Filed by Rosetta Resources Inc.

Pursuant to Rule 425 under the Securities Act of 1933, as amended

Deemed filed under Rule 14a-12 under the Securities Exchange Act of 1934, as amended

Subject Company: Rosetta Resources Inc.

Commission File No.: 000-51801

This filing relates to a proposed business combination involving Rosetta Resources Inc. ("Rosetta") and Noble Energy, Inc. ("Noble Energy"). The following e-mail was distributed to Rosetta's employees on June 16, 2015:

In the interest of keeping Rosetta employees informed regarding the timing of the transaction, please see the update below.

Noble and Rosetta are working to complete the merger as soon as practicable. If the stockholders of Rosetta approve the merger, we currently expect that the merger will be completed by July 20, 2015. Neither Noble nor Rosetta can predict, however, the actual date on which the merger will be completed because it is subject to conditions beyond each company's control, including the approval of the Merger proposal by Rosetta's stockholders.

If there is a subsequent change to the anticipated merger date, we will provide an update at that time.

Cautionary Note Regarding Forward-Looking Statements

This communication contains certain forward-looking statements within the meaning of federal securities laws. Words such as anticipates, believes, expects, intends, will, should, may, and similar expressions may be used to identify forward-looking statements. Forward-looking statements are not statements of historical fact and reflect Noble Energy, Inc.'s ("Noble Energy") and Rosetta's current views about future events. Such forward-looking statements include, but are not limited to, statements about the benefits of the proposed merger involving Noble Energy and Rosetta, including future financial and operating results, Noble Energy's and Rosetta's plans, objectives, expectations and intentions, the expected timing of completion of the transaction, and other statements that are not historical facts, including estimates of oil and natural gas reserves and resources, estimates of future production, assumptions regarding future oil and natural gas pricing, planned drilling activity, future results of operations, projected cash flow and liquidity, business strategy and other plans and objectives for future operations. No assurances can be given that the forward-looking statements contained in this communication will occur as projected, and actual results may differ materially from those projected. Forward-looking statements are based on current expectations, estimates and assumptions that involve a number of risks and uncertainties that could cause actual results to differ materially from those projected. These risks and uncertainties include, without limitation, the ability to obtain the requisite Rosetta shareholder approval, the risk that Rosetta or Noble Energy may be unable to obtain governmental and regulatory approvals required for the merger, or required governmental and regulatory approvals may delay the merger or result in the imposition of conditions that could cause the parties to abandon the merger, the risk that a condition to closing of the merger may not be satisfied, the timing to consummate the proposed merger, the risk that the businesses will not be integrated successfully, the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected, disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers, the diversion of management time on merger-related issues, the volatility in commodity prices for crude oil and natural gas, the presence or recoverability of estimated reserves, the ability to replace reserves, environmental risks, drilling and operating risks, exploration and development

risks, competition, government

regulation or other actions, the ability of management to execute its plans to meet its goals and other risks inherent in Noble Energy's and Rosetta's business that are discussed in Noble Energy's and Rosetta's most recent annual reports on Form 10-K, respectively, and in other Noble Energy and Rosetta reports on file with the Securities and Exchange Commission (SEC). Noble Energy's reports are also available from Noble Energy's offices or website, <http://www.nobleenergyinc.com>, and Rosetta's reports are also available from Rosetta's offices or website, <http://www.rosettaresources.com>. Forward-looking statements are based on the estimates and opinions of management at the time the statements are made. Neither Noble Energy nor Rosetta assumes any obligation to update forward-looking statements should circumstances or management's estimates or opinions change. Investors are urged to consider closely the disclosures and risk factors in Noble Energy's and Rosetta's most recent annual reports on Form 10-K and in their other reports filed with the SEC, which are available from Noble Energy's offices or website, <http://www.nobleenergyinc.com>, and Rosetta's offices or website, <http://www.rosettaresources.com>, respectively. Noble Energy and Rosetta undertake no obligation to publicly update any forward-looking statement in this communication, whether as a result of new information, future events or otherwise.
