**Coming to Work at Dominion**

**(New) Will we transition to Dominion's policies?**

Not necessarily. We are committed to reviewing the policies and programs of each company to find those that are best suited to our needs as a company going forward.

**(New) Does Dominion offer a transportation subsidy?**

Dominion does not currently have a transportation subsidy. As part of the transition, we will be reviewing the policies and programs to find those that are best suited to our needs as a company going forward.

**(New) What is Dominion's Severance Policy?**

Dominion's policy has two components of compensation for full time and part time (greater than 1000 hours per year) employees: advance notice and severance pay.

During advance notice, which is a two month period, base salary and benefits continue. At the end of advance notice, employment is ended and severance payments begin. Severance is paid based on length of service. For each year of service, you receive 3 weeks of base pay. Minimum severance payment is 9 weeks of pay and maximum is 52 weeks of pay. Your medical plan coverage will continue through COBRA at no cost for 6 months following the end of your two-month advance notice period.

The Dominion Severance Summary will be posted to the extranet soon which contains additional details about the policy.

**(New) Can you tell me more about Dominion's Matching Gift Program?**

Yes. Dominion currently has a matching gift program that all employees and retirees are encouraged to utilize. Community involvement is an important component here at Dominion. The link to our Matching Gift Program is below. You will notice we provide a 2:1 match for employees/retirees that are in leadership positions or donate more than 50 hours of service to the respective organization. Other contributions are a 1:1 match up to a total of \$5000 per year.

One item to note, Dominion does not currently match employee contributions to the United Way because of the large corporate contribution we make.
