Item 1.01. Entry into a Material Definitive Agreement.

Effective April 29, 2019, Meridian Bioscience, Inc., an Ohio corporation (Meridian or the Company), Meridian Bioscience Canada Inc., a corporation incorporated under the laws of British Columbia and a direct wholly-owned subsidiary of the Company (Buyer), GenePoc Inc., a corporation incorporated under the laws of Canada (Seller), the shareholders of Seller (the Shareholders), and Après-demain Holding SA, solely in the capacity of Shareholders Representative (the Shareholders Representative), entered into a share purchase agreement (the Purchase Agreement). The Purchase Agreement provides that Buyer will purchase substantially all of the assets and certain specified liabilities of Seller by means of a two-step transaction (the Acquisition). As the first step in the Acquisition, Seller will transfer substantially all of the assets of Seller and certain specified liabilities to GenePoc Canada Inc., a corporation incorporated under the laws of British Columbia and subsidiary of Buyer (GenePoc Canada), in exchange for the issuance to Seller by GenePoc Canada of non-voting Class B shares (the Purchased Shares) of GenePoc Canada (the Reorganization). Then, following the Reorganization, Buyer will acquire from Seller the Purchased Shares, and GenePoc Canada will become Buyer's wholly-owned subsidiary, with Buyer owning all of the issued and outstanding shares of GenePoc Canada. The Purchase Agreement contemplates a maximum purchase price of up to \$120 million comprised of: (i) a closing cash payment of approximately \$50 million subject to a working capital adjustment and holdback of \$5 million to secure Seller's performance of certain post-closing obligations; (ii) a \$20 million aggregate principal amount non-interest bearing term promissory note (the Promissory Note) payable in two \$10 million installments upon the achievement of certain development milestones if achieved by September 30, 2020 and March 31, 2021, respectively; and (iii) a contingent consideration payment of up to \$50 million payable if certain financial performance targets are achieved during the twelve-month period ending September 30, 2022. Under the terms of the Purchase Agreement, Meridian and the Shareholders are bound to guaranteeing the obligations of Buyer and Seller, respectively.

The closing of the Acquisition is subject to customary conditions, including, but not limited to: (i) obtaining all material consents and assignments necessary in connection with the Reorganization and the Acquisition; and (ii) Buyer having obtained financing necessary to fulfill its obligations under the Purchase Agreement on terms and conditions satisfactory to Buyer.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Purchase Agreement, a copy of which will be filed with a subsequent report and the terms of which are incorporated herein by reference.

This summary of the Purchase Agreement is included solely to provide investors with information regarding certain terms of the Purchase Agreement. It is not intended to provide factual information about the parties or any of their respective subsidiaries or affiliates. Investors are cautioned that the representations, warranties and covenants included in the Purchase Agreement were made by the parties thereto to each other. In addition, the representations and warranties may have been included in the Purchase Agreement for the purpose of allocating risk between Seller and Buyer rather than to establish matters as facts. The representations and warranties contained in the Purchase Agreement are solely for the benefit of the parties to the Purchase Agreement. Investors are not third-party beneficiaries under the Purchase Agreement and in reviewing the representations, warranties and covenants contained in the Purchase Agreement or any descriptions thereof in this summary, it is important to bear in mind that such representations, warranties and covenants or any descriptions were not intended by the parties to the Purchase Agreement to be characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. For the foregoing reasons, the representations, warranties and covenants or any descriptions of those provisions should not be read alone and should instead be read in conjunction with the other information contained in the reports, statements and filings that the Company publicly files with the SEC.
