**Item 1.01 Entry into a Material Definitive Agreement.**

On March 28, 2014, SeaWorld Entertainment, Inc. (the Company) entered into an agreement (the Share Repurchase Agreement) with certain entities (the Selling Stockholders) managed by an affiliate of The Blackstone Group L.P. pursuant to which the Company agreed to repurchase 1.75 million shares of its common stock directly from the Selling Stockholders in a private, non-underwritten transaction (the Share Repurchase) at a price per share equal to the price per share that would be paid to the Selling Stockholders by the underwriters in the proposed underwritten secondary offering being made pursuant to the Company's registration statement on Form S-1 (File No. 333-194751). The Share Repurchase and entry into the Share Repurchase Agreement was approved by a special committee comprised of two of the Company's independent, disinterested directors as being in the best interests of the Company and its stockholders other than the Selling Stockholders.

The Share Repurchase is expected to be consummated concurrently with the closing of the proposed underwritten secondary offering, subject to the satisfaction of customary closing conditions as set forth in the Share Repurchase Agreement. The completion of the Share Repurchase is conditioned upon, among other things, the completion of the proposed underwritten secondary offering, but the completion of the proposed underwritten secondary offering is not conditioned upon the completion of the Share Repurchase.
