asia Ltd, a holder of more than 10% of our Common Stock, failed to timely file one Form 4 reporting one transaction. Anthony D. James, our former Chief Financial Officer, Robert J. Greczyn, Jr, a director, and Andrew Ethan Vogel, a director, each failed to timely file one Form 3. Mark R. Sullivan, an executive officer, failed to timely file three Form 4s reporting, in the aggregate, six transactions, and one Form 3. Finally, Ronald L. Scarboro, an executive officer, failed to timely file one Form 4 reporting one transaction.

Certain Relationships and Related Transactions

The rules and regulations promulgated by the SEC require us to disclose in this Proxy Statement any transaction since January 1, 2011, or any currently proposed transaction, involving more than \$120,000 in which we are a participant and in which any related person has or will have a direct or indirect material interest. A related person is any executive officer, director, nominee for director, or holder of 5% or more of our common stock, or an immediate family member of any of those persons.

Registration Rights Agreement

In connection with our February 2011 initial public offering (IPO), we entered into a registration rights agreement dated February 4, 2011 by and among us and S.A.C. PEI CB Investment L.P., a Cayman Islands limited partnership (SAC CBI), S.A.C. PEI CB Investment II, LLC, a Delaware limited liability company (SAC CBI II) and International Equities (S.A.C. Asia) Limited, a company incorporated under the Companies Act of 2001 of Mauritius (SAC Asia and, collectively with SAC CBI and SAC CBI II and each of their respective affiliates, the SAC Stockholders) to provide registration rights with respect to shares of our common stock held by the SAC Stockholders and their affiliates (the Registration Rights Agreement). The Registration Rights Agreement provides them with an unlimited number of demand registrations and piggyback registration rights. In addition, the Registration Rights Agreement provides that the SAC Stockholders and their affiliates may request that we file a shelf registration statement beginning on the 181st day after the IPO. The Registration Rights Agreement also provides that we will pay certain expenses relating to such registrations and indemnify against certain liabilities.

Stockholders Agreements

In connection with the IPO, we entered into a stockholders agreement with the SAC Stockholders dated February 4, 2011 (the IPO Stockholders Agreement). The IPO Stockholders Agreement grants the SAC Stockholders and their affiliates the right to nominate to our board of directors a number of designees (SAC Directors), equal to: (i) three directors so long as they hold at least 20% of our voting power; (ii) two directors so long as they hold at least 10% of our voting power; and (iii) one director so long as they hold at least 5% of our voting power. The SAC Stockholders have the right to remove and replace SAC Directors at any time and for any reason and to nominate any individual(s) to fill any such vacancies.

In connection with a private exchange with certain former noncontrolling stockholders of our wholly owned subsidiary, MModal MQ Inc., whereby we issued 4.8 million shares of our Common Stock in exchange for 4.8 million shares of MModal MQ Inc. common stock, we entered into a stockholders agreement dated February 11, 2011 (the Private Exchange Stockholders Agreement), with the SAC Stockholders and the investors party to the private exchange. For so long as the SAC Stockholders have the right to nominate the SAC Directors, each Investor (as defined in the Private Exchange Stockholders Agreement) agrees, among other things (i) that for a period of one year from the closing under the private exchange and thereafter for so long as it owns at least three percent of our outstanding shares, it will vote all of its voting shares, or (as applicable) provide its written consent in respect thereof, in favor of the election of the SAC Directors to our board of directors and (ii) not to take any action that would cause the number of directors constituting the entire board of directors to be greater than nine without the prior written consent of SAC CBI.

Under the Private Exchange Stockholders Agreement, with respect to any underwritten public offering, each investor has agreed to a lock-up period of 90 days beginning on the effective date of any other public offering.

Merger Agreement

On August 18, 2011, we completed the acquisition of MultiModal Technologies, Inc. (MultiModal) through a series of mergers between MultiModal and direct wholly-owned subsidiaries of ours (the MultiModal Merger). As a result of the MultiModal Merger, MultiModal became a direct wholly-owned subsidiary of ours. Three of our current executive officers, Messrs. Finke, Fritsch and Koll, were employees and investors of MultiModal prior to the acquisition and are MultiModal accredited investors (the MultiModal Accredited Investors). On the closing date, we paid an aggregate of approximately \$49.0 million in cash to MultiModal's stockholders, optionholders and other third parties and issued an aggregate of 4,134,896 shares of our Common Stock to the MultiModal Accredited Investors. We are also obligated to pay up to approximately \$28.8 million of additional cash consideration in three installments of approximately \$16.3 million, \$4.8 million and \$7.7 million, respectively, following the first, second and third anniversaries of the Closing Date. Also on the Closing Date, we granted to certain of MultiModal's employees that become employees of ours up to \$10 million of restricted shares of our common stock.

The MultiModal Stockholders Agreement also provides the Multimodal Accredited Investors with piggyback registration rights to participate in certain public offerings of our Common Stock. In addition, Messrs. Policies and Procedures Regarding Review, Approval, or Ratification of Related Person Transactions

Historically, any transaction involving us and related persons was presented to, evaluated by and needed to be approved by the disinterested directors on our board of directors.

On January 28, 2011, our board of directors adopted a Related Party Transaction Policy which charges our Audit Committee (or the disinterested members of our board) with the responsibility of approving or ratifying all related party transactions. In addition, Related Party Transactions can be consummated or permitted to continue only if the transaction is on terms comparable to those that could be obtained in arm's length dealing with an unrelated third party. Transactions involving compensation of executive officers also requires approval by the Compensation Committee.

**Proposal 2 Ratify Selection of
Independent Registered Public Accounting Firm**

The Audit Committee selected the firm of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012. KPMG LLP has served as our independent registered public accounting firm since fiscal 2008. Although stockholder approval of the selection of KPMG LLP is not required, our board of directors believes that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Audit Committee has agreed to reconsider its selection of KPMG LLP, but will not be required to take any action.

Our board of directors recommends that stockholders vote FOR ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012.

Compensation Committee

Our Compensation Committee currently consists of Messrs. Nolan (Chairman), Greczyn and Wolf. The Compensation Committee is also required to review and recommend to our board of directors the total individual compensation package of

Edgar Filing: MModal Inc. - Form DEF 14A

each employee director and executive officer, including bonuses, incentive payments and stock options or other equity and equity-based awards. The Compensation Committee is also empowered to approve the design of all equity and equity-based incentive plans. None of the directors votes on decisions concerning his own compensation.

Compensation Philosophy

We provide our NEOs with incentives tied to the achievement of our corporate objectives.

Our Compensation Committee has established a total compensation philosophy and structure designed to accomplish the following objectives:

attract, retain and motivate executives who can thrive in a competitive environment of continuous change and who can achieve positive business results in light of challenging circumstances;

Table of Contents

provide executives with a total compensation package that recognizes individual contributions, as well as overall business results; and

promote and reward the achievement of objectives that our board of directors and management believe will lead to long-term growth in shareholder value.

To achieve these objectives, we intend to maintain compensation arrangements that tie a substantial portion of our NEOs' overall compensation to the achievement of our key strategic, operational and financial goals or to our individual business divisions, as applicable.

Setting Executive Officer Compensation

Board of Directors, Compensation Committee and Management

While our board of directors is responsible for determining and approving the compensation of our executive officers in its sole discretion, the Compensation Committee makes recommendations to our board of directors regarding:

the corporate and individual goals and objectives relevant to the compensation of our executive officers;

the evaluation of our corporate performance and the performance of our executive officers in light of such goals and objectives; and

the compensation of our executive officers based on such evaluations.

Our Chairman and Chief Executive Officer, our Senior Vice President of Human Resources and the Compensation Committee together review the performance of our executive officers, other than Mr. Davenport, and provide our board of directors with the results of the review and make recommendations to our board of directors for final approval with respect to the compensation of our executive officers. Our board of directors currently is, and will continue to be, responsible for setting the compensation of Mr. Davenport (currently determined pursuant to an employment agreement between us and Mr. Davenport) and evaluating his performance based on corporate goals and objectives. The terms of the agreement with Mr. Davenport were negotiated and approved by our board of directors. Our executive officers do not play a role in their own compensation determination, other than discussing individual performance objectives with our Chief Executive Officer.

Analysis of Market Compensation Data

In 2011, our Compensation Committee engaged Mercer, a compensation consulting firm that is a wholly-owned subsidiary of Marsh & McLennan Companies, Inc. (Mercer), to perform a total compensation benchmarking analysis for our top executive positions (including our named executive officers).

This benchmarking was also updated in February of 2012 by Mercer.

Table of Contents

In addition we requested that Mercer provide recommendations for our long term incentive plan and our management incentive plan. The Mercer benchmarking analysis included publicly available information for the following health care IT and business process outsourcing companies (collectively, Peer Companies) selected based on industry, revenue and EBITDA comparable to that of the Company:

Sykes Enterprise, Inc.	CGS Systems International, Inc.
Nuance Communications, Inc.	Cross Country Healthcare Inc.
Emdeon Inc..	American Reprographics Company
Standard Parking Corporation	Quality Systems Inc.
Allscripts Healthcare Solutions	Apac Customer Services, Inc.
Amn Healthcare Services, Inc.	Startek, Inc.
WNS Holding Limited	Atenahealth Inc.
Accretive Health Inc.	Transcend Services, Inc.

Mercer also utilized published compensation survey data, calibrated for our revenues and EBITDA, to get a broader industry perspective on market pay levels for functionally comparable positions.

Mercer's 2012 report included an analysis on (i) average base salary (ii) target total cash compensation (base and target bonus) (iii) long-term incentive compensation and (iv) total direct compensation (combined target total cash and long term incentive) for similarly situated executives based upon the analysis of the publicly available information for the Peer Companies. With respect to our current NEOs, the report concluded:

The total direct compensation of Mr. Davenport, our Chairman and Chief Executive Officer, is at the 75th percentile compared to our Peer Companies.

The total direct compensation of Mr. Scarboro, our Chief Financial Officer, is at the 50th percentile compared to our Peer Companies.

Edgar Filing: MModal Inc. - Form DEF 14A

The total direct compensation of Mr. Clark, our Executive Vice President of Sales, is at the 25th percentile compared to our Peer Companies.

The total direct compensation of Mr. Finke, our President, is at the 50th percentile compared to published compensation survey data (no comparable position data was available for our Peer Companies).

The total direct compensation of Kevin M. Piltz, our former Chief Information Officer, is at the 50th percentile compared to published compensation survey data (no comparable position data was available for our Peer Companies).

The Compensation Committee believes that providing compensation targeted within the percentile ranges above provides sufficient retention and incentive opportunities.

Elements of Compensation

Our executive compensation programs utilize five primary elements to accomplish the objectives described above:

base salary;

annual cash incentives linked to corporate and individual performance;

long-term incentives in the form of equity-based awards;

Table of Contents

severance and/or change in control benefits; and

perquisites.

We believe that we can meet the objectives of our executive compensation program by achieving a balance among these elements that is competitive with our industry peers and creates appropriate incentives for our NEOs. Actual compensation levels are a function of both corporate and individual performance as described under each compensation element set forth below.

Base salary

We provide our NEOs with base salary in the form of fixed cash compensation to compensate them for services rendered during the fiscal year. The salaries for our NEOs were negotiated at the time that they were hired and are set forth in their employment agreements, which were negotiated individually with each executive. The base salary of each of our NEOs is reviewed annually by our Compensation Committee to determine if any salary adjustments are appropriate. Generally, in making a determination of whether to make base salary adjustments, our Compensation Committee considers the following factors:

success in meeting our strategic operational and financial goals;

an assessment of such executive officer's individual performance; and

changes in scope of responsibilities of such executive officer.

In addition, our Compensation Committee considers internal equity within our organization and the aggregate levels of compensation earned by our NEOs.

2011 Base Salaries

None of our NEOs received base salary increases during 2011 in light of the difficult economic climate and because it was determined that the salaries were sufficient to retain and incentivize our executives.

2012 Base Salaries

After reviewing the results of the Mercer analyses described above and considering the salary adjustment factors detailed above, our Compensation Committee approved 2012 salary increases of \$17,500 for Mr. Scarboro and \$50,000 for Mr. Clark. The salary increases became effective on April 1, 2012.

The current base salaries of our NEOs (other than those who were no longer employed by us as of December 31, 2011) are as follows:

Name	2012 Base Salary Rate (\$)
Roger L. Davenport	\$ 500,000
Ronald L. Scarboro	\$ 367,500
Michael F. Clark	\$ 325,000
Michael Finke	\$ 325,000
Kevin M. Piltz ⁽¹⁾	\$ 280,000

(1) Mr. Piltz served as our Chief Information Officer from July 2011 until April 2, 2012. He will remain employed by us until July 1, 2012 to assist with the transition of responsibilities to our new Chief Information Officer, Albert Musciano.

Sign-On and Other Bonuses

Pursuant to the terms of his employment agreement, Mr. Scarboro received a cash signing bonus of \$300,000 in August 2011. Mr. Scarboro shall be required to repay the signing bonus, on a pro rata basis, to the

Table of Contents

Company in the event that his employment is terminated during the initial term, by the Company for cause or upon Mr. Scarborough's resignation without good reason.

Pursuant to the terms of Mr. Davenport's employment agreement, with respect to fiscal year 2011, he was to receive a guaranteed bonus equal to \$562,500. However, in order to fund the 2011 Plan (defined below) payments to the rest of the management team, Mr. Davenport agreed that he would forgo receipt of his guaranteed 2011 bonus in the amount of \$562,500.

Annual Cash Compensation Performance-Based Incentive Bonus Program

We believe that performance-based cash incentives play an essential role to motivate our NEOs to achieve defined annual goals. The objective of our annual management incentive plan is to:

align the interests of executives and senior management with our strategic plan and critical performance goals;

motivate and reward achievement of specific, measurable annual individual and corporate performance objectives;

provide payouts commensurate with corporate performance;

provide competitive total compensation opportunities; and

enable us to attract, motivate and retain talented executive management.

Our incentive bonus plan is designed to reward our executives for the achievement of pre-established annual financial targets and for personal performance.

2011 Management Incentive Plan

Each of our NEOs (other than Mr. Davenport who was not eligible to participate in 2011 because of his date of hire) was eligible to earn an annual bonus up to either a predetermined dollar amount or equal to a percentage of such executive's base salary, as set forth in each NEO's employment agreement. Our NEOs were eligible to earn their annual bonus based upon the achievement of a target performance measure under our 2011 Management Incentive Plan (2011 Plan).

In accordance with the 2011 Plan, our Compensation Committee, in its discretion, did not award Mr. Finke a prorated bonus under the 2011 Plan in recognition of his receipt of a bonus from MultiModal Technologies, Inc. in 2011 prior to our acquisition of MultiModal Technologies, Inc.
- (8) Represents 50% of Mr. Piltz's base salary. Mr. Piltz served as our Chief Information Officer from July 2011 until April 2, 2012. He will remain employed by us until July 1, 2012 to assist with the transition of responsibilities to our new Chief Information Officer, Albert Musciano.

The Compensation Committee recommended, and our board of directors approved, our 2011 Plan in November 2011, following our acquisition of MultiModal Inc. in the fiscal year.

Participation; Eligibility. All of our NEOs were eligible to participate in our 2011 Plan, provided they were still employed by us when bonus payments under the 2011 Plan were made.

Incentive Targets. Each of our executive officers was eligible to receive a target annual cash incentive award expressed as a percentage of his or her base salary for 2011 (Target Incentive). The table below entitled "Grants of Plan-Based Awards" (and, specifically, the information under the caption "Estimated Possible Payouts Under Non-Equity Incentive Plan Awards") illustrates target amounts of cash incentives that were potentially payable to our named executive officers with respect to 2011 performance under the 2011 Plan. Payouts ultimately depend on our performance and may be more or less than the Target Incentive. There was no maximum payout limit under the 2011 Plan.

Performance Measures under the 2011 Plan. Payment of incentive awards under the 2011 Plan was based solely on our achievement of an Adjusted EBITDA threshold established exclusively for the 2011 Plan. The 2011 Plan payout was funded dollar for dollar to the extent we exceeded the Adjusted EBITDA threshold established exclusively for the 2011 Plan. We exceeded the Adjusted EBITDA threshold established exclusively for the 2011 Plan in an amount that resulted in a funding of a pool equal 20% of the aggregate total of the target incentives for all 2011 Plan Participants. Adjusted EBITDA is a non-GAAP financial measure. Our board of directors calculated the Adjusted EBITDA achievement exclusively for the 2012 Plan as standard EBITDA, adjusted for any item of expense or income that was non-recurring and unrelated to normal operating activities.

The incentive awards discussed above resulted in the following payments to our named executive officers eligible to participate in the 2011 Plan:

NEO	2011 Plan Payment (\$)
Ronald L. Scarborough	13,125
Michael F. Clark	24,750
Michael Finke ⁽¹⁾	
Kevin M. Piltz	28,000

- (1) Mr. Finke's employment agreement provides that he was eligible to receive a prorated portion of his target annual bonus based upon the number of days in fiscal year 2011 that he was employed by us and if he

remained employed through the end of fiscal year 2011. In accordance with the 2011 Plan, our Compensation Committee, in its discretion, did not award Mr. Finke a prorated bonus under the 2011 Plan in recognition of his receipt of a bonus from MultiModal Technologies, Inc. in 2011 prior to our acquisition of MultiModal Technologies, Inc.

2012 Management Incentive Plan

The Compensation Committee recommended, and our board of directors approved, our 2012 Management Incentive Plan (2012 Plan) in March 2012. Individual target incentive amounts under the 2010 Plan remain unchanged from the 2011 Plan for all of our named executive officers.

As described below, the Adjusted EBITDA, Revenue, Adjusted EPS and Employee Satisfaction targets established exclusively for the 2012 Plan are based on certain internal normal operating financial goals set in connection with our board of directors' consideration and approval of our annual operating plan for 2012. The performance measures for the 2012 Plan and the relative weighting of the performance measures are:

50% of a participant's target incentive could be paid upon achievement of the 2012 Adjusted EBITDA target established exclusively for the 2012 Plan. 25% of the 2012 Adjusted EBITDA target established exclusively for the 2012 Plan must be achieved for any incentive under the 2012 Plan to be awarded. There is no maximum payout limit under the Adjusted EBITDA portion of the 2012 Plan;

20% of a participant's target incentive could be paid upon achievement of the 2012 Revenue target established exclusively for the 2012 Plan. 20% of a participant's target incentive could be paid upon achievement of the 2012 Adjusted EPS target established exclusively for the 2012 Plan.

10% of a participant's target incentive could be paid upon achievement of the 2012 Employee Satisfaction target established exclusively for the 2012 Plan.

We believe that the Adjusted EBITDA, Revenue, Adjusted EPS and Employee Satisfaction targets, although not guaranteed, will be capable of being achieved if we perform according to our 2012 annual operating plan and if the assumptions in our 2012 annual operating plan are proven correct.

Equity-Based Incentive Plans

Equity Incentive Awards

Our equity award program is the primary vehicle for offering long-term incentives to our NEOs. Historically, all of our equity awards have been in the form of stock options and restricted stock. We believe that equity-based compensation provides our NEOs with a direct interest in our long-term performance, creates an ownership culture and aligns the interests of our NEOs and our stockholders. Grants of stock options and restricted stock, including those to our NEOs, are approved by our board of directors or our Compensation Committee and are granted at an exercise price at or above the fair market value of our common stock on the date of grant. Options and restricted stock are generally subject to a time-based vesting schedule, which furthers our objective of employee retention, as it provides an incentive to our executives to remain in our employ during the vesting period.

Restricted Stock Granted Under the 2010 Equity Incentive Plan

Messrs. Davenport, Scarboro and Finke were awarded restricted stock under our 2010 Equity Incentive Plan, or the 2010 Plan, pursuant to the provisions of their employment agreements, and Messrs. Clark and Piltz were awarded restricted stock under the 2010 Plan in connection with the termination of the MModal MQ Inc. Long Term Incentive Plan. All of the restricted stock awards agreements under the 2010 Plan are subject to a clawback provision. If the grantee engages in fraud that results in a financial restatement for the Company or the grantee knowingly or through gross negligence engages in misconduct resulting in a financial restatement, the

Table of Contents

grantee will forfeit any or all of the shares of restricted stock granted to him or her. If he or she has sold the shares during the three-year period preceding the date on which the Company determines it needs to prepare a financial restatement, he or she will be required to repay to the Company the sales proceeds from the shares. The grantee will also be required to repay to the Company any amount in excess of what he or she should have received under the restricted stock award with respect to any sale or other disposition of the shares during the three-year period preceding the date on which the Company determines it needs to prepare a financial restatement.

Mr. Davenport's Restricted Stock Grant

In connection with the commencement of his employment and as set forth in his employment agreement, the Company granted Mr. Davenport 250,000 restricted shares of the Company's common stock pursuant to a restricted stock award agreement dated July 11, 2011, valued at \$13.20 per share on the date of grant, which shares vest one-third on the first anniversary of the grant, and one-sixth on each of the 18-month, 24-month, 30-month and 36-month anniversaries of the grant date, provided he remains continuously employed through that date and subject to full acceleration upon termination without cause, resignation with good reason or change in control of the Company.

Mr. Scarborough's Restricted Stock Grant

In connection with the commencement of his employment and as set forth in his employment agreement, the Company granted Mr. Scarborough 44,834 restricted shares of the Company's common stock pursuant to a restricted stock award agreement dated August 15, 2011, valued at \$10.26 per share on the date of grant, which shares will vest ratably every calendar quarter over three years, provided he remains continuously employed through that date and subject to full acceleration upon termination without cause or resignation with good reason. Vesting of the awards began as of December 31, 2011.

Mr. Finke's Restricted Stock Grant

Pursuant to the terms of his employment agreement and as set forth in his employment agreement, the Company granted Mr. Finke 195,894 restricted shares of the Company's common stock pursuant to a restricted stock award agreement dated August 18, 2011, valued at \$7.35 per share on the date of grant, which shares cliff vest three years from grant, subject to full acceleration upon (i) termination without cause, (ii) resignation with good reason, (iii) termination due to the executive's disability, (iv) the executive's death or (v) a change in control.

Messrs James, Clark and Piltz's Restricted Stock Grant

In connection with the termination of the MModal MQ Inc. Long Term Incentive Plan, on July 11, 2011 the Company granted restricted stock awards under the 2010 Plan to existing members of the Company's management, including Messrs. James, Clark and Piltz, and the restricted stock awards were valued at \$13.20 per share on the date of grant. The Company granted Mr. James 99,897 restricted shares of the Company's common stock, Mr. Clark 194,489 restricted shares of the Company's common stock and Mr. Piltz 122,835 restricted shares of the Company's common stock. The restricted stock awards granted to Messrs. James, Clark and Piltz vest ratably every calendar quarter over three years. Vesting of the awards began as of March 31, 2011. The shares of restricted stock become fully vested and non-forfeitable on a termination without cause or a voluntary departure for good reason. As Mr. James voluntarily resigned on October 1, 2011, he forfeited the 83,234 shares of restricted stock that had not vested as of October 1, 2011.

Severance and Change in Control Benefits

We have entered into severance arrangements with each of Messrs. Davenport, Scarborough, Clark, Finke and Piltz, as set forth in their respective employment agreements, and as discussed in detail under the heading

Table of Contents

Potential Payments Upon Termination Or Change-In-Control, below. These arrangements were determined on the basis of arm's length negotiations at the time we entered into the respective employment agreements with each of our NEOs. In general, the severance benefits are designed to provide economic protection to our key executives in order that they can remain focused on our business without undue personal concern in the event that an executive's position is eliminated or significantly altered. We recognize that circumstances may arise in which we may consider eliminating certain key positions that are no longer necessary, including in connection with a change in control transaction. These benefits are intended to provide the security needed for the executives to remain focused and reduce the distraction regarding personal concerns during a transition.

Our former Chairman and Chief Executive Officer, Robert Aquilina, our former President and Chief Executive Officer, Peter L. Masanotti, our former Chief Financial Officer, Anthony D. James, and our former Chief Financial Officer, Clyde Swoger, are no longer employed by us. Other than for Mr. James, who voluntarily resigned on October 1, 2011 and, therefore, is not entitled to any severance, the terms of their separation from us, including severance payments, are set forth in the agreements we entered into with them that are discussed in detail below under the heading Separation Arrangements with Former Executive Officers.

Benefits and Perquisites

We maintain broad-based benefits for all of our respective full-time employees, including health, dental, life and disability insurance, as well as our 401(k) plan. These benefits are offered to our NEOs on the same basis as all other employees, except that we provide, and pay the premiums for, additional long-term disability and life insurance coverage for our NEOs. In addition, Mr. Davenport's employment agreement with us provides that we will pay on his behalf, or reimburse him for, up to \$35,000 per year in personal financial planning expenses, tax preparation expenses or supplemental life insurance premiums.

Tax and Accounting Considerations

We structure our compensation program in a manner that is consistent with our compensation philosophy and objectives. Internal Revenue Code Section 162(m) (as interpreted by IRS Notice 2007-49) denies a federal income tax deduction for certain compensation in excess of \$1 million per year paid to the chief executive officer and the three other most highly-paid executive officers (other than the company's chief executive officer and chief financial officer) of a publicly-traded corporation. Certain types of compensation, including compensation based on performance criteria that are approved in advance by stockholders, are excluded from the deduction limit. Our policy will be to qualify compensation paid to our executive officers for deductibility for federal income tax purposes to the extent feasible. However, to recruit and/or retain highly skilled executives and remain competitive with other employers, our Compensation Committee will have the right to authorize compensation that would not otherwise be deductible under Section 162(m) or otherwise.

We endeavor to design our equity incentive awards in a manner that will result in equity accounting treatment under applicable accounting standards.

Tax and Accounting Considerations Affecting Executive Compensation

We structure our compensation program in a manner that is consistent with our compensation philosophy and objectives. However, while it is the Compensation Committee and our board of directors' general intention to design the components of our executive compensation program in a manner that is tax efficient for both us and our executives, there can be no assurance that the Compensation Committee or our board of directors will always approve compensation that is tax advantageous for us.

We endeavor to design our equity incentive awards conventionally, so that they are accounted for under standards governing equity-based arrangements and, more specifically, so that they are afforded fixed treatment under those standards.

Severance Payments Upon Termination of Employment

Roger L. Davenport

We entered into an employment agreement with Roger L. Davenport dated July 11, 2011 pursuant to which Mr. Davenport agreed to serve as our Chairman and Chief Executive Officer. The term of the agreement runs until July 31, 2014. The agreement renews automatically for successive one-year periods thereafter unless either party provides written notice that the term will not be extended.

In structuring Mr. Davenport's compensation, our board of directors considered the importance of motivating a new Chief Executive Officer to make a long-term commitment to us and to consistently grow the businesses. Mr. Davenport is entitled to receive an annual base salary of \$500,000 and, subject generally to Mr. Davenport's continued employment, an annual incentive bonus award based upon the achievement of performance objectives established by our board of directors of up to \$750,000. Pursuant to the terms of his employment agreement, with respect to fiscal year 2011, Mr. Davenport was to receive a guaranteed bonus equal to \$562,500. However, in order to fund the 2011 Plan payments to the rest of the management team, Mr. Davenport agreed that he would forgo receipt of his guaranteed 2011 bonus in the amount of \$562,500. Our board of directors and Compensation Committee are currently considering providing Mr. Davenport with an incremental restricted share grant to address Mr. Davenport's agreement to forgo his guaranteed 2011 bonus. In addition, the employment agreement provides that we will pay on his behalf, or reimburse him for his moving expenses incurred in connection with Mr. Davenport's relocation to the vicinity of Franklin, Tennessee and up to \$35,000 per year in personal financial planning expenses, tax preparation expenses or supplemental life insurance premiums. Pursuant to the terms of his employment agreement, Mr. Davenport received a restricted stock award grant 250,000 restricted shares of our common stock, which, as described more fully above generally vest, subject to Mr. Davenport's continued employment over a three year period. Any unvested restricted shares will become fully vested on a change in control.

The employment agreement provides that in the case of termination without cause (including our election not to extend the employment term) or resignation with good reason, Mr. Davenport is entitled to one-and-a-half times his base salary paid in monthly payments for a period of 12 months following the date of such termination, full vesting of all restricted stock, subsidized cost of COBRA continuation of his group health benefits (on the same basis as if he remained an employee) for 12 months, a payment of a pro-rata bonus for the year of termination, a payment of any annual bonus for the preceding fiscal year that was otherwise earned but unpaid as of the date of termination and an additional lump sum of \$35,000, each subject to his timely execution of a release. Additionally, if such termination of Mr. Davenport's employment occurs within 12 months following a change in control (as such term is defined in Mr. Davenport's employment agreement), Mr. Davenport will receive an additional lump sum payment equal to 12 months base salary, again subject to his timely execution of a release.

As used in Mr. Davenport's employment agreement with us, the term cause means the occurrence of any of the following: (1) his failure to substantially perform his material duties set forth in the employment agreement (other than as a result of total or partial incapacity due to physical or mental illness), for a period of 30 days following written notice by us to him of such failure, (2) willful dishonesty in the performance of his duties set forth in the employment agreement, (3) his conviction of, or plea of nolo contendere to a crime constituting a felony under the laws of the United States or any state thereof, (4) his willful malfeasance or willful misconduct in connection with his duties set forth in the employment agreement or any intentional act or intentional omission

Table of Contents

which is materially injurious to our financial condition or business reputation or any of our subsidiaries or affiliates or (5) his breach of the provisions in the employment agreement relating to non-competition, confidentiality and our intellectual property.

As used in Mr. Davenport's employment agreement with us, the term "good reason" means (1) breach by us of any material term of the employment agreement, or (2) any material diminution in his authority, title, reporting relationship or responsibilities; provided that any of the foregoing events shall constitute good reason only if (a) he notifies us in writing that an event constituting good reason has occurred, which notice shall be provided within 30 days after he first becomes aware of the occurrence of such event constituting good reason, (b) we fail to cure such event within 30 days after receipt of the written notice from him, and (c) he resigns employment within 30 days following expiration of our cure period.

The employment agreement also provides that in the event Mr. Davenport's employment is terminated due to his death or disability, he is entitled to receive a pro-rata portion of the bonus Mr. Davenport would have received, if any, if his employment had not so terminated and a payment of any annual bonus for the preceding fiscal year that was otherwise earned but unpaid as of the date of termination.

Mr. Davenport is also subject to certain restrictive covenants regarding non-competition, non-interference and non-solicitation of employees and consultants for a period of one year following termination of employment, and certain restrictive covenants regarding non-disclosure of confidential information and intellectual property.

Robert Aquilina

Employment Agreement

We entered into an employment agreement with Robert Aquilina on August 8, 2008 pursuant to which Mr. Aquilina previously served as our Chairman and Chief Executive Officer. Mr. Aquilina ceased serving as our Chief Executive Officer on March 16, 2011, ceased serving as our executive Chairman on June 30, 2011 and then continued to serve as our non-executive Chairman from July 1, 2011 to July 11, 2011. He thereafter served on our board of directors as a non-executive director until his resignation on November 21, 2011.

Pursuant to the terms of this agreement, Mr. Aquilina is also subject to certain restrictive covenants regarding non-competition, non-interference and non-solicitation of employees and consultants for a period of one year following termination of employment and certain restrictive covenants regarding non-disclosure of confidential information and intellectual property.

Separation Agreement

On August 2, 2011 we entered into an Agreement and Release with Mr. Aquilina. Pursuant to the terms of the agreement, Mr. Aquilina is entitled to receive cash severance equal to his annual base salary of \$500,000 plus \$475,000, payable in substantially equal installments over a period of 12 months; subject to the delay required under Code Section 409A; thus the that the first installment was not paid until the first payroll date which occurred after the expiration of the six-month period commencing on Mr. Aquilina's separation of employment from the Company, however, this first installment included all installments that otherwise would have been paid during such six-month period, if the required delay were not applicable.

In addition, all of Mr. Aquilina's outstanding and unvested Company stock options automatically vested and all of his outstanding options will remain exercisable until December 31, 2012, subject to Mr. Aquilina's continued compliance with certain restrictive covenants. This agreement provides that Mr. Aquilina will be bound by the non-competition and non-solicitation covenants set forth in his employment agreement for a period of 12 months following his termination of employment. This agreement also provides that Mr. Aquilina releases us from claims occurring on or prior to the date of the agreement.

Mr. Masanotti separated employment from us and MModal MQ Inc. effective as of the close of business on July 11, 2011.

Mr. Masanotti is subject to certain restrictive covenants regarding non-competition, non-interference and non-solicitation of employees and consultants for a period of one year following termination of employment, and certain restrictive covenants regarding non-disclosure of confidential information and intellectual property.

Separation Agreement

In order to facilitate the smooth transition of our leadership and to encourage Mr. Masanotti to aid in the transition of our new Chief Executive Officer, we entered into a formal Separation and Release Agreement with Mr. Masanotti dated July 11, 2011, pursuant to which he will receive severance payments in the aggregate amount of \$1,000,000 over a period of 12 months.

During the consulting period, Mr. Masanotti received a consulting fee at a rate of \$9,615 per week.

Ronald L. Scarboro

We entered into an employment agreement with Ronald L. Scarboro, dated August 15, 2011. The agreement continues in effect until August 31, 2014, subject to automatic renewal for successive one-year periods thereafter unless either party provides written notice that the term will not be extended. Mr. Scarboro is entitled to receive an annual base salary of \$350,000 and, subject generally to Mr. Davenport's continued employment, an annual incentive bonus award based upon the achievement of performance objectives established by our board of directors of up to 45% of annual base salary. In addition, Mr. Scarboro received a cash signing bonus of \$300,000. Mr. Scarboro shall be required to repay the signing bonus, on a pro rata basis, to the Company in the event that his employment is terminated during the initial term, by the Company for "cause" or upon Mr. Scarboro's resignation without "good reason."

Pursuant to the terms of his employment agreement, Mr. Scarboro received a restricted stock award grant of 44,834 shares of our common stock. In addition, beginning with the 2012 fiscal year and for each subsequent year during the employment term, Mr. Scarboro will be eligible to receive an annual restricted stock award based upon the achievement of performance objectives established by our board of directors in a number of shares equal to \$300,000 divided by the fair market value of our common stock on the date the award is granted. The above described restricted stock awards each vest, subject generally to Mr. Scarboro's continued employment, in quarterly installments over a three year period commencing from the date of grant, subject to full acceleration upon Mr. Scarboro's termination without "cause" or resignation with "good reason." In the event of a "change in control" following a fiscal year for which the specified performance objectives have been achieved but the

restricted stock award for such achievement have not been issued, then, in lieu of such restricted stock award, we will pay a cash bonus to Mr. Scarboro of \$300,000 (notwithstanding the foregoing in the event a change in control occurs during the 2012 calendar year, such payment would be equal to \$75,000 for each calendar quarter that has elapsed as of the date of the change in control).

The employment agreement provides that in the case of termination without cause (including our election not to extend the employment term) or resignation with good reason, Mr. Scarboro is entitled to payment of his base salary for a period of 12 months following the date of such termination, full vesting of all restricted stock, subsidized cost of COBRA continuation of his group health benefits (on the same basis as if he remained an employee) for 12 months, a payment of a pro-rata bonus for the year of termination and a payment of any annual bonus for the preceding fiscal year that was otherwise earned but unpaid as of the date of termination. These severance benefits are all conditioned on Mr. Scarboro's timely execution of a general release of claims against us and our affiliates.

As used in Mr. Scarboro's employment agreement with us, the terms cause and good reason have the same meanings as used in Mr. Davenport's employment agreement set forth above.

The employment agreement also provides that in the event Mr. Scarboro's employment is terminated due to his death or disability, he is entitled to receive a pro-rata portion of the bonus Mr. Scarboro would have received, if any, if his employment had not so terminated and a payment of any annual bonus for the preceding fiscal year that was otherwise earned but unpaid as of the date of termination.

Mr. Scarboro is also subject to certain restrictive covenants regarding non-competition, non-interference and non-solicitation of employees and consultants for a period of one year following termination of employment, and certain restrictive covenants regarding non-disclosure of confidential information and intellectual property.

Anthony James, Michael Clark and Kevin Piltz

Mr. James ceased serving as our Chief Financial Officer on September 2, 2011. Under the terms of his employment agreement, Mr. James would have been entitled to continuation of his then current base salary for a period of 12 months in the event he was terminated without cause, or if he terminated his employment for good reason (as such terms are defined in his employment agreement). However, since he voluntarily resigned, Mr. James was not entitled to any severance payments.

Mr. Piltz ceased serving as our Chief Information Officer on April 2, 2011. He will remain employed by us until July 1, 2012 to assist with the transition of responsibilities to our new Chief Information Officer, Albert Musciano.
