**T-Mobile US names Industry Veteran Ulf Ewaldsson as new Senior Vice President, Technology Transformation**

*The Un-carrier hires Ewaldsson to lead development of T-Mobile's 5G evolution strategy*

January 18, 2019 11:56 AM Eastern Standard Time

BELLEVUE, Wash.--(BUSINESS WIRE)--T-Mobile US today announced that Ulf Ewaldsson has joined the company as its new Senior Vice President, Technology Transformation, reporting directly to Chief Technology Officer and EVP, Neville Ray. Ewaldsson brings years of network innovation experience to this new role where he will drive T-Mobile's 5G technology evolution strategy.

Ewaldsson joins the Un-carrier after nearly 30 years at networking and telecommunications company Ericsson, where he most recently served as a senior advisor to the company's CEO. Prior to that, Ewaldsson held various senior leadership roles including Senior Vice President and Head of Business Area Digital Services, Senior Vice President and Chief Strategy & Technology Officer, Head of Group Function Strategy & Technology, and Head of Product Area Radio.

We are thrilled to share the great news that Ulf is joining our team of amazing leaders at T-Mobile who continue to show the other guys what it takes to win in wireless. Just look at what we've done with 4G wireless! We've been the fastest for 19 straight quarters—nearly 5 straight years—and we're just getting started. Adding Ulf's passion and track record for driving innovation to the Un-carrier mix is going to take us to the next level," said Neville Ray. "Ulf has achieved so many firsts and truly supported the evolution of technology for telecommunications across the globe. Bringing him on board is a total win for T-Mobile and we couldn't wait to share it! He is going to be the perfect addition to our consumer-first Un-carrier team to drive our 5G evolution strategy!"

Ewaldsson holds a Master of Science and Master of Business Management from Linköping Technical University. He currently serves on several Board of Directors as both member and Chairman, including the Swedish Royal Institute of Technology, ASSA-ABLOY AB, Telecom Management Forum and others. He will be relocating with his family from Sweden and joining T-Mobile the last week of January.

## **Cautionary Statement Regarding Forward-Looking Statements**

This communication contains certain forward-looking statements concerning T-Mobile, Sprint and the proposed transaction between T-Mobile and Sprint. All statements other than statements of fact, including information concerning future results, are forward-looking statements. These forward-looking statements are generally identified by the words anticipate, believe, estimate, expect, intend, may, could or similar expressions. Such forward-looking statements include, but are not limited to, statements about the benefits of the proposed transaction, including anticipated future financial and operating results, synergies, accretion and growth rates, T-Mobile's, Sprint's and the combined company's plans, objectives, expectations and intentions, and the expected timing of completion of the proposed transaction. There are several factors which could cause actual plans and results to differ materially from those expressed or implied in forward-looking statements. Such factors include, but are not limited to, the failure to obtain, or delays in obtaining, required regulatory approvals, and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the proposed transaction, or the failure to satisfy any of the other conditions to the proposed transaction on a timely basis or at all; the occurrence of events that may give rise to a right of one or both of the parties to terminate the business combination agreement; adverse effects on the market price of T-Mobile's or Sprint's common stock and on T-Mobile's or Sprint's operating results because of a failure to complete the proposed transaction in the anticipated timeframe or at all; inability to obtain the financing contemplated to be obtained in connection with the proposed transaction on the expected terms or timing or at all; the ability of T-Mobile, Sprint and the combined company to make payments on debt or to repay existing or future indebtedness when due or to comply with the covenants contained therein; adverse changes in the ratings of T-Mobile's or Sprint's debt securities or adverse conditions in the credit markets; negative effects of the announcement, pendency or consummation of the transaction on the market price of T-Mobile's or Sprint's common stock and on T-Mobile's or Sprint's operating results, including as a result of changes in key customer, supplier, employee or other business relationships; significant transaction costs, including financing costs, and unknown liabilities; failure to realize the expected benefits and synergies of the proposed transaction in the expected timeframes or at all; costs or difficulties related to the integration of Sprint's network and operations into T-Mobile; the risk of litigation or regulatory actions; the inability of T-Mobile, Sprint or the combined company to retain and hire key personnel; the risk that certain contractual restrictions contained in the business combination agreement during the pendency of the proposed transaction could adversely affect T-Mobile's or Sprint's ability to pursue business opportunities or strategic transactions; effects of changes in the regulatory environment in which T-Mobile and Sprint operate; changes in global, political, economic, business, competitive and market conditions; changes in tax and other laws and regulations; and other risks and uncertainties detailed in the Form S-4, as well as in T-Mobile's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and in its subsequent reports on Form 10-Q, including in the sections thereof captioned Risk Factors and Cautionary Statement Regarding Forward-Looking Statements, as well as in its subsequent reports on Form 8-K, all of which are filed with the SEC and available at [www.sec.gov](http://www.sec.gov) and [www.t-mobile.com](http://www.t-mobile.com). Forward-looking statements are based on current expectations and assumptions, which are subject to risks and uncertainties that may cause actual results to differ materially from those expressed in or implied by such forward-looking statements. Given these risks and uncertainties, persons reading this communication are cautioned not to place undue reliance on such forward-looking statements. T-Mobile assumes no obligation to update or revise the information contained in this communication (whether as a result of new information, future events or otherwise), except as required by applicable law.
