### Item 3. Source and Amount of Funds or Other Consideration

As more fully described in Item 4 hereof, Offeror and the Company entered into that certain Heads of Agreement Relating to a Friendly Tender Offer for Ablynx NV, dated January 28, 2018 (as it may be amended from time to time, the Heads of Agreement ), a copy of which is attached hereto as Exhibit 1 and incorporated herein by reference. Under the Heads of Agreement, subject to the satisfaction or waiver of certain conditions, among other things, Offeror agreed to commence a tender offer to purchase all Shares, ADSs, warrants of the Company (Warrants ) and 3.25% Senior Unsecured Convertible Bonds due on 27 May 2020 issued by the Company on 27 May 2015 in the denomination of 100,000 per bond and listed on the open market Frankfurt MTF (*Freiverkehr*) (ISIN: BE6278650344) (Bonds ), and together with the Shares, Warrants and ADSs, the Securities ) in two separate, but concurrent and related, offers in Belgium (the Belgian Offer ) and in the U.S. (the U.S. Offer and, together with the Belgian Offer, the Offers ). The offer price in the Offers is 45.00 per Share and per ADS, net to the seller in cash, without interest (the Offer Price ). The Offer Price paid to holders of ADSs will be paid in U.S. dollars converted in the manner described in the Offer to Purchase, filed on April 4, 2018 (the Offer to Purchase ) and will be distributed, net of expenses (including a fee related to the foreign exchange conversion and a fee of \$0.05 per ADS for the cancellation of the American depositary receipt evidencing such tendered ADS, in each case, as contemplated by the Deposit Agreement), to such holders. Each of the Offers provides equivalent consideration for securities tendered, and each of the Offers is on substantially the same terms. Capitalized terms used but not defined in this Statement shall have the meanings assigned to such terms in the Offer to Purchase.

On April 4, 2018, Offeror commenced the (i) U.S. Offer by filing a Tender Offer Statement on Schedule TO announcing Offeror's offer to purchase up to 100% of the issued and outstanding Shares held by U.S. holders and up to 100% of the Shares represented by outstanding ADSs, from all holders, wherever located, and (ii) Belgian Offer announcing Offeror's offer to purchase the Warrants and Bonds from all holders, wherever located, and Shares from non-U.S. holders in accordance with the Takeover Act and Chapter II of the Takeover RD (the Prospectus ). The initial acceptance period of the Offers expired at 5:00 p.m., New York City time, on May 4, 2018.

On May 14, 2018, Offeror announced by filing a Schedule TO-T/A with the U.S. Securities and Exchange Commission (the SEC ) that it had accepted for payment all Securities that were validly tendered and not properly withdrawn in accordance with the terms of the Offers.

As a result of the expiration of the initial acceptance period of the Offers, Offeror acquired a total of 71,972,994 Shares (including 7,446,312 Shares represented by ADSs), 2,594,841 Warrants and 975 Bonds. The Shares (including Shares represented by ADSs and underlying Warrants) validly tendered and not withdrawn prior to the expiration of the initial acceptance period represent approximately 95.60% of the outstanding Shares on the settlement date of the Offers. Offeror paid an aggregate of \$3,355,552,575.00 for the Shares (including Shares represented by ADSs and underlying Warrants) acquired in connection with the Offers.

In accordance with applicable Belgian law, Offeror determined to commence a squeeze-out (Squeeze-Out ) period on May 22, 2018. U.S. holders of Shares and holders of ADSs who did not previously tender their Shares and/or ADSs into the U.S. Offer may tender their Shares and/or ADSs into the U.S. Offer during the Squeeze-Out period, on the terms and conditions as set forth in the Offer to Purchase, the related Share Acceptance Form, the related ADS Letter of Transmittal and the related Share Withdrawal Form. Holders of Shares and/or Bonds who did not previously tender their Shares and/or Bonds into the Belgian Offer may tender their Shares and/or Bonds into the Belgian Offer during the Squeeze-Out period, on the terms and conditions as set forth in the Prospectus.

The consummation of the Offers is not subject to any financing condition. Offeror estimates that the total amount of funds required to consummate the Offers and purchase all of the outstanding Securities subject to the Offers, is approximately \$4,000,000,000, including related fees and expenses, which will be funded through available cash or funds borrowed through the Credit Agreement.

**Item 4. Purpose of Transaction**

The information set forth under Item 3 of this Statement is incorporated herein by reference. The purpose of the transactions described in this Statement was for Offeror to acquire control of, and ultimately, following the Squeeze-Out period, the entire equity interest in, the Company. The initial acceptance period of the Offers was the first step in the acquisition of the Company and was intended to facilitate the acquisition of all outstanding Securities. Offeror intends to acquire all of the remaining outstanding Shares, ADSs and Bonds not previously tendered prior to the expiration of the initial acceptance period of the Offers as a result of the impending Squeeze-Out. Upon completion of the Offers, the Company will become a subsidiary of Offeror.

The principal rationale behind the Offers is to accelerate the development and maximize the commercial potential of the Company's ongoing programs and to further leverage the platform with new programs. The acquisition of the Company is expected to significantly broaden Offeror's specialty care portfolio and its long-term R&D capabilities.

Through the acquisition of the Company, Offeror will be able to utilize Caplacizumab, a first in class, wholly-owned development program for the treatment of aTTP (acquired Thrombotic Thrombocytopenic Purpura, a life-threatening autoimmune blood clotting disorder, which does not currently have an approved therapeutic drug). Access to Caplacizumab, as well as the acquisition of Bioverativ Inc., will allow Offeror to further expand its presence for rare blood disorders.

On May 18, 2018, pursuant to the terms of the Heads of Agreement, the following directors of the Company resigned from the Company board of directors upon settlement (i.e., payment and delivery) of the Securities tendered during the initial acceptance period of the Offers: Russell Greig, William Jenkins, Remi Vermeiren and Hilde Windels. Offeror has nominated the following candidates, each of whom is an executive of Offeror, to replace the resigning directors of the Company: Jérôme Contamine, Dr. John Reed, Robin Kenselaar and Christian Bretin. The appointment of the foregoing candidates is effective as of May 18, 2018 and Jérôme Contamine was appointed Chairman of the board of directors of the Company.

Upon, or as soon as possible after, completion of the Squeeze-Out period, the Company expects to apply for the delisting of the Shares from the Euronext Brussels and to cause the delisting of the ADSs from the NASDAQ Global Select Market and the delisting of the Bonds from the open market Frankfurt MTF (*Freiverkehr*). In addition, the Company will no longer be required to file reports pursuant to the Exchange Act and the ADS facility will be terminated.

Offeror plans to operate and maintain the Company as a separate legal entity for a duration of at least twenty-four (24) months following consummation of the Offers. Offeror commits to implement and to cause the Company to implement (i) the retention arrangements and (ii) in all material respects, the integration plan, in both circumstances, as set forth in the Heads of Agreement.

All information contained in the sections of the Offer to Purchase entitled "Terms of the U.S. Offer", "Heads of Agreement; Other Agreements" and "Purpose of the Offers; Plans for the Company" is incorporated herein by reference.

Except as set forth in this Statement (including any information incorporated by reference) and in connection with the transactions described above, the Reporting Person does not have any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 to Rule 13d-101.

**Item 5. Interest in Securities of the Issuer**

(a) and (b) As of May 18, 2018, Offeror was the direct record owner of and may be deemed to have sole voting and sole dispositive power with respect to 74,567,835 Shares, representing approximately 95.60% of the issued and outstanding Shares.

(c) The information set forth under Items 3 and 4 of this Statement is incorporated herein by reference.

On April 4, 2018, Offeror commenced the U.S. Offer. The initial acceptance period of the Offers expired at 5:00 p.m., New York City time, on May 4, 2018.

(d) Not applicable.
