On October 14, 2010, the Reporting Persons acquired beneficial ownership of 88,785,489 shares of Series A 8% convertible preferred stock of the Issuer and a majority interest in the Issuer, in connection with an investment of \$192.9 (the 2010 Transaction ). Immediately prior to the closing of the Issuer's initial public offering of its Common Stock (the IPO ), all of the outstanding Series A 8% convertible preferred stock was converted on a 1-for-0.346 basis into shares Common Stock and the Reporting Persons held 30,719,779 shares of Common Stock in the aggregate. The source of the funds used to purchase the Series A 8% convertible preferred stock was derived from [the working capital of the Reporting Persons (other than AIC, AI LLC, GPE VI GP and GPE VI (Delaware), which did not pay for the shares but rather acquired beneficial ownership of the shares of Preferred Stock indirectly, through controlled entities).]

In conjunction with the Issuer's IPO, the Advent Funds sold 3,873,793 shares of Common Stock, resulting in a decrease in beneficial ownership by the Reporting Persons by that amount. The sale was made at the IPO price of \$15.81 per share, for an aggregate proceeds of \$61,244,667.33. The number of shares indicated as being beneficially owned by the Reporting Persons in this Schedule 13D gives effect to the sale of such shares in the IPO.

**Item 4. Purpose of Transaction.**

The Reporting Persons acquired the securities of the Issuer strictly for investment purposes. The Reporting Persons intend to periodically review their investment in the Issuer. Depending upon future evaluations of the business prospects of the Issuer and upon other developments, including, but not limited to, general economic and business conditions and market conditions, the Reporting Persons may determine to increase or decrease their equity interest in the Issuer by acquiring additional Securities, or by disposing of all or a portion of the Securities now held.

In connection with the 2010 Transaction, the Reporting Persons and the other holder of the Series A 8% convertible preferred stock (collectively, the Series A Holders ) were entitled to designate four members to the Issuer's board of directors. In 2011, the board of directors was expanded to eight members, and the Series A Holders were entitled to designate an additional member to the board of directors. The Reporting Persons' designations to the board of directors afforded them direct access to discussions concerning the business, operations, governance, management, strategy, capitalization and/or future plans of the Issuer, as well as the ability to propose one or more of the other actions described in subparagraphs (a) through (j) of this Item 4. In addition, the Reporting Persons may exercise their rights under the amended and restated investor rights agreement, as amended.

## Edgar Filing: FIVE BELOW, INC - Form SC 13D

Other than as set forth in this statement and as set forth in the second amended and restated shareholders agreement and amended and restated investor rights agreement, each as described below, none of the Reporting Persons nor, to the best of their knowledge, any person listed on Schedule A hereto, has any plans or proposals that relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

### Item 5. Interest in Securities of the Issuer.

(a) The following table sets forth the aggregate number and percentage of the Common Stock beneficially owned by each Reporting Person named in Item 2 of this statement (based upon 53,972,006 shares of Common Stock outstanding as July 18, 2012). The aggregate number and percentage of the Common Stock beneficially owned by each Reporting Person is calculated in accordance with Rule 13d-3.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.**  
**Second Amended and Restated Shareholders Agreement**

In connection with the 2010 Transaction, the Reporting Persons, the Issuer and the holders of the Issuer's capital stock entered into a second amended and restated shareholders agreement. In accordance with this agreement, as subsequently amended, the holders of the Issuer's capital stock agreed to vote their shares in favor of the election to the Issuer's board of directors of five individuals designated by the Series A Holders and three designated by the holders of Common Stock. In addition, the shareholders agreement provided certain rights to the Reporting Persons and certain of the other shareholders with respect to the Issuer's capital stock, including rights of first refusal and drag-along rights in respect of the sale of shares of the Issuer's capital stock, as well as certain restrictions on the transfer of the Issuer's shares. The rights of first refusal did not apply to issuances by the Issuer in an initial underwritten public offering of the Issuer's Common Stock, including this offering. Further, the shareholders agreement contained provisions renouncing any interest or expectancy held by directors affiliated with the Reporting Persons in certain corporate opportunities. The parties to the agreement have further amended the agreement in connection with the IPO. The amendment provided that upon the closing of the IPO, all of the provisions related to rights of first refusal, drag-along rights, the board designation rights of the Series A Holders and the obligation of certain of the shareholders to contribute funds if indemnification claims were made by the Reporting Persons in connection with their investment in the Issuer terminated in full, the lock-up provision will terminate in full 181 days following July 18, 2012, the effective date of the Issuer's registration statement on Form S-1, and the remaining provisions will terminate in full on and after the date that no member of the Issuer's board of directors is an employee, officer or director of the Reporting Persons or their affiliates (not including the portfolio companies in which funds controlled by the Reporting Persons have invested).

**Amended and Restated Investor Rights Agreement**

In connection with the 2010 Transaction, the Reporting Persons, the Issuer and the holders of the Issuer's capital stock entered into an amended and restated investor rights agreement, which agreement was subsequently amended. Pursuant to the agreement, the Advent Funds and certain other shareholders had the right to include certain of their shares in the IPO and the Issuer paid all expenses in connection with the registration of those shares other than underwriting commissions or discounts resulting from the sale of shares by the Issuer's shareholders in connection with the registration.

In addition, the amended and restated investor rights agreement contains registration rights that require the Issuer to register shares of Common Stock held by the shareholders who are parties to the agreement in the event the Issuer registers for sale, either for its own account or for the account of others, shares of Common Stock in future offerings. The parties to such agreement have agreed to amend this agreement effective upon the closing of the IPO. The amended and restated investor rights agreement, as amended, provides for substantially similar registration rights and continues to require a shareholder to execute a lock-up agreement with the underwriters in connection with the shareholder's exercise of his or her registration rights in future offerings. Other provisions in the amended and restated investor rights agreement, including rights of first offer, preemptive rights and information rights terminated upon the closing of the IPO.

**Lock-up Agreement**

The Advent Funds, along with all of the Issuer's officers and directors and substantially all of the Issuer's shareholders, have entered into lock-up agreements with the underwriters providing that the Reporting Persons and they will not, directly or indirectly, offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of or hedge any of the shares of Issuer's Common Stock, any options or warrants to purchase shares of the Issuer's Common Stock, or any securities convertible into, or exchangeable for or that represent the right to receive shares of the Issuer's Common Stock, without the prior written consent of Goldman, Sachs & Co., Barclays Capital Inc. and Jefferies & Company, Inc. (collectively, the Representatives) for a period of 180 days from July 18, 2012 (such period, the Lock-up Period). The lock-up agreements are subject to customary exceptions, including transfers of shares (i) as a bona fide gift of shares, provided that the donee agrees to be bound in writing by the restrictions described above; (ii) to any trust for the benefit of the lock-up party or the immediate family of the lock-up party, provided that the trustee agrees to be bound in writing by the restrictions described above.

In the event that either (1) during the last 17 days of the Lock-up Period, the Issuer releases earnings results or announces material news or a material event or (2) prior to the expiration of the Lock-up Period, the Issuer announces that it will release earnings results during the 15-day period following the last day of the Lock-up Period, then in each case the Lock-up Period will be automatically extended until the expiration of the 18-day period beginning on the date of release of the earnings results or the announcement of the material news or material event, as

applicable, unless the Representatives waive, in writing, such extension.
