This year, we are pleased to take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that this e-proxy process expedites stockholders' receipt of proxy materials, while lowering the costs and reducing the environmental impact of our annual meeting. On or about September 25, 2015, we mailed to our beneficial owners a notice of internet availability of proxy materials containing instructions on how to access our proxy statement and annual report and how to vote online. All other stockholders will receive a paper copy of the proxy statement, proxy card and annual report by mail unless otherwise notified by us or our transfer agent. The notice of internet availability contains instructions on how you can (i) receive a paper copy of the proxy statement, proxy card and annual report if you only received a notice by mail or (ii) elect to receive your proxy statement and annual report over the Internet if you received them by mail this year.

Our 2015 Proxy Statement, 2015 Annual Report to Shareholders and 2015 Irish Statutory Financial Statements are available at <http://www.viewproxy.com/perrigo/2015>.

Meeting Information

Location: The Marker Hotel, Grand Canal Square, Dublin 2, Ireland

Date: November 4, 2015

Time: 10:00 a.m. GMT

Only shareholders at the close of business on the record date, September 8, 2015, may vote at the AGM. Each share is entitled to one vote on each matter to be voted on at the AGM.

Even if you have voted by proxy, you may still attend and vote at the AGM. Please note, however, that if you are a beneficial owner whose shares are held in street name, you are not the shareholder of record. In that event, if you wish to attend and vote at the AGM, you must obtain a proxy issued in your name from that holder of record giving you the right to vote your shares at the AGM, or if you are a beneficial owner of shares traded through the Tel Aviv Stock Exchange, you must obtain a certificate of ownership from the Tel Aviv Stock Exchange Clearing House Ltd. member through which your shares are registered.

Voting Information

1. Who may vote and how many votes do I have?

Shareholders owning Perrigo's ordinary shares at the close of business on September 8, 2015, the record date, or their proxy holders, may vote their shares at the AGM. On that date, there were 146,375,987 Perrigo ordinary shares outstanding.

Each ordinary share held as of the record date is entitled to one vote on each matter properly brought before the AGM.

2. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Shareholder of Record: If your ordinary shares are registered directly in your name with Perrigo's Transfer Agent, Computershare, you are considered, with respect to those shares, the shareholder of record.

Beneficial Owner: If your shares are held in a brokerage account or by another nominee (including through a Tel Aviv Stock Exchange (TASE) Clearing House member), you are considered to be the beneficial owner of shares held in street name, and these proxy materials, together with a voting instruction card, are being forwarded to you by your broker, bank or other nominee. As the beneficial owner of the shares, you have the right to direct your broker, bank or other nominee how to vote, and you are also invited to attend, but not vote at, the AGM. If you are a beneficial owner, you may not vote your shares in person at the AGM unless you obtain a legal proxy giving you the right to vote those shares at the AGM from the broker, bank or other nominee holding your shares in street name, or if you are a beneficial owner of shares traded through the TASE, unless you obtain a certificate of ownership from the Tel Aviv Stock Exchange Clearing House Ltd. (the TASE Clearing House) member through which your shares are registered. If your shares are held in this way, your broker, bank or other nominee should have enclosed or provided voting instructions for you to use in directing the broker, bank or other nominee how to vote your shares.

3. How do I vote?

While you should follow the specific voting instructions given by your bank, broker or other nominee; here is a summary of the common voting methods:

If you own ordinary shares as a shareholder of record, you may vote your shares in any of the following ways:

mailing your completed and signed proxy card in the enclosed return envelope by following the instructions set forth in the enclosed proxy card;

voting by telephone by following the recorded instructions or over the Internet as instructed on the enclosed proxy card; or

attending the AGM and voting in person.

If you hold your shares in street name (other than through a TASE Clearing House member):

You will need to obtain a legal proxy from your bank, broker or nominee in order for you to vote in person at the AGM and submit the legal proxy along with your ballot at the AGM. In addition, you may request paper copies of the Proxy Statement from your broker, bank or nominee by following the instructions on the Internet Notice of Availability provided by your broker, bank or nominee.

If you own shares that are traded through the TASE, you may vote your shares in one of the following two ways:

Edgar Filing: PERRIGO Co plc - Form DEF 14A

By mail: complete, sign and date the proxy card and attach to it an ownership certificate from the TASE Clearing House member through which your shares are registered (i.e., your broker, bank or other nominee) indicating that you were the beneficial owner of the shares on September 8, 2015, the record date for voting, and return the proxy card or voting instruction form, along with the ownership certificate, to our designated address for that purpose in Israel, P.O. Box 7100, Tel Aviv, 6107002, Israel. If the TASE member holding your shares is not a TASE Clearing House member, please make

Table of Contents

sure to include an ownership certificate from the TASE Clearing House member in which name your shares are registered.

In person: attend the AGM, where ballots will be provided. If you choose to vote in person at the AGM, you need to bring an ownership certificate from the TASE Clearing House member through which your shares are registered (i.e., your broker, bank or other nominee) indicating that you were the beneficial owner of the shares on September 8, 2015, the record date for voting. If the TASE member holding your shares is not a TASE Clearing House member, please make sure to include an ownership certificate from the TASE Clearing House member in which name your shares are registered.

4. May I change my vote after I have mailed my signed proxy card or voted by telephone or over the Internet?

Yes, you may change your vote at any time before your proxy is voted at the AGM in one of four ways:

timely deliver a valid later-dated proxy by mail by following the instructions set forth in the enclosed proxy card;

timely deliver written notice that you have revoked your proxy to the Company Secretary at the following address:
Perrigo Company plc,

Treasury Building,

Lower Grand Canal Street,

Dublin 2,

Ireland

Attn: Company Secretary;

timely submit revised voting instructions by telephone or over the Internet by following the instructions set forth on the proxy card;
or

attend the AGM and vote in person. Simply attending the AGM, however, will not revoke your proxy or change your voting instructions; you must vote by ballot at the AGM to change your vote.

If you are a beneficial owner of shares held in street name or otherwise (including through a TASE Clearing House member) and you have instructed your bank, broker or other nominee to vote your shares, you may revoke your proxy at any time, before it is exercised, by:

following the requirements of your bank, broker or nominee; or

voting in person at the AGM by obtaining a legal proxy from your bank, broker or nominee and submitting the legal proxy with your ballot (if your shares are traded through the NYSE) or by obtaining a certificate of ownership from the TASE Clearing House member through which your shares are registered and submitting the certificate of ownership along with your ballot (if your shares are traded through the TASE).

5. How does discretionary voting authority apply?

If you sign, date and return your proxy card or vote by telephone or Internet, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Judy Brown and Todd Kingma to vote on the items discussed in these proxy materials and on any other matter that is properly raised at the AGM. In that event, your proxy will be voted consistent with the board's voting recommendations and FOR or AGAINST any other properly raised matters at the discretion of Judy Brown and Todd Kingma.

6. What constitutes a quorum?

According to our Memorandum and Articles of Association, the presence of more than 50% of the total issued shares constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy

Table of Contents

card, vote by telephone or Internet, or attend the AGM in person. Abstentions and broker non-votes are counted as shares present at the AGM for purposes of determining whether a quorum is present at the meeting.

7. What are broker non-votes?

A broker non-vote occurs when the broker, bank or other holder of record that holds your shares in street name is not entitled to vote on a matter without instruction from you and you do not give any instruction. Unless instructed otherwise by you, brokers, banks and other street name holders will not have discretionary authority to vote on any matter at the AGM other than Proposal 2 and will be considered broker non-votes having no effect on the relevant resolution.

8. What is the required vote?

To pass an ordinary resolution, a simple majority of the votes cast in person or by proxy must be in favor of the resolution, while 75% of the votes cast is required for a special resolution to pass.

The election of each person nominated to serve as a director in Proposal 1 and Proposals 2 through 4 are ordinary resolutions requiring a simple majority of votes cast. Proposals 5 through 7 are special resolutions requiring 75% of votes cast to pass. Abstentions and broker non-votes will have no impact on the outcome of any proposal.

9. How do I submit a shareholder proposal or director nomination for the next AGM?

Due to our change in fiscal year end to December 31, we expect that the 2016 AGM will be held more than 30 days earlier than the anniversary date of the 2015 AGM. Rule 14a-8 under the Exchange Act provides that if a company changes the date of its next annual meeting of stockholders by more than 30 days from the anniversary date of the previous year's annual meeting of stockholders, then the deadline for submission of a proposal to be considered for inclusion in the company's proxy statement is a reasonable time before the company begins to print and mail proxy materials. In addition, our Articles of Association provide that, in the event that an AGM is more than 30 days before the anniversary date of the previous year's AGM, the deadline for submission shall be not earlier than the 90th day prior to such annual general meeting and not later than the later of the 70th day prior to such annual general meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. Once the date is established for the 2016 Annual Meeting, we will announce such date on a Current Report on Form 8-K.

If you want to submit a proposal for inclusion in our proxy statement for the 2016 AGM or nominate an individual for election as a director at the 2016 AGM, you should carefully review the relevant provisions of the Company's Memorandum and Articles of Association. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission (the SEC) and the Memorandum and Articles of Association of the Company. If you submit your proposal after the deadline, then SEC rules permit the individuals named in the proxies solicited by Perrigo's Board of Directors for that meeting to vote on that proposal at their discretion, but they are not required to do so.

To properly bring a proposal (other than the nomination of a director) before an annual general meeting, the advance notice provisions of our Articles of Association require that your notice of the proposal must include in summary: (1) your name and address and the name and address of the beneficial owner of the shares, if any; (2) the number of Perrigo ordinary shares owned beneficially and of record by you and any beneficial owner as of the date of the notice (which information must be supplemented as of the record date); (3) a description of certain agreements, arrangements or understandings that you or any beneficial owner have entered into with respect to the shares (which information must be supplemented as of the record date) or the business proposed to be brought before the meeting; (4) a representation that you or any beneficial owner are the holder of shares entitled to vote at the meeting and intend to appear at the meeting to propose such business; (5) a representation whether you or any beneficial owner are a part of a group that intends to deliver a proxy statement or otherwise solicit proxies on the proposal; (6) any other information regarding you or any

Table of Contents

beneficial owner that would be required under the SEC's proxy rules and regulations; and (7) a brief description of the business you propose to be brought before the meeting, the reasons for conducting that business at the meeting, and any material interest that you or any beneficial owner has in that business. You should send any proposal to our Company Secretary at the address on the cover of this proxy statement.

With respect to director nominations, the advance notice provisions of our Articles of Association require that your notice of nomination must include: (1) your name and address and the name and address of the beneficial owner of the shares, if any; (2) the number of Perrigo ordinary shares owned beneficially and of record by you and any beneficial owner as of the date of the notice (which information must be supplemented as of the record date); (3) a description of certain agreements, arrangements or understandings that you or any beneficial owner have entered into with respect to the shares (which information must be supplemented as of the record date); (4) a representation that you or any beneficial owner are the holder of shares entitled to vote at the meeting and intend to appear at the meeting to propose such business; (5) a representation whether you or any beneficial owner are a part of a group that intends to deliver a proxy statement or otherwise solicit proxies on the proposal; (6) the name, age and home and business addresses of the nominee; (7) the principal occupation or employment of the nominee; (8) the number of Perrigo ordinary shares that the nominee beneficially owns; (9) a statement that the nominee is willing to be nominated and serve as a director; (10) an undertaking to provide any other information required to determine the eligibility of the nominee to serve as an independent director or that could be material to stockholders' understanding of his or her independence; and (11) any other information regarding you, any beneficial owner or the nominee that would be required under the SEC's proxy rules and regulations had our Board of Directors nominated the individual. You should send your proposed nomination to our Company Secretary at the address on the cover of this proxy statement.

10. What are the Irish Statutory Financial Statements?

The Irish Statutory Financial Statements are the financial statements required to be prepared in accordance with the Irish Companies Act 2014 and cover the results of operations and financial position of the Company for the fiscal year ended June 27, 2015. We are presenting our Irish statutory financial statements, including the reports of the auditor and the directors thereon, at the AGM and mailing those accounts to shareholders of record. Since we are an Irish company, we are required to prepare Irish statutory financial statements under applicable Irish company law and deliver those accounts to shareholders of record in connection with our AGM. However, as shareholder approval of those financial statements is not required, it will not be sought at the AGM. We will mail without charge, upon written request, a copy of the Irish statutory financial statements to beneficial owners of our shares. Requests should be sent to: Perrigo Company plc, Attention: Company Secretary, Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland or by email at GeneralMeeting@perrigo.com.

11. What does it mean if I receive more than one proxy card?

Your shares are likely registered differently or are in more than one account. You should complete and return each proxy card you receive to guarantee that all of your shares are voted.

12. Who pays to prepare, mail and solicit the proxies?

Perrigo pays all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We do not compensate our directors, officers and employees for mailing proxy materials or soliciting proxies in person, by telephone or otherwise.

13. Can I access these proxy materials on the Internet?

Yes. The proxy statement and our 2015 Annual Report and a link to the means to vote by Internet are available at <http://www.viewproxy.com/perrigo/2015>.

Table of Contents

Corporate Governance

General

We manage our business under the direction of our Board of Directors. The Chief Executive Officer (CEO) is a member of, and reports directly to, our Board, and members of our executive management team regularly advise our Board on those business segments for which each executive has management responsibility. Our Board is kept informed through discussions with our CEO and other officers, by reviewing materials provided to them, by visiting our offices and by participating in Board and committee meetings.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines that are available on our website (<http://www.perrigo.com>) under the heading Investors Corporate Governance Governance Guidelines. The Board may amend these guidelines from time to time. We will mail a copy of these guidelines to any shareholder upon written request to our Company Secretary, Todd W. Kingma, at Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland or by email at GeneralMeeting@perrigo.com. As part of our ongoing commitment to corporate governance, we periodically review our corporate governance policies and practices for compliance with the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations of both the SEC and the NYSE.

Code of Conduct

Our Code of Conduct acknowledges that a reputation for ethical, moral and legal business conduct is one of Perrigo s most valuable assets. In addition to acknowledging special ethical obligations for financial reporting, the Code requires that our employees, officers and directors comply with laws and other legal requirements, avoid conflicts of interest, protect corporate opportunities and confidential information, conduct business in an honest and ethical manner and otherwise act with integrity and in Perrigo s best interest. Our Code of Conduct is available on our website (<http://www.perrigo.com>) under the heading Investors Corporate Governance Code of Conduct, and we will promptly post any amendments to or waivers of the Code on our website. We will mail a copy of our Code to any shareholder upon request to our Company Secretary, Todd W. Kingma, at Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland, or at GeneralMeeting@perrigo.com.

Director Independence

Our Corporate Governance Guidelines provide that a substantial majority of our directors should meet NYSE independence requirements. A director will not be considered independent unless the Board of Directors determines that the director meets the NYSE independence requirements and has no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Based on its most recent annual review of director independence, the Board of Directors has determined that ten of our current eleven directors are independent, including Laurie Brlas, Gary M. Cohen, Jacquelyn A. Fouse, David Gibbons, Ran Gottfried, Ellen R. Hoffing, Michael J. Jandernoa, Gerald K. Kunkle, Jr., Herman Morris, Jr. and Donal O Connor and that director nominee Shlomo Yanai is independent. Joseph C. Papa and director nominee Marc Coucke are not independent under these standards because they are currently serving as officers of Perrigo.

In making its independence determination, the Board of Directors has broadly considered all relevant facts and circumstances, and concluded that there are no material relationships that would impair these directors independence.

Board Oversight of Risk

While management is responsible for day-to-day risk management, the Board of Directors is responsible for the overall risk oversight of the Company. The Board s committees take the lead in discrete areas of risk

Table of Contents

oversight when appropriate. For example, the Audit Committee is primarily responsible for risk oversight relating to financial statements, the Remuneration Committee is primarily responsible for risk oversight relating to executive compensation and the Company's compensation policies and practices, and the Nominating & Governance Committee is primarily responsible for risk oversight relating to corporate governance. These committees report to the Board of Directors on risk management matters.

Management presents to the Board of Directors its view of the major risks facing the Company in a dedicated enterprise risk management presentation at least once a year. Matters such as risk appetite and management of risk are also discussed at this meeting. In addition, risk is regularly addressed in a wide range of Board discussions, including those related to segment or business unit activities, specific corporate functions (such as treasury, intellectual property, capital allocation and taxation matters), acquisitions, divestitures and consideration of other extraordinary transactions. As part of these discussions, our directors ask questions, offer insights and challenge management to continually improve its risk assessment and management. The Board has full access to management as well as the ability to engage advisors to assist the Board in its risk oversight role.

Board Leadership

Our governance documents provide the Board with flexibility to select the appropriate leadership structure for the Company. While the Board has no fixed policy with respect to combining or separating the offices of the Chairman of the Board and the Chief Executive Officer, our Corporate Governance Guidelines provide that, if the Chairman of the Board is an executive officer or for any other reason is not an independent director, the independent directors of the Board are required to elect a Lead Independent Director. In making leadership structure determinations, the Board considers many factors, including the specific needs of the business and what is in the best interests of the Company's shareholders.

Our current leadership structure consists of a combined Chairman of the Board and Chief Executive Officer, an independent director serving as Lead Independent Director and strong, active independent directors. The Board believes that the Company and its shareholders are well-served by this leadership structure. Having one person serve as both Chairman of the Board and Chief Executive Officer provides clear leadership for the Company and helps ensure accountability for the successes and failures of the Company. At the same time, having a Lead Independent Director vested with key duties and responsibilities and three independent Board Committees chaired by independent directors provides a formal structure for strong, independent oversight of the Chairman and Chief Executive Officer and the rest of the Company's management team.

Lead Independent Director

Since August 2003, the Board of Directors has appointed an independent director to serve as Lead Independent Director. The role of the Lead Independent Director includes:

presiding at all Board meetings at which the Chairman is not present, including executive sessions of the independent directors;

servicing as a liaison between the Chairman and the independent directors, including being responsible for communicating with the CEO regarding CEO performance evaluations and providing feedback from the independent director sessions;

having the authority to call meetings of the independent directors; and

approving Board meeting agendas and schedules to assure there is sufficient time for discussion of all agenda items.

The Lead Independent Director is selected from those Perrigo directors who are independent, who have had a minimum of three years of service on Perrigo's Board of Directors, and who have not been a former executive officer of Perrigo. The Lead Independent Director position is for an initial term of three years subject to annual reviews by our Nominating & Governance Committee and re-election as a director at the intervening AGM.

Table of Contents

Following the initial three-year term, the Board may elect on an annual basis to continue the term of the Lead Independent Director.

Gerald K. Kunkle, Jr. has held the position of Lead Independent Director of Perrigo Company since August 2009. In August 2015, Mr. Kunkle was selected by the Board to serve as Perrigo's Lead Independent Director for another one-year term.

Board of Directors and Committees

Perrigo's Board of Directors met 11 times in fiscal 2015. In addition to these meetings, directors attended Board committee meetings. The Board of Directors has standing Audit, Remuneration and Nominating & Governance Committees, and there were a total of 23 committee meetings in fiscal 2015. Each director attended at least 75% of the regularly scheduled and special meetings of the Board and Board committees on which he or she served in fiscal 2015.

We encourage all of our directors to attend our annual general meetings, all of whom attended the AGM in 2014.

The Board has adopted a charter for each of the Audit, Remuneration and Nominating & Governance Committees that specifies the composition and responsibilities of each committee. Copies of the charters are available on our website (<http://www.perrigo.com>) under For Investors Corporate Governance Committee Charters and are available in print to shareholders upon request to our Company Secretary, Todd W. Kingma, Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland, or GeneralMeeting@perrigo.com.

Audit Committee

During fiscal 2015, the Audit Committee met ten times. The Audit Committee currently consists of the following independent directors: Laurie Brlas (Chair), Jacquelyn A. Fouse, Ellen R. Hoffing and Donal O'Connor.

The Audit Committee monitors our accounting and financial reporting principles and policies and our internal controls and procedures. It is directly responsible for the compensation and oversight of the work of the independent registered public accounting firm in the preparation and issuance of audit reports and related work, including the resolution of any disagreements between management and the independent registered public accounting firm regarding financial reporting. It is also responsible for overseeing the work of our internal audit function. Additional information on the committee and its activities is set forth in the Audit Committee Report on page 41.

The Board of Directors has determined that each member of the Audit Committee (1) meets the audit committee independence requirements of the NYSE listing standards and the rules and regulations of the SEC and (2) is able to read and understand fundamental financial statements, as required by the NYSE listing standards. The Board has also determined that Laurie Brlas, Jacquelyn A. Fouse, Ellen Hoffing and Donal O'Connor have the requisite attributes of an audit committee financial expert under the SEC's rules and that such attributes were acquired through relevant education and work experience.

Remuneration Committee

During fiscal 2015, the Remuneration Committee met seven times. The Remuneration Committee currently consists of the following independent directors: Ellen R. Hoffing (Chair), Gerald K. Kunkle, Jr., Laurie Brlas and Ran Gottfried.

The Remuneration Committee reviews and recommends to the Board compensation arrangements for the Chief Executive Officer and non-employee directors. It also reviews and approves the annual compensation for

executive officers, including salaries, bonuses and incentive and equity compensation, and administers Perrigo's incentive and other long-term employee compensation plans. The Remuneration Committee has engaged Meridian Compensation Partners, LLC (Meridian) as its independent consultant to assist it in considering and analyzing market practices and trends as well as management's compensation recommendations. Perrigo has not retained Meridian Compensation Partners, LLC to perform any other compensation-related or consulting services for Perrigo. Additional information regarding the processes and procedures of the Remuneration Committee is presented in the Compensation Discussion and Analysis Compensation Program Administration section, on page 15. In addition, interactions between Meridian and management are generally limited to discussions on behalf of the Committee or as required to compile information at the Committee's direction. Based on these factors, its own evaluation of Meridian's independence pursuant to the requirements approved and adopted by the SEC and the NYSE, and information provided by Meridian, the Committee has determined that the work performed by Meridian does not raise any conflicts of interest.

Nominating & Governance Committee

During fiscal 2015, the Nominating & Governance Committee met six times. The Nominating & Governance Committee currently consists of the following independent directors: Gary M. Cohen (Chair), Herman Morris Jr. and Gerald K. Kunkle, Jr.

The Nominating & Governance Committee identifies and recommends to the Board qualified director nominees. This committee also develops and recommends to the Board the Corporate Governance Guidelines applicable to Perrigo, leads the Board in its annual review of Board performance and makes recommendations to the Board with respect to the assignment of individual directors to various committees.

Executive Sessions of Independent Directors

The independent members of the Board of Directors hold regularly scheduled meetings in executive session without management and also meet in executive session with the Chief Executive Officer on a regular basis.

Shareholder Communications with Directors

Shareholders and other interested parties may communicate with any of our directors or with the independent directors as a group by writing to them in care of our Company Secretary, Todd W. Kingma, at Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland. Relevant communications will be distributed to the appropriate directors depending on the facts and circumstances outlined in the communication. In accordance with the policy adopted by our independent directors, any communications that allege or report significant or material fiscal improprieties or complaints about internal accounting controls or other accounting or auditing matters will be immediately sent to the Chair of the Audit Committee and, after consultation with the Chair, may be sent to the other members of the Audit Committee. In addition, the Lead Independent Director will be advised promptly of any communications that allege misconduct on the part of Perrigo management or that raise legal or ethical concerns about Perrigo's practices or compliance concerns about Perrigo's policies. The General Counsel maintains a log of all such communications, which is available for review by any Board member upon his or her request.

Director Nominations

The Nominating & Governance Committee is responsible for screening and recommending candidates for service as a director and considering recommendations offered by shareholders in accordance with our Articles of Association. The Board as a whole is responsible for approving nominees. The Nominating & Governance Committee recommends individuals as director nominees based on various criteria, including their business and professional background, integrity, diversity, understanding of our business, demonstrated ability to make independent analytical inquiries and the willingness and ability to devote the necessary time to Board and committee duties. A director's qualifications in meeting these criteria are considered at least each time the

Table of Contents

director is recommended for Board membership. Should a new director be needed to satisfy specific criteria or to fill a vacancy, the Nominating & Governance Committee will initiate a search for potential director nominees, and may seek input from other Board members, the Chief Executive Officer, senior management and any outside advisers retained to assist in identifying and evaluating candidates.

Shareholders may nominate candidates for consideration at an annual general meeting by following the process described in the Articles of Association and summarized in this proxy statement under [Voting Information](#) - [How do I submit a shareholder proposal or director nomination for the next AGM?](#)

Upon a change in a director's job responsibility, including retirement, our Corporate Governance Guidelines require the director to tender his or her resignation from the Board. The Nominating & Governance Committee will consider the change in circumstance and make a recommendation to the Board to accept or reject the offer of resignation.

Stock Ownership

Under our Corporate Governance Guidelines, each director who is not a Perrigo employee is required to attain stock ownership at a level equal to five times his or her annual cash retainer. Non-employee directors are subject to the same definition of stock ownership and retention requirements as executive officers, the details of which are described in the Compensation Discussion and Analysis - [Elements of Compensation Executive Stock Ownership Guidelines](#) section, on page 24. All of our non-employee directors are in compliance with these guidelines.

Certain Relationships and Related-Party Transactions

Our Code of Conduct precludes our directors, officers and employees from engaging in any type of activity, such as related-party transactions, that might create an actual or perceived conflict of interest. In addition, our Board of Directors adopted a Related-Party Transaction Policy that requires that all covered related-party transactions be approved or ratified by the Nominating & Governance Committee. Under that policy, each executive officer, director or director nominee must promptly notify the Chair of the Nominating & Governance Committee and our General Counsel in writing of any actual or prospective related-party transaction covered by the policy. The Nominating & Governance Committee, with input from our Legal Department, reviews the relevant facts and approves or disapproves the transaction. In reaching its decision, the Nominating & Governance Committee considers the factors outlined in the policy, a copy of which is available on our website (<http://www.perrigo.com>) under the heading Investors Corporate Governance Related-Party Transaction Policy.

In addition, on an annual basis, each director and executive officer completes a Directors and Officers Questionnaire that requires disclosure of any transactions with Perrigo in which he or she, or any member of his or her immediate family, has a direct or indirect material interest in Perrigo. The Nominating & Governance Committee reviews the information provided in response to these questionnaires.

Omega Acquisition

On March 30, 2015, we acquired Omega Pharma Invest NV (Omega) from Alychlo NV (Alychlo) and Holdco I BE NV for nearly \$3.0 billion in equity and cash, with \$1.4 billion of existing Omega debt assumed by us in the transaction. Marc Coucke, the founder and Chief Executive Officer of Omega, and his spouse are the principal shareholders of Alychlo, which received all of the equity consideration in the acquisition that represented a value of approximately \$2.26 billion at that time. Following the acquisition, Mr. Coucke was appointed as acting as permanent representative of Mylecke Management, Art & Invest NV (Mylecke), serving as EVP, General Manager, Omega Pharma.

Under the terms of the acquisition agreement, Mr. Coucke is subject to a non-compete until the later of March 30, 2020, or three years after the date he ceases to be a service provider, consultant, manager, or director of the Company or any of its subsidiaries, subject to certain exceptions. In addition, the equity consideration shares are subject to a lock-up agreement, and the Company has granted Alychlo registration rights in connection with the issuance of those shares.

Consultancy Agreement

On November 5, 2014, Omega entered into a Consultancy Agreement (the Consultancy Agreement) with Mylecke, represented by Mr. Coucke, which we assumed in connection with the Omega acquisition. The Consultancy Agreement requires Mr. Coucke to, upon request, assist the Omega business in Belgium. The Consultancy Agreement provides for annual fixed reimbursement of EUR 1,200,000; eligibility for an annual bonus, the amount and criteria to be determined by the Board of Directors; and reimbursement for reasonable out-of-pocket expenses. No bonus was awarded to Mr. Coucke in fiscal 2015. The Consultancy Agreement has an indefinite term. We may terminate the Consultancy Agreement at any time (i) if Mr. Coucke seriously breaches the terms of it or (ii) if we pay Mr. Coucke EUR 1,200,000. Mr. Coucke may terminate the Consultancy Agreement at any time if (i) we seriously breach the terms of it or (ii) Mr. Coucke provides six months notice. Mr. Coucke is subject to non-solicitation provisions during the term of the Consultancy Agreement and for twelve months thereafter.

Table of Contents**Director Compensation**

All of our non-employee directors are paid an annual cash retainer of \$75,000. A supplemental annual cash retainer is also paid to committee chairs, the Lead Independent Director, and non-chair committee members as described below:

Committee Member Retainer:	
Audit	\$ 12,500
Remuneration	\$ 12,500
Nominating & Governance	\$ 8,000
Committee Chair Retainer:	
Audit	\$ 25,000
Remuneration	\$ 25,000
Nominating & Governance	\$ 16,000
Lead Independent Director Retainer:	\$ 30,000

Our non-employee directors also receive annual equity awards in the form of restricted stock units vesting one year after the grant date. These grants are made pursuant to our shareholder-approved 2013 Long-Term Incentive Plan and are intended to directly link an element of director compensation to shareholders' interests. In fiscal 2015, our non-employee directors received equity awards in the form of restricted stock units having a value of approximately \$300,000. The grant date for the equity portion of the directors' compensation was the fifth trading day after the day on which the Company publicly releases its first quarter earnings.

Our non-employee directors also receive a travel stipend of \$10,000 per international trip to compensate them for the time spent traveling to attend board meetings in other countries. In addition, non-employee directors receive \$1,000 per day for activities requiring travel in furtherance of board or Perrigo business (other than to and from regularly scheduled Board and committee meetings).

Directors who are Perrigo employees receive no fees for their services as directors.

The following table summarizes the compensation of our non-employee directors who served during fiscal year 2015.

Section 16(a) Beneficial Ownership

Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that Perrigo's executive officers, directors and 10% shareholders file reports of ownership and changes of ownership of Perrigo ordinary shares with the SEC. Based on a review of copies of these reports provided to us and written representations from executive officers and directors, we believe that all filing requirements were met during fiscal year 2015, except that, due to an administrative error, a Form 4 filing reflecting a grant of RSUs to Jeff Needham was filed on May 21, 2015 instead of May 18, 2015.

Executive Compensation

Compensation Discussion and Analysis

This section summarizes the objectives and each element of the compensation program for the Chief Executive Officer, Chief Financial Officer and the next three most highly compensated executive officers who were serving at the end of fiscal year 2015 (collectively referred to as the named executive officers). You should review this section with the tabular disclosures that begin with the Summary Compensation Table on page 29.

Executive Summary

Executive Compensation Philosophy

Emphasize performance-based pay:

Performance-based compensation represented between 53% and 61% of our named executive officers' targeted annual compensation for fiscal 2015;

Annual cash incentive awards are strongly tied to one-year operating results and also reflect individual performance; no cash incentive awards are paid if threshold financial targets are not attained, and cash incentive awards are capped at 200% of target even if financial performance would justify higher payments; and

For fiscal 2015, 30% of an executive's long-term incentive (LTI) compensation opportunity (stock options) provides no actual value to the executive unless the stock price appreciates from the grant date, and 50% of the LTI compensation opportunity provides no actual value unless threshold levels of return on tangible capital (ROTC) targets are attained.

Conservative perquisites, with limited use of employment agreements.

Stock ownership and retention requirements align our executives' interests with the long-term interests of Perrigo and our shareholders.

An independent compensation consultant with no other ties to the Company regularly assesses executive compensation policies and practices and reports directly to the Remuneration Committee of the Board of Directors (referred to in this Compensation Discussion and Analysis as the Committee).

Fiscal 2015 Company Performance

Record net sales of \$4.6 billion, which reflected a 12% increase over fiscal 2014.

Record gross profit of \$1.7 billion, which reflected a 21% increase over fiscal 2014.

Cash flow from operations of \$1,051.0 million, which reflected a 31% increase over fiscal 2014.

Significant expansion of our geographic footprint and product portfolio with the acquisition of Omega, one of Europe's largest healthcare companies, which closed on March 30, 2015.

Long-Term Shareholder Performance

The cumulative total shareholder return, which includes reinvestment of dividends, of our ordinary shares and of the common stock of Perrigo Company, our predecessor, over the five-year period ending June 27, 2015, was 227%, compared to the cumulative five-year total return of both the S&P 500 Index and the S&P 500 Pharmaceuticals Index of 137% and 150%, respectively.

Table of Contents

Prior Say-on-Pay Vote

Over 87% of the votes cast at the 2014 AGM supported our say-on-pay proposal on an advisory basis. The Remuneration Committee carefully considered the results of that vote and, given the strong shareholder support of our executive compensation program, determined to maintain our overall compensation philosophy of tying a significant portion of total compensation to performance and made no material changes to the compensation structure.

Named Executive Officers

Our named executive officers for fiscal year 2015 are:

Name	Title
Joseph C. Papa	Chairman, President and Chief Executive Officer
Judy L. Brown	Executive Vice President, Chief Financial Officer
John T. Hendrickson	Executive Vice President, Global Operations and Supply Chain
Todd W. Kingma	Executive Vice President, General Counsel and Company Secretary

Compensation Program Administration

The Committee, which is composed entirely of independent directors, oversees our executive compensation program. Each year, the Committee reviews and approves the elements of compensation for all executive officers, including the named executive officers. The Committee submits its recommendations regarding the CEO’s compensation to the independent directors of the Board for approval. The CEO makes recommendations to the Committee regarding the compensation of the other executive officers for the Committee’s approval. Management is responsible for implementing the executive compensation program as approved by the Committee and the Board.

The Committee has engaged Meridian as its independent consultant to assist it in considering and analyzing market practices and trends, outside director compensation and management’s compensation recommendations. Perrigo has not retained Meridian to perform any non-executive compensation-related consulting services for Perrigo. In addition, management and the Committee periodically review compensation survey data published by Mercer Human Resource Consulting, Towers Watson, Aon Hewitt, SIRS and the Hay Group.

Compensation Objectives

The principal objectives of our executive compensation program are to:

attract and retain highly qualified executives;

ensure a strong linkage between an executive’s compensation and Company and individual performance (pay-for-performance);

provide total remuneration that is market competitive; and

require officers and non-executive directors to achieve and maintain a minimum level of Company stock ownership.

We believe that these objectives help us not only to compete for executive talent in a highly competitive industry, but also to maximize long-term returns to our shareholders.

Target Pay Philosophy

Edgar Filing: PERRIGO Co plc - Form DEF 14A

Our philosophy is to compensate our executives fairly within the prevailing competitive range of market practice and to tie a significant portion of their total compensation to the Company's financial performance.

Table of Contents

Salary adjustments and incentive awards are based on Company and division financial performance as well as individual performance. We provide limited executive benefits and perquisites, based on our desire to minimize the number of unique benefits for executives, consideration of market practices, recruiting needs and statutory requirements. Actual earned compensation may vary from targeted levels based on Company, division and individual performance.

The Use of Market Comparison Data in our Executive Compensation Decisions

The Committee uses information provided by Meridian regarding the compensation practices of select companies (the Comparison Group) as one of the factors in evaluating both the structure of our executive compensation program and target levels of compensation. Management also reviews data periodically from Mercer, Towers Watson and Equilar regarding the market positioning for base salary and annual and long-term incentive target levels for all executive roles. The Committee considers this information, together with the factors described in the Target Pay Philosophy section above, in determining executive compensation.

Over time, the Comparison Group selected by the Committee (following consultation with Meridian and management) has focused on comparably sized pharmaceutical peer group companies. The pharmaceutical industry has been steadily moving toward consolidation to remain competitive. As a result of market consolidation and Perrigo's continued growth, the number of companies remaining in the existing Comparison Group dwindled to eight companies as of the end of fiscal 2014. For fiscal 2015, the Committee undertook a detailed review of the existing Comparison Group and, with the assistance of Meridian and management, analyzed potential peer company additions and deletions, resulting in the approval of a new peer group in April 2014 applicable for fiscal 2015 pay decisions. This new peer group, consisting of the 17 companies listed below, had median revenues and market capitalization of \$5.5 billion and \$35.4 billion, respectively. The new peer group includes:

- | | |
|------------------------------|---------------------------------------|
| Abbvie, Inc. | Mallinckrodt plc |
| Actavis plc | Mead Johnson Nutrition Co. |
| Allergan, Inc. | Mylan, Inc. |
| Bristol-Myers Squibb Co. | Regeneron Pharmaceuticals |
| Celgene Corporation | Shire plc (ADR) |
| Cubist Pharmaceuticals, Inc. | United Therapeutics Corporation |
| Endo International plc | Valeant Pharmaceuticals International |
| Hospira, Inc. | Zoetis, Inc. |
| Jazz Pharmaceuticals plc | |

This group is referred to as the Comparison Group. Meridian provides information on the pay practices of the Comparison Group to the extent that information is available. In addition to pay data for the Comparison Group, Meridian provided compensation data from the Towers Watson Pharmaceutical and Health Sciences Compensation Survey as an additional reference point for the Committee's consideration.

In establishing compensation levels for the named executive officers, the Committee does not focus exclusively on market comparison data for positions with comparable responsibilities. Instead, that data is one factor that the Committee uses when setting compensation levels for each element of our program (salary, target annual cash incentive and equity-based compensation) and for the combined total of these elements. Although Perrigo does not specifically target a stated pay percentile objective, the Committee considers the 50th percentile of market data to be a valuable indication of what is competitive in the market.

In addition to market comparison data, the Committee also considers an individual's competencies, experience and performance; Company and division financial performance; and the aggregate cost to Perrigo. Ultimately, consideration of market comparison data in setting compensation levels is intended to ensure that our compensation practices are competitive in terms of attracting, rewarding and retaining executives.

Table of Contents

Tally Sheets

To assist it in making compensation decisions, the Committee annually reviews compensation tally sheets that contain comprehensive historical, current and projected data on the total compensation and benefits package for each of our named executive officers. These tally sheets also include analyses for various termination events (including terminations with and without cause and for death, disability, retirement or following a change of control) so that the Committee can consider and understand the nature and magnitude of potential payouts and obligations under the various circumstances. These tally sheets, which are prepared by management and reviewed by Meridian, generally contain data that are substantially similar to the data contained in the tables presented below.

Elements of Compensation

We believe the objectives of our executive compensation program are collectively best achieved through a compensation package comprised of the following elements:

base salary;

annual cash incentive awards;

long-term stock-based compensation that includes:

- performance-based restricted stock units;
- stock options;
- service-based restricted stock units; and

benefits.

In fiscal 2015, performance-based compensation, which includes annual cash incentive awards, stock options and performance-based restricted stock units, represented approximate 66% of targeted annual compensation for the CEO and between 53% and 61% for the remaining named executive officers.

Meridian compares our executive compensation structure and practices to those of the Comparison Group annually. Based on Meridian's fiscal year 2015 review, the market data provided by Meridian indicated that the structure of our executive compensation program is generally competitive with industry practices and consistent with the program objectives described above. In August 2013, the Committee modified the long-term incentive vehicle weighting to have more emphasis on performance share units (increased to 50% weighting), placing stock option weighting at 30% and restricted stock unit weighting at 20%. No changes were made to the long-term incentive vehicle weighting for the normal annual fiscal 2015 grant cycle.

The primary role of each compensation element is described below, followed by a discussion of the individual elements of compensation for the named executive officers, including the CEO.

Base Salaries

Base salaries are a fixed pay element provided to recognize and reward an individual's position, competencies, experience and performance. Base salary is the only element of our executives' total cash and equity compensation that is not at risk based on either the performance of our business or stock price appreciation. The Committee approves base salaries for the named executive officers other than the CEO. For the CEO, the

Edgar Filing: PERRIGO Co plc - Form DEF 14A

Committee submits its recommendation for the CEO's base salary to the independent directors of the Board for their approval. In approving an executive's base salary, the Committee may consider comparisons among positions internally and externally, proxy and survey data, performance, job experience and unique role responsibilities. To assist the Committee in this process, each year the CEO provides the Committee with base salary recommendations for each of the other named executive officers as well as summaries of such named executive officers' individual performance.

Table of Contents

Executives are eligible for annual salary increases based on an evaluation of individual performance and the market level of pay for comparable positions at other companies in the Comparison Group. Executives are also eligible for salary adjustments for promotions or changes in job responsibilities. For fiscal 2015, base salaries for the named executive officers increased between 3% and 8% based on the Committee's review of the compensation market data and assessment of individual performance.

Annual Incentive Award Opportunities

The Management Incentive Bonus Plan (the "MIB Plan"), which is part of the Perrigo Company Annual Incentive Plan that our shareholders approved in 2008 and for which the performance goals were reapproved by our shareholders in 2013, is intended to motivate and reward participants for achieving and exceeding specific, annual financial goals that support our objective of increasing long-term shareholder value. Participants in the MIB Plan include our executive officers (including the named executive officers), other management level personnel and other selected individuals. Substantially all other employees participate in other annual incentive plans. MIB awards are paid in cash upon attainment of the performance goals.

Near the beginning of each fiscal year, the Board approves the financial plan for that fiscal year, from which the Committee determines and approves the performance target goals and payout schedules for the MIB Plan. These goals and individual bonus targets, which are stated as a percentage of salary, are then communicated to the participants. The payout schedules reflect a range of potential award opportunities that are set around the targets.

Following the end of the fiscal year, the Committee reviews Perrigo's actual results against the performance target goals to determine at what level the Management Incentive Bonus ("MIB") will be paid. The MIB Plan payout schedules provide for payouts at or above the bonus target only if performance results meet or exceed our performance goals, excluding any items and events that are non-operational in nature, including acquisitions.

Individual performance goals are not a formulaic input for determining the bonus opportunity. However, to ensure that awards reflect an executive's performance and contribution to our results, the Committee has, or, in the case of the CEO, the independent directors have, the discretion to adjust any named executive officer's actual award up by as much as 50% or down by as much as 100% based on individual performance, provided that, in the case of any upward adjustment, the maximum incentive award opportunity for any individual executive is capped at 200% of the target award opportunity.

Reflecting our philosophy of pay-for-performance, actual incentive payouts may vary from target levels based on Company, division and individual performance. For all participants in the MIB Plan, including the named executive officers, the MIB and any discretionary bonus payouts have together averaged about 128% of target (ranging from 65% to 214% of target) over the prior ten fiscal years. The expectation is that, over long periods of time, annual incentive payouts should average around the target level.

The fiscal 2015 target annual incentive award opportunities, as a percentage of fiscal 2015 year-end base salary, were 120% for the CEO and 60-70% for the other named executive officers, as provided in the table

Table of Contents

below. The range of award opportunities is listed in the Grants of Plan-Based Awards for Fiscal Year 2015 table on page 30.

Executive	Fiscal 2015 Target Bonus (as % of Salary)
Mr. Papa	120%
Ms. Brown	70%
Mr. Hendrickson	60%
Mr. Kingma	60%
Mr. Kochan	60%

We have used consolidated operating income since fiscal 2013 as the metric for calculating the pool of available funds that can be paid out under the MIB Plan. Consolidated operating income for purposes of the MIB Plan equals operating income calculated in accordance with U.S. generally accepted accounting principles (GAAP), less certain adjustments considered unusual or non-recurring such as, but not limited to, restructuring expenses, unusual litigation charges, unusual gains or losses, and certain acquisition-related expenses and amortization expenses related to those acquisitions (MIB Operating Income). Operating income calculated in accordance with GAAP does not include the effect of income tax, interest expense and certain other income and expense items that are included in calculating net income in accordance with GAAP. Prior to fiscal 2013, we used consolidated net income as the metric under the MIB Plan. The Committee believes that using operating income as the performance metric better aligns management s compensation with our operating units performance and is consistent with market practices.

Near the beginning of fiscal 2015, the Committee approved a matrix of target award opportunities for the MIB Plan that corresponded to various levels of operating income performance as a percentage of the MIB Operating Income goals. The maximum pool of funds available for all fiscal 2015 awards under the MIB Plan was capped at 200% of the aggregate target award for all participants and the maximum incentive award opportunity for any individual participant in the MIB Plan is limited to 200% of that individual s target award.

The following chart shows the formula for overall MIB funding for fiscal year 2015:

Near the beginning of each fiscal year, the Board approves the financial plan for that fiscal year, from which the Committee determines and approves the performance target goals and payout schedules for the MIB Plan. As a result, the Committee originally set the MIB Operating Income target for all participants in the MIB Plan for fiscal 2015 at \$1,285.3 million, a 19.85% increase in target from fiscal 2014. In addition, the MIB Plan for fiscal 2015 originally required MIB Operating Income of at least \$1,028.2 million in order for participants to receive

Table of Contents

any payment under the plan in fiscal 2015. Following the acquisition of Omega in March 2015, the Committee revised the fiscal 2015 MIB Operating Income target to be \$1,342.3 million, reflecting the target results of the combined companies from the date of the acquisition to the end of fiscal 2015. This revised operating income target resulted in a 25% increase in the target from fiscal 2014. As a further result, the minimum (or threshold) MIB Operating Income required in order for participants to receive any payment under the MIB Plan in fiscal 2015 was revised to \$1,068.0 million.

The potential funding scenarios for the MIB Plan, as revised to reflect the Omega acquisition, are set forth in the table below.

FY2015 MIB Pool Funding

	MIB Operating Income	Pool Funding
Maximum	\$ 1,626,300,000	200%
Target	\$ 1,342,300,000	100%
Threshold	\$ 1,068,000,000	50%
Actual	\$ 1,315,600,000	95.0%

Perrigo's actual MIB Operating Income performance for fiscal 2015 was \$1,315.6 million. This amount consisted of \$763.3 million of income from continuing operations as reported in our financial statements, plus \$552.2 million of net, non-operational adjustments reviewed and approved by the Committee. These adjustments included charges related to acquisitions not included in Perrigo's original plan for fiscal year 2015, restructuring charges, and other expenses. Based on the payout matrix for the 2015 MIB Plan, the pool of funds available for all fiscal 2015 awards under the MIB Plan was 95.0% of the target award.

The pool of available funds was then allocated among eleven sub-pools covering various geographic groups or business units, including Corporate, using a mathematical formula based on the relative performance of each geographic group or business unit. This allocation determined the actual pay-out for members of each respective geographic group or business unit, which ranged from a low of 36.7% to a high of 104.4%. The Company's management team, including the named executive officers, are included in the Corporate MIB Plan.

Prior to fiscal 2015, the Committee used the following performance measurements to determine how the pool of available MIB funds would be allocated among the various business units, including Corporate:

MIB Operating Income and operating working capital turnover at the Corporate level, which applies to each named executive officer; and

operating income and operating working capital turnover at the business unit/division level.

Working capital turnover measured Perrigo's ability to convert the operating income required to support customers into cash over a period of time, with a higher operating working capital turnover rate corresponding to higher cash flow from operations.

For fiscal 2015, the Committee approved a change to the MIB Plan such that Days Working Capital was used in place of Operating Working Capital Turns as part of the calculation to determine how to allocate the pool of MIB funds among the various business units. This change was approved by the Committee to enhance focus on the balance sheet and statement of cash flows in addition to the income statement. Although both metrics are fairly similar, the Committee believed that Days Working Capital is a superior benchmark that facilitates the annual goal setting process. The weighting for Days Working Capital remained at 14%, while the weighting for Operating Income remained at 86%.

The MIB Operating Income and Days Working Capital targets for participants in the Corporate MIB Plan for fiscal year 2015 were \$1,342.3 million and 108 days, respectively. In addition, the Corporate MIB Plan for

Table of Contents

fiscal 2015 required MIB Operating Income and Days Working Capital of at least \$1,073.9 million and at least 130 days in order for participants to receive any payouts relative to those components under the Plan.

Perrigo's actual MIB Operating Income and Days Working Capital performance for fiscal 2015, as calculated under the Corporate MIB Plan, was \$1,315.6 million and 110 days, respectively. The fiscal 2015 MIB Operating Income and Days Working Capital performance each represented approximately 95% of the MIB Operating Income target payout and the Days Working Capital target payout. Based on the payout matrix for the 2015 Corporate MIB Plan and the weighting between the MIB Operating Income and Days Working Capital components, the bonus payouts under the 2015 Corporate MIB Plan, which included each named executive officer, were 95% of the bonus target.

While the 95% payouts were based on the payout matrix for the 2015 Corporate MIB Plan, we believe this payout level is also supported by and consistent with other aspects of Perrigo's fiscal 2015 financial performance, including record sales, gross profit and cash flow from operations. All of these factors contributed to Perrigo's strong performance in fiscal 2015.

In assessing individual performance in fiscal 2015 for purposes of determining whether adjustments should be made to the MIB payouts, the Committee focused on the personal efforts of participants to help Perrigo meet its financial, strategic and other goals. The CEO provided substantial input to the Committee regarding the personal performance of the other named executive officers in this respect and, in the case of the CEO, the Committee submitted its recommendation to the independent directors for their approval. The independent directors in the case of the CEO, and the Committee in the case of the other named executive officers, have the ability to adjust individual MIB payouts based on personal performance. After individual adjustments based on this assessment of individual performance, competencies, and experience, actual MIB payouts to the named executive officers for fiscal 2015 ranged from 98% to 102% of target. The actual bonuses awarded to the named executive officers are listed under Non-Equity Incentive Plan Compensation in the Summary Compensation Table on page 29.

Stock-Based Compensation

Long-term stock-based compensation, which is awarded under our 2013 Long-Term Incentive Plan (the "LTIP"), is intended to motivate and reward executives for creating shareholder value as reflected in the total shareholder return of Perrigo's ordinary shares. Awards under the LTIP may be in the form of stock options, non-statutory stock options, stock appreciation rights or stock awards, including restricted shares or restricted share units, or performance shares or performance units. We provide long-term incentive opportunities solely through stock-based awards to the executive officers, management and other key employees. In fiscal 2015, approximately 500 employees received stock-based compensation.

As a variable component of compensation, the amount realized from stock-based compensation will vary based on the market price of Perrigo's ordinary shares. In addition, performance-based restricted stock units are only earned if specified financial goals are achieved.

The Committee sets stock-based grant levels based on consideration of an executive's position, performance review of market competitive practices (using the market median as a competitive guideline) and the aggregate cost impact to the Company. Grants to named executive officers are subject to the approval of the Committee and, in the case of the CEO, the independent directors of the Board.

The long-term stock-based compensation for our executives consists of a mix of three types of stock-based awards: performance-based restricted stock units, stock options, and service-based restricted stock units. In developing this grant mix, the Committee considered the Company's compensation philosophy and ongoing business strategy, reviewed market practices and alternative award types, and considered the overall cost impact to Perrigo of various award types. The Committee reviews this grant mix annually and has concluded that the

Table of Contents

current mix of long-term incentive vehicles continues to support the key objectives of the Company's long-term incentive program and the pay-for-performance philosophy. Consistent with our long-standing emphasis on performance-based compensation, the majority of the award opportunity is provided through performance-based awards in the form performance-based restricted stock units and stock options. This provides a tiered mix among the three award types while maintaining the emphasis on performance-based awards. The portion of the long-term incentive opportunity granted in service-based restricted stock units is provided, primarily, to facilitate retention. The mix in types of equity compensation was last changed in August 2013, when the Committee approved changes to the allocation of long-term equity compensation for all executive and non-executive officers entitled to receive such equity compensation. Since fiscal 2014, equity compensation for all recipients, including our named executive officers, has been 30% stock options, 20% service-based restricted stock units and 50% performance-based restricted stock units. The Committee and Board believe that this mix is consistent with market practices and reflects our philosophy of pay-for-performance.

A description of each award type and the weighting of the total award opportunity (percent of the total targeted value) for fiscal 2015 are presented below:

Performance-based restricted stock units (50% weighting):

- Vesting is dependent on the Company's performance over a three-year period, except with respect to the 2013 and 2014 awards as described below under "Changes for Fiscal Year 2016" *Change in Performance Measurement Period for the 2013 and 2014 Annual Long-Term Incentive Grant*, on page 27.
- Shares can be earned based on the three-year average return on tangible capital (ROTC) (average of three discrete one-year ROTC goals, which are set based on the annual financial plan). The target goals are set by the Board at challenging levels requiring execution of each year's financial plan.
- Earned awards, if any, can range from 0% to 200% of the target number of shares granted.

Stock options (30% weighting):

- Vest 33% per year beginning one year from the date of grant (fully vest after three years).
- Have a 10-year term, after which the options expire.
- Exercise price equals the last reported sale price of Perrigo's ordinary shares on the grant date.
- The ultimate value of the stock options that will be realized, if any, is not determinable until they are exercised. Stock options will have value only to the extent that the stock price increases above the option's exercise price.

Service-based restricted stock units (20% weighting):

- Vest 100% three years from the date of grant.

Edgar Filing: PERRIGO Co plc - Form DEF 14A

- Accrued dividends paid in cash at the end of the restriction period.

Performance-based restricted stock units are earned and vest, if at all, three years from the grant date depending on the Company's performance over the applicable three-year performance period, except as described on page 27. The Committee has approved using ROTC as the performance measure for performance-based restricted stock units. ROTC measures our ability to generate profits from the effective use of all tangible capital invested in the business. Tangible capital is defined as Perrigo's operating assets and liabilities excluding all acquisition-related intangible assets and goodwill. ROTC is calculated by dividing Perrigo's after tax MIB Operating Income, by its tangible capital. Both management and the Board of Directors regularly review both ROTC and return on invested capital (ROIC) to measure the Company's ability to provide a return on all assets greater than the Company's cost of capital. The ROIC calculation includes goodwill as well as intangible assets from acquisitions.

Table of Contents

The ROTC target used for performance-based restricted stock units granted in fiscal 2015 was 59.2%. Our fiscal 2015 ROTC performance of 61.2% resulted in an actual vesting credit of 135%, which will be relevant for any three-year performance period that includes fiscal 2015. Information regarding the fiscal 2013 grant, which vested subsequent to the end of fiscal 2015, is included in footnote 5 to the Outstanding Equity Awards at Fiscal Year-End 2015 table on page 32.

With respect to the performance-based restricted stock units granted in fiscal year 2012 that vested in fiscal 2015, the vesting credits for the fiscal 2014, 2013 and 2012 portions of the 2012 grant were 114%, 86% and 179%, respectively, based on Perrigo's financial performance. Given these percentages, the full three-year vesting credit for the performance-based restricted stock units granted in fiscal 2012 was 126%. These results are summarized in the chart below:

2012 Performance Share Awards

(Based on Company ROTC performance in fiscal years 2012, 2013 and 2014

and vested in fiscal year 2015)

	FY 2012	FY 2013	FY 2014
ROTC Maximum Performance (200% Payout)	43.1%	46.0%	55.1%
ROTC Target Performance (100% Payout)	39.2%	41.8%	50.0%
ROTC Threshold Performance (50% Payout)	35.3%	37.6%	45.0%
ROTC Actual Performance	42.3%	40.6%	50.8%
Percent Payout	179%	86%	114%

Full 3-year vesting = 126%

The actual number of restricted stock units that vested in fiscal 2015 for each of our named executive officers is listed under Number of Shares Acquired on Vesting in the Option Exercises and Stock Vested in Fiscal Year 2015 table on page 33.

The accounting cost of the stock-based awards is determined at the grant date and accrued over the vesting service period. The ultimate expense for the performance-based restricted stock units is based on the number of shares earned.

The grant date fair value, as calculated under the applicable accounting standard (FASB ASC Topic 718), for the fiscal 2015 stock-based grants is presented in the Grants of Plan-Based Awards for Fiscal Year 2015 table on page 30.

Stock options and performance-based restricted stock units are designed to be deductible by Perrigo for federal income tax purposes under Section 162(m) of the Internal Revenue Code (the "Code"). Accordingly, when executives exercise stock options or receive shares in payment for earned performance-based restricted stock units, they are taxed at ordinary income rates (subject to withholding), and Perrigo receives a corresponding tax deduction. For certain named executive officers with total compensation exceeding \$1 million, the compensation expense associated with service-based restricted stock awards may not be tax deductible by Perrigo for federal income tax purposes under Section 162(m).

Our grant documents include a claw-back provision that allows Perrigo to recover incentive compensation paid to an executive if Perrigo's financial results are later restated due to the individual's misconduct, including, without limitation, fraud or knowing illegal conduct.

Annual Grant Timing

During our regularly scheduled meetings in August, the independent directors approve all regular, annual stock-based awards for the CEO, and the Committee approves all stock-based awards for the other named executive officers, as well as the maximum potential total grants for other employee levels. All regular annual stock-based awards are granted on, and priced at the last reported sale price of Perrigo's stock on the fifth trading day after the day on which Perrigo publicly releases its year-end earnings for the fiscal year.

In addition, on August 13, 2014, the Committee approved a one-time grant of restricted stock units to the Company's executive officers, including the named executive officers, to recognize their contributions related to our acquisition of Elan Corporation, plc. These grants were made on August 21, 2014 and will vest two years from the grant date. The named executive officers received restricted stock units equal to the following amounts: Mr. Papa: \$1,000,000; Ms. Brown: \$250,000; Mr. Kingma: \$250,000; Mr. Hendrickson: \$250,000 and Mr. Kochan: \$150,000.

Stock-based awards may be granted during the year to new hires or to existing non-executive employees under special circumstances (promotions, retention or performance) with the approval of the CEO. Stock-based awards may also be granted during the year to the executive officers other than the CEO with the approval of the Committee and to the CEO with the approval of the independent directors as permitted under the LTIP. Such awards are priced at the closing price of Perrigo's stock on the day the awards are granted.

In connection with the Company's change in fiscal year, we are transitioning our compensation processes. As a result, on June 29, 2015, after the end of the 2015 fiscal year, the Committee approved grants for the six-month transition period ending December 31, 2015. Beginning in 2016, we expect that the Committee will make annual grants in the February/March timeframe consistent with having a calendar year end.

Executive Stock Ownership Guidelines

Consistent with our compensation philosophy of tying a significant portion of the total compensation to performance, our executive compensation program facilitates and encourages long-term ownership of Perrigo stock. Our stock ownership guidelines reinforce that philosophy by requiring executive officers to maintain specific levels of stock ownership.

Each executive officer is required to attain certain target levels of stock ownership. These ownership guidelines are expressed in terms of a multiple of base salary as follows:

Chief Executive Officer: 5 times base salary

Executive Vice President: 3 times base salary

Senior Vice President: 2 times base salary

For purposes of determining an executive officer's stock ownership, at least fifty percent (50%) must consist of (i) shares purchased on the open market, (ii) shares owned jointly with a spouse and/or children, (iii) shares acquired through the exercise of stock options or vesting of restricted shares or restricted stock units, or (iv) shares held through the Perrigo Company Profit-Sharing and Investment Plan. The balance of an executive officer's stock ownership may be satisfied through (a) unvested but earned performance-based restricted stock shares or restricted share units that have not been forfeited, and (b) unvested service-based restricted shares or restricted share units that have not been forfeited.

Until each executive officer attains the applicable target stock ownership level, he or she is required to retain a stated percentage of shares received through our incentive plans, including shares obtained through the exercise of stock options, vesting of restricted shares, payout of performance shares and any other vehicle through which the individual acquires shares. At any time that an executive's direct stock ownership is below the required levels

Table of Contents

set forth above, (i) with respect to restricted shares and units, he/she is restricted from selling more than 50% of the net shares received following the vesting of any service-based or performance-based restricted shares or restricted share units under any of the Company's compensation plans, and (ii) with respect to stock options, he or she is restricted from selling more than 50% of the net value received upon the exercise of any stock option (i.e. after the cost of the option and taxes are remitted), such that at least 50% of the net value received upon the exercise of any stock option must be converted to directly owned shares. In these cases, however, the participants must still adhere to the retention requirements with respect to the remaining shares.

As of the end of fiscal 2015, all of our executive officers, including our named executive officers, were in compliance with these guidelines.

Compensation Risk Assessment

At the Committee's request, Meridian, the Committee's independent consultant, conducted an assessment of the Company's compensation policies and practices in fiscal 2015 to determine whether any practices might encourage excessive risk taking on the part of executives. This assessment included a review of the Company's pay philosophy, competitive position, annual incentive arrangements (including broad-based incentive plans) and long-term incentive arrangements (including stock option, restricted stock unit and performance share unit design) as well as potential mitigating factors such as stock ownership requirements and recoupment policies.

After considering Meridian's assessment, the Committee concluded that our compensation programs are designed and administered with the appropriate balance of risk and reward in relation to our overall business strategy and are not designed in such a way to encourage executives and employees to take unnecessary risks that would be reasonably likely to have a material adverse effect on the Company. Factors that led to this conclusion include:

Our overall compensation levels are generally within a competitive range of market.

Our compensation mix, which is described in detail above, is balanced among (i) fixed components such as salary and benefits, (ii) annual incentives that are based on total Company financial performance, business unit financial performance, operational measures and individual performance, and (iii) for management level personnel, equity awards comprised of stock options, performance share units and time-based restricted stock units. The Committee believes our compensation mix provides a balanced focus on achieving both short-term financial results and long-term value creation.

Through equity-based awards, a significant percentage of our management's incentive compensation is based on the long-term performance of the total Company, which mitigates any incentive to pursue strategies that might maximize the performance of a single operating division to the detriment of our Company as a whole.

The MIB Plan and the performance share units each use different performance metrics to determine actual earned award payouts.

We have the right to recover incentive compensation previously paid to an executive based on our financial results if the results are later restated because of the individual's misconduct, including without limitation fraud or knowing illegal conduct.

Our incentive award program avoids steep payout cliffs at certain performance levels that may encourage short-term business decisions to meet payout thresholds.

Maximum payouts under both the MIB Plan and the LTIP are capped at 200% of the target amount for executive officers, including named executive officers, which mitigates excessive risk-taking since the amount that can be earned in any given performance period is capped.

Edgar Filing: PERRIGO Co plc - Form DEF 14A

Our senior executives are subject to stock ownership guidelines that incentivize them to consider the long-term interest of Perrigo and our shareholders and discourage excessive risk-taking that could negatively impact our stock price.

Table of Contents

Our Board of Directors and the Committee annually review and approve incentive plan targets that they believe are attainable without the need to take inappropriate risk, and they retain a large amount of discretion to adjust compensation for Company, division and individual performance as well as other factors.

Based on the foregoing, the Committee determined that any risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

Benefits and Perquisites

Retirement Benefits

We offer retirement benefit plans to provide financial security and to facilitate employees' saving for their retirement. We make annual contributions under our Profit Sharing Plan for employees, including the executive officers. We also make matching contributions up to the limits as defined in the applicable regulations under our 401(k) Plan to certain of our employees, including the named executive officers.

Executive Perquisites

We provide a limited number of perquisites to our named executive officers. Benefits and perquisites may include supplemental long-term disability insurance premiums, executive physical exams, limited spousal travel and financial counseling/tax advice.

Non-Qualified Deferred Compensation Plan

We maintain a Non-Qualified Deferred Compensation Plan (the "Deferred Compensation Plan") that allows certain executives, including the named executive officers, to voluntarily elect to defer base salary and earned annual incentive awards. Under that plan, we provide annual profit-sharing contributions and matching contributions that cannot be provided under Perrigo's Profit-Sharing and Investment Plan (the "Tax-Qualified Plan") because of the limitations of Sections 415 and 401(a)(17) of the Code. Code Section 415 limits the total annual additions to a participant's account under the Tax-Qualified Plan to a specified dollar amount, currently \$53,000. Code Section 401(a)(17) limits total compensation that can be considered under the Tax-Qualified Plan. This limit is currently \$265,000. Due to these limits, certain Perrigo employees would not receive profit-sharing contributions and matching contributions under the Tax-Qualified Plan on their full compensation. Therefore, we provide affected employees, including the named executive officers, with the profit-sharing contributions and matching contributions under the Deferred Compensation Plan that they would have been eligible for under the Tax-Qualified Plan but for the limitations under the Code.

Employment Agreements (Severance Benefits)

We typically do not enter into employment agreements with our executives. However, in order to recruit our CEO during fiscal 2007, we entered into an employment agreement with him. The key compensation terms of this agreement are summarized below. Post-employment payments under the CEO's employment agreement are presented in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 34.

All other executives are subject to the Company's general severance policy in the event of termination other than for cause. Under this policy, executives terminated without cause would receive 52 weeks of base salary, a 52-week waiver of COBRA premiums, a pro-rata bonus payment and career transition assistance up to a maximum of \$25,000.

Table of Contents

CEO Compensation

Mr. Papa's employment agreement became effective on October 9, 2006. His initial compensation was determined based on consideration of market practices and experience. Consistent with our emphasis on performance-based pay, the majority of Mr. Papa's annual compensation is stock-based with the ultimate value realized based on Perrigo's stock price performance. In accordance with his employment agreement, Mr. Papa's compensation currently includes: a base salary; participation in the MIB Plan; annual grants of stock options, service-based restricted units and performance-based restricted stock units; and participation in Perrigo's other employee benefit plans.

Mr. Papa also serves on the Board of Directors pursuant to the terms of his agreement. Although the agreement had an initial term of two years, it automatically was extended for additional 12-month periods and will continue to do so until either Perrigo or Mr. Papa provides written notice of non-renewal to the other party at least 120 days before the last day of the then-current renewal term. The agreement contains customary confidentiality obligations, non-competition restrictions for two years from the date of termination of his employment and non-solicitation restrictions for one year from the date of termination of his employment.

If Mr. Papa were involuntarily terminated by us without cause or voluntarily terminated for good reason (as defined in the agreement), he would receive cash severance benefits and continued vesting of certain stock-based awards. The circumstances under which severance benefits are triggered and the resulting payouts were set to recruit Mr. Papa and were generally consistent with market practices. In addition, under the terms of his equity grant agreements, Mr. Papa would receive full vesting of his outstanding stock-based awards upon termination following a change in control. There are no additional enhancements for a termination of employment following a change of control.

Further details regarding potential payments under this agreement upon a termination of employment are presented in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 34.

Changes for Fiscal Year 2016

Change in Fiscal Year

As previously disclosed, on December 18, 2014, the Board of Directors approved a change in the Company's fiscal year-end from the Saturday closest to each June 30 to December 31. The Company's fiscal year-end will begin on January 1 and end on December 31 of each year, starting on January 1, 2016. The Company's fiscal year 2015 ended on June 27, 2015 and will be followed by a transition period from June 28, 2015 to December 31, 2015 (the "Stub Year").

Change in Performance Measurement Period for the 2013 and 2014 Annual Long-Term Incentive Grant

As a result of the change in fiscal year, on June 22, 2015, the Board and the Committee approved amendments to the performance measurement period applicable to the Company's 2013 and 2014 performance-based restricted stock unit awards under the Company's 2013 Long-Term Incentive Plan. The amendments change the remaining performance measurement period on each of the 2013 and 2014 grants to align with the

Table of Contents

next two financial reporting periods of the Company given the change in fiscal year. As amended, the performance measurement periods are as follows:

2013 Grants	Original Measurement Periods		As Amended	
Year One	June 30, 2013	June 28, 2014	June 30, 2013	June 28, 2014
Year Two	June 29, 2014	June 27, 2015	June 29, 2014	June 27, 2015
Year Three	June 28, 2015	June 25, 2016	June 28, 2015	December 31, 2015
2014 Grants				
Year One	June 29, 2014	June 27, 2015	June 29, 2014	June 27, 2015
Year Two	June 28, 2015	June 25, 2016	June 28, 2015	December 31, 2015
Year Three	June 26, 2016	July 1, 2017	January 1, 2016	December 31, 2016

The amendments retain the original service requirements, such that the recipients must remain employed with the Company through the original vesting date of the applicable grant in order to actually receive these grants.

Stub-Year LTI Grant

On June 29, 2015, the Committee (and, with respect to the CEO's compensation, the Board) awarded performance-based restricted stock units to the Company's executive officers, including the named executive officers. These performance-based restricted stock units were awarded in connection with the Company's change in fiscal year and were awarded at an approximately one-half year value to reflect the six-month Stub-Year. Although the long-term stock-based compensation for the Company's executives has historically consisted of a mix of three types of stock-based awards: performance-based restricted stock units, stock options, and service-based restricted stock units; for the Stub-Year only, the stock-based compensation grant consisted of only performance-based restricted stock units for executive officers, including the named executive officers, and restricted stock units for all other participants. The Stub-Year LTI grants to the NEOs were as follows:

Named Executive Officer Performance-based Restricted Stock Stub-Year Grants

Named Executive Officer	Stub-Year PRSU s Granted
Mr. Papa	21,994
Ms. Brown	5,431

As in the past, all of these grants have a three-year cliff vesting schedule, and the performance metric for the performance-based restricted stock units will continue to be based on return on tangible capital. Beginning in 2016, any stock-based compensation grants will likely be made in the February or March timeframe in a manner consistent with having a calendar year end.

Retention Grants

The Committee and Board of Directors also recently addressed the adverse impact of Mylan's hostile takeover proposal on the Company's applicant flow and offer acceptance rate, third-party recruitment of Perrigo's key talent, and the increased uncertainty in the workforce. In light of these realities, on June 22, 2015, the Remuneration Committee approved a one-time retention grant to certain employees, including the named executive officers. The retention grant for each individual was equal in value to his or her Stub-Year grant and consisted of restricted stock units with five-year cliff vesting. These retention awards were granted on June 29, 2015, and approximately 130 employees, including the named-executive officers, received the one-time retention grant.

Table of Contents**Tax Matters***Deductibility of Compensation*

Code Section 162(m) limits the deductibility by Perrigo of compensation in excess of \$1 million paid to each of the CEO and the next three most highly paid officers (excluding the Chief Financial Officer). Certain performance-based compensation is not included in compensation counted for purposes of the limit. The Committee attempts to establish and maintain a compensation program that will optimize the deductibility of compensation. The Committee, however, reserves the right to use its judgment to authorize compensation that may not be fully deductible where merited by the need to respond to changing business conditions or an executive officer's individual performance.

- 1) Represents the full grant date fair value of stock awards granted in the years shown, calculated in accordance with U.S. GAAP. Stock awards include service-based restricted stock units and performance-based restricted stock units. For the performance-based stock awards, the amounts reported were valued using the closing market price of our common stock on the date of grant assuming payout at target performance of 100%. These values were as follows: Mr. Papa, \$3,449,963; Ms. Brown, \$976,480; Mr. Hendrickson, \$486,245; Mr. Kingma, \$486,245; and Mr. Kochan, \$410,893. The 100% target performance is based on the probable outcome of the relevant performance conditions as of the grant date. See the Grants of Plan-Based Awards for Fiscal Year 2015 Table for additional information regarding the full grant date fair value for all stock awards. Assuming payout at maximum performance of 200%, the full grant date fair value of performance-based stock awarded in fiscal 2015 would have been: Mr. Papa, \$6,899,925; Ms. Brown, \$1,952,960; Mr. Hendrickson, \$972,491; Mr. Kingma, \$972,491; and Mr. Kochan, \$821,786. 1) For better understanding of this table, this column has been added to show the grant date of all stock options and equity awards outstanding at fiscal year end.

2) All stock option awards vest one-third per year over three years beginning on the anniversary of the grant.

3) Service-based restricted stock units cliff vest respective to the vesting anniversary provided in the grant agreement.

4) The market value of these unvested awards was calculated using the closing price of our common stock as of June 26, 2015, which was \$190.55 a share.

Edgar Filing: PERRIGO Co plc - Form DEF 14A

- 5) Performance-based restricted stock units are earned and vest, if at all, three years from the grant date, depending on our performance over a three-year period as more fully described in the section entitled "Stock-Based Compensation" in the Compensation Discussion and Analysis. As of June 27, 2015, the number of unearned units for the fiscal 2013 award, granted on August 23, 2012, was calculated using vesting credits of 86%, 114% and 135% for fiscal years 2013, 2014, and 2015, respectively, based on our actual performance. The number of unearned units for the fiscal 2014 award, granted on August 22, 2013, was calculated using a vesting credit of 114% for fiscal 2014 and 135% for fiscal 2015 based on our actual performance and a targeted vesting credit of 100% for fiscal 2016. The number of unearned units for the fiscal 2015 award, granted on August 21, 2014, was calculated using a vesting credit of 135% for fiscal 2015 and a targeted vesting credit of 100% for fiscal years 2016 and 2017.

Subsequent to year-end, the fiscal 2013 award vested on August 21, 2015, and the actual number of performance-based restricted stock units earned were: Mr. Papa: 16,499; Ms. Brown: 5,775; Mr. Hendrickson: 2,289; Mr. Kingma: 3,155; and Mr. Kochan: 2,165. The actual vesting credit for the fiscal 2015 portion of the 2013 award was 135% based on our fiscal 2015 ROTC performance, which, given the 86% and 114% vesting credits for fiscal years 2013 and 2014, respectively, resulted in a full three-year vesting credit of 112% for the performance-based restricted stock units granted in fiscal 2013.

Non-Qualified Deferred Compensation in Fiscal Year 2015

The Deferred Compensation Plan allows certain senior executives to defer as much as 100% of base salary and 80% of incentive compensation. Participation in the plan is limited to the executive officers (including the named executive officers) and other management level personnel and selected individuals. Amounts deferred under the Deferred Compensation Plan earn a return based on measurement funds made available to the participant and determined by the Retirement Plan Committee. These measurement funds mirror the investment choices available in our qualified deferred compensation plan (with the exception of our stock, which is not an investment option in the Deferred Compensation Plan). In-service distributions are allowed. Participants elect the form and timing of payment of their Deferred Compensation Plan deferral account prior to the year in which it is deferred. Participants may elect to receive their accounts in a lump sum or in annual installments (up to fifteen years) upon separation from service. All participants are treated as key employees by the Deferred Compensation Plan rules (as defined in the applicable tax regulations) and therefore may not begin receiving distributions earlier than six months following termination of employment.

The following table sets forth information relating to the Deferred Compensation Plan.

Potential Payments Upon Termination or Change in Control

All of our named executive officers participate in our MIB Plan, LTIP, and our Deferred Compensation Plan. These plans may require us to provide compensation to these officers in the event of a termination of employment or a change-in-control of Perrigo. Our Chief Executive Officer also would receive compensation under his employment agreement in the event of a termination of employment or a change-in-control of Perrigo; however, any severance benefits payable under that agreement will only occur in the event of a termination of employment that, when following a change-in-control of Perrigo, results in a double trigger for severance benefits. The Remuneration Committee retains discretion to provide, and in the past has provided, additional benefits to executive officers upon termination or resignation if it determines the circumstances so warrant.

The full three-year vesting credit was calculated based on the actual average vesting performance for the 2013-2015 fiscal year grants of 112% based on our fiscal ROTC performance. The fiscal 2015 and 2014 full three-year vesting credit used a target performance of 100% for performance in any future fiscal year.

Employment Agreement with Chief Executive Officer

Under Mr. Papa's employment agreement, his employment may be terminated during the term of this agreement under the following circumstances:

upon Mr. Papa's death or disability;

by Perrigo for cause (as defined in the agreement);

by Mr. Papa upon 30 days' written notice;

by mutual agreement;

by Perrigo without cause upon 30 days' written notice; or

by Mr. Papa with good reason (as defined in the agreement).

If Mr. Papa's employment is terminated during the term of the agreement for any reason, he will receive compensation and benefits earned to date, including payment for unused vacation days. If Mr. Papa's employment is terminated as a result of death or disability, Mr. Papa also will receive a pro rata management incentive bonus for the portion of the year he was employed. If we terminate Mr. Papa's employment for cause, he will receive compensation and benefits earned to date, but he will forfeit any options (whether vested or unvested), restricted stock and unvested benefits. Any salary and unused vacation days will be paid to Mr. Papa in a lump sum as soon as practicable following the date of termination. Other benefits will be paid to Mr. Papa in accordance with applicable law and the terms of any applicable plan or arrangement.

If during the term of this agreement Mr. Papa's employment is terminated by us without cause or by him for good reason and he agrees to a release of claims against Perrigo, he will also be entitled to compensation and benefits earned to that date, as well as:

payment of an amount equal to 24 months of his then-current salary and target bonus, payable in regular payroll installments;

Payments Under the Management Incentive Bonus Plan

Generally, no portion of the payments under the MIB Plan is considered earned or payable for a particular year unless the named executive officer is employed by us and in good standing on the first day of the following fiscal year. The MIB Plan, however, may require us to make payments to named executive officers who are no longer employed by us on the first day of the following fiscal year under the following circumstances:

retirement at age 65 or older;

retirement at age 60 or older with at least 10 years of service;

early retirement of a named executive officer under an early retirement plan;

permanent disability as determined by the Remuneration Committee; or

death.

Under all circumstances listed above, the named executive officer, or his or her estate in the case of death, will be entitled to a pro rata portion of any payment under the MIB Plan for that fiscal year, computed to the date of the termination. In addition, the CEO, in his sole discretion, may make exceptions to the circumstances listed above and allow payments in the event of other types of termination.

A named executive officer eligible to receive a post-termination payment under the MIB Plan will be paid in a lump sum within a reasonable time after the close of the fiscal year in which termination occurred.

Payments Under the Long-Term Incentive Plan

If a named executive officer terminates employment with us due to death, disability or retirement, his or her (i) outstanding options will immediately vest in full and (ii) restricted stock units and performance-based restricted stock units will be free of any restriction period. The outstanding options may be exercised in whole or in part by the participant or his or her fiduciary, beneficiary or conservator, as applicable, at any time prior to their respective expiration dates.

If a named executive officer is involuntarily terminated for economic reasons, he or she may exercise his or her options, to the extent vested, at any time prior to the earlier of (i) the date that is 30 days after the date that is 24 months after the termination date, or (ii) their respective expiration dates. Any options, restricted stock units and performance-based restricted stock units that are not vested on the termination date, but are scheduled to vest during the 24-month period following the termination date according to the vesting schedule in effect before termination, will vest as if the participant had continued to provide services to us during the 24-month period. Any unvested options, restricted stock units and performance-based restricted stock units that are not scheduled to vest during that 24-month period will be forfeited on the termination date. If a named executive officer dies after the termination date while his or her options remain exercisable, the fiduciary of the named executive officer's estate or his or her beneficiary may exercise the options (to the extent that those options were vested and exercisable prior to the named executive officer's death) at any time prior to the later of the date that is (i) 30 days after the date that is 24 months after the named executive officer's termination date, or (ii) 12 months after the date of death, but in no event later than the respective expiration dates of the options.

Upon an event of termination for any reason during the restriction period, restricted shares and stock units still subject to restriction generally will be forfeited by the named executive officer and reacquired by Perrigo. We may in our sole discretion waive in whole or in part any or all remaining restrictions with regard to a named executive officer's shares, except for restricted share awards that are intended to comply with certain performance-based compensation requirements.

If a named executive officer is terminated for cause, any restricted shares or units subject to a restriction period will be forfeited and his or her right to exercise his or her options will terminate. If within 60 days after a

Table of Contents

named executive officer is terminated for any reason, we discover circumstances that would have permitted us to terminate a named executive officer for cause, any shares, cash or other property paid or delivered to the named executive officer will be forfeited and the named executive officer must repay those amounts to Perrigo.

If the named executive officer is terminated for any reason other than those described above, the named executive officer will have the right to exercise his or her options at any time prior to the earlier of (i) the date that is three months after the termination date, or (ii) their respective expiration dates, but only to the extent that those options were vested prior to the termination date. Any options or restricted stock units and performance-based restricted stock units that are not vested at the termination date will be forfeited on the termination date. If a named executive officer dies after the termination date while his or her options remain exercisable, the fiduciary of the named executive officer's estate or his or her beneficiary may exercise the options (to the extent that those options were vested and exercisable prior to the executive officer's death) at any time prior to the earlier of (i) 12 months after the date of death, or (ii) their respective expiration dates.

In the event of a change in control (as defined in the LTIP), options, restricted stock units and performance-based restricted stock units outstanding under the LTIP as of the date of the change in control that have not vested will become vested and the options will become fully exercisable. The restrictions and deferral limitations applicable to any restricted shares and units will lapse and the restricted shares and units will become free of all restrictions and limitations and will become fully vested and transferable. In addition, upon a change in control, all performance awards will be considered to be earned and payable in full, and any deferral or other restriction will lapse and the performance awards will be immediately settled and distributed. The restrictions and deferral limitations and other conditions applicable to any other stock unit awards or any other awards will lapse and those other stock unit awards and other awards will become free of all restrictions, limitations or conditions and will become fully vested and transferable to the full extent of the original grant.

Payments Under the Non-Qualified Deferred Compensation Plan

If a named executive officer is terminated for any reason other than death, he or she will receive a termination benefit under the Deferred Compensation Plan equal to his or her vested account balance. The Non-Qualified Deferred Compensation in Fiscal Year 2015 table on page 33 reflects account balances as of the end of our 2015 fiscal year.

This termination benefit will be paid to the named executive officer in a lump sum or under an annual installment method of up to 15 years, based on the named executive officer's choice when he or she began participation in the plan or as he or she subsequently changed the election. If the named executive officer did not make an election with respect to method of payment for a termination benefit, he or she will be deemed to have elected to be paid in a lump sum. Payments generally will be made no later than 60 days after the named executive officer terminates his or her employment with us.

A named executive officer's beneficiary will receive a survivor benefit equal to the named executive officer's vested account balance if the named executive officer dies before he or she commences payment under the Deferred Compensation Plan. The survivor benefit will be paid to the named executive officer's beneficiary in a lump sum payment as soon as administratively practicable, but in no event later than 60 days after the last day of the plan year in which the named executive officer dies.

About the Nominated Directors

Our goal is to assemble a Board that operates cohesively and challenges and questions management in a constructive way. When assessing directors for the Board, we consider:

the directors' overall mix of skills and experience;

how active they are in understanding our business and participating in board, committee and annual general meetings; and

their character, integrity, judgment, record of achievement, diversity and independence.

We also look at a director's ability to contribute to the Board, his or her available time and his or her participation on other boards. We believe these are important factors that impact the quality of the Board's decision-making and its overall oversight of management and our business. While diversity is considered when assessing directors for the Board, Perrigo has no formal policy on Board diversity.

Our Expectations for Directors

We expect each member of our Board of Directors to act honestly and in good faith and to exercise business judgment with a view to the best interests of Perrigo overall. Each director is expected to:

comply with our Code of Conduct, including conflict of interest disclosure requirements;

develop an understanding of our strategy, our business environment and operations, the markets in which we operate and our financial position and performance;

diligently prepare for each board, committee and annual general meetings by reviewing all of the materials he or she receives in advance;

actively and constructively participate in each AGM and seek clarification from management and outside advisors when necessary to fully understand the issues being considered;

participate in continuing education programs, as appropriate; and

participate in the Board and committee self-assessment process.

Director Experience

Our Board represents a cross-section of business, industry and academic experience. All of our directors bring to the Board of Directors significant leadership experience derived from their professional experience in either the corporate or academic sectors, as well as their service as executives or board members of other corporations or businesses. The process undertaken by the Nominating & Governance Committee in recommending qualified director candidates is described in "Director Nominations" beginning on page 8. Certain individual qualifications and skills of our directors that contribute to the effectiveness of our Board of Directors as a whole are described below.

Edgar Filing: PERRIGO Co plc - Form DEF 14A

Nine of the nominees for this year are current Perrigo directors, and two are new director nominees. We will vote your shares as you specify on the enclosed proxy card or through telephone or Internet voting. If you return a proxy card and do not specify how you want your shares voted, we will vote them FOR the election of each of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve.

LLP as the Independent Registered Public Accounting Firm of the Company and Authorization, in

Remuneration of the Auditor**

The firm of Ernst & Young LLP (EY) began auditing the consolidated financial statements of Perrigo Company, our predecessor, in fiscal 2009. The Audit Committee has appointed EY to serve as our independent registered public accounting firm for the transition period ending December 31, 2015, which exists due to the change in our fiscal year-end from June to December, and the Board of Directors recommends that the shareholders ratify the appointment of EY to audit our consolidated financial statements for the period ending December 31, 2015. While under Irish law, EY is deemed to be reappointed without the necessity of a shareholder vote, we are submitting the appointment to our shareholders as a matter of good corporate practice to obtain their views. In addition, the shareholders are being asked to authorize the Board of Directors, acting through the Audit Committee, to determine EY s remuneration. This authorization is required by Irish law. The affirmative vote of a majority of the votes cast at the AGM is required for this proposal.

We expect representatives of EY to be present at the AGM with the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

EY has advised us that neither the firm nor any of its members or associates has any direct financial interest or any material indirect financial interest in Perrigo or any of its affiliates other than as accountants.

During fiscal years 2014 and 2015, we retained EY to perform auditing and other services for us and paid them the following amounts for these services:

The Chair of the Audit Committee, or any other member or members designated by the Audit Committee, is authorized to pre-approve non-audit services, provided that any pre-approval shall be reported to the full Audit Committee at its next scheduled meeting. Proposal 3 Advisory Vote on Executive Compensation

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) requires us to provide our shareholders with an opportunity to cast an advisory vote regarding the compensation of our named executive officers. This is commonly known as a Say-on-Pay proposal, as it gives our shareholders the opportunity to communicate to the Remuneration Committee and the Board of Directors their view on our compensation of the named executive officers.

At our 2014 AGM, our shareholders strongly approved the Say-on-Pay proposal, with more than 87% of the votes cast voting in favor of the proposal.

At the 2011 annual meeting of stockholders of Perrigo Company, our predecessor, our shareholders indicated their preference to hold a Say-on-Pay vote annually. In light of the Board of Directors recommendation to hold an annual vote and the shareholders preference, the Board of Directors has determined to hold a Say-on-Pay vote annually until the next advisory vote on frequency occurs (which we expect will be in 2017).

For that reason, we are asking our shareholders to approve, on a non-binding basis, the compensation of the Company s named executive officers disclosed in this proxy statement. As described in detail in the Compensation Discussion and Analysis , beginning on page 14, our philosophy in setting executive compensation is to provide a total compensation package that provides the compensation and incentives needed to attract, retain and motivate talented executives who are crucial to our long-term success while aligning our executives compensation with our short-term and long-term performance. Consistent with that philosophy, a significant percentage of the total compensation opportunities for each of our named executive officers is directly related to our stock price performance and to other performance factors that measure progress against operating plans and the creation of shareholder value. Through stock ownership requirements and equity incentives, we also align the interests of our executives with the long-term interests of the Company and our shareholders. For these reasons, we believe that our executive compensation program is reasonable, competitive and strongly focused on pay-for-performance principles.

With respect to executive compensation in fiscal 2015, we believe that the Company s strong financial performance provides ample support for the compensation of our named executive officers. Indeed, in fiscal 2015, we had:

Record net sales of \$4.6 billion, which reflected a 12% increase over fiscal 2014.

Record gross profit of \$1.7 billion, which reflected a 21% increase over fiscal 2014.

Cash flow from operations of \$1,051.0 million, which reflected a 31% increase over fiscal 2014.

Significant expansion of our geographic footprint and product portfolio with the acquisition of Omega, one of Europe s largest healthcare companies, which closed on March 30, 2015.

In addition, the cumulative total shareholder return, which includes reinvestment of dividends, of our ordinary shares and of the common stock of Perrigo Company, our predecessor, over a five-year period ending on June 27, 2015, was 227% compared to the cumulative five-year total return of both the S&P 500 Index and the S&P 500 Pharmaceuticals Index of 137% and 150%, respectively.

The Remuneration Committee and Board of Directors believe that the information provided in the Compensation Discussion and Analysis demonstrates that our executive compensation program aligns our executives compensation with Perrigo s short-term and long-term performance and provides compensation and incentives needed to attract, motivate and retain key executives that are crucial to Perrigo s long-term success.

Table of Contents

Although this Say-on-Pay advisory vote is non-binding, the Remuneration Committee and the Board will review the results of this vote and take them into account for future determinations concerning our executive compensation program.

Accordingly, we are asking shareholders to approve the following resolution as an Ordinary Resolution of the Company at the AGM:

RESOLVED that the shareholders of Perrigo Company plc (the Company) approve, on an advisory basis, the compensation of the Company s named executive officers as disclosed in the Company s proxy statement for the 2015 Annual General Meeting of Shareholders, including the Compensation Discussion and Analysis and the compensation tables and narrative disclosures under the Executive Compensation section of this proxy statement.

**Proposal 4 - Authorize the Company and/or any subsidiary of the Company
to make market purchases and overseas market purchases of Company shares**

Under Irish law, neither the Company nor any subsidiary of the Company may make market purchases of the Company's shares without shareholder approval. Accordingly, shareholders are being asked to authorize the Company, or any of its subsidiaries, to make market purchases of up to 10% of the Company's issued shares. In accordance with the proposed resolution, this authorization expires after eighteen months unless renewed; accordingly, we expect to propose renewal of this authorization at subsequent annual general meetings.

Such purchases would be made only at price levels that the Board of Directors considered to be in the best interests of the shareholders generally, after taking into account the Company's overall financial position.

In order for the Company or any of its subsidiaries to make market purchases of the Company's ordinary shares, the shares must be purchased on a recognized stock exchange. The NYSE, on which the Company's ordinary shares are listed, is specified as a recognized stock exchange for this purpose by Irish law. The general authority, if approved by our shareholders, will become effective from the date of passing of the authorizing resolution.

Accordingly, we are asking shareholders to approve the following resolution as an Ordinary Resolution of the Company at the AGM:

RESOLVED, that Perrigo Company plc (the Company) and any subsidiary of the Company is hereby generally authorized to make market purchases and overseas market purchases (as defined in Section 1072 of the Companies Act 2014) of ordinary shares in the Company (shares) on such terms and conditions and in such manner as the board of directors of the Company (or any duly constituted subcommittee thereof) may determine from time to time but subject to the provisions of the Companies Act 2014 and to the following provisions:

- (a) The maximum number of shares authorized to be acquired by the Company and/or any subsidiary of the Company pursuant to this resolution shall not exceed, in the aggregate, 13,380,427 ordinary shares of € 0.001 each (which represents 10% of the Company's issued ordinary shares as of our 2015 fiscal year end).
- (b) The maximum price to be paid for any ordinary share shall be an amount equal to 105% of the closing price on the New York Stock Exchange for the ordinary shares on the trading day preceding the day on which the relevant share is purchased by the Company or the relevant subsidiary of the Company.
- (c) The minimum price to be paid for any ordinary share shall be an amount equal to the nominal value of such share.
- (d) This general authority will be effective from the date of passing of this resolution and will expire on the earlier of (i) eighteen months from the date of the passing of this resolution, or (ii) the date of the Company's 2016 Annual General Meeting, unless previously varied, revoked or renewed in accordance with the provisions of Section 1074 of the Companies Act 2014. The Company or any such subsidiary may, before such expiry, enter into a contract for the purchase of shares which would or might be executed wholly or partly after such expiry and may complete any such contract as if the authority conferred hereby had not expired.

**Proposal 5 - Determine the price range at which
the Company can reissue shares that it holds as treasury shares**

Open-market share repurchases and other share buyback activities result in ordinary shares being acquired and held by the Company as treasury shares. We may reissue treasury shares that we acquire through our various share buyback activities.

Under Irish law, our shareholders must authorize the price range at which we may reissue any shares held in treasury. In this proposal, that price range is expressed as a minimum and maximum percentage of the prevailing market price (as defined below). Under Irish law, this authorization expires after eighteen months unless renewed; accordingly, we expect to propose renewal of this authorization at subsequent annual general meetings.

The authority being sought from shareholders provides that the minimum and maximum prices at which an ordinary share held in treasury may be reissued are 90% (or in the case of an Employee Share Plan an amount equal to the nominal value of the share) and 120%, respectively, of the closing price per ordinary share of the Company, as reported by the NYSE, on the trading day immediately preceding the proposed date of re-issuance. Any reissuance of treasury shares will be at price levels that the Board considers in the best interests of our shareholders.

Accordingly, we are asking shareholders to approve the following resolution as a Special Resolution of the Company at the AGM:

RESOLVED, that the reissue price range at which any treasury shares held by Perrigo Company plc (the Company) may be reissued off-market shall be as follows:

- (a) the maximum price at which such treasury share may be reissued off-market shall be an amount equal to 120% of the market price ;
- (b) the minimum price at which a treasury share may be reissued off-market shall be the nominal value of the share where such a share is required to satisfy an obligation under an Employee Share Plan operated by the Company or, in all other cases, an amount equal to 90% of the market price ;
- (c) for the purposes of this resolution, the market price shall mean the closing price per ordinary share of the Company, as reported by the New York Stock Exchange, on the trading day immediately preceding the proposed date of re-issuance and Employee Share Plan shall mean any scheme or plan which involves the appropriation or issue of Company shares or the issue of options or other awards in respect of Company shares; and
- (d) that this authority to reissue treasury shares shall expire at eighteen months from the date of the passing of this resolution unless previously varied or renewed in accordance with the provisions of Section 1078 of the Companies Act 2014.

Proposal 6 Approve Amendments to the Memorandum of Association

The Companies Act 2014 (the 2014 Act), which consolidates Irish company law, took effect on June 1, 2015. In addition to consolidating pre-existing company law in Ireland, comprised of over 30 enactments, a number of provisions of Irish company law have been altered and new provisions introduced.

Proposals 6 and 7 are being proposed in response to the enactment of the 2014 Act to take into account the consolidation and amendments of Irish company law made by the 2014 Act to ensure, in so far as practicable, the continued application of the current Perrigo Memorandum and Articles of Association as intended and to make some consequential and housekeeping changes.

The special resolution contained in Proposal 6 is being proposed in order to make minor amendments to Paragraphs 2, 3.17 and 3.33 of the Memorandum of Association so as to update the statutory references in these paragraphs in order to be consistent with the 2014 Act.

Accordingly, we are asking shareholders to approve the following resolution as a Special Resolution of the Company at the AGM:

RESOLVED that the wording in the Memorandum of Association of the Company be updated as follows:

- (a) By the deletion in paragraph 2 of the words The Company is to be a public limited company and the substitution therefor of the words The Company is a public limited company for the purposes of Part 17 of the Companies Act 2014 ;
- (b) In paragraph 3.17, by the deletion of the words as defined by section 155 of the Companies Act 1963 and the substitution therefor of the words (as defined by section 8 of the Companies Act 2014) and by the deletion of the words as defined by the said section and the substitution therefor of the words (as defined by section 7 of the Companies Act 2014) ; and
- (c) By the deletion in paragraph 3.33 of the words as defined by section 155 of the Companies Act 1963 and the substitution therefor of the words as defined by section 8 of the Companies Act 2014 .

Proposal 7 Adopt Revised Articles of Association

The purpose of Proposal 7 is to make certain amendments to the Company's Articles of Association in order to ensure that the changes to Irish company law effected by the 2014 Act will not have unintended effects on the application of the Company's Articles. The 2014 Act adopts a new approach in regard to the articles of association of all Irish companies, including Perrigo, and introduces new terminology in this regard. Instead of providing, as the previous Irish Companies Acts had, for a model set of regulations that apply unless otherwise excluded by the company's articles. The 2014 Act includes optional statutory provisions in the Act that apply to regulate a company unless its constitutional documents provide otherwise.

Perrigo's current constitutional documents (its Memorandum and Articles of Association) disapply the model set of articles and instead the Company adopted a tailored Memorandum and Articles of Association, the provisions of which regulate Perrigo today. Now that the 2014 Act is in force, Perrigo proposes to continue its existing approach of setting out the regulations governing the Company as opposed to relying on the statutory defaults. This is in line with Perrigo's current approach, and as such, we believe this does not represent any material change. As the 2014 Act also includes new or amended provisions, it is proposed to update certain Articles in light of these. Again, we do not consider any of the changes to be material. In essence, Perrigo proposes to make administrative adjustments to its Articles of Association that continue Perrigo's existing approach in opting to be regulated by the tailored provisions set forth in its governance documents.

As described above, the proposed amendments to the Articles are designed to preserve, as far as possible, the application of the current Company's constitutional documents as adopted by the Company's shareholders, and therefore we are not asking shareholders to vote separately on each amendment. An explanation of the changes and a redline text of the amended Articles included in the Appendix to this proxy statement.

The proposed changes to the Articles will:

ensure that the Company's Articles of Association comply with the requirements of the new 2014 Act;

clarify any inconsistencies between the existing Articles of Association and any new or amended provisions of the new 2014 Act;

update relevant legislative references to ensure that the Articles of Association are up-to-date and free of inconsistent or outdated references; and

ensure, insofar as possible, that the provisions of Perrigo's Articles of Association continue to apply as intended.

While the summary contained in this proxy statement and in the Appendix outlines the changes being proposed, it is not complete, and you should not rely solely on it for a detailed description of every proposed change. A copy of the Memorandum and Articles of Association in the form proposed to be amended by these resolutions is included in the Appendix to this proxy statement, is available on our website and will also be available for inspection at our registered office during business hours on any business day from the date of this proxy statement up to and including the date of the AGM. The full text of the changes proposed will also be available at the 2015 AGM.

We are asking shareholders to approve the following resolution as a Special Resolution of the Company at the AGM:

RESOLVED that the Articles of Association produced to the meeting (a copy of which regulations are marked X for identification) be adopted as the new Articles of Association of the Company in substitution for and to the exclusion of the existing Articles of Association of the Company.

The Board of Directors unanimously recommends that shareholders vote

APPENDIX A

Adoption of revised Articles of Association following enactment of the Companies Act 2014

The Companies Act 2014 (the 2014 Act) adopts a new approach in regard to the articles of association of all Irish companies, including Perrigo, and introduces new terminology in this regard. Instead of providing, as the previous Irish Companies Acts had, for a model set of regulations that apply unless otherwise excluded by the company’s Articles, the 2014 Act includes optional statutory provisions that apply to regulate a company unless its constitutional documents provide otherwise.

Perrigo’s current constitutional documents (its Memorandum and Articles of Association) disapply the model set of articles and instead the Company adopted a tailored Memorandum and Articles of Association, the provisions of which regulate Perrigo today. Now that the 2014 Act is effective, Perrigo proposes to continue its existing approach of setting out the regulations governing the Company in its constitutional documents and, in order to ensure that these provisions continue to apply as intended, it is proposed to include a new provision, set out in Article 1 of the amended Articles of Association, to disapply the relevant optional provisions introduced by the 2014 Act. This is in line with Perrigo’s current approach under its existing Articles of Association and as such we believe this does not represent any material change.

In other words, Perrigo proposes to make administrative adjustments to its Articles of Association that continue Perrigo’s existing approach in opting to be regulated by the tailored provisions set forth in its governance documents, rather than by default to the statutory provisions.

A list of each of the optional provisions of the 2014 Act that it is proposed to disapply is set out in Part 1 of the table below.

As the 2014 Act also includes new or amended provisions, it is also proposed to update certain Articles in light of these provisions to, so far as practicable, preserve the *status quo*. We are also proposing to make some minor housekeeping amendments to our Articles of Association. Again we do not consider any of the changes to those provisions to be material changes, rather the changes are intended to preserve the status quo of Perrigo’s tailored governance structure.

Part 2 of the table below sets out those provisions of the Articles of Association which required updating in light of new or amended provisions of the 2014 Act or which are proposed by way of housekeeping changes.

As set out above, the proposed amendments to the Articles of Association described below are not material and are intended, so far as practicable, to preserve the application of Company’s current constitutional documents as adopted by the Company’s shareholders. Therefore we are not asking shareholders to vote separately on each amendment to the Articles of Association.

All references to sections in the existing Companies Acts, which have been repealed by the 2014 Act, are to be replaced by their equivalent provision in the 2014 Act.	To ensure that the Articles are consistent with the statutory references in the 2014 Act. In addition, as Table A is no longer relevant, it is not necessary to continue with its disapplication in Article 1.	1, 2.1, 3.3.5, 3.4, 4, 8, 13, 16, 26, 31, 47, 49, 51, 54, 55, 61, 101, 104, 105, 115, 118, 122, 141, 145, 156, 166 and 168
Reduction of time directors have to provide notice of refusal to register a transfer.	Section 95(3) provides for a period of two months, accordingly, article 29 is being amended to reduce the period from three months for consistency with the provisions of the 2014 Act.	29
Insert references to undenominated capital	This is new terminology used in the 2014 Act, as set out in section 64, and denotes capital other than the nominal share capital including share premium.	48 and 154
Updating the list of ordinary business of the Annual General Meeting.	Section 186 of the 2014 Act uses different terminology to the previous Acts and adds to the list of items constituting the ordinary business of the Annual General Meeting. The review by the members of the Company's affairs is added together with the re-appointment of the auditors. Other amendments reflect the new terminology in relation to the Company's financial statements.	58
Removal of reference to timing of first Annual General Meeting.	This is no longer relevant as the first Annual General Meeting has passed and is proposed to be removed as a housekeeping change.	71
To allow for the delivery of proxies by electronic means without provision for discretion of the Board in this regard.	Section 183(7) provides that proxies may be delivered by electronic means and Article 88 has now been amended to reflect that.	88
Deletion of time limits within which a proxy can be revoked before a meeting.	Section 183(10) of the 2014 Act now governs this and allows notices of the revocation to be delivered right up to the commencement of the meeting.	92
Permitting use of company property	Section 228(d) provides for a new restriction in relation to the use by directors of company property. The additional language included in article 96 is being adopted in order to ensure that directors can continue to use company property in accordance with the Company's policies and their terms and conditions of employment.	96

3.3.

3.3.1 The Board is authorised to issue all or any of the authorised but unissued preferred shares from time to time in one or more classes or series, and to fix for each such class or series such voting power, full or limited, or no voting power, and such designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as shall be stated and expressed in the resolution or resolutions adopted by the Board providing for the issuance of such class or series, including, without limitation, the authority, prior to the issuance thereof, to fix:

- a) the number of shares to constitute such series and the distinctive designations thereof;
- b) the dividend rate or rates to which such shares shall be entitled and the restrictions, limitations and conditions upon the payment of such dividends, whether dividends shall be cumulative or non-cumulative and, if cumulative, the date or dates from which dividends shall accumulate, the dates on which dividends, if declared, shall be payable, and the preferences or relations to the dividends payable on any other series of preferred shares;

- g) whether or not the shares of such series shall be convertible into, or exchangeable for, shares of any other class or classes, or of any other series of the same class, and if so convertible or exchangeable, the price or prices or the rate or rates of conversion or exchange and the method, if any, for adjusting the same;

- h) the voting powers, if any, of such series in addition to the voting powers provided by law; except that such powers shall not include the right to have more than one vote per share;
- i) any other preferences and relative, participating, optional or other special rights, and qualifications, limitations, or restrictions thereof as shall not be inconsistent with law or with this article.

Notwithstanding the fixing of the number of shares constituting a particular series upon the issuance thereof, the Board of Directors may at any time thereafter, subject to the Acts, authorise the issuance of additional shares of the same series, or decrease the number of shares constituting such series (but not below the number of shares of such series then outstanding). The Board may at any time before the allotment of any preferred share by further resolution in any way amend the designations, preferences, rights, qualifications, limitations or restrictions, or vary or revoke the designations of such preferred shares.

3.3.2 All shares of any one series of preferred shares shall be identical with all other shares of the same series except that shares of any one series issued at different times may differ as to the dates from which dividends thereon shall be cumulative; and all series shall rank equally and be identical in all respects, except as permitted by the foregoing provisions of article 3.3.1.

- 3.3.3 (a) The holders of preferred shares shall be entitled to receive cash dividends when and as declared by the Board of Directors at such rate per share per annum, cumulatively if so provided, and with such preferences, as shall have been fixed by the Board of Directors, before any dividends shall be paid upon or declared and set apart for the ordinary shares or any other class of share ranking junior to the preferred shares, and such dividends on each series of the preferred shares shall cumulate, if at all, from and after the dates fixed by the Board of Directors with respect to such cumulation. Accrued dividends shall bear no interest.
- (b) If dividends on the preferred shares are not declared in full then dividends shall be declared ratably on all shares of each series of equal preference in proportion to the respective unpaid cumulative dividends, if any, to the end of the then current dividend period. No ratable distribution shall be declared or set apart for payment with respect to any series until accumulated dividends in arrears in full have been declared and paid on any series senior in preference.
- (c) Unless dividends on all outstanding shares of series of the preferred shares having cumulative dividend rights shall have been fully paid for all past dividend periods, and unless all required sinking fund payments, if any, shall have been made or provided for, no dividend (except a dividend payable in ordinary shares or in any other class of share ranking junior to the preferred shares) shall be paid upon or declared and set apart for the ordinary shares or any other class of share ranking junior to the preferred shares.
- (d) Subject to the foregoing provisions, the Board of Directors may declare and pay dividends on the ordinary shares and on any class of share ranking junior to the preferred shares, to the extent permitted by law, after full dividends for the current dividend period, and, in the case or preferred shares having cumulative dividend rights after all prior dividends have been paid or declared and set apart for payment, the holders of the ordinary shares shall be entitled, to the exclusion of the holders of the preferred shares, to all further dividends declared and paid in such current dividend period.

3.3.4 In the event of any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, before any payment or distribution of the assets of the Company shall be made to or set apart for the holders of shares of any class or classes of shares of the Company ranking junior to the preferred shares, the holders of the shares of each series or the preferred shares shall be entitled to receive payment of the amount per share fixed in the resolution or resolutions adopted by the Board of Directors providing for the issuance of the shares of such series, plus an amount equal to all dividends accrued thereon to the date of final distribution to such holders; but they shall be entitled to no further payment. If, upon any liquidation, dissolution or winding up of the Company, the assets of the Company, or proceeds thereof, distributable among the holders of the shares of the preferred shares shall be insufficient to pay in full the preferential amount aforesaid, then such assets, or the proceeds thereof, shall be distributed among such holders rateably in accordance with the respective amount which would be payable on such shares if all

amounts payable thereon were paid in full. For the purposes of this article 3.3.4, the sale, conveyance, exchange, or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property or assets of the Company or a consolidation or merger of the Company with one or more companies shall not be deemed to be a dissolution, liquidation or winding up, voluntary or involuntary.

3.3.5 Redemption:

- (a) Subject to the express terms of each series and to the provisions of Chapter 6 of Part XI 3 of the ~~1990~~ Act, the Company (i) may from time to time redeem all or any part of the preferred shares of any series at the time in issue at the option of the Board at the applicable redemption price for such series fixed in accordance with the provisions of article 3.3.1, or (ii) shall from time to time make redemptions of the preferred shares as may be required to fulfil the requirements of any sinking fund provided for shares of such series at the applicable sinking fund redemption price fixed in accordance with the provisions of article 3.3.1, together in each case with accrued and unpaid dividends to the redemption date.
- (b) Shares of any series of preferred shares which have been issued and reacquired in any manner by the Company (excluding shares purchased and cancelled and shares which, if convertible or exchangeable, have been converted into or exchanged for shares of any other class or classes) shall be restored to the status of authorised and unissued preferred shares and may be reissued as a part of the series of which they were originally a part or may be reclassified and reissued as part of a new series of preferred shares or as part of any other series of preferred shares, all subject to the conditions or restrictions on issuance fixed by the Board of Directors with respect to the shares of any other series of preferred share.

3.3.6 Except as otherwise specifically provided herein or in the authorising resolutions, none of the shares of any series of preferred shares shall be entitled to any voting rights and the ordinary shares shall have the exclusive right to vote for the election of directors and for all other purposes. So long as any shares of any series of preferred shares are outstanding, the Company shall not, without the consent of the holders of a majority of the then outstanding shares of preferred shares, irrespective of series, either expressed in writing (to the extent permitted by law) or by their affirmative vote at a meeting called for that purpose; (i) adopt any amendment to the Articles of Association or take any other action which in any material respect adversely affects any preference, power, special right, or other term of the preferred shares or the holders thereof; (ii) create or issue any class of stock entitled to any preference over the preferred shares as to the payment of dividends, or the distribution of capital assets, (iii) increase the aggregate number of shares constituting the authorised preferred shares, or (iv) create or issue any other class of stock entitled to any preference on a parity with the preferred shares as to the payment of dividends or the distribution of capital assets.

3.3.7 If in any case the amounts payable with respect to any obligations to redeem preferred shares are not available in full in the case of all series with respect to which such obligations exist, the number of shares of each of such series to be redeemed pursuant to any such obligations shall be in proportion to the respective amounts which would be available on account of such obligations if all amounts payable in respect of such series were discharged in full.

3.3.8 Subject to the Acts, the preferred shares may be issued by the Company from time to time for such consideration as may be fixed from time to time by the Board of Directors. Any and all shares for which the consideration so fixed shall have been paid or delivered shall be deemed fully paid and non-assessable.

3.3.9 For the purpose of the provisions of this article 3.3 or of any resolution of the Board of Directors providing for the issuance of any series of preferred shares (unless otherwise provided in any such resolution):

- a) the term *outstanding*, when used in reference to shares, shall mean issued shares, excluding shares held by the Company and shares called for redemption, funds for the redemption of which shall have been set aside or deposited in trust;

- c) the term class or classes of share of the Company ranking junior to the preferred shares shall mean the ordinary shares of the Company and any other class or classes of share of the Company hereafter authorised, which shall rank junior to the preferred shares as to dividends or upon liquidation.

(A) If an ordinary share is not listed on a securities market, a regulated market or another market recognised ~~stock exchange for the purposes of section 1072 of the Act, in each case~~ within the meaning of the ~~1990~~ Act, it shall be automatically converted into a Redeemable Share on, and from the time of, the existence or creation of an agreement, transaction or trade (arrangement) between the Company and any person pursuant to which the Company acquires or will acquire ordinary shares, or an interest in ordinary shares, from the relevant person. In these circumstances, the ordinary share concerned shall have the same characteristics as any other ordinary share in accordance with these articles save that it shall be redeemable in accordance with the arrangement. The acquisition of such ordinary shares in accordance with this article 3.4(A) by the Company shall constitute the redemption of a Redeemable Share in accordance with Chapter 6 of Part XI 3 of the ~~1990~~ Act.
- (B) If an ordinary share is listed on a securities market, a regulated market or another market recognised ~~stock exchange for the purposes of section 1072 of the Act, in each case~~ within the meaning of the ~~1990~~ Act, the provisions of clause 3.4(A) above shall apply unless the Board resolves prior to the existence or creation of any relevant arrangement, that the arrangement concerned is to be treated as an acquisition of shares pursuant to article 4.2 in which case the arrangement shall be so executed.
4. Subject to the provisions of Chapter 6 of Part XI 3 of the ~~1990~~ Act and the other provisions of this article, the Company may:
- 4.1. ~~pursuant to section 207 of the 1990 Act,~~ issue any shares of the Company which are to be redeemed or are liable to be redeemed at the option of the Company or the member on such terms and in such manner as may be determined by the Company in general meeting (by Special Resolution) on the recommendation of the Directors;

 - 4.3. pursuant to section ~~210 83~~ 210 83 of the ~~1990~~ Act, convert any of its shares into Redeemable Shares.
5. sanction of a Special Resolution passed at a separate general meeting of the Holders of the shares of that class, provided that, if the relevant class of Holders has only one Holder, that person present in person or by proxy, shall constitute the necessary quorum. To every such meeting the provisions of article 52 shall apply.

- 6.2. The redemption or purchase of preferred shares or any class of preferred shares shall not constitute a variation of rights of the preferred Holders where the redemption or purchase of the preferred shares has been authorised solely by a resolution of the ordinary Holders.
- 6.3. The issue, redemption or purchase of any of the 10,000,000 preferred shares of US\$0.0001 each shall not constitute a variation of the rights of the Holders of ordinary shares.
- 6.4. The issue of preferred shares or any class of preferred shares which rank junior to any existing preferred shares or class of preferred shares shall not constitute a variation of the existing preferred shares or class of preferred shares.
- 7. The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.
- 8.
- 8.1. Subject to the provisions of these articles relating to new shares, the unissued shares of the Company shall be at the disposal of the Directors, and they may (subject to the provisions of the Acts) allot, grant options over or otherwise dispose of them to such persons, on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its members, but so that no share shall be issued at a discount save in accordance with ~~sections 26(5) and 28 of the 1983 Act~~ and so that, in the case of shares offered to the public for subscription, the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.
- 8.2. - 8.3. - 8.4. subject to such conditions as the Directors may determine, including, without limitation, by paying cash or allotting and issuing fully or partly paid shares or any combination of the two. The Company may also, on any issue of shares, pay such brokerage as may be lawful.

10. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the Company from requiring the members or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.
11. The shares of the Company may be either represented by certificates or, if the conditions of issue of the relevant shares so provide, by uncertificated shares. Except as required by law, the rights and obligations of the Holders of uncertificated shares and the rights and obligations of the Holders of shares represented by certificates of the same class shall be identical.
12. Such certificates may be under seal. The Board may authorise certificates to be issued with the seal and authorised signature(s) affixed or printed by some method or system of mechanical or electronic process. Disclosure of beneficial ownership

13. If at any time the Directors are satisfied that any member, or any other person appearing to be interested in shares held by such member:
 - 13.1. (x) has been duly served with a Section ~~84~~ 1062 Notice and is in default for the prescribed period (as defined in article 13.6(b)) in supplying to the Company the information thereby required; or (y) in purported compliance with such a notice, has made a statement which is false or inadequate in a material particular, then the Directors may, in their absolute discretion at any time thereafter by notice (a direction notice) to such member direct that:
 - a) in respect of the shares in relation to which the default occurred (the default shares) the member shall not be entitled to attend or to vote at a general meeting either personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company; and
 - b) where the nominal value of the default shares represents at least 0.25 per cent of the nominal value of the issued shares of the class concerned, then the direction notice may additionally direct that:
 - (i) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on the default shares, whether in respect of capital or dividend or otherwise, and the Company shall not have any liability to pay interest on any such payment when it is finally paid to the member;

Edgar Filing: PERRIGO Co plc - Form DEF 14A

- (iii) no transfer of any of the default shares held by such member shall be registered unless:

effect that after due and careful enquiry the member is satisfied that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer; or

2) the transfer is an approved transfer (as defined in article 13.6(c)).

The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but the failure or omission by the Company to do so shall not invalidate such notice.

13.2. Where any person appearing to be interested in the default shares has been duly served with a direction notice or copy thereof and the default shares which are the subject of such direction notice are held by an Approved Nominee, the provisions of this article shall be treated as applying only to such default shares held by the Approved Nominee and not (insofar as such person's apparent interest is concerned) to any other shares held by the Approved Nominee.

13.3. Where the member upon whom a Section ~~84~~ 1062 Notice is served is an Approved Nominee acting in its capacity as such, the obligations of the Approved Nominee as a member of the Company shall be limited to disclosing to the Company such information as has been recorded by it relating to any person appearing to be interested in the shares held by it.

13.4. Any direction notice shall cease to have effect:

- a) in relation to any shares which are transferred by such member by means of an approved transfer; or
- b) when the Directors are satisfied that such member, and any other person appearing to be interested in shares held by such member, has given to the Company the information required by the relevant Section ~~84~~ 1062 Notice.

13.5. The Directors may at any time give notice cancelling a direction notice.

13.6. For the purposes of this article:

- a) a person shall be treated as appearing to be interested in any shares if the member holding such shares has given to the Company a Section ~~84~~ 1062 Notice which either (a) names such person as being so interested or (b) fails to establish the identities of all those interested in the shares and (after taking into account the said notification and any other relevant Section ~~84~~ 1062 Notice) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares;
- b) the prescribed period is 28 days from the date of service of the said Section ~~84~~ 1062 Notice unless the nominal value of the default shares represents at least 0.25 per cent of the nominal value of the issued shares of that class, in which case the prescribed period is 14 days from that date; and
- c) a transfer of shares is an approved transfer if but only if:
 - (i) it is a transfer of shares to an offeror by way or in pursuance of acceptance of an offer made to all the Holders (or all the Holders other than the person making the offer and his nominees) of the shares in the Company to acquire those shares or

Edgar Filing: PERRIGO Co plc - Form DEF 14A

a specified proportion of them; or

- (ii) the Directors are satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares the subject of the transfer to a party unconnected with the member and with other persons appearing to be interested in such shares; or
 - (iii) the transfer results from a sale made through a stock exchange on which the Company's shares are normally traded.
- d) Nothing contained in this article shall limit the power of the Company under section ~~85~~ 1066 of the ~~1990~~ Act.

Lien

14. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether immediately payable or not) called or payable at a fixed time or in accordance with the terms of issue of such share in respect of such share. The Directors may at any time declare any share to be wholly or in part exempt from the provisions of this regulation. The Company's lien on a share shall extend to all dividends payable thereon.
15. 16. To give effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the Holder of the shares comprised in any such transfer, and he shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale. Where a share, which is to be sold as provided for in article 26, is held in uncertificated form, the Directors may authorise some person to do all that is necessary under the Companies Act, 1990 (Uncertificated Securities) Regulations 1996 (or such other regulations made pursuant to section 1086 of the Act) to change such share into certificated form prior to its sale.
17. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is immediately payable, and the residue, if any, shall (subject to a like lien for sums not immediately payable as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.
18. Whenever any law for the time being of any country, state or place imposes or purports to impose any immediate or future or possible liability upon the Company to make any payment or empowers any government or taxing authority or government official to require the Company to make any payment in respect of any shares registered in the Register as held either jointly or solely by any Holder or in respect of any dividends, bonuses or other moneys due or payable or accruing due or which may become due or payable to such Holder by the Company on or in respect of any shares registered as aforesaid or for or on account or in respect of any Holder and whether in consequence of:
 - a) the death of such Holder;
 - b) the non-payment of any income tax or other tax by such Holder;
 - c) the non-payment of any estate, probate, succession, death, stamp, or other duty by the executor or administrator of such Holder or by or out of his estate; or
 - d) any other act or thing;

in every such case (except to the extent that the rights conferred upon Holders of any class of shares render the Company liable to make additional payments in respect of sums withheld on account of the foregoing):

Edgar Filing: PERRIGO Co plc - Form DEF 14A

- a) the Company shall be fully indemnified by such Holder or his executor or administrator from all liability;

- b) the Company shall have a lien upon all dividends and other moneys payable in respect of the shares registered in the Register as held either jointly or solely by such Holder for all moneys paid or payable by the Company in respect of such shares or in respect of any dividends or other moneys as aforesaid thereon or for or on account or in respect of such Holder under or in consequence of any such law together with interest at the rate of fifteen percent per annum thereon from the date of payment to date of repayment and may deduct or set off against such dividends or other moneys payable as aforesaid any moneys paid or payable by the Company as aforesaid together with interest as aforesaid;

- c) the Company may recover as a debt due from such Holder or his executor or administrator wherever constituted any moneys paid by the Company under or in consequence of any such law and interest thereon at the rate and for the period aforesaid in excess of any dividends or other moneys as aforesaid then due or payable by the Company;
- d) the Company may, if any such money is paid or payable by it under any such law as aforesaid, refuse to register a transfer of any shares by any such Holder or his executor or administrator until such money and interest as aforesaid is set off or deducted as aforesaid, or in case the same exceeds the amount of any such dividends or other moneys as aforesaid then due or payable by the Company, until such excess is paid to the Company.
- e) Subject to the rights conferred upon the Holders of any class of shares, nothing herein contained shall prejudice or affect any right or remedy which any law may confer or purport to confer on the Company and as between the Company and every such Holder as aforesaid, his estate representative, executor, administrator and estate wheresoever constituted or situate, any right or remedy which such law shall confer or purport to confer on the Company shall be enforceable by the Company.

Calls on shares

- 19. The Directors may from time to time make calls upon the members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times or in accordance with such terms of allotment, and each member shall (subject to receiving at least 14 days notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Directors may determine.
- 20. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be required to be paid by instalments.
- 21. The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
- 22. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate as the Directors may determine, but the Directors shall be at liberty to waive payment of such interest wholly or in part.
- 23. The instrument of transfer of any share may be executed for and on behalf of the transferor by the Secretary, Assistant Secretary or any duly authorised delegate or attorney of the Secretary or Assistant Secretary (whether an individual, a corporation or other body of persons, whether corporate or not, and whether in respect of specific transfers or pursuant to a general standing authorisation) and the Secretary or Assistant Secretary or a relevant authorised delegate shall be deemed to have been irrevocably appointed agent for the transferor of such share or shares with full power to execute, complete and deliver in the name of and on behalf of the transferor of such share or shares all such transfers of shares held by the members in the share capital of the Company. Any document which records the name of the transferor, the name of the transferee, the class and number of shares agreed to be transferred and the date of the agreement to transfer shares, shall, once executed by the transferor or the Secretary or Assistant Secretary or relevant authorised delegate as agent for the transferor, be deemed to be a proper instrument of transfer for the purposes of section ~~84~~ 94 of the Act. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered on the Register in respect thereof, and neither the title of the transferee nor the title of the transferor shall be affected by any irregularity or invalidity in the proceedings in reference to the sale should the Directors so determine.
- 26.2. The Company, at its absolute discretion, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of shares on behalf of the transferee of such shares of the Company. If stamp duty resulting from the transfer of shares in the Company which would otherwise be payable by the transferee is paid by the Company or any subsidiary of the Company on behalf of the transferee, then in those circumstances, the Company shall, on its behalf or on behalf of its subsidiary (as the case may be), be entitled to (i) seek reimbursement of the stamp duty from the transferee, (ii) set-off the stamp duty liability against any dividends payable to the transferee of those shares and (iii) claim a first and permanent lien on the shares on which stamp duty has been paid by the Company or its subsidiary for the amount of stamp duty paid. The Company's lien shall extend to all dividends paid on those shares.
- 26.3. Notwithstanding the provisions of these articles and subject to any regulations made under section ~~239~~ 1086 of the ~~1990~~ Act, title to any shares in the Company may also be evidenced and transferred without a written instrument in accordance with the 1996 Regulations and section 239 1086 of the ~~1990~~ Act or any regulations made thereunder. The Directors shall have power to permit any class of shares to be held in uncertificated form and to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions in these articles with respect to the requirement for written instruments of transfer and share certificates (if any), in order to give effect to such regulations.
27. Subject to such of the restrictions of these articles and to such of the conditions of issue of any share warrants as may be applicable, any share warrant may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.
28. The Board may in its absolute discretion and without assigning any reason for its decision, decline to register any transfer of any Share which is not a fully paid Share. The Board may also, in its absolute discretion, and without assigning any reason, refuse to register a transfer of any Share unless:
- 28.1. the instrument of transfer is fully and properly completed and is lodged with the Company accompanied by the certificate for the Shares (if any) to which it relates (which shall upon registration of the transfer be cancelled) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;

28.2. the instrument of transfer is in respect of only one class of Shares;

- 28.4. the instrument of transfer is properly stamped (in circumstances where stamping is required);
- 28.5. it is satisfied, acting reasonably, that all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Ireland or any other applicable jurisdiction required to be obtained under relevant law prior to such transfer have been obtained; and
- 28.6. it is satisfied, acting reasonably, that the transfer would not violate the terms of any agreement to which the Company (or any of its subsidiaries) and the transferor are party or subject.
29. If the Directors refuse to register a transfer they shall, within ~~three~~ two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
30. In order that the Directors may determine the members entitled to receive payment of any dividend or other distribution or allotment of any rights or the members entitled to exercise any rights in respect of any change, conversion or exchange of shares, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted. If no record date is fixed, the record date for determining members for such purpose shall be at the close of business on the day on which the Directors adopt the resolution relating thereto.
31. Registration of transfers may be suspended at such times and for such period, not exceeding in the whole 30 days in each year, as the Directors may from time to time determine subject to the requirements of section ~~121~~ 174 of the Act.

For greater certainty, where two or more persons are registered as joint Holders of a share or shares, then in the event of the death of any joint Holder or Holders the remaining joint Holder or Holders shall be absolutely entitled to the said share or shares and the Company shall recognise no claim in respect of the estate of any joint Holder except in the case of the last survivor of such joint Holders.
34. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence being produced as may from time to time properly be required by the Directors and subject as herein provided, elect either to be registered himself as Holder of the share or to have some person nominated by him registered as the transferee thereof, but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the shares by that member before his death or bankruptcy, as the case may be. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he elects to have another person registered, he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these

If a member fails to pay any call or installment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid together with any interest which may have accrued.
37. The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that, in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.
38. If the requirements of any such notice as aforesaid are not complied with any shares in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.

A forfeited share shall be deemed to be the property of the Company and may be sold, re-offered or otherwise disposed of either to the person who was, before the forfeiture, the Holder thereof or entitled thereto or to any other person on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
40. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the Holder of the share, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice.
41. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.
42. A statutory declaration that the declarant is a Director or the Secretary, and that a share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the Holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
43. The provisions of these articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Nothing in these articles shall be deemed to affect any rights of members to request inclusion of proposals in the Company's proxy statement pursuant to applicable rules and regulations under the Exchange Act.

Voting, proxies and corporate representatives

76. Except where a greater majority is required by the Acts or these articles, any question, business or resolution proposed at any general meeting shall be decided by a simple majority of the votes cast.
77. All resolutions put to the Shareholders will be decided on a poll.
78. Votes may be cast on the poll either personally or by proxy.
79. A Shareholder entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

83. No member shall be entitled to vote at any general meeting unless any calls or other sums immediately payable by him in respect of shares in the Company have been paid.
84. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.
85. If:
- 85.1. any objection shall be raised as to the qualification of any voter; or
- 85.2. any votes have been counted which ought not to have been counted or which might have been rejected; or
- 85.3. any votes are not counted which ought to have been counted, the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

The Directors may in addition prescribe the method of determining the time at which any such electronic or internet communication or facility is to be treated as received by the Company. The Directors may treat any such electronic or Internet communication or facility which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.
88. Proxies shall be delivered (including by electronic means) or directed to the attention of the Secretary of the Company before the meeting at which such proxies are intended to be voted or at such other place and time as may be specified for that purpose in or by way of note to the notice convening the meeting.

An appointment proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates. A standing proxy shall be valid for all meetings and adjournments thereof or resolutions in writing, as the case may be, until notice of revocation is received by the Company. Where a standing proxy exists, its operation shall be deemed to have been suspended at any meeting or adjournment thereof at which the Holder is present or in respect to which the Holder has specially appointed a proxy. The Directors may from time to time require such evidence as it shall deem necessary as to the due execution and continuing validity of any standing proxy and the operation of any such standing proxy shall be deemed to be suspended until such time as the Directors determine that they have received the requested evidence or other evidence satisfactory to it.
- 92 A vote given in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no intimation in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the Office, ~~at least one hour~~ before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts ~~PROVIDED HOWEVER, that where such intimation is given in electronic form it shall have been received by the Company at least 24 hours (or such lesser time as the Directors may specify) before the commencement of the meeting.~~

The authorised number of directors (within such fixed maximum and fixed minimum numbers) shall be determined by the Board. The continuing Directors may act notwithstanding any vacancy in their body, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment.

- 102 Subject to the provisions of the Acts and these articles, the Board shall manage the business and affairs of the Company and may exercise all of the powers of the Company as are not required by the Acts or by these articles to be exercised by the Company in general meeting. No alteration of these articles shall invalidate any prior act of the Board which would have been valid if that alteration had not been made. The powers given by this article shall not be limited by any special power given to the Board by these articles and, except as otherwise expressly provided in these articles, a meeting of the Board at which a quorum is present shall be competent to exercise all of the powers, authorities and discretions vested in or exercisable by the Board.

166.1 In case of a sale by the liquidator under section ~~260~~ 601 of the Act, the liquidator may by the contract of sale agree so as to bind all the members for the allotment to the members directly of the proceeds of sale in proportion to their respective interests in the Company and may further by the contract limit a time at the expiration of which obligations or shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting members conferred by the said section.

166.2 The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

166.3 If the Company is wound up, the liquidator, with the sanction of a Special Resolution and any other sanction required by the Acts, may divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

Limitation on liability

167 To the maximum extent permitted by law, no Director or officer of the Company shall be personally liable to the Company or its Shareholders for monetary damages for his or her acts or omissions save where such acts or omissions involve negligence, default, breach of duty or breach of trust.

168.1 Subject to the provisions of and so far as may be admitted by the Acts, every Director and the Secretary of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.

168.2 The Directors shall have power to purchase and maintain for any Director, the Secretary or other employees of the Company insurance against any such liability as referred to in section ~~200~~ 235 of the Act.

Company), or any person who is serving or has served at the request of the Company as a director or executive officer of another company, joint venture, trust or other enterprise, including any Company subsidiary (each individually, a Covered Person), against any expenses, including attorney s fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to which he or she was, is, or is threatened to be made a party, or is otherwise involved (a proceeding), by reason of the fact that he or she is or was a Covered Person; provided, however, that this provision shall not indemnify any Covered Person against any liability arising out of (a) any fraud or dishonesty in the performance of such Covered Person s duty to the Company, or (b) such Covered Party s conscious, intentional or wilful breach of the obligation to act honestly and in good faith with a view to the best interests of the Company. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.

168.4 In the case of any threatened, pending or completed action, suit or proceeding by or in the name of the Company, the Company shall indemnify each Covered Person against expenses, including attorneys fees, actually and reasonably incurred in connection with the defence or the settlement thereof, except no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for fraud or dishonesty in the performance of his or her duty to the Company, or for conscious, intentional or wilful breach of his or her obligation to act honestly and in good faith with a view to the best interests of the Company, unless and only to the extent that the High Court of Ireland or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all the circumstances of the case, such Covered Person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.

168.5 Any indemnification under this article (unless ordered by a court) shall be made by the Company only as authorised in the specific case upon a determination that indemnification of the Covered Person is proper in the circumstances because such person has met the applicable standard of conduct set forth in this article. Such determination shall be made by the Board. To the extent, however, that any Covered Person has been successful on the merits or otherwise in defence of any proceeding, or in defence of any claim, issue or matter therein, such Covered Person shall be indemnified against expenses (including attorneys fees) actually and reasonably incurred by such person in connection therewith, without necessity of authorisation in the specific case.

168.6 As far as permissible under the Acts, expenses, including attorneys fees, incurred in defending any proceeding for which indemnification is permitted pursuant to this article shall be paid by the Company in advance of the final disposition of such proceeding upon receipt by the Board of an undertaking by the particular indemnitee to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Company pursuant to these articles.

168.7 It being the policy of the Company that indemnification of the persons specified in this article shall be made to the fullest extent permitted by law, the indemnification provided by this article shall not be deemed exclusive (i) of any other rights to which those seeking indemnification or advancement of expenses may be entitled under these articles, any agreement, any insurance purchased by the Company, vote of members or disinterested directors, or pursuant to the direction (however embodied) of any court of competent jurisdiction, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, or (ii) of the power of the Company to indemnify any person who is or was an employee or agent of the Company or of another company, joint venture, trust or other enterprise which he or she is serving or has served at the request of the Company, to the same extent and in the same situations and subject to the same determinations as are hereinabove set forth. As used in this article, references to the Company include all constituent companies in a consolidation or merger in

which the Company or a predecessor to the Company by consolidation or merger was involved. The indemnification provided by this article shall continue as to a person who has ceased to be a Covered Person and shall inure to the benefit of their heirs, executors, and administrators.
