### **Item 1.01. Entry into a Material Definitive Agreement**

On November 29, 2013, the Corporation entered into a Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, Wells Fargo Bank, N.A., Branch Banking and Trust Company, and SunTrust Bank as Co-Syndication Agents, and the lenders party thereto (the Credit Agreement), which provides for a \$250,000,000 senior unsecured term loan (the Term Loan Facility) and a \$350,000,000 five-year senior unsecured revolving facility (the Revolving Facility), and together with the Term Loan Facility, the Senior Unsecured Credit Facilities). Borrowings under the Senior Unsecured Credit Facilities bear interest, at the Corporation's option, at rates based upon LIBOR or a base rate, plus, for each rate, a margin determined in accordance with a ratings-based pricing grid. The Term Loan Facility replaced a previous term loan under which \$240,000,000 was outstanding prior to entering into the Senior Unsecured Credit Facilities. In connection with closing the Term Loan Facility, the Corporation borrowed an additional \$10,000,000, which resulted in total borrowings of \$250,000,000 under the Term Loan Facility. The Corporation is required to make quarterly principal payments of 1.25% of the outstanding balance during 2014 and 2015 and quarterly principal payments of 1.875% of the outstanding balance during 2016, 2017 and 2018, with the remaining outstanding principal, together with interest accrued thereon, due in full on November 29, 2018. The Revolving Facility expires on November 29, 2018, with any outstanding principal amounts, together with interest accrued thereon, due in full on that date. The Credit Agreement requires the Corporation's ratio of consolidated debt to consolidated earnings before interest, taxes, depreciation, depletion and amortization (EBITDA), as defined, for the trailing twelve month period (the Ratio) to not exceed 3.5x as of the end of any fiscal quarter, provided that the Corporation may exclude from the Ratio debt incurred in connection with certain acquisitions for a period of 180 days so long as the Corporation maintains specified ratings on its long-term unsecured debt and the Ratio calculated without such exclusion does not exceed 3.75x. Additionally, if there are no amounts outstanding under both the Revolving Facility and the Corporation's accounts receivable securitization facility, consolidated debt will be reduced for purposes of the covenant calculation by the Corporation's cash and cash equivalents in excess of \$50,000,000, such reduction not to exceed \$200,000,000.

The Credit Agreement is filed as Exhibit 10.01 hereto and is incorporated herein by reference, and the description of the Credit Agreement contained herein is qualified in its entirety by the terms of the Credit Agreement.
