On August 3, 2018, the Compensation Committee of the Board of Directors of Hilton Worldwide Holdings Inc. (the Company or we, our or us ) renewed the Company's existing executive severance plan, which was adopted at the time of the Company's initial public offering in 2013 and expires at the end of 2018 (the 2013 Plan ), by adopting the Hilton Worldwide Holdings Inc. 2019 Executive Severance Plan, effective January 1, 2019 (the 2019 Plan ). The terms of the 2019 Plan are substantially the same as those of the 2013 Plan (except that the 2019 Plan has no fixed termination date) and provide that if an eligible executive's employment is terminated by us without cause, or if the eligible employee terminates his or her employment for good reason (each, a qualifying termination ), then, subject to the eligible employee's execution and non-revocation of a release of claims against us, continued compliance with restrictive covenants related to post-employment non-solicitation and non-compete covenants for one year following termination, and indefinite covenants covering confidentiality and non-disparagement, he or she will be eligible to receive a severance payment amount based on the employee's position and then-current base salary and target bonus. Under the terms of the 2013 Plan and 2019 Plan, our named executive officers ( NEOs ) will be eligible to receive a severance payment equal to 2.0 times (2.99 times in the case of our CEO) the sum of his or her annual base salary and annual target bonus at the time of termination, paid in a lump sum. In addition, upon a qualifying termination, the NEO will be entitled to continued medical, dental and, to the extent provided to the NEO immediately prior to a qualifying termination, basic life insurance for up to one year following termination, and outplacement services, as needed, for one year following termination.

The NEOs will also be entitled to the same level of severance upon a qualifying termination in connection with a change in control except that severance may be reduced if doing so would result in the executive realizing a better after-tax result following the imposition of any applicable golden parachute excise taxes under Internal Revenue Code Section 4999.
