On August 25, 2017, Luciano (Lou) Melluzzo agreed to serve as President of Air Industries Group. Mr. Melluzzo, age 53, is expected to commence employment not later than September 11, 2017. From November 2003 to September 2011, Mr. Melluzzo was employed in various capacities by EDAC Technologies Corporation (“EDAC”), a designer, manufacturer and distributor of precision aerospace components and assemblies, precision spindles and complex fixturing, tooling and gauging with design and build capabilities, whose shares were then listed on the Nasdaq Capital Market. He served as EDAC’s Vice President and Chief Operating Officer from November 2005 until February 2010. From September 2011 to November 2015, Mr. Melluzzo was self-employed in the residential real estate redevelopment industry. From November 2015 to January 2017, he was general manager of Polar Corporation, a privately-held company specializing in computer numeric controlled milling and turning of small hardware components for the aerospace industry.

Mr. Melluzzo will receive an annual base salary of \$280,000 and will be entitled to a bonus based upon performance criteria to be determined. In addition, we have agreed to pay Mr. Mulluzzo a car allowance of \$900 per month and he will be eligible to participate in such health and welfare plans as are made available to our executives generally.
