Currency of Payment:	All payments of principal of, and premium, if any, and interest on, the notes, including any payments made upon any redemption of the notes, will be made in euro. If the euro is unavailable to the issuer or, in the case of the guarantee, the guarantor, due to the imposition of exchange controls or other circumstances beyond the issuer s or the guarantor s control or if the euro is no longer being used by the then member states of the European Economic and Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the notes will be made in U.S. dollars until the euro is again available to the issuer, or, in the case of the guarantee, the guarantor or so used.
Payment of Additional Amounts:	Subject to certain exceptions and limitations, the issuer and the guarantor may be required to pay as additional interest to certain holders of notes such amounts as may be necessary so that every net payment on such holders notes after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge of whatever nature imposed upon, or as a result of, such payment by the Netherlands or the United States (or any political subdivision or taxing authority thereof or therein), will not be less than the amount provided for in such holders notes to be then due and payable.
Optional Redemption:	On and after July 7, 2020 (one month prior to their maturity),the issuer will have the option to redeem

	<p>the notes, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of the notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.</p>
Redemption for Tax Reasons:	<p>The issuer may redeem all, but not less than all, of the notes in the event of certain changes in the tax law of the Netherlands or the United States (or any political subdivision or taxing authority thereof or therein) if, in the written opinion of independent counsel chosen by the issuer or the guarantor, there is a material probability that the issuer or the guarantor will become obligated to pay additional interest on the notes as described above under Payment of Additional Amounts. The redemption would be at a redemption price equal to 100% of the principal amount of the notes to be redeemed, together with accrued and unpaid interest to, but not including, the date fixed for redemption.</p>
Purchase of Notes Upon a Change of Control Triggering Event:	<p>Upon the occurrence of a Change of Control Triggering Event, the issuer may, in certain circumstances, be required to make an offer to purchase the notes at a price equal to 101% of their principal amount, plus any accrued and unpaid interest, if any, to, but excluding, the date of repurchase.</p>
Denominations:	100,000 x 1,000
