Item 8.01 Other Information

The Company announced today the re-pricing of 2,142,857 outstanding warrants (the "Warrants") which had been previously issued in connection with the Company's 2007 convertible debenture financing. The exercise price of the Warrants has been amended from US\$0.80 to US\$0.48 per common share. The expiry provision of the Warrants has also been amended such that the expiration date of the Warrants will be accelerated if the Company's common shares trade at, or above, \$0.625 for a period of 60 consecutive trading days. The trading price for purposes of this amendment will be calculated by using the average of the closing prices on the Toronto Venture Exchange and the OTC.BB. If the Company's shares trade above \$0.625 for a period of 60 consecutive trading days, warrant holders will then have 30 calendar days to exercise the Warrants they hold, after which time such Warrants shall expire. All other conditions of the Warrants will remain unchanged. The re-pricing of the warrants is subject to applicable regulatory approval in Canada.
