In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; and (iv) the date on which we are deemed to be a large accelerated filer under the rules of the Securities and Exchange Commission (the **SEC**).

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholders of Record. You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with American Stock Transfer and Trust, our transfer agent.

Beneficial Owner. You are a beneficial owner if at the close of business on the record date your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like many of our stockholders, your shares are held in street name. As the beneficial owner, you have the right to direct your broker or other nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or other nominee with instructions on how to vote your shares, your broker or other nominee may be able to vote your shares with respect to some of the proposals, but not all. Please see **What will happen if I do not vote my shares?** below for additional information.

How do I vote and what are the voting deadlines?

Stockholders of Record. If you are a stockholder of record, there are several ways for you to vote your shares.

Via the Internet. You may vote at www.proxyvote.com, 24 hours a day, seven days a week. Votes submitted by telephone must be received by 11:59 p.m., Eastern Time, on June 17, 2014.

You should follow the instructions in the Notice of Internet Availability of Proxy Materials

Table of Contents

or voting instructions provided by your broker or nominee in order to instruct your broker or other nominee on how to vote your shares. The availability of telephone and internet voting will depend on the voting process of the broker or nominee. Shares held beneficially may not be voted during our Annual Meeting.

**Can I revoke or change my
vote after I submit my
proxy?**

Stockholders of Record. If you are a stockholder of record, you may revoke or change your vote at any time before the final vote at the Annual Meeting by:

signing and returning a new proxy card with a later date;

submitting a later-dated vote by telephone or via the internet only your latest internet or telephone proxy received by 11:59 p.m., Eastern Time, on June 17, 2014, will be counted;

participating in the Annual Meeting live via the internet and voting again; or

delivering a written revocation to our Secretary at 495 South High Street, Suite 50, Columbus, Ohio 43215, to be received no later than June 17, 2014.

Beneficial Owners. If you are a beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow their instructions for revoking or changing your vote.

**What will happen if I do
not vote my shares?**

Stockholders of Record. If you are the stockholder of record and you do not vote by proxy card, by telephone or via the internet before the Annual Meeting, or during the Annual Meeting via live webcast, your shares will not be voted at the Annual Meeting.

Beneficial Owners. If you are the beneficial owner of your shares, your broker or nominee may vote your shares only on those matters on which it has discretion to vote. Under the rules of the New York Stock Exchange, or NYSE, your broker or nominee does not have discretion to vote your shares on non-routine matters such as Proposal 1 (the election of directors). However, your broker or nominee does have

discretion to vote your shares on routine matters such as Proposal 2 (the ratification of our independent registered public accounting firm). The broker's inability to vote on non-discretionary matters for which the broker has not received instructions from the beneficial owner is referred to as a broker non-vote. Please see "What is a broker non-vote?" below for more information.

What is a broker non-vote ?

The NYSE has rules that govern brokers who have record ownership of listed company stock held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain matters (discretionary matters) but do not have discretion to vote uninstructed shares as to certain other matters (non-discretionary matters). A broker may return a proxy card on behalf of a beneficial owner from whom the broker has not received instructions that casts a vote with regard to discretionary matters but expressly states that the broker is not voting as to non-discretionary matters. Under current NYSE interpretations, Proposal 1 (the election of directors) is considered non-discretionary matters and Proposal 2 (the ratification of our independent registered public accounting firm) is considered a discretionary matter.

Table of Contents

What is the effect of a broker non-vote?	Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting. A broker non-vote will not have an effect on the outcome of any proposal.
Why did I receive a Notice of Internet Availability of Proxy Materials in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?	Pursuant to rules adopted by the SEC, we are making this Proxy Statement available to our stockholders electronically via the internet. On or about May 9, 2014, we will mail the Notice of Internet Availability of Proxy Materials to our stockholders who held shares at the close of business on the record date, other than those stockholders who previously requested electronic or paper delivery of communications from us. The Notice of Internet Availability of Proxy Materials contains instructions on how to access an electronic copy of our proxy materials, including this Proxy Statement and our 2013 Annual Report on Form 10-K. The Notice of Internet Availability of Proxy Materials also contains instructions on how to request a paper copy of the Proxy Statement. We believe that this process will allow us to provide you with the information you need in a timely manner, while conserving natural resources and lowering the costs of printing and distributing our proxy materials.
What does it mean if I receive more than one proxy card or Notice of Internet Availability of Proxy Materials?	If you receive more than one proxy card or Notice of Internet Availability of Proxy Materials, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability of Proxy Materials on how to access each proxy card and vote each proxy card over the internet or by telephone. If you received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.
Can I vote my shares by filling out and returning the Notice of Internet Availability of Proxy Materials?	No. The Notice of Internet Availability of Proxy Materials only identifies the items to be voted on at the Annual Meeting. You cannot vote by marking the Notice of Internet Availability of Proxy Materials and returning it. The Notice of Internet Availability of Proxy Materials provides instructions on how to cast your vote. For additional information please see How do I vote and what are the voting deadlines? above.
How is a quorum obtained, and why is a quorum required?	We will hold the Annual Meeting if a quorum is present. A quorum will be present if holders of a majority of the outstanding shares of our common stock are present or represented by proxy at the meeting. As of the close of business on April 30, 2014, we had 30,601,401 shares of common stock outstanding and entitled to vote at the Annual Meeting, meaning that 15,300,701 shares of common stock must be present or represented by proxy to have a quorum. If a quorum is not present at the Annual Meeting, the meeting may be adjourned from time to time until a quorum is obtained. If you are a stockholder of record and submit a proxy, your shares will be counted to determine whether we have a quorum even if you abstain or fail to provide voting

instructions on any of the proposals described in this Proxy Statement and listed on the proxy card. If your shares are held in the name of your broker or other nominee, and you do not tell your broker or other nominee how to vote your shares, these shares will be counted for purposes of determining the presence or absence of a quorum for the transaction of business but will have no effect on the outcome of either proposal.

If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Who is conducting this proxy solicitation? The Company's Board of Directors is soliciting your vote for matters being submitted for stockholder approval at the Annual Meeting. Solicitation may be made by our Directors, officers and selected other Company employees telephonically, electronically or by other means of communication. Directors, officers and employees who help us in the solicitation will not be specially compensated for those services, but they may be reimbursed for their out-of-pocket expenses incurred in connection with the solicitation. Brokerage houses, nominees, fiduciaries, and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners.

PROPOSAL 1
ELECTION OF DIRECTORS

Overview

Our Bylaws permit the Board of Directors to establish our authorized number of directors. Nine directors are currently authorized, and the Board currently consists of nine members. Our Certificate of Incorporation provides that our directors are divided into three classes, with one class of directors elected annually for three-year terms. Each director holds office until that director's successor is duly elected and qualified or until his or her earlier death, resignation or removal. Our directors are classified into the following three classes:

Class I: Michael T. Miller, J. Michael Nixon and Steven G. Raich, whose terms expire at the 2014 Annual Meeting

Class II: Margot L. Carter, Robert H. Schottenstein and Michael H. Thomas, whose terms expire at the 2015 Annual Meeting

Class III: Jeffrey W. Edwards, Lawrence A. Hilsheimer and Janet E. Jackson, whose terms expire at the 2016 Annual Meeting

Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated and is submitting to a vote of the stockholders a proposal to elect the named Class I nominees to the Board, each to serve a three-year term, ending on the date of the 2017 Annual Meeting.

All nominees are incumbent directors of the Company.

Board Nominees

Our Nominating and Corporate Governance Committee recommended the nominees set forth in Proposal 1 for nomination by the Board. Based on this recommendation and the nominees' credentials and experience outlined below, the Board has determined that the nominees can make a significant contribution to the Board of Directors and should serve as directors of the Company. The nominees have agreed to be named in this Proxy Statement and to serve if elected.

The Board has nominated the following individuals for re-election as Class I directors:

Michael T. Miller

J. Michael Nixon

Steven G. Raich

Vote Required

Pursuant to our Bylaws, election of a director requires the affirmative vote of a plurality of the total shares present or represented by proxy at the Annual Meeting and entitled to vote. For the election of directors,

WITHHELD votes and broker non-votes have no effect. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE CLASS I BOARD NOMINEES, EACH TO SERVE A THREE-YEAR TERM ENDING ON THE DATE OF THE 2017 ANNUAL MEETING. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the Board nominees named above.

CORPORATE GOVERNANCE

Composition of the Board of Directors

Our business and affairs are managed under the direction of the Board of Directors. Our Bylaws provide that the authorized size of our Board of Directors is to be determined from time to time by resolution of the Board of Directors. The authorized number of directors may be changed by resolution duly adopted by at least a majority of the directors then in office; although no decrease in the authorized number of directors will have the effect of removing an incumbent director from our Board of Directors until the incumbent director's term of office expires. Vacancies on our Board of Directors can be filled by resolution of our Board of Directors.

The Board of Directors currently consists of nine directors, four of whom were designated by our stockholders pursuant to the board designation provisions of our Stockholders Agreement dated November 4, 2011, as amended, or our Stockholders Agreement. Upon completion of our initial public offering in February 2014 (the "IPO"), these board designation provisions of our Stockholders Agreement terminated. Mrs. Carter, Mr. Hilsheimer, Ms. Jackson and Mr. Thomas became members of the Board of Directors upon completion of our IPO. Mr. Schottenstein was appointed to the Board of Directors on April 22, 2014.

The Board of Directors is divided into three classes, each serving staggered, three-year terms:

Our class I directors are Mr. Miller, Mr. Nixon and Mr. Raich, and their terms will expire at the Annual Meeting;

Our class II directors are Mrs. Carter, Mr. Schottenstein and Mr. Thomas, and their terms will expire at the 2015 Annual meeting

Our class III directors are Mr. Edwards, Mr. Hilsheimer and Ms. Jackson, and their terms will expire at the 2016 Annual Meeting

As a result, only one class of directors will be elected at each Annual Meeting of stockholders, with the other classes continuing for the remainder of their respective terms.

Director Independence

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board of Directors has determined that each of Mrs. Carter, Mr. Hilsheimer,

Table of Contents

Ms. Jackson, Mr. Schottenstein and Mr. Thomas have no material relationship that would interfere with the exercise of independent judgment and is independent as defined in the NYSE listing rules. As a result, we have a majority of independent directors on our Board of Directors.

Board Leadership Structure

Jeff Edwards serves as our President, Chief Executive Officer and Chairman. The positions of chairman of the Board and chief executive officer have historically been combined at our company. We believe a combined chairman and chief executive officer role helps provide strong, unified leadership for our management team and Board of Directors. In addition, our customers, stockholders, suppliers and other business partners view our Chairman and Chief Executive Officer as a leader in our industry. While our Bylaws and corporate governance guidelines do not require that these positions be combined, the Board of Directors believes that having a combined position is the appropriate leadership structure for the Company at this time.

Role of the Board of Directors in Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board of Directors encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board of Directors at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks.

Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through our Board of Directors as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure. Our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also oversees the Company's internal audit function and approves or disapproves related-party transactions. The Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage unnecessary risk-taking. The Nominating and Governance Committee monitors the effectiveness of the Company's Corporate Governance Guidelines, a copy of which is available on our website at <http://investors.installdbuidingproducts.com/governance.cfm>.

Board Meetings and Committees

The Board of Directors has established the following standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board of Directors may from time to time establish other committees. The Board of Directors held four meetings during the fiscal year ended December 31, 2013. Each director attended, in person or by telephone, at least 75% of the total number of meetings of both the Board of Directors and the committees on which he or she served during the period.

Our Compensation Committee consists of Ms. Jackson, who serves as chairperson of the committee, Mrs. Carter and Mr. Thomas. Each of the members of our Compensation Committee is independent under the rules of the NYSE, is a non-employee director as defined in Rule 16b-3 promulgated under the Exchange Act and is an outside director as that term is defined in Section 162(m) of the Code.

During the employment term, Mr. Edwards is required to devote the amount of his business time necessary and proper to conduct our business and affairs, and use his best efforts to perform faithfully his duties and responsibilities as our Chief Executive Officer and President. However, to the extent such activities do not create a conflict of interest or substantially interfere with the performance of Mr. Edwards' duties and responsibilities to us, he may (i) manage his personal and family financial and legal affairs, (ii) participate in charitable, civic, educational, professional, community and industry affairs (including serving on boards or committees of such entities), (iii) serve on the boards of directors of the Salvation Army and the Columbus Museum of Art and (iv) continue to engage in non-competitive operational activities for a real estate development business in which he participated prior to entering into his employment agreement with us.

In the event we terminate Mr. Edwards' employment without cause (as defined in the employment agreement) or if Mr. Edwards terminates his employment for good reason (as defined in the employment agreement), then, subject to Mr. Edwards' execution and non-revocation of a release of claims, and further subject to his continued compliance with the restrictive covenants in the employment agreement, we are required to pay him: (i) base salary continuation payments for 18 months; (ii) any earned and unpaid prior year's bonus; and (iii) any bonus earned for the year of termination based on actual performance, pro-rated based on the duration of Mr. Edwards' employment during the year of termination. If any such termination occurs within two years following a change in control (other than as a result of a sale of all of Mr. Edwards' equity interests in us), then the base salary continuation payment period described in clause (i) above would be 24 months, rather than 18 months.

Mr. Edwards is subject to non-competition and customer and employee non-solicitation restrictions while employed and for two years after termination of his employment, as well as confidentiality restrictions that last during his employment and thereafter. In addition, during his employment and thereafter, Mr. Edwards has agreed not to disparage us, and we have agreed to instruct our executive officers not to disparage Mr. Edwards.

Employment Agreement with Jay Elliott

Effective October 1, 2013, we and Jay Elliott mutually agreed to terminate our employment agreement with him pursuant to which Mr. Elliott served as our Regional Operations & Business Integration Manager. The employment agreement provided for automatic one-year renewals each year unless either party gave the other party notice of non-renewal at least 60 days prior to the commencement of a renewal period. In the event we terminated Mr. Elliott's employment other than for cause or due to death or disability, or if we gave him a notice of non-renewal, the agreement provided that we would pay him an amount equal to his base salary through the end of the term. Mr. Elliott continues to be employed by us as our Chief Operating Officer.

In connection with our recapitalization, on November 4, 2011, we assumed a \$1.7 million liability of IBP Holding Company, an Edwards Investor, for accrued deferred bonuses of its employees, which bonuses were paid by us in 2012. Personnel of the corporate headquarters were employed by IBP Holding Company prior to 2012 and, since January 1, 2012, have been employed by Installed Building Products, LLC.

In connection with the recapitalization, stockholder notes in the amount of \$3.8 million plus accrued interest of \$0.9 million owed by us to the Edwards Investors were cancelled.

In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's-length transaction with an unrelated party and the extent of the related person's interest in the transaction. All related-party transactions may only be consummated if Audit Committee has approved or ratified such transaction in accordance with the guidelines set forth in the policy. Any member of the Audit Committee who is a related person with respect to a transaction under review will not be permitted to participate in the deliberations or vote respecting approval or ratification of the transaction. However, such director may be counted in determining the presence of a quorum at a meeting of the Audit Committee that considers the transaction. If a stockholder wishes to submit a proposal for consideration at next year's Annual Meeting but is not requesting that such proposal be included in next year's proxy materials, or if a stockholder wishes to nominate a person for election to the Board of Directors at next year's Annual Meeting, a notice of such proposal or nomination must be submitted in writing and delivered to the Company's Secretary at 495 South High Street, Suite 50, Columbus, Ohio 43215 no later than March 20, 2015 (but no earlier than February 18, 2015).

If the 2015 Annual Meeting date is more than 30 days before or more than 70 days after the one year anniversary of the Annual Meeting then your notice must be received not more than 120 days nor less than 90 days prior to the 2015 Annual Meeting, or 10 days following the day on which we publicly disclose the new scheduled date of the 2015 Annual Meeting.

Under our Bylaws, if the number of directors to be elected to the Board of Directors at an Annual Meeting is increased and there is no public announcement by the Company naming the nominees for the additional directorship(s) at least 100 days prior to the first anniversary of the prior Annual Meeting, a stockholder nomination with respect to the additional directorship(s) shall also be considered timely if delivered to the Company's Secretary not later than 10 days following the day when the increase in the number of directors is publicly announced.

You are advised to review the Company's Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. If you would like a copy of the Bylaws, please write to the Company's Secretary at 495 South High Street, Suite 50, Columbus, Ohio 43215. The Bylaws may also be found on the Company's website at <http://investors.installdbuidingproducts.com/>.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Because the Company did not have a registered class of securities in fiscal year 2013, no Section 16 reports were due during the year.
