We are required to prepay our term loan in an amount equal to 50% of the net cash proceeds received from certain incurrences of debt for borrowed money in excess of \$500.0 million, including the net cash proceeds of this offering, but are currently discussing with the lenders under our term loan agreement an amendment that would allow lenders who wish to remain as lenders under our term loan agreement to not accept such prepayment. Further, we are required to repay an amount equal to 25% of the aggregate principal amount of the term loans on June 29, 2014, and the remaining outstanding principal amount of the term loans on June 29, 2015.
