PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On August 1, 2012, The Hillshire Brands Company (the Company) filed a Current Report on Form 8-K announcing that the Audit Committee of the Board of Directors of the Company had determined that the Company's consolidated financial statements for its fiscal years ended June 27, 2009, July 3, 2010 and July 2, 2011 and the unaudited financial statements for all of its fiscal quarters in fiscal year 2011 and fiscal year 2012 should no longer be relied upon. The determination was made based upon information the Company received from D.E MASTER BLENDEERS 1753 N.V. (D.E MASTER BLENDEERS) regarding accounting irregularities and other adjustments within D.E MASTER BLENDEERS Brazilian operations. D.E MASTER BLENDEERS and its Brazilian operations were previously part of Sara Lee Corporation, the former name of the Company, and were spun off from Sara Lee Corporation prior to the end of fiscal year 2012.

On August 28, 2012, D.E MASTER BLENDEERS reported that the investigation into the irregularities in its Brazilian operations has been largely completed. The Company continues to closely monitor D.E MASTER BLENDEERS investigation and anticipates that the investigation will be completed and finalized in an expeditious manner. Because the Company's ability to complete its Form 10-K for fiscal year 2012 (2012 Form 10-K) and the related restatements is subject to the completion of D.E MASTER BLENDEERS investigation, and because of the additional time required to finalize the necessary accounting corrections that impact the periods to be presented in the 2012 Form 10-K, the Company does not expect to complete the preparation of its financial statements for the fiscal year ended June 30, 2012 within the prescribed time for the filing of the 2012 Form 10-K. The Company expects to file the 2012 Form 10-K by September 13, 2012.

In connection with this matter, the Company will be evaluating whether any of the matters identified in the course of the restatement analysis were the result of one or more material weaknesses in its internal control over financial reporting. The Company has not yet determined whether any material weaknesses in its internal control over financial reporting existed. The Company will conclude its evaluation of the effectiveness of its internal control over financial reporting and disclosure controls and procedures and will report its findings in the 2012 Form 10-K.

The Company completed the spin-off of D.E. MASTER BLENDERS on June 28, 2012 and, as a result, the results of this business are classified as discontinued operations for all periods presented. On July 5, 2012, the Company filed a Current Report on Form 8-K with the SEC to report the unaudited pro forma consolidated income statements of the Company for the nine months ended March 31, 2012 and each of the three years ended July 2, 2011, July 3, 2010 and June 27, 2009, and the unaudited pro forma condensed consolidated balance sheet of the Company dated as of March 31, 2012 (the Pro Forma Financials). The Pro Forma Financials reflect adjustments to the Company's historical financial information to give effect to the spin-off of D.E MASTER BLENDERS and related transactions. The consolidated income statement for fiscal year 2012 will incorporate the items reflected in the Form 8-K filed by the Company on July 5, 2012 and also will include the impact of significant items, including consulting, advisory and other costs incurred in connection with the spin-off, restructuring and impairment charges, debt extinguishment costs and various tax matters. In addition, the impact of the restatement on the Company's fiscal year 2011 financial statements relative to discontinued operations will not be known until the Brazil investigation has been finalized.
