Item 8.01. Other Events.

A. O. Smith Corporation (the Company) included in its proxy statement (the Proxy Statement) for its 2016 annual meeting of stockholders (the 2016 Annual Meeting) (i) a proposal to approve an amendment to its Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock (the Common Stock Increase Proposal) and (ii) a proposal to approve an amendment to its Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Class A Common Stock (the Class A Stock Increase Proposal). The Company disclosed in the Proxy Statement that the effectiveness of the Common Stock Increase Proposal was conditioned upon stockholder approval of the Class A Stock Increase Proposal and that the effectiveness of the Class A Stock Increase Proposal was conditioned upon stockholder approval of the Common Stock Increase Proposal. However, the Company has now determined that the effectiveness of the Common Stock Increase Proposal will not be conditioned upon stockholder approval of the Class A Stock Increase Proposal and that the effectiveness of the Class A Stock Increase Proposal will not be conditioned upon stockholder approval of the Common Stock Increase Proposal.

As disclosed in the Proxy Statement, if the Company's stockholders approve the Class A Stock Increase Proposal at the 2016 Annual Meeting, then the Company would only issue the additional shares of Class A Common Stock for which authorization is received in the event the Company's Board of Directors approves a stock split of both Common Stock and Class A Common Stock. With respect to any stock split, the Company's Amended and Restated Certificate of Incorporation requires that a stock split apply equally to outstanding Common Stock and Class A Common Stock, which means that the Company would issue additional shares of Class A Common Stock with respect to outstanding shares of Class A Common Stock on the same basis as the Company would issue additional shares of Common Stock with respect to outstanding shares of Common Stock in a stock split.

The Smith Family Voting Trust has advised the Company that it has delivered a proxy directing the named proxies to vote the shares of Class A Common Stock that it holds in favor of the Class A Stock Increase Proposal. The Proxy Statement disclosed that the Smith Family Voting Trust beneficially owned 95.8% of the outstanding shares of Class A Common Stock on December 31, 2015.
