Third Point Comments on Unsurprising Announcement that Dorrance Family Members Intend to Vote for Themselves and Their Own Interests at Campbell's Annual Meeting

Calls on Entrenched Family Board Members to Listen to the Voices of Shareholders Rather Than Trying to Intimidate Them with Inherited Voting Bloc

Notes Stock is Down ~4% in Hours Following the Announcement, Suggesting Shareholders

Dissatisfaction with the Family's Stunt

Reminds the Board That Shareholders Will Finally Have the Opportunity to Render a Verdict on The Insiders Multi-Decade Reign of Error at this Year's Annual Meeting and Their Voices Deserve to be Heard

Urges CPB Shareholders to VOTE the WHITE Proxy Card to Elect the Independent Slate, Which Brings True Shareholder Alignment to the Board and Cares About Shareholder Interests Over Those of Insiders and Heirs

NEW YORK (BUSINESS WIRE) Third Point LLC (NYSE: TPRE; LSE: TPOU) (Third Point), a New York-based investment firm managing approximately \$18 billion in assets and a holder of approximately 7% of the outstanding common shares of Campbell Soup Company (NYSE: CPB) (Campbell or the Company), today responded to the Company's announcement that the entrenched family Board members intend to vote for themselves at this year's Annual Meeting, saying:

It is hardly news that the entrenched family owners, who have long enriched themselves at the expense of shareholders and the Company, seek to preserve their Board seats and reign of error. Instead of patiently listening to shareholder views, waiting for votes to come in, and respectfully awaiting the verdict of shareholder advisory firms, this group of billionaire heirs and heiresses are attempting to intimidate smaller shareholders by flaunting their inherited voting bloc as an impenetrable moat. This stunt shows that Campbell's is in for more of the same unless the Independent Slate is elected in November. The Independent Slate is not intimidated—indeed, we are running precisely so that shareholders finally have an opportunity to render a verdict on the entrenched insiders' dreadful tenure at this year's Annual Meeting. This is a long overdue reckoning that they have no interest in hearing, as their actions today show.

We encourage shareholders to VOTE THE WHITE CARD to #RefreshTheRecipe and end the rule of unqualified heirs and heiresses who do not believe in accountability—but rather in the divine right of inherited power.

We also encourage all shareholders to review [*The Independents*](#) and [our detailed presentation](#) to understand why the Independent Slate will respect Shareholder voices, end the Insiders' Reign of Error, and set Campbell's on a new and profitable path. We urge shareholders to VOTE the WHITE Proxy Card to elect the Independent Slate and #RefreshTheRecipe.

Your Vote Is Important, No Matter How Many or How Few Shares You Own!

PLEASE REMEMBER TO CAN THE COMPANY S CARD! If you return a Campbell s proxy card even by simply indicating withhold on the Company s slate you will revoke any vote you had previously submitted for Third Point on the WHITE proxy card.
