Item 1.01. Entry into a Material Definitive Agreement

On February 25, 2013, Mid-America Apartment Communities, Inc. (the Company) and Mid America Apartments, L.P. (the Operating Partnership) entered into separate Distribution Agreements (each, a Prior Agreement and collectively, the Prior Agreements) with each of J.P. Morgan Securities LLC, BMO Capital Markets Corp., KeyBanc Capital Markets Inc. and UBS Securities LLC (the Agents) for the purpose of selling shares of the Company's common stock, par value \$0.01 per share, in at-the-market offerings or negotiated transactions. In accordance with the terms of the Prior Agreements, the Company could issue and sell up to 4,500,000 shares of its common stock, from time to time, through the Agents, as sales agents, or directly to the Agents, acting as principal. Of that amount, the Company has offered and sold 365,011 shares of its common stock.

On November 19, 2013, the Prior Agreements were amended and restated (each, an Agreement and collectively, the Agreements) to reference the subsequent shelf registration statement filed by the Company and the Operating Partnership, revise certain representations and warranties, and reflect the remaining number of shares available for offer and sale. In accordance with the terms of the Agreements, the Company may issue and sell up to 4,134,989 shares of its common stock (the Shares), from time to time, through the Agents, as sales agents, or directly to the Agents, acting as principal. Sales, if any, of Shares made through the Agents, as sales agents, may be made by means of ordinary brokers' transactions on the New York Stock Exchange at market prices or as otherwise agreed to by the Company and the applicable Agent. Each Agent will be entitled to a commission that will not exceed, but may be lower than, 2.0% of the gross sales price per share of our common stock sold through such Agent, as sales agent, under the applicable Agreement.

The Company may sell the Shares in amounts and at times to be determined by the Company from time to time, although the Company has no obligation to sell any of the Shares. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Company's common stock, capital needs and determinations by the Company of the appropriate sources of funding for the Company. The Company will contribute the net proceeds from the sale of the Shares to the Operating Partnership, of which the Company is the sole general partner. The Operating Partnership intends to use the net proceeds for general corporate purposes. The Company or any of the Agents may at any time suspend the offering or terminate the applicable Agreement pursuant to the terms of such Agreement.

Under the terms of the Agreements, the Company may, if agreed to by the applicable Agent, also sell Shares to any of the Agents, as principal, at a price per share and underwriting discount (which may exceed 2.0% of the public offering price) to be agreed upon at the time of sale. However, none of the Agents has any obligation to agree to purchase Shares as principal.

The Shares will be offered pursuant to an effective shelf registration statement filed by the Company and the Operating Partnership with the Securities and Exchange Commission on September 18, 2013 (File Nos. 333-191243 and 333-191243-01), and a related prospectus supplement dated November 19, 2013 and prospectus dated September 18, 2013. This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any of the Shares.

The foregoing description of certain terms of the Agreements and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Agreements, which are attached as Exhibits 1.1, 1.2, 1.3 and 1.4 to this Current Report on Form 8-K and are incorporated herein by reference.
