Skyline Champion Corporation Overview

We are the largest independent publicly traded factory-built housing company in North America with pro forma revenue in fiscal year 2018 of more than \$1.3 billion. We have more than 65 years of homebuilding experience, 6,800 employees and 36 manufacturing facilities throughout the United States and western Canada, and offer a leading portfolio of manufactured and modular homes, park model RVs and modular buildings for the multi-family, hospitality, senior and workforce housing sectors.

In addition to our core home building business, we operate a factory-direct retail business, Titan Factory Direct, with 21 retail locations spanning the southern United States, and Star Fleet Trucking, providing transportation services to the manufactured housing and other industries from ten dispatch locations across the United States.

We build homes under some of the most well know brand names in the factory-built housing industry including Skyline Homes, Champion Homes, Athens Park Model RVs, Dutch Housing, Excel Homes, Homes of Merit, New Era, Redman Homes, Shore Park, Silvercrest, Titan Homes in the U.S. and Moduline and SRI Homes in western Canada.

Products and Services

We design, produce, market, and transport a range of manufactured and modular homes, park model RVs, and commercial solutions. We believe the broad scope of our product and service offerings provide us advantages relative to other factory-built construction companies.

Factory-Built Housing

A majority of our manufactured products are constructed in accordance with the HUD code. We produce a broad range of manufactured and modular homes under a variety of brand names and in a variety of floor plans and price ranges. While most of the homes we build are single-family, multi-section, ranch-style homes, we also build two-story, single-section, and Cape Cod style homes as well as multi-family units such as town homes, apartments, duplexes, and triplexes. The single-family homes that we manufacture generally range in size from 400 to 4,000 square feet and typically include two to four bedrooms, a living room and/or family room, a dining room, a kitchen and typically two full bathrooms. We also build park model RVs for resorts and campgrounds and commercial

modular structures, including hotels, student and workforce housing.

Table of Contents

We regularly introduce homes with new floor plans, exterior designs and elevations, decors and features. Our corporate marketing and engineering departments work with our manufacturing facilities to design homes that appeal to consumers changing tastes at appropriate price points for its markets. We design and build homes with a traditional residential or site-built appearance through the use of, among other features, dormers and higher pitched roofs. We also design and build energy efficient homes, and several of our U.S. manufacturing facilities are qualified to produce Energy Star® rated homes.

We construct homes in indoor facilities using an assembly-line process employing approximately 100 to 200 production employees at each facility. Factory-built homes are constructed in one or more sections (also known as floors) on an affixed steel support frame that allows the sections to be moved through the assembly line and transported upon sale. The sections of many of the modular homes we produce are built on wooden floor systems and transported on carriers that are removed upon placement of the home at the home site. Each section or floor is assembled in stages, beginning with the construction of the frame and the floor, then adding the walls, ceiling and roof assembly, and other constructed and purchased components, and ending with a final quality control inspection. The efficiency of the assembly-line process, protection from the weather, and favorable pricing of materials resulting from our substantial purchasing power enables us to produce homes more quickly and often at a lower cost than a conventional site-built home of similar quality.

Retail

We offer a wide selection of manufactured and modular homes as well as park model RVs at company-owned retail locations across Texas and the Southeast marketed under the Titan brand. We maintain company-owned retail presence through 21 retail sales centers in Florida, Georgia, Louisiana, North Carolina, Oklahoma, Texas, and Virginia. We have benefited from the strategic expansion of our captive distribution to enhance the reach of our factory-built housing products directly to the homebuyer.

Each of our full-service retail sales centers has a sales office and a variety of display model homes of various sizes, floor plans, features, and prices that are displayed in a residential setting with sidewalks and landscaping. Customers may purchase a home from an inventory of homes maintained at the location, including a model home, or may order a home that will be built at a manufacturing facility. The collective benefits of our retail organization provide industry leadership with the expertise to be proactive to local economic conditions and ultimately provide affordable homes to value-conscious homebuyers.

Logistics

We operate a logistics business, Star Fleet, specializing in the transportation of manufactured homes and recreational vehicles from manufacturing facilities to retailers. Star Fleet's delivery logistics are coordinated through ten dispatch terminals located in Colorado, Indiana, Oklahoma, and Pennsylvania. Star Fleet has strong relationships with its customer base, which consists of some of the largest manufactured housing companies (including our own factory-built housing products) and related product manufacturers in the United States.

DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of our Amended and Restated Certificate of Incorporation, Amended and Restated By-Laws and other rights of holders of our capital stock. We refer you to our Amended and Restated Certificate of Incorporation, Amended and Restated By-Laws, registration rights agreement and investor rights agreement, copies of which are incorporated by reference herein.

Our authorized capital stock consists of 115,000,000 shares of common stock, par value \$0.0277 per share, of which 56,188,252 shares of common stock are issued and outstanding as of June 30, 2018.

Common Stock

Holders of our common stock are entitled to the following rights.

Voting Rights

Each share of common stock entitles the holder to one vote for each share of common stock held with respect to any matter presented at a regular or special meeting of shareholders on which the holders of common stock are entitled to vote. Our shares of common stock vote as a single class and all shares of common stock have equal and identical rights, privileges, powers, obligations, restrictions and voting rights. Shareholders do not have cumulative voting rights with respect to the election of candidates to our Board of Directors.

A plurality vote shall be necessary to elect any director, and on all other matters, except as otherwise provided in our Amended and Restated Certificate of Incorporation or our Amended and Restated By-Laws or as required by law, the action or a question will be approved if the number of votes cast in favor of the action or question exceeds the number of votes cast opposing the action or question.

Dividend Rights

Holders of common stock will share equally on a per share basis in any dividend declared by our Board of Directors, subject to any statutory or contractual restrictions on the payment of dividends.

Liquidation Rights

In the event of any voluntary or involuntary liquidation, dissolution or winding up of our affairs, holders of our common stock would be entitled to share ratably in our assets that are legally available for distribution to shareholders after payment of liabilities.

Other Rights

Our shareholders have no subscription, redemption or conversion rights. Our common stock does not entitle its holders to pre-emptive rights for additional shares. All of the outstanding shares of our common stock are fully-paid and non-assessable.

Registration Rights

Funds affiliated with Bain Capital Credit, Centerbridge Partners, L.P., and MAK Capital (such funds, collectively, the Sponsors) and Arthur Decio have certain registration rights with respect to our common stock.

Investor Rights Agreement

In connection with the Exchange, the Corporation, Champion Holdings, and the Sponsors entered into an investor rights agreement (the Investor Rights Agreement) providing for, among other things, certain agreements between the parties to the agreement relating to the composition of the Board of Directors of Skyline Champion, and certain rights to information regarding Skyline Champion in favor of the Sponsors.

Table of Contents

Anti-takeover Provisions

Our Amended and Restated Certificate of Incorporation and Amended and Restated By-Laws contain provisions that delay, defer or discourage transactions involving an actual or potential change in control of us or change in our management. We expect that these provisions, which are summarized below, will discourage coercive takeover practices or inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our Board of Directors, which we believe may result in an improvement of the terms of any such acquisition in favor of our shareholders. However, they also give our Board of Directors the power to discourage transactions that some shareholders may favor, including transactions in which shareholders might otherwise receive a premium for their shares or transactions that our shareholders might otherwise deem to be in their best interests. Accordingly, these provisions could adversely affect the price of our common stock.

No Cumulative Voting

The Indiana Business Corporation Law (the "IBCL") provides that shareholders are not entitled to the right to cumulate votes in the election of directors unless the articles of incorporation specifically authorizes cumulative voting. Our Amended and Restated Certificate of Incorporation does not authorize cumulative voting.

Requirements for Advance Notification of Shareholder Meetings, Nominations and Proposals

Our Amended and Restated By-Laws provide that special meetings of the shareholders may be called by the Chairman of our Board of Directors, the vice chairman of the Board of Directors, or by the Board of Directors.

Our Amended and Restated By-Laws establish advance notice procedures with respect to shareholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of our Board of Directors. In order for any matter to be properly brought before a meeting, a shareholder will have to comply with the advance notice requirements. Our Amended and Restated By-Laws allow our Board of Directors to adopt such rules and regulations for the conduct of the meetings as they may deem proper, which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions may also defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer's own slate of directors or otherwise attempting to obtain control of the Corporation.

Exclusive Forum

Our Amended and Restated By-Laws provide that, unless we consent in writing in advance to the selection of an alternative forum, the Circuit or Superior Courts of Elkhart County, State of Indiana, or the United States District Court in the Northern District of Indiana in a case of pendent jurisdiction, shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim for breach of fiduciary duty owed by any director, officer, employee, or agent of the Corporation to the Corporation or the Corporation's shareholders, (iii) any action asserting a claim arising pursuant to any provision of the Act, the Corporation's Articles, or the By-Laws, or (iv) any action asserting a claim governed by the internal affairs doctrine, in each case subject to such court having personal jurisdiction over the indispensable parties named as defendants therein. The choice of forum provision may limit a shareholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with us or our directors, officers or other employees, which may discourage lawsuits with respect to such claims. However, it is possible that a court could rule that the provision is unenforceable or inapplicable.

PLAN OF DISTRIBUTION

We are registering common stock, with an aggregate offering price not to exceed \$100,000,000, to be sold by us under a shelf registration process. In addition, on behalf of the selling shareholders, we are registering 46,033,375 shares of our common stock for resale, from time to time, by the selling shareholders.

If we or a selling shareholder offers any securities under this prospectus, if required, we will amend or supplement this prospectus by means of an accompanying prospectus supplement setting forth the specific terms and conditions and other information about that offering as is required or necessary.

We and/or a selling shareholder may sell the securities in any of the following ways (or in any combination) from time to time:

on the NYSE or any other national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;

in the over-the-counter market;

in transactions otherwise than on these exchanges or systems or in the over-the-counter market;

through the writing of options, whether such options are listed on an options exchange or otherwise;

through ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

through block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

directly to one or more purchasers;

through agents;

through purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

through one or more underwriters on a firm commitment or best-efforts basis;

in an exchange distribution in accordance with the rules of the applicable exchange;

in privately negotiated transactions;

through loans or pledges of our common stock to a broker-dealer who may sell shares of our common stock so loaned or, upon a default, may sell or otherwise transfer the pledged stock;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law and described in an applicable prospectus supplement.

With respect to a particular offering of shares of common stock held by the selling shareholders, to the extent required, an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement of which this prospectus is part, will be prepared and will set forth the following information:

the name or names of any underwriters, dealers or agents and the amounts of securities underwritten or purchased by each of them;

the public offering price of the securities and the proceeds to us and/or to the selling shareholders, as the case may be, and any discounts, commissions or concessions allowed or reallocated or paid to dealers; and

information about the selling shareholders, including the relationship between the selling shareholders and us.

Table of Contents

Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

We and/or the selling shareholders may effect the distribution of the common stock from time to time in one or more transactions either:

at a fixed price or prices, which may be changed from time to time;

at market prices prevailing at the time of sale;

at prices relating to the prevailing market prices; or

at negotiated prices.

The selling shareholders may act independently of us in making decisions with respect to the timing, manner and size of each of their sales.

Offers to purchase common stock may be solicited directly by us and the sale thereof may be made by us directly to institutional investors or others. In such a case, no underwriters or agents would be involved. We may use electronic media, including the Internet, to sell offered common stock directly.

If underwriters are used in the sale of any common stock, the common stock will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The common stock may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to certain conditions precedent. Depending on the type of offering, the underwriters may be obligated to purchase all of the common stock if they purchase any of the common stock (other than any common stock purchased upon exercise of any over-allotment option).

We or the selling shareholders may offer the common stock covered by this prospectus into an existing trading market on the terms described in the prospectus supplement relating thereto. Underwriters, dealers and agents who participate in any at-the-market offerings will be described in the prospectus supplement relating thereto. To the extent that we make sales through one or more underwriters or agents in at-the-market offerings, we will do so pursuant to the terms of a sales agency financing agreement or other at-the-market offering arrangement between us and the underwriters or agents. If we engage in at-the-market sales pursuant to any such agreement, we will issue and sell our common stock through one or more underwriters or agents, which may act on an agency basis or on a principal basis. During the term of any such agreement, we may sell our common stock on a daily basis in exchange transactions or otherwise as we agree with the underwriters or agents. The agreement will provide that any common stock sold will be sold at prices related to the then-prevailing market prices for our securities. Therefore, exact figures regarding proceeds that will be raised or commissions to be paid cannot be determined at this time. Pursuant to the terms of the agreement, we also may agree to sell, and the relevant underwriters or agents may agree to solicit offers to purchase, blocks of our common stock. The terms of each such agreement will be set forth in more detail in the applicable prospectus supplement.

Edgar Filing: Skyline Champion Corp - Form S-3

We or the selling shareholders may sell the common stock through agents from time to time. The prospectus supplement will name any agent involved in the offer or sale of the common stock and any commissions paid to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment.

If we or the selling shareholders utilize a dealer in the sale of the securities in respect of which this prospectus is delivered, we or the selling shareholders, as applicable, may sell those securities to the dealer, as principal. The dealer may then resell those securities to the public at varying prices to be determined by the dealer at the time of resale.

Table of Contents

In effecting sales, broker-dealers or agents engaged by us or the selling shareholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts, or concessions from us or the selling shareholders in amounts to be negotiated immediately prior to the sale.

In connection with the sale of the common stock or otherwise, we or the selling shareholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock covered by this prospectus in the course of hedging the positions they assume. We or the selling shareholders may also sell short the common stock covered by this prospectus and deliver the common stock to close out short positions, or loan or pledge the common stock covered by this prospectus to broker-dealers that in turn may sell these securities.

The selling shareholders and any underwriter, broker-dealer, or agent that participates in the distribution of the common stock may be deemed to be an underwriter as defined in the Securities Act. Any commissions paid or any discounts or concessions allowed to any such persons, and any profits they receive on resale of the common stock, may be deemed to be underwriting discounts and commissions under the Securities Act. We will identify any underwriters or agents and describe their compensation in a prospectus supplement. Any compensation paid to underwriters, dealers or agents in connection with the offering of the common stock, and any discounts, concessions or commissions allowed by underwriters to participating dealers will be provided in the applicable prospectus supplement.

The aggregate proceeds to us and the selling shareholders from the sale of the common stock will be the purchase price of the common stock less discounts and commissions, if any.

Underwriters or agents may purchase and sell the common stock in the open market. These transactions may include over-allotment, stabilizing transactions, syndicate covering transactions and penalty bids. Over-allotment involves sales in excess of the offering size, which creates a short position. Stabilizing transactions consist of bids or purchases for the purpose of preventing or limiting a decline in the market price of the common stock and are permitted so long as the stabilizing bids do not exceed a specified maximum. Syndicate covering transactions involve the placing of any bid on behalf of the underwriting syndicate or the effecting of any purchase to reduce a short position created in connection with the offering. The underwriters or agents also may impose a penalty bid, which permits them to reclaim selling concessions allowed to syndicate members or certain dealers if they repurchase the common stock in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the common stock, which may be higher than the price that might otherwise prevail in the open market. These activities, if begun, may be discontinued at any time. These transactions may be effected on any exchange on which the securities are traded, in the over-the-counter market or otherwise.

Our common stock is listed on the NYSE under the symbol SKY.

Agents, broker-dealers and underwriters may be entitled to indemnification by us and, if applicable, the selling shareholders, against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the agents, broker-dealers or underwriters may be required to make in respect thereof.

Agents, broker-dealers and underwriters or their affiliates may be customers of, engage in transactions with, or perform services for, us or the selling shareholders (or their affiliates) in the ordinary course of business. We and the selling shareholders may also use underwriters or other third parties with whom such selling shareholders have a material relationship. We and the selling shareholders (or their affiliates) will describe the nature of any such relationship in the applicable prospectus supplement.

We and the selling shareholders are subject to the applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including Regulation M, which may limit the timing of purchases and sales of any of the securities offered in this prospectus by the selling shareholders and any other person. The

Table of Contents

anti-manipulation rules under the Exchange Act may apply to sales of securities in the market and to the actions of the Corporation, the selling shareholders and their respective affiliates.

In order to comply with the securities laws of certain states, if applicable, the common stock must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the common stock may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution. Instead of selling common stock under this prospectus, we and/or the selling shareholders may sell the common stock offered in compliance with the provisions of Rule 144 or Rule 144A under the Securities Act, if available, or pursuant to other available exemptions from the registration requirements of the Securities Act.

Item 15. Indemnification of Directors and Officers

Section 23-1-37-8 of the IBCL provides that an Indiana corporation may indemnify an individual made a party to a proceeding because the individual is or was a director if (i) the individual's conduct was in good faith, (ii) the individual reasonably believed that, in the case of conduct in the individual's official capacity with the corporation, his or her conduct was in the best interests of the corporation and, in all other cases, his or her conduct was at least not opposed to the best interests of the corporation and (iii) in the case of a criminal proceeding, that the director either had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe that such conduct was unlawful. The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that a director did not meet the required standard of conduct. Section 23-1-37-9 requires a corporation, unless limited by its articles of incorporation, to indemnify a director who has been wholly successful on the merits or otherwise in the defense of a proceeding against reasonable expenses (including counsel fees) so incurred. Section 23-1-37-10 authorizes a corporation to pay for or reimburse the reasonable expenses (including counsel fees) incurred by a director in advance of final disposition of a proceeding upon: (1) receipt by the corporation of a written undertaking by the director to repay any such advance if it is ultimately determined that the director did not meet the required standard of conduct; (2) a determination that, in light

Edgar Filing: Skyline Champion Corp - Form S-3

of the facts then known, indemnification is permissible; and (3) receipt by the corporation of a written affirmation by the director of his or her good faith belief that the required standard of conduct has been met.

Pursuant to Section 23-1-37-11, a director may apply for indemnification to a court of competent jurisdiction. Pursuant to Section 23-1-37-13, an officer is entitled to mandatory indemnification under Section 23-1-37-9 and to apply for court-ordered indemnification under Section 23-1-37-11 to the same extent as a director. A corporation may indemnify and advance expenses to an officer, employee or agent to the same extent as to a director. Pursuant to Section 23-1-37-14, a corporation may purchase and maintain insurance on behalf of an individual who is a director, officer, employee or agent of the corporation, whether or not the

II-1

Table of Contents

corporation would have power by statute to indemnify the individual against the same liability. Section 23-1-37-15 provides that the statutory provisions do not exclude any other rights to indemnification and advance for expenses that a person may otherwise have. The Amended and Restated By-Laws of the Corporation provide for the indemnification of directors and officers of the Company to the full extent permitted by the IBCL.

The above is a general summary of certain provisions of the Corporation's Amended and Restated By-Laws and of the IBCL and is subject in all respects to the specific and detailed provisions of the Corporation's By-Laws and the IBCL.

We have entered into indemnification agreements with our directors and officers. In general, these agreements provide that we will indemnify the director or officer to the fullest extent permitted by law for claims arising in his or her capacity as a director or officer of our Corporation or in connection with his or her service at our request for another corporation or entity. The indemnification agreements also provide for procedures that will apply in the event that a director or officer makes a claim for indemnification and establish certain presumptions that are favorable to the director or officer.

We maintain a general liability insurance policy that covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

Any underwriting agreement that the registrant may enter into in connection with the sale of any common stock registered hereunder may provide for indemnification to the registrant's directors and officers by the underwriters against certain liabilities.

Item 16. Exhibits and Financial Statement Schedules

See Exhibit Index.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the

Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

Table of Contents

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b)

Edgar Filing: Skyline Champion Corp - Form S-3

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
