PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Valves Technology, Inc., a Nevada corporation (the Company or we), for the Company's 2012 Annual Meeting of Stockholders (the Annual Meeting). The Annual Meeting is to be held at 9:00 a.m., local time, on Wednesday, February 29, 2012, and at any adjournment(s) or postponement(s) thereof, at the principal executive offices of the Company, located at 21F Kineer Plaza, 226 Jinshui Road, Zhengzhou, Henan Province, People's Republic of China 450008.

The date on which the Proxy Statement and form of proxy card are intended to be sent or made available to stockholders is January 20, 2012.

The purposes of the Annual Meeting are to seek stockholder approval of five proposals: (i) electing five (5) directors to the Board of Directors of the Company (the Board); (ii) ratifying the appointment of the Company's independent registered accountants for fiscal year 2012; (iii) approving the 2012 Plan; (iv) the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in these materials; and (v) a frequency of every three years for future advisory votes on executive compensation. We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Who May Vote

Only stockholders of record of our Common Stock, par value \$0.001 per share (Common Stock), as of the close of business on January 17, 2012 (the Record Date) are entitled to notice and to vote at the Annual Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, during office hours, at the executive offices of the Company at 21F Kineer Plaza, 226 Jinshui Road, Zhengzhou, Henan Province, People's Republic of China 450008, by contacting the Secretary of the Company.

The presence at the Annual Meeting of fifty percent (50%) of the outstanding shares of Common Stock entitled to vote as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy or voter instructions, even if you abstain as to one or more proposals, or you are present in person at the Annual Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker non-votes are included for the purposes of determining whether a quorum of shares is present at the Annual Meeting. A broker non-vote occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 36,119,654 shares of Common Stock. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the

Annual Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials that is being mailed to you. If you have received printed copies of the proxy materials by mail, or if you request printed copies of the proxy materials by mail by following the instructions on the Notice of Internet Availability of Proxy Materials mailed to you, you can also vote by mail by completing, dating, and signing the proxy or vote instruction form and mailing it in the pre-addressed envelope provided, which requires no additional postage if mailed in the United States. You may submit your vote over the Internet until 11:59pm (EST) on February 28, 2012. If you vote by mail, please be aware that we can recognize your vote only if we receive it by close of business of the second business day before the Annual Meeting.

You may also vote in person at the Annual Meeting. If your shares are held through a broker, trust, bank, or other nominee, please refer to the Notice of Internet Availability of Proxy Materials mailed to you and any other information forwarded to you by such holder of record to obtain a valid proxy from it. You will need to bring this legal proxy with you to the Annual Meeting in order to vote in person.

The shares represented by any proxy duly given will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If you are a registered holder and no specific instructions are given the shares will be voted FOR all of the proposals. If you are a beneficial holder (i.e., you hold your shares through a bank or broker), the shares will be voted FOR ratification of BDO CHINA as the Company's independent registered public accounting firm, and will be deemed broker non-votes as to the other proposals. In addition, if other matters properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Each share of Common Stock outstanding on the Record Date will be entitled to one vote on all matters. Approval of Proposal 1 (Election of Directors), requires that the five candidates proposed for election as directors at the Annual Meeting be elected by at least a plurality of the votes cast at the Annual Meeting. Approval of Proposal 2 (Ratification of the Selection of Independent Auditors) requires that the number of votes that stockholders cast for exceed the votes that stockholders cast against. Approval of Proposal 3 (Approval of the 2012 Plan) requires that the number of votes that stockholders cast for exceed the votes that stockholders cast against. Approval of Proposal 4 (Advisory Vote on Executive Compensation) also requires that the number of votes that stockholders cast for exceed the votes that stockholders cast against. With respect to Proposal 5 (Advisory Vote on the Frequency of an Advisory Vote on Executive Compensation), the alternative receiving the greatest number of votes every year, every two years or every three years will be the frequency that stockholders approve. In counting the votes cast, only those cast as for or against a matter are included. Please note that you cannot vote against a nominee for director, although you may withhold your vote from a nominee. Withheld, abstain and broker non-votes will be counted for purposes of establishing quorum only.

Brokers are permitted, but not required, to use discretionary authority to vote shares on routine matters such as the ratification of the selection of the independent registered public accounting firm, but are not permitted to use discretionary authority to vote shares on non-routine matters including the election of directors, the advisory vote on executive compensation, and the advisory vote on the frequency of an advisory vote on executive compensation.

Stockholders have no cumulative voting rights or dissenter's or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Revoking Your Proxy

Even if you submit a proxy or voter instructions, you may revoke and change your vote. You may revoke your proxy or voter instructions by submitting a new proxy or voter instructions over the Internet by using the procedure to vote your shares online described in the Notice of Internet Availability of Proxy Materials that you receive. You may also revoke your proxy by mail by requesting a copy be mailed to you, executing a subsequently-dated proxy or vote instruction form, and mailing it in the pre-addressed envelope, which requires no additional postage if mailed in the United States. You may also revoke your proxy by your attendance and voting in person at the Annual Meeting. Mere attendance at the meeting will not revoke a proxy or voter instructions. We will vote the shares in accordance with the directions given in the last proxy or voter instructions submitted in a timely manner before the Annual Meeting. You may revoke your vote over the Internet until 11:59pm (EST) on February 28, 2012. If you revoke your vote by mail, please be aware that we can recognize the revoked vote only if we receive it by close of business of the second business day before the Annual Meeting.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening

of the Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Annual Meeting, to vote your shares as described above.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company may solicit proxies personally or by telephone and will receive no extra compensation from such activities. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

PROPOSAL 1

ELECTION OF DIRECTORS

General Information

Our amended and restated by-laws provide that the number of our directors shall be fixed as the Board of Directors may from time to time designate. No decrease in the number of directors shall have the effect of shortening the term of any incumbent director. The Board currently consists of five members, all of whom are standing for re-election. The term of office of the directors is one year, expiring on the date of the next annual meeting, or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal.

Except where the authority to do so has been withheld, it is intended that the persons named in the enclosed proxy will vote for the election of the nominees to our Board of Directors listed below to serve until the date of the next annual meeting and until their successors are duly elected and qualified. Although our directors have no reason to believe that the nominees will decline or be unable to serve, in the event that such a contingency should arise, the accompanying proxy will be voted for a substitute (or substitutes) designated by our Board of Directors.

Substitute Nominees

If, at the time of or before the Annual Meeting, any nominee is unable to be a candidate when the election occurs, or otherwise declines to serve, the persons named as proxies may use the discretionary authority provided to them in the proxy to vote for a substitute nominee designated by the Board. At this time, we do not anticipate any nominee will be unable to be a candidate for election or will otherwise decline to serve.

Code of Ethics

On September 9, 2009, our Board adopted a Code of Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. The new Code of Ethics replaces our prior Code of Ethics that applied only to our principal executive officer, principal financial officer, principal accounting officer or controller and any person who performed similar functions. Our Code of Ethics addresses, among other things, honesty and ethical conduct, conflicts of interest, compliance with laws, regulations and policies, including disclosure requirements under the federal securities laws, confidentiality, trading on inside information, and reporting of violations of the code. A copy of the Code of Ethics can be found on our website www.cvalve.com.

We are required to disclose any amendment to, or waiver from, a provision of our Code of Ethics applicable to our principal executive officer, principal financial officer, principal accounting officer, controller, or persons performing similar functions. We intend to use our website as a method of disseminating this disclosure, as permitted by applicable SEC rules. Any such disclosure will be posted to our website within four business days following the date of any such amendment to, or waiver from, a provision of our Code of Ethics.

The Board's Role in Risk Oversight

The Board of Directors has oversight responsibility of the processes established by management to report and monitor systems for material risks applicable to the Company. In addition, the Board considers the risks inherent in our corporate strategy and offers insight to management relating to risk. At Board meetings, the Board considers strategic risks and opportunities as well as risks to the Company's reputation and reviews risks related to the sustainability of its operations together with management's input. Each committee of the Board monitors the risks associated with their areas of responsibility and consults with the rest of the Board regarding any risks relevant to their area of responsibility. It is management's responsibility, however, to manage day-to-day risk and bring to the Board of Directors' attention the most material risks to the Company.

Board Leadership Structure

Mr. Fang is our Chairman. During Board meetings when Mr. Fang is present, he leads the Board.

The lead independent director position is determined by the issues to be discussed by the independent members of the Board and is lead by the relevant Chairman of the committee. Independent members of the Board met in executive session ten times during 2011.

Attendance at Board and Committee Meetings

Our directors are expected to attend Board meetings as frequently as necessary to properly discharge their responsibilities and to spend the time needed to prepare for each such meeting. The Board held twelve meetings during 2011 and no director missed a meeting of the Board.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board has determined that each member of all our Committees are

independent as director independence is specifically defined with respect to such members under the NASDAQ listing standards and applicable SEC rules and regulations. A copy of the charters for the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee is available both at the Investors section of the Company's website located at www.cvalve.com and in print to any stockholder who requests it.

Audit Committee. The Audit Committee, which consists of Messrs. Li (chairman), Haus, and Yu, is primarily responsible for reviewing the services performed by our independent auditors, evaluating our accounting policies and our system of internal controls. Mr. Li serves as our audit committee financial expert as that term is defined by the applicable SEC rules. The Audit Committee held six meetings during 2011.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee, which consists of Messrs. Yu (chairman), Haus, and Li, oversees all aspects regarding the nominating of directors and setting policies and procedures for the nomination of directors. The Corporate Governance and Nominating Committee is also responsible for overseeing the creation and implementation of our corporate governance policies and procedures. The Corporate Governance and Nominating Committee held five meetings during 2011.

Our Corporate Governance and Nominating Committee endeavors to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills, and experience of other Board members. The Nominating/Governance Committee's consideration of candidates for membership on the Board may include such factors as (a) the skills of each member of the Board, including each director's business and management experience, accounting experience, and understanding of corporate governance regulations and public policy matters; (b) the characteristics of each member of the Board, which may include leadership abilities, sound business judgment, and independence; and (c) the general composition of the Board, which may include public company experience of the directors. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Corporate Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

Board Diversity. The Company does not have a specific policy on diversity relating to the selection of nominees for the Board, but the Board believes that while diversity and a variety of experiences and viewpoints represented on the Board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin, sexual orientation, or identity. In selecting a director nominee, the Corporate Governance and Nominating Committee focuses on diversity in the broadest sense, considering, among other things, skills, expertise, or background that would complement our existing Board taking into account the Company's business and industry.

Stockholder Nominees. The Corporate Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement titled, "Deadline for Stockholder Proposals," for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Corporate Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management, or employees.

Compensation Committee

General. The Compensation Committee consists of Messrs. Haus (chairman), Yu, and Li. The Compensation Committee held five meetings during 2011. The Compensation Committee is primarily responsible for reviewing and approving our compensation and benefit policies, including compensation of executive officers. When determining executive compensation, the Compensation Committee typically reviews the following materials, among others:

- Financial reports on year-to-date performance versus budget and compared to prior year performance.
- Calculations and reports on levels of achievement of individual and corporate performance objectives.
- Reports on the Company's strategic objectives and budget for future periods.
- Information on the executive officers' stock ownership and option holdings.
- Peer companies' information regarding compensation programs and compensation levels.

These materials may also be reviewed during regular Board of Directors meetings.

Role of the Compensation Committee. The Compensation Committee is responsible for (i) overseeing the determination, implementation, and administration of the remuneration (including compensation, benefits, bonuses, and perquisites) of all directors and executive officers of the Company, (ii) reviewing and approving all equity compensation to be paid to other Company employees, and (iii) administering the Company's equity-based compensation plans, although the Company does not currently have any such plans. Our compensation program and policies are designed to help us attract, motivate, and retain executives of outstanding ability and align the interests of key leadership with the long-term interests of the Company's stockholders in order to maximize the return to stockholders.

Management's Role in the Compensation-Setting Process. Management plays a role in the compensation-setting process. The most significant aspects of management's role are:

- evaluating employee performance;
- establishing business performance targets and objectives; and
- recommending salary levels and any equity awards.

The Chief Executive Officer works with the Compensation Committee to provide:

- background information regarding the Company's strategic objectives;
- his evaluation of the performance of the senior executive officers; and
- compensation recommendations as to senior executive officers (other than himself).

Although our Chief Executive Officer may recommend to the Compensation Committee the compensation package and awards to our executive officers, the Compensation Committee approves the compensation packages and also grants all awards to executive officers. The Company does not currently have a stock option or other equity incentive plan.

Role of Compensation Consultants. The Compensation Committee may retain a compensation consultant from time to time to assist the Compensation Committee in researching and evaluating executive officer and director compensation and compensation programs. The Compensation Committee did not engage any independent compensation consultants in 2011.

Delegation of Authority. The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Compensation Committee in order to determine or administer the compensation to the Company's executive officers and/or directors.

All directors, officers and employees must disclose to the Company any interest that may conflict with the Company. A director, officer and employee may accept a position as a director of another company only if he or she obtains approval from the Board of Directors; the other company does not compete with the Company; and any compensation received in this capacity is commensurate with its responsibilities.

EXECUTIVE AND DIRECTOR COMPENSATION COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our executive compensation philosophy is to align the interests of executive management with stockholder interests and with our business strategy and success through an integrated executive compensation program that considers short-term performance, the achievement of long-term strategic goals and growth in total stockholder value. The key elements of our executive compensation philosophy are competitive base salary, annual incentive opportunities and equity participation. Our aggregate compensation package is designed to attract and retain individuals critical to the long-term success of the Company, to motivate these persons to perform at their highest levels, and to reward exceptional performance.

The compensation of our executive officers is determined by the Compensation Committee of the Board, except that the entire Board makes the final determination as to the compensation of our Chief Executive Officer. The Chief Executive Officer reviews and revises compensation proposals prepared by Human Resources and presents his recommendations to the Compensation Committee for the Committee's ultimate review and approval. The Chief Executive Officer does not participate in Compensation Committee meetings and is not involved in decisions relating to his own compensation.

Elements of Compensation

We pay each of our named executive officers a base annual salary. Bonuses and equity incentives may also be provided to supplement base salary. The criteria for determining each of these components of compensation is described below. We do not provide retirement benefits and only minimal perquisites except as described below.

Base Salary. Base salary levels for executive officers are set forth in their individual employment agreements, and are reflected in the Summary Compensation Table below under the heading "Executive Compensation". The Compensation Committee considered the total compensation paid by other manufacturing companies in Shenzhen, China to persons holding equivalent positions in setting base salary levels. However, the Compensation Committee did not conduct a peer group compensation analysis or target any particular compensation level in establishing the base salaries for named executive officers.

The Compensation Committee believes that any increases in base salary should be based upon a favorable evaluation of individual performance relative to individual goals, the functioning of the executive's team within the corporate structure, success in furthering corporate strategy and goals, individual management skills and responsibilities, demonstrated loyalty, and the Company's commitment to attract and retain executives. We expect that our Compensation Committee will reward superior individual and company performance with commensurate cash and other compensation. Salary will next be reviewed when the Compensation Committee deems appropriate, but the Compensation Committee will not review salary more frequently than on an annual basis.

Bonuses. Executives are eligible to receive a discretionary bonus pursuant to the terms of their respective employment agreements. If our Compensation Committee determines to do pay discretionary bonuses, bonuses may be paid on an ad hoc basis to recognize superior performance. If the Compensation Committee determines to provide bonus compensation as a regular part of our executive compensation package, it will establish performance goals for each of the executive officers and maximum bonuses that may be earned upon attainment of such performance goals. Some of the components of our key performance appraisal index that we may use to consider in establishing these performance goals include the following: internal control improvement, cash flow (accounts receivable, inventory, accounts payable); sales (revenue, accounts receivables collection, gross profit, customer credit management and goods delivery management); costs and expenses (financial costs, manufacturing costs, general and administrative expenses, sales and marketing expenses, research and development costs); and capital expenditures.

Equity Incentives. Named executive officers are eligible for equity awards in the form of restricted stock. Equity awards are granted at the discretion of the Compensation Committee. The size of an award to any individual, including named executive officers, depends in part on individual performance, including the components of our key performance appraisal index described above and any other indicators of the impact that such employee's productivity may have on stockholder value over time. Other factors include salary level and competitive data. In addition, in determining the number of stock options or shares of restricted stock granted to each named executive officer, the Compensation Committee considers the future benefits potentially available to the named executive officers from existing awards. The number of options or restricted shares granted depend in part on the total number of unvested options and restricted shares deemed necessary to provide an incentive to that individual to remain with the Company for the long-term.

We seek to further align management and stockholder interests by giving to executives an equity interest in our company, the value of which depends upon stock performance. The Committee believes that using restricted stock as part of the overall equity awards program better aligns the interest of management and stockholders as restricted stock closely replicates the economic characteristics of capital stock.

Retirement Benefits. Currently, we do not provide any company-sponsored retirement benefits or deferred compensation programs to any employee, including the named executive officers (other than a mandatory state pension scheme in which all of our employees in China participate) because it is not customary to provide such benefits and programs in China.

Perquisites. Historically, we have provided our named executive officers with minimal perquisites and other personal benefits that we believe are reasonable, such as company car-related benefits. We do not view perquisites as a significant element of compensation, but do believe they can be useful in attracting, motivating and retaining the executive talent for which we compete.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors has appointed BDO China Shu Lun Pan CPAS LLP (BDO China) as our independent registered public accounting firm to audit our financial statements for the year ending September 30, 2012, and recommends that our stockholders vote to ratify such appointment.

On October 28, 2011, the Company's Audit Committee dismissed Frazer Frost LLP (Frazer) as its independent registered public accounting firm effective with the filing of the Annual Report. The Annual Report was filed and the dismissal of Frazer became effective on November 21, 2011.

Frazer's reports on the Company's financial statements for the fiscal years ended September 30, 2011 and December 31, 2010 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. In connection with the audits of the two fiscal years ended September 30, 2011 and December 31, 2010, and the subsequent interim period through November 21, 2011, the Company did not have any disagreements with Frazer on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to Frazer's satisfaction, would have caused them to make reference to the subject matter of the disagreement(s) in connection with their report as described in Item 304 (a)(1)(iv) of Regulation S-K. There have been no reportable events as provided in Item 304(a)(1)(v) of Regulation S-K during the two most recent fiscal years and the interim period through November 21, 2011.

On October 28, 2011, the Company's Audit Committee engaged BDO China as its new independent registered public accounting firm effective after the filing of the Annual Report. The engagement of BDO China became effective on November 21, 2011. Neither the Company, nor anyone on its behalf, consulted BDO China during the Company's two most recent fiscal years and any subsequent interim period prior to the Company's engagement of BDO China regarding any of the matters set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

We furnished Frazer with a copy of the above disclosure on November 22, 2011, providing Frazer with the opportunity to furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statement made by us herein in response to Item 304(a) of Regulation S-K and, if not, stating the respect in which it does not agree. A letter from Frazer, dated November 23, 2011 was filed as Exhibit 16 to the Current Report on Form 8-K on November 3, 2011.

In the event that ratification of this appointment of independent registered public accounting firm is not approved by the affirmative vote of a majority of votes cast on the matter, the appointment of our independent registered public accounting firm will be reconsidered by our Board of Directors. Unless marked to the contrary, proxies received will be voted for ratification of the appointment of BDO China as our independent registered public accounting firm for the fiscal year ending September 30, 2012.

Representatives of BDO China are expected to attend the annual meeting of stockholders in person or by telephone conference call, and each such representative will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions from stockholders.

Your ratification of the appointment of BDO China as our independent registered public accounting firm for the fiscal year ending September 30, 2012 does not preclude our Board of Directors from terminating its engagement of BDO China and retaining a new independent registered public accounting firm, if it determines that such an action would be in our best interests.

Pre-Approval Policies and Procedures

All auditing services, internal control-related services, and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by our independent auditor must be approved by the Audit Committee in advance, except non-audit services (other than review and attestation services) if such services fall within exceptions established by the SEC. The Audit Committee will pre-approve any permissible non-audit services to be provided by the Company's independent auditors on behalf of the Company that do not fall within any exception to the pre-approval requirements established by the SEC. The Audit Committee may delegate to one or more members the authority to pre-approve permissible non-audit services, but any such delegate or delegates must present their pre-approval decisions to the Audit Committee at its next meeting. All of our accountants' services described above were pre-approved by the Audit Committee or by one or more members under the delegate authority described above.

Vote Required and Board of Directors' Recommendation

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the annual meeting of stockholders, either in person or by proxy, is required for approval of this proposal. For purposes of the ratification of our independent registered public accounting firm, abstentions will have the same effect as a vote against this proposal and broker non-votes will have no effect on the result of the vote.

The Board of Directors recommends a vote FOR ratification of the selection of BDO China as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2012.

PROPOSAL NO. 3
ADOPTION OF THE 2012 EQUITY INCENTIVE PLAN

We are asking our stockholders to vote to adopt the 2012 Plan that will provide stock-based compensation to our employees, directors and consultants. The Board approved the 2012 Plan on January 17, 2012, subject to stockholder approval. The affirmative vote by the holders of a majority of votes of the shares of Common Stock outstanding and entitled to vote at the Annual Meeting is required for approval of the 2012 Plan. The following summary of the material features of the 2012 Plan is qualified in its entirety by reference to the 2012 Plan, a copy of which is attached as Exhibit A. Unless otherwise defined, capitalized terms in this summary have the same meanings as provided in the 2012 Plan.

Summary of the 2012 Plan

Purpose. The purposes of the 2012 Plan are: to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to Employees, Directors and Consultants, and to promote the long-term growth and profitability of the Company. The 2012 Plan permits the grant of Incentive Stock Options, Nonstatutory Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Units and Performance Shares as the Administrator may determine.

Administration. The 2012 Plan may be administered by the Compensation Committee of the Board of Directors. The Administrator has the authority to determine the specific terms and conditions of all awards granted under the 2012 Plan, including, without limitation, the number of shares subject to each award, the price to be paid for the shares and the applicable vesting criteria. The Administrator has discretion to make all other determinations necessary or advisable for the administration of the 2012 Plan.

Eligibility. Non-qualified Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Units and Performance Shares may be granted to an employee, director or consultant (together referred to as Service Providers) of the Company. Incentive Stock Options may be granted only to Employees. As of January 17, 2012, the effective date of the 2012 Plan, the Company had approximately 1,900 employees and five directors eligible to participate in the 2012 Plan.

Stock Available for Issuance Under the 2012 Plan. Subject to adjustment as described below, (a) the maximum aggregate number of Shares that may be issued under the 2012 Plan is 3,000,000 Shares (b) to the extent consistent with Section 422 of the Code, not more than an aggregate of 4,500,000 Shares may be issued under Incentive Stock Options, and (c) not more than 1,000,000 Shares (or for Awards denominated in cash, the Fair Market Value of 1,000,000 Shares on the Grant Date or the maximum amount payable pursuant to any cash Awards is the Fair Market Value of 1,000,000 Shares on the Grant Date), may be awarded to any individual Participant in the aggregate in any one fiscal year of the Company, such limitation to be applied in a manner consistent with the requirements of, and only to the extent required for compliance with, the exclusion from the limitation on deductibility of compensation under Code Section 162(m). The number and class of shares available under the 2012 Plan are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events which change the number or kind of shares outstanding. On January 17, 2012, the effective date of the 2012 Plan, the closing market price of the common stock of the Company was \$2.52 per share.

Vesting and Option Periods. The Administrator, in its sole discretion, may impose conditions on vesting of Shares of Restricted Stock as it may deem advisable or appropriate, including, but not limited to, achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed. The Administrator may, in its discretion, provide for complete or

partial exceptions to an employment restriction as it deems equitable. Unless terminated sooner in accordance with the 2012 Plan, each Option shall expire either ten (10) years after the Grant Date, or after a shorter term as may be fixed in the award agreement.

Transferability. Unless determined otherwise by the Administrator, an Award made under the 2012 Plan may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator grants a transferable Award, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

Option Grants. An option is the right to purchase shares of Common Stock at a future date at a specified price. Options granted under the 2012 Plan may be either ISOs, within the meaning of Code section 422, or NSOs (*i.e.*, options not intended to qualify as ISOs). The Administrator determines the terms of each Option at the time of grant, including the number of Shares covered by, the exercise price of, and the conditions and limitations applicable to the exercise of each Option; provided that (i) the exercise price of an Option may not be less than the Fair Market Value of a Share on the grant date and the option term may not exceed ten years, (ii) ISOs may only be granted to employees; (iii) if the optionee owns more than 10% of the total combined voting power of all classes of stock, the exercise price of an ISO may not be less than 110% of the Fair Market Value of a Share on the grant date and the option term may not exceed five years. To the extent that the aggregate Fair Market Value of the stock underlying ISOs that first become exercisable in any calendar year exceeds \$100,000, such options will be treated as NSOs.

The 2012 Plan permits the following forms of payment of the exercise price of Options:

- cash or check;
- to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, a promissory note;
- other Shares, provided the Shares have a Fair Market Value on the date of exercise of the Option equal to the aggregate exercise price for the Shares as to which said Option will be exercised;

- to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, in accordance with any broker-assisted cashless exercise procedures approved by the Company and as in effect from time to time;
- by requesting the Company to withhold such number of Shares then issuable upon exercise of the Option that have an aggregate Fair Market Value equal to the exercise price for the Option being exercised;
- any combination of the foregoing; or
- such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

Restricted Stock Awards. The Administrator may, in its discretion, award restricted shares to Service Providers and may determine the number of restricted shares awarded and the terms and conditions of, and the amount of payment, if any, to be made by the recipient for such restricted shares. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed. The Administrator, in its sole discretion, may impose such conditions on the vesting of Shares of Restricted Stock as it may deem advisable or appropriate, including but not limited to, achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion. The Administrator may, in its discretion, provide for complete or partial exceptions to an employment restriction as it deems equitable.

During the Period of Restriction, Service Providers holding Shares of Restricted Stock may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless the Administrator determines otherwise. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

Restricted Stock Units. A Restricted Stock Unit is the right to receive one Share at the end of a specified period of time. The Administrator may, in its discretion, award Restricted Stock Units to Service Providers in such number and upon such terms and conditions as determined by the Administrator. Restricted Stock Units are paid out upon the satisfaction of applicable vesting conditions, as determined by the Administrator. The Administrator may, at its discretion, reduce or waive an of the vesting criteria that must be met to receive a payout. The Administrator may, at its discretion, pay Restricted Stock Units in cash, shares or a combination thereof. Restricted Stock Units that are paid in cash will not reduce the number of shares available for issuance under the 2012 Plan. On the date set forth in the award agreement, all unearned Restricted Stock Units are forfeited to the Company.

Stock Appreciation Rights. The Administrator may, in its discretion, award Stock Appreciation Rights (“SARs”) to Service Providers in such number and upon such terms and conditions as determined by the Administrator. The per share exercise price for the exercise of a SAR will be no less than the Fair Market Value per share on the grant date. A SAR will expire upon the date determined by the Administrator, at its discretion, and set forth in the award agreement. Upon exercise of a SAR, the recipient of the SAR is entitled to receive payment in an amount no greater than (i) the difference between the Fair Market Value of a share on the exercise date over the exercise price; times (ii) the number of shares with respect to which the SAR is exercised. At the discretion of the Administrator, the payment upon exercise of a SAR may be in cash, shares of equivalent value or some combination thereof.

Performance Units and Performance Shares. The Administrator may, in its discretion, award Performance Units or Performance Shares to Service Providers in such number and upon such terms and conditions as determined by the Administrator. Each Performance Unit will have an initial value established by the Administrator, at its discretion, on or before the grant date. Each Performance Share will have an initial value equal to the Fair Market Value of a share on the grant date. The Administrator shall, at its discretion, determine the performance objectives or other vesting provisions which will determine the number or value of the Performance Units or Shares granted. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares will be entitled to receive a payout of the number of Performance Units or Performance Shares earned by the holder over the Performance Period

as determined by the extent to which performance objectives were achieved. At the discretion of the Administrator, the payment upon earned Performance Units or Performance Shares may be in cash, shares of equivalent value or some combination thereof. On the date set forth in the award agreement, all unearned or unvested Performance Units or Performance Shares will be forfeited to the Company and again be available for grant under the 2012 Plan.

Adjustments, Dissolution, Liquidation, Merger or Change in Control. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended under the 2012 Plan, shall adjust the number and class of Shares that may be delivered under the 2012 Plan and/or the number, class, and price of Shares covered by each outstanding Award.

In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

In the event of a merger or Change in Control, any or all outstanding Awards may be assumed or replaced by the successor corporation, which assumption or replacement shall be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards or provide substantially similar consideration to Participants as was provided to shareholders (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to repurchase restrictions no less favorable to the Participant. In the event that the successor corporation does not assume or substitute for the Award, unless the Administrator provides otherwise, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and SARs, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Performance Shares and Performance Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or SAR is not assumed or substituted in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or SAR will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or SAR will terminate upon the expiration of such period.

An Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

Substitution and Assumption of Awards. The Administrator may make Awards under the 2012 Plan by assumption, substitution or replacement of performance shares, phantom shares, stock awards, stock options, stock appreciation rights or similar awards granted by another entity, if such assumption, substitution or replacement is in connection with an asset acquisition, stock acquisition, merger, consolidation or similar transaction involving the Company and such other entity. The Administrator may also make Awards under the 2012 Plan by assumption, substitution or replacement of a similar type of award granted by the Company prior to the adoption and approval of the 2012 Plan. On January 17, 2012 when our Board approved the 2012 Plan, the Board made the decision, pursuant to the 2012 Plan, to assume the following outstanding restricted stock and options granted by the Company prior to the approval of the 2012 Plan by the Board (the "Outstanding Options and Grants"):

1) An option to purchase an aggregate of 22,500 shares of our Common Stock, par value \$0.001, which was granted to our director, Mr. Peter Li, pursuant to a stock option agreement dated June 29, 2009, between the Company and Mr. Li. The option has an exercise price of \$8.00 per share. One third of the options (or 7,500 shares) will vest on November 22, 2009. The remaining options will vest in eight equal quarterly installments (or 1,875 shares each installment) over a two-year period in every quarter after November 22, 2009. The stock option expires on November 21, 2013. None of the vested options had been exercised by Mr. Li as of the date of this Proxy Statement.

2) An option to purchase an aggregate of 27,500 shares of our Common Stock, par value \$0.001, which was granted to our director, Mr. Bill Haus, pursuant to a stock option agreement dated June 29, 2009, between the Company and Mr. Haus. The option has an exercise price of \$6.00 per share. The Option will vest in three equal installments if the Company achieves the financial "make good" targets for each of the fiscal years 2008, 2009 and 2010 specified in that certain Make Good Escrow Agreement, dated August 26, 2008, as amended, among the parties thereto, as reported in the Company's audited financials for such years. The vesting date for the first installment shall be the Date of Grant and the vesting dates for the second and third installments shall be the dates the Company files its Annual Reports on Form 10K for fiscal year 2009 and 2010, respectively, in each case subject to the condition that the audited financials in such Annual Report reflect that the "make good" target for that fiscal year has been achieved. The option will expire on June 28, 2014. None of the vested options had been exercised by Mr. Haus as of the date of this Proxy Statement.

3) 500,000 shares of restricted stock granted to our CEO Mr. Jianbao Wang pursuant to a restricted stock grant agreement dated May 16, 2011, between the Company and Mr. Wang. 125,000 shares of Mr. Wang's restricted stock will vest immediately. The remaining shares will vest in three equal installments (or 125,000 shares each installment) over a three-year period starting from January 1, 2012 subject to the criteria set forth therein. The first installment will vest on January 1, 2012 after the Company has changed its auditor and has made improvement in its internal control or upon approval by the Board and the Compensation Committee. The Compensation Committee will determine the criteria upon which the vesting of the second and third installments will be based. 250,000 shares of the vested restricted stock had been granted to Mr. Wang as of the date of this Proxy Statement.

4) 250,000 shares of restricted stock granted to our CFO Mr. Gang Wei pursuant to a restricted stock grant agreement dated May 16, 2011, between the Company and Mr. Wei. Mr. Wei's restricted stock will vest in three equal annual installments over a three-year period starting from January 1, 2012 subject to the criteria set forth therein. The first installment will vest on January 1, 2012 after the Company has changed its auditor and has made improvement in its internal control or upon approval by the Board and the Compensation Committee. The Compensation Committee will determine the criteria upon which the vesting of the second and third installments will be based. 83,333 shares had been granted to Mr. Wei as of the date of this Proxy Statement.

5) 125,000 shares of restricted stock granted to our Vice President of Finance Mr. Renrui Tang pursuant to a restricted stock grant agreement dated May 16, 2011, between the Company and Mr. Tang. Mr. Tang's restricted stock will vest in three equal annual installments over a three-year period starting from January 1, 2012 subject to the criteria set forth therein. The first installment will vest on January 1, 2012 after the Company has changed its auditor and has made improvement in its internal control or upon approval by the Board and the Compensation Committee. The Compensation Committee will determine the criteria upon which the vesting of the second and third installments will be based. 41,667 shares had been granted to Mr. Tang as of the date of this Proxy Statement.

Termination of, or Amendments to, the 2012 Plan. The Board may at any time amend, alter, suspend or terminate the 2012 Plan, provided that the Company will obtain shareholder approval of any 2012 Plan amendment (except for the adoption of certain Exchange Programs under the 2012 Plan) to the extent necessary and desirable to comply with Applicable Laws. No amendment, alteration, suspension or termination of the 2012 Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the 2012 Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted prior to the date of such termination.

Exchange Programs. The Administrator may authorize the Company, without prior stockholder approval, to institute one or more Exchange Programs. Exchange Program means a program under which (i) outstanding Awards are surrendered or cancelled in exchange for Awards of the same type (which may have lower exercise prices and different terms), Awards of a different type and/or cash, and/or (ii) the exercise price of an outstanding Award is reduced. An Exchange Program may, at the discretion of the Administrator, be offered to individual Participants selected by the Administrator on a case-by-case basis, or to a class of Participants identified by the Administrator. The terms and conditions of any Exchange Program will be determined by the Administrator in its sole discretion, not inconsistent with the terms of the 2012 Plan; provided however, that no Exchange Program may adversely affect the rights of a Participant under an outstanding Award unless the Participant consents in writing to be bound by the terms and conditions of the Exchange Program. As a result, the Administrator has the authority to reduce, without prior stockholder approval, the exercise price of any Award to the then current Fair Market Value of the Common Stock covered by such Award if the Fair Market Value has declined since the Grant Date.

As we described above, we have Outstanding Stock Options and Grants and issued to certain directors and executive officer prior to the approval of the 2012 Plan by our Board. On January 17, 2012, our Board made the decision to assume these Outstanding Stock Options and Grants under the 2012 Plan. The Outstanding Stock Options to our directors now have exercise prices that are significantly higher than the current market price of our Common Stock. As a result, the Board has decided that the Outstanding Stock Options have little or no current value as an incentive to retain and motivate our directors and officers. Therefore, we are seeking your approval of the 2012 Plan with the intent to, pursuant to the 2012 Plan, institute one or more Exchange Programs to reduce the exercise prices of the Outstanding Options to a price equal to the then-current fair market value per share of our Common Stock after the 2012 Plan is approved at the Meeting. By approving the 2012 Plan, you would allow the Administrator, without your further prior approval, to institute such Exchange Programs with respect to the Outstanding Stock Options currently held by certain our directors and officers, as well as any future Awards that are granted under the 2012 Plan.

New Plan Benefits. The following table sets forth the number of Outstanding Options that have been granted and assumed under the 2012 Plan to the individuals in the following groups as of January 17, 2012:

NEW PLAN BENEFITS
2012 Equity Incentive Plan

Name and Position	Dollar Value (\$)(1)	Number of Units
Jianbao Wang Chief Executive Officer	1,900,000	500,000
Gang Wei Chief Financial Officer	950,000	250,000
Renrui Tang Vice President of Finance	475,000	125,000
Executive Group (5 Individuals)	3,325,000	875,000
Peter Li	80,550	22,500
Bill Haus	98,450	27,500
Non-Executive Director Group (3 Individuals)	179,000	50,000
Non-Executive Officer Employee Group	-	-

(1) The dollar value of options represents the total option value estimated under Statement of Financial Accounting Standards no. 123R, Share-Based Payment using the Black-Schole option pricing model with assumptions specific to the Company. The dollar value of the restricted stock reflects the fair value on the grant date of the stock awards granted to our Named Executive Officers. These values have been determined under the principles used to calculate the grant date fair value of equity awards for purposes of our financial statements. For a discussion of the assumptions and methodologies used to value the awards reported in this column, please see note 11 in Notes to Consolidated

Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2011.

Except as set forth above, we cannot now determine the number or type of Awards to be granted in the future. Future grants of awards under the 2012 Plan are subject to the discretion of our Board.

U.S. Federal Income Tax Consequences .

The following is a brief summary of the United States federal income tax consequences relating to Awards granted under the 2012 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. The summary is limited to the federal income tax consequences for individuals who are U.S. citizens or residents for U.S. federal income tax purposes and the summary does not purport to address all tax considerations that are relevant. State, local, foreign and other taxes may differ. In addition, this summary assumes that all Awards are exempt from, or comply with, Internal Revenue Code section 409A. Each participant is urged to consult his or her own tax advisor as to the specific tax consequences to such participant of the grant of an Award, the vesting or exercise of an Award, and the disposition of shares that may be issued pursuant to an Award.

Incentive Stock Options. Generally, a participant will not recognize income upon a grant or exercise of an Incentive Stock Option. At exercise, however, the excess of the Fair Market Value of the shares acquired upon such exercise over the option price is an item of adjustment in computing the participant's alternative minimum taxable income. If the participant holds the stock received upon exercise of an Incentive Stock Option for at least two years from the grant date and one year from the date of exercise, any gain realized on a disposition of the stock is treated as long-term capital gain. If the participant sells the stock received upon exercise prior to the expiration of such periods (a "disqualifying disposition"), the participant will recognize ordinary income in the year of the disqualifying disposition equal to the excess of the Fair Market Value of such stock on the exercise date over the option price (or, if less, the excess of the amount realized upon disposition over the option price). The excess, if any, of the sale price over the Fair Market Value on the exercise date will be short-term capital gain.

Our Company is not entitled to a tax deduction as the result of the grant or exercise of an incentive stock option. If the participant has ordinary income as compensation as a result of a disqualifying disposition, our Company is entitled to a deduction at the same time equal to the amount of ordinary income realized by the participant, assuming the deduction is allowed by Section 162(m) of the Internal Revenue Code.

Nonqualified Stock Options. Generally, a participant will not recognize income, and our Company is not entitled to a deduction, upon a grant of a Nonqualified Stock Option. On exercise, a participant will recognize as ordinary income the difference between the exercise price and the Fair Market Value of the shares on the exercise date, unless the shares are subject to any restrictions on the participant's ownership or disposition thereof. At the time the participant recognizes income, our Company is entitled to a deduction at the same time equal to the amount of ordinary income realized by the participant, assuming the deduction is allowed by Section 162(m) of the Internal Revenue Code. Upon disposition of the shares acquired by exercise of the Option, the participant will recognize long-term or short-term capital gain or loss depending upon the sale price and holding period of the shares.

Stock Appreciation Rights. Generally, a participant will not recognize income, and our Company is not entitled to a deduction, upon a grant of a Stock Appreciation Right. When a participant exercises a Stock Appreciation Right, the amount of cash and the Fair Market Value of the shares received will be ordinary income to the participant and will be deductible by our company to the extent allowed by Section 162(m) of the Internal Revenue Code. Upon disposition of any shares acquired by exercise of a Stock Appreciation Right, the participant will recognize long-term or short-term capital gain or loss depending upon the sale price and holding period of the shares.

Restricted Stock Units. Generally, a participant will not recognize income, and our Company is not entitled to a deduction, upon a grant of Restricted Stock Units. Upon the delivery to the participant of common shares or cash in respect of Restricted Stock Units, the participant generally recognizes ordinary compensation income equal to the Fair Market Value of the shares as of the date of delivery or the cash amount less the purchase price (if any) paid by the participant. When the participant recognizes ordinary income, the amount recognized by the participant will be deductible by our company to the extent allowed by Section 162(m) of the Internal Revenue Code. Upon disposition of any shares acquired through a Restricted Stock Unit award, the participant will recognize long-term or short-term capital gain or loss depending upon the sale price and holding period of the shares.

Performance Units and Performance Share Awards. Generally, a participant will not recognize income, and our Company is not entitled to a deduction, upon a grant of a Performance Unit or a Performance Share award. Generally, at the time a Performance Unit or Performance Share award is settled, following the determination that the performance targets have been achieved, the Fair Market Value of the stock delivered on that date, plus any cash that is received, constitutes ordinary income to the participant, and, provided the requirements of Section 162(m) of the Internal Revenue Code are met, our Company is entitled to a deduction for that amount. Upon disposition of any shares acquired through a Performance Unit or Performance Share Award, the participant will recognize long-term or short-term capital gain or loss depending upon the sale price and holding period of the shares.

Withholding. Our Company generally must collect and pay withholding taxes upon the exercise of a Nonqualified Stock Option or Stock Appreciation Right, upon the earlier of the filing of a Section 83(b) election or upon the release of restrictions on Restricted Stock, and at the time that Restricted Stock Units, Performance Shares or Performance Units are settled by delivering stock or cash to a participant.

Vote Required

Recommendation of the Board

PROPOSAL 4: ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with recent legislation, the Company is providing stockholders with an advisory (non-binding) vote to approve compensation programs for our named executive officers (sometimes referred to as "say on pay") as required by the Exchange Act. Accordingly, you may vote on the following resolution at the 2012 annual meeting:

Resolved, that the stockholders approve, on a non-binding advisory basis, the compensation of the Company's named executive officers as disclosed under "Compensation Discussion and Analysis", the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

This vote is nonbinding. The Board and the Compensation Committee, which is comprised of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under "Compensation Discussion and Analysis", our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program rewards sustained performance that is aligned with long-term stockholder interests. Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

The Board of Directors recommends a vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed under Compensation Discussion and Analysis , the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

**PROPOSAL 5:
ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE
COMPENSATION**

In accordance with recent legislation, in addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Company this year is providing stockholders with an advisory (non-binding) vote on how frequently the Company should seek an advisory vote on executive compensation as required by the Exchange Act. The stockholders may indicate whether they prefer that an advisory vote on the compensation of the named executive officers be held every one, two or three years.

The Board believes that a frequency of every three years for the advisory vote on executive compensation is the optimal interval for conducting and responding to a say on pay vote. Stockholders who have concerns about executive compensation during the interval between say on pay votes are welcome to bring their specific concerns to the attention of the Board. Please refer to Stockholder Communications in this Proxy Statement for information about communicating with the Board.

The proxy card provides stockholders with the opportunity to choose among four options (one year, two years, three years, or abstain) for the following resolution:

Resolved, that the option of once every one year, two years, or three years that receives the highest number of votes will be determined to be the stockholders preferred frequency with which the Company would hold a non-binding advisory stockholder vote to approve the compensation of the named executive officers, as disclosed in the Company's proxy statements.

This advisory vote on the frequency of the say on pay vote is nonbinding. The Board and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation but may decide that it is in the best interests of the stockholders and the Company to hold an advisory vote more or less frequently than the stockholders preferred frequency.

The Board of Directors unanimously recommends that you vote for the option of 3 years for the frequency of future advisory votes on executive compensation.

- (i) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation any division or subdivision of the Nasdaq Stock Market, its Fair Market Value will be the closing sales price for such stock (or the closing bid, if no sales were reported) as quoted on such exchange or system on the day of determination, as reported in The Wall Street Journal or such other source as the Administrator deems reliable;
- (ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, including without limitation quotation through the over the counter bulletin board (OTCBB) quotation service administered by the Financial Industry Regulatory Authority (FINRA), the Fair Market Value of a Share will be the mean between the high bid and low asked prices for the Common Stock on the day of determination, as reported in The Wall Street Journal or such other source as the Administrator deems reliable; or

(iii) In the absence of an established market for the Common Stock, the Fair Market Value will be determined in good faith by the Administrator, and to the extent Section 15 applies (a) with respect to ISOs, the Fair Market Value shall be determined in a manner consistent with Code section 422 or (b) with respect to NSOs or SARs, the Fair Market Value shall be determined in a manner consistent with Code section 409A.

3. Stock Subject to the Plan.

- a. Stock Subject to the Plan. Subject to the provisions of Section 13, the maximum aggregate number of Shares that may be issued under the Plan is FOUR MILLION FIVE HUNDRED THOUSAND (4,500,000) Shares. The Shares may be authorized but unissued, or reacquired Common Stock.
 - b. Lapsed Awards. If an Award expires or becomes unexercisable without having been exercised in full or, with respect to Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units, is forfeited in whole or in part to the Company, the unpurchased Shares (or for Awards other than Options and SARs, the forfeited or unissued Shares) which were subject to the Award will become available for future grant or sale under the Plan (unless the Plan has terminated). With respect to SARs, only Shares actually issued pursuant to a SAR will cease to be available under the Plan; all remaining Shares subject to the SARs will remain available for future grant or sale under the Plan (unless the Plan has terminated). Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if Shares issued pursuant to Awards of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units are forfeited to the Company, such Shares will become available for future grant under the Plan. Shares withheld by the Company to pay the exercise price of an Award or to satisfy tax withholding obligations with respect to an Award will become available for future grant or sale under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not result in reducing the number of Shares available for issuance under the Plan.
 - c. Share Reserve. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.
4. Administration of the Plan.
- a. Procedure. The Plan shall be administered by the Compensation Committee, which Committee shall be constituted to comply with Applicable Laws. If and so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, the Board shall consider in selecting the Administrator and the membership of any committee acting as Administrator the requirements regarding (i) nonemployee directors within the meaning of Rule 16b-3 under the Exchange Act; (ii) independent directors as described in the listing requirements for any stock exchange on which Shares are listed; and (iii) Section 15(b)(i) of the Plan if the Company pays salaries for which it claims deductions that are subject to the Code section 162(m) limitation on its U.S. tax returns. Committee members shall serve for such term as the Board may determine, subject to removal by the Board at any time.
 - b. Powers of the Administrator. Subject to the provisions of the Plan and the approval of any relevant authorities, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator will have full authority, in its discretion:

- i. to determine the Fair Market Value;
- ii. to select the Service Providers to whom Awards may be granted hereunder;
- iii. to determine the number of Shares to be covered by each Award granted hereunder;
- iv. to approve forms of agreement for use under the Plan;
- v. to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on continued employment, continued service or performance criteria), any vesting acceleration (whether by reason of a Change of Control or otherwise) or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, will determine;
- vi. subject to Section 15(c) of the Plan, to reduce, without prior stockholder approval, the exercise price of any Award to the then current Fair Market Value of the Common Stock covered by such Award if the Fair Market Value has declined since the Grant Date;
- vii. to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan, including the right to construe disputed or doubtful Plan and Award provisions;
- viii. to prescribe, amend and rescind rules and regulations relating to the Plan;
- ix. to modify or amend each Award (subject to Section 19(c)) to the extent any modification or amendment is consistent with the terms of the Plan. The Administrator shall have the discretion to extend the exercise period of Options generally provided the exercise period is not extended beyond the earlier of the original term of the Option or 10 years from the original grant date, or specifically (1) if the exercise period of an Option is extended (but to no more than 10 years from the original grant date) at a time when the exercise price equals or exceeds the fair market value of the Optioned Shares or (2) an Option cannot be exercised because such exercise would violate Applicable Laws, provided that the exercise period is not extended more than 30 days after the exercise of the Option would no longer violate Applicable Laws.

- x. to allow Participants to satisfy withholding tax obligations in such manner as prescribed in Section 14;
 - xi. to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;
 - xii. to delay issuance of Shares or suspend Participant's right to exercise an Award as deemed necessary to comply with Applicable Laws; and
 - xiii. to make all other determinations deemed necessary or advisable for administering the Plan.
- c. Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards. Any decision or action taken or to be taken by the Administrator, arising out of or in connection with the construction, administration, interpretation and effect of the Plan and of its rules and regulations, shall, to the maximum extent permitted by Applicable Laws, be within its absolute discretion (except as otherwise specifically provided in the Plan) and shall be final, binding and conclusive upon the Company, all Participants and any person claiming under or through any Participant.
5. Eligibility. NSOs, Restricted Stock, Restricted Stock Units, SARs, Performance Units and Performance Shares may be granted to Service Providers. ISOs may be granted as specified in Section 15(a).
6. Stock Options.
- a. Grant of Options. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Options to Service Providers in such amounts as the Administrator will determine in its sole discretion. For purposes of the foregoing sentence, Service Providers shall include prospective employees or consultants to whom Options are granted in connection with written offers of employment or engagement of services, respectively, with the Company; provided that no Option granted to a prospective employee or consultant may be exercised prior to the commencement of employment or services with the Company. The Administrator may grant NSOs, ISOs, or any combination of the two. ISOs shall be granted in accordance with Section 15(a) of the Plan.
 - b. Option Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the type of Option granted, the Option price, the exercise date, the term of the Option, the number of Shares to which the Option pertains, and such other terms and conditions (which need not be identical among Participants) as the Administrator shall determine in its sole discretion. If the Award Agreement does not specify that the Option is to be treated as an ISO, the Option shall be deemed a NSO.

- c. Exercise Price. The per Share exercise price for the Shares to be issued pursuant to exercise of an Option will be no less than the Fair Market Value per Share on the Grant Date.
- d. Term of Options. The term of each Option will be stated in the Award Agreement. Unless terminated sooner in accordance with the remaining provisions of this Section 6, each Option shall expire either ten (10) years after the Grant Date, or after a shorter term as may be fixed by the Administrator.
- e. Time and Form of Payment.
- i. Exercise Date. Each Award Agreement shall specify how and when Shares covered by an Option may be purchased. The Award Agreement may specify waiting periods, the dates on which Options become exercisable or vested and, subject to the termination provisions of this section, exercise periods. The Administrator may accelerate the exercisability of any Option or portion thereof.
- ii. Exercise of Option. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when the Company receives: (1) notice of exercise (in such form as the Administrator specify from time to time) from the person entitled to exercise the Option, and (2) full payment for the Shares with respect to which the Option is exercised (together with all applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan (together with all applicable withholding taxes). Shares issued upon exercise of an Option will be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Optioned Shares, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13.
- iii. Payment. The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. Such consideration may consist entirely of:
- (1) cash;

- (2) check;
- (3) to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, a promissory note;
- (4) other Shares, provided Shares have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option will be exercised;
- (5) to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, in accordance with any broker-assisted cashless exercise procedures approved by the Company and as in effect from time to time;
- (6) by asking the Company to withhold Shares from the total Shares to be delivered upon exercise equal to the number of Shares having a value equal to the aggregate Exercise Price of the Shares being acquired;
- (7) any combination of the foregoing methods of payment; or
- (8) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

f. Forfeiture of Options. All unexercised Options shall be forfeited to the Company in accordance with the terms and conditions set forth in the Award Agreement and again will become available for grant under the Plan.

7. Restricted Stock.

- a. Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator will determine in its sole discretion.
- b. Restricted Stock Award Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion. Unless the Administrator determines otherwise, the Company as escrow agent will hold Shares of Restricted Stock until the restrictions on such Shares have lapsed.
- c. Vesting Conditions and Other Terms.
 - i. Vesting Conditions. The Administrator, in its sole discretion, may impose such conditions on the vesting of Shares of Restricted Stock as it may deem advisable or appropriate, including but not limited to, achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment or service), or any other basis determined by the Administrator in its discretion. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed. The Administrator may, in its discretion, also provide for such complete or partial exceptions to an employment or service restriction as it deems equitable.

- ii. Voting Rights. During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.
- iii. Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless the Administrator determines otherwise. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.
- iv. Transferability. Except as provided in this Section, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.
- d. Removal of Restrictions. All restrictions imposed on Shares of Restricted Stock shall lapse and the Period of Restriction shall end upon the satisfaction of the vesting conditions imposed by the Administrator. Vested Shares of Restricted Stock will be released from escrow as soon as practicable after the last day of the Period of Restriction or at such other time as the Administrator may determine, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred.
- e. Forfeiture of Restricted Stock. On the date set forth in the Award Agreement, the Shares of Restricted Stock for which restrictions have not lapsed will be forfeited and revert to the Company and again will become available for grant under the Plan.
- 8. Restricted Stock Units.
 - a. Grant of Restricted Stock Units. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Restricted Stock Units to Service Providers in such amounts as the Administrator will determine in its sole discretion.
 - b. Restricted Stock Units Award Agreement. Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the number of Restricted Stock Units granted, vesting criteria, form of payout, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.

c. Vesting Conditions. The Administrator shall set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment or service), or any other basis determined by the Administrator in its discretion. At any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

d. Time and Form of Payment. Upon satisfaction of the applicable vesting conditions, payment of vested Restricted Stock Units shall occur in the manner and at the time provided in the Award Agreement, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred. Except as otherwise provided in the Award Agreement, Restricted Stock Units may be paid in cash, Shares, or a combination thereof at the sole discretion of the Administrator. Restricted Stock Units that are fully paid in cash will not reduce the number of Shares available for issuance under the Plan.

e. Forfeiture of Restricted Stock Units. All unvested Restricted Stock Units shall be forfeited to the Company on the date set forth in the Award Agreement and again will become available for grant under the Plan.

9. Stock Appreciation Rights.

a. Grant of SARs. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant SARs to Service Providers in such amounts as the Administrator will determine in its sole discretion.

b. Award Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the number of Shares underlying the SAR grant, the term of the SAR, the conditions of exercise, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.

c. Exercise Price and Other Terms. The per Share exercise price for the exercise of an SAR will be no less than the Fair Market Value per Share on the Grant Date.

d. Time and Form of Payment of SAR Amount. Upon exercise of a SAR, a Participant will be entitled to receive payment from the Company in an amount no greater than: (i) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times (ii) the number of Shares with respect to which the SAR is exercised. An Award Agreement may provide for a SAR to be paid in cash, Shares of equivalent value, or a combination thereof.

e. Forfeiture of SARs. All unexercised SARs shall be forfeited to the Company in accordance with the terms and conditions set forth in the Award Agreement and again will become available for grant under the Plan.

10. Performance Units and Performance Shares.

a. Grant of Performance Units and Performance Shares. Performance Units or Performance Shares may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Performance Units and Performance Shares granted to each Participant.

b. Award Agreement. Each Award of Performance Units and Shares will be evidenced by an Award Agreement that will specify the initial value, the Performance Period, the number of Performance Units or Performance Shares granted, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.

c. Value of Performance Units and Performance Shares. Each Performance Unit will have an initial value that is established by the Administrator on or before the Grant Date. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the Grant Date.

d. Vesting Conditions and Performance Period. The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the Performance Period. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals or any other basis determined by the Administrator in its discretion.

e. Time and Form of Payment. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares will be entitled to receive a payout of the number of vested Performance Units or Performance Shares by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. Vested Performance Units or Performance Shares will be paid as soon as practicable after the expiration of the applicable Performance Period, but in no event later than the 15th day of the third month following the end of the year the applicable Performance Period expired. An Award Agreement may provide for the satisfaction of Performance Unit or Performance Share Awards in cash or Shares (which have an aggregate Fair Market Value equal to the value of the vested Performance Units or Performance Shares at the close of the applicable Performance Period) or in a combination thereof.

- f. Forfeiture of Performance Units and Performance Shares. All unvested Performance Units or Performance Shares will be forfeited to the Company on the date set forth in the Award Agreement, and again will become available for grant under the Plan.
11. Leaves of Absence/Transfer Between Locations. Unless the Administrator provides otherwise or as required by Applicable Laws, vesting of Awards will be suspended during any unpaid leave of absence. An Employee will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary.
12. Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.
13. Adjustments; Dissolution or Liquidation; Merger or Change in Control.
- a. Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, shall appropriately adjust the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award.
- b. Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.
- c. Change in Control. In the event of a merger or Change in Control, any or all outstanding Awards may be assumed by the successor corporation, which assumption shall be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to vesting requirements and repurchase restrictions no less favorable to the Participant than those in effect prior to the merger or Change in Control.

In the event that the successor corporation does not assume or substitute for the Award, unless the Administrator provides otherwise, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and SARs, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Performance Shares and Performance Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or SAR is not assumed or substituted in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or SAR will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or SAR will terminate upon the expiration of such period.

For the purposes of this Section 13(c), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) or, in the case of a SAR upon the exercise of which the Administrator determines to pay cash or a Performance Share or Performance Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or SAR or upon the payout of a Restricted Stock Unit, Performance Share or Performance Unit, for each Share subject to such Award (or in the case of Restricted Stock Units and Performance Units, the number of implied shares determined by dividing the value of the Restricted Stock Units and Performance Units, as applicable, by the per share consideration received by holders of Common Stock in the Change in Control), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything in this Section 13(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

14. Tax Withholding.

a. Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes required by Applicable Laws to be withheld with respect to such Award (or exercise thereof).

b. Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable Shares having a Fair Market Value equal to the amount required to be withheld, or (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

15. Provisions Applicable In the Event the Company or the Service Provider is Subject to U.S. Taxation.

a. Grant of Incentive Stock Options. If the Administrator grants Options to Employees subject to U.S. taxation, the Administrator may grant such Employee an ISO and the following terms shall also apply:

i. Maximum Amount. Subject to the provisions of Section 13, to the extent consistent with Section 422 of the Code, not more than an aggregate of FOUR MILLION FIVE HUNDRED THOUSAND (4,500,000) Shares may be issued as ISOs under the Plan.

ii. General Rule. Only Employees shall be eligible for the grant of ISOs.

iii. Continuous Employment. The Optionee must remain in the continuous employ of the Company or its Subsidiaries from the date the ISO is granted until not more than three months before the date on which it is exercised. A leave of absence approved by the Company may exceed ninety (90) days if reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three (3) months following the ninety-first (91st) day of such leave any ISO held by the Optionee will cease to be treated as an ISO.

iv. Award Agreement.

(1) The Administrator shall designate Options granted as ISOs in the Award Agreement. Notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which ISOs are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), Options will not qualify as an ISO. For purposes of this section, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.

(2) The Award Agreement shall specify the term of the ISO. The term shall not exceed ten (10) years from the Grant Date or five (5) years from the Grant Date for Ten Percent Owners.

(3) The Award Agreement shall specify an exercise price of not less than the Fair Market Value per Share on the Grant Date or one hundred ten percent (110%) of the Fair Market Value per Share on the Grant Date for Ten Percent Owners.

(4) The Award Agreement shall specify that an ISO is not transferable except by will, beneficiary designation or the laws of descent and distribution.

v. Form of Payment. The consideration to be paid for the Shares to be issued upon exercise of an ISO, including the method of payment, shall be determined by the Administrator at the time of grant in accordance with Section 6(e)(iii).

vi. Disability , for purposes of an ISO, means total and permanent disability as defined in Section 22(e)(3) of the Code.

vii. Notice. In the event of any disposition of the Shares acquired pursuant to the exercise of an ISO within two years from the Grant Date or one year from the exercise date, the Optionee will notify the Company thereof in writing within thirty (30) days after such disposition. In addition, the Optionee shall provide the Company with such information as the Company shall reasonably request in connection with determining the amount and character of Optionee's income, the Company's deduction, and the Company's obligation to withhold taxes or other amounts incurred by reason of a disqualifying disposition, including the amount thereof.

b. Performance-based Compensation. If the Company pays salaries for which it claims deductions that are subject to the Code section 162(m) limitation on its U.S. tax returns, then the following terms shall be applied in a manner consistent with the requirements of, and only to the extent required for compliance with, the exclusion from the limitation on deductibility of compensation under Code Section 162(m):

i. Outside Directors. The Board shall consider in selecting the Administrator and the membership of any committee acting as Administrator the provisions regarding outside directors within the meaning of Code Section 162(m).

ii. Maximum Amount.

(1) Subject to the provisions of Section 13, the maximum number of Shares that can be awarded to any individual Participant in the aggregate in any one fiscal year of the Company is ONE MILLION (1,000,000) Shares;

(2) For Awards denominated in Shares and satisfied in cash, the maximum Award to any individual Participant in the aggregate in any one fiscal year of the Company is the Fair Market Value of ONE MILLION (1,000,000) Shares on the Grant Date; and

(3) The maximum amount payable pursuant to any cash Awards to any individual Participant in the aggregate in any one fiscal year of the Company is the Fair Market Value of ONE MILLION (1,000,000) Shares on the Grant Date.

iii. Performance Criteria. All performance criteria must be objective and be established in writing prior to the beginning of the performance period or at later time as permitted by Code Section 162(m). Performance criteria may include alternative and multiple performance goals and may be based on one or more business and/or financial criteria. - c. Stock Options and SARs Exempt from Code section 409A. If the Administrator grants Options or SARs to Employees subject to U.S. taxation the Administrator may not modify or amend the Options or SARs to the extent that the modification or amendment adds a feature allowing for additional deferral within the meaning of Code section 409A.
16. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon any Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company or any Parent or Subsidiary of the Company, nor will they interfere in any way with the Participant's right or the Company's or its Parent's or Subsidiary's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.
17. Effective Date. The Plan's effective date is the date on which it is adopted by the Board, so long as it is approved by the Company's stockholders at any time within 12 months of such adoption. Upon approval of the Plan by the stockholders of the Company, all Awards issued pursuant to the Plan on or after the Effective Date shall be fully effective as if the stockholders of the Company had approved the Plan on the Effective Date. If the stockholders fail to approve the Plan within one year before or after the Effective Date, any Awards made hereunder shall be null and void and of no effect.

18. Term of Plan. The Plan will terminate 10 years following the earlier of (i) the date it was adopted by the Board or (ii) the date it became effective upon approval by stockholders of the Company, unless sooner terminated by the Board pursuant to Section 19.
19. Amendment and Termination of the Plan.
 - a. Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.
 - b. Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.
 - c. Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.
20. Conditions Upon Issuance of Shares.
 - a. Legal Compliance. The Administrator may delay or suspend the issuance and delivery of Shares, suspend the exercise of Options or SARs, or suspend the Plan as necessary to comply Applicable Laws. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.
 - b. Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.
21. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, will relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority will not have been obtained.
22. Exchange Programs. The Administrator may authorize the Company, without prior stockholder approval, to institute one or more Exchange Programs. An Exchange Program may, at the discretion of the Administrator, be offered to individual Participants selected by the Administrator on a case-by-case basis, or to a class of Participants identified by the Administrator. The terms and conditions of any Exchange Program will be determined by the Administrator in its sole discretion, not inconsistent with the terms of the Plan, including without limitation, Section 15(c); provided however, that no Exchange Program may adversely affect the rights of a Participant under an outstanding Award unless the Participant consents in writing to be bound by the terms and conditions of the Exchange Program..

23. Substitution and Assumption of Awards. The Administrator may make Awards under the Plan that assume, substitute or replace performance shares, phantom shares, stock awards, stock options, stock appreciation rights or similar awards granted by another entity (including a Parent or Subsidiary), if such assumption, substitution or replacement is in connection with an asset acquisition, stock acquisition, merger, consolidation or similar transaction involving the Company (and/or its Parent or Subsidiary) and such other entity (and/or its affiliate). The Administrator may also cause the Plan to assume an equity-based award granted by the Company prior to the adoption and approval of the Plan or substitute or replace such prior award with a similar type of Award under this Plan. Notwithstanding any provision of the Plan (other than the maximum number of shares of Common Stock that may be issued under the Plan), (i) in the case of an Award that assumes, substitutes or replaces an award of another entity pursuant to a corporate transaction, such Award shall be subject to the same terms and conditions as the original award, with such adjustments or modifications as the Administrator deems necessary and appropriate to give effect to the relevant provisions of any agreement entered into in connection with the such corporate transaction or (ii) in the case of an Award that assumes, substitutes or replaces a prior Company award, such Award shall be subject to the same terms and conditions as the original award, except to the extent that any such term or condition is inconsistent with the Plan, in which event the terms of the Plan shall control. Notwithstanding the foregoing, in no event may the assumption, substitution or replacement of a prior Company award with an Award under the Plan adversely affect the Participant's rights under the prior Company award unless the Participant consents in writing to such assumption, substitution or replacement. Shares issued pursuant to assumed, substituted or replaced awards shall count against the total number of shares authorized to be issued under the Plan pursuant to Section 3.
24. Governing Law. The Plan and all Agreements shall be construed in accordance with and governed by the laws of the State of Nevada.
