- In 2005, in connection with a restructuring of internal programs and to retain and motivate executives, Athersys entered into incentive agreements that provided the executives financial participation in the event of certain merger or acquisition or asset sale transactions. The agreements were established prior to the common stock being publicly traded, had precluded the granting of routine equity awards to officers, and provided a bonus based on a fixed percentage of a transaction. In April 2013, the Board approved arrangements whereby the officers agreed to terminate their incentive agreements in return for one-time grants of restricted stock units for their past service and performance, and for the ability to receive routine annual grants of equity-based awards to better align management incentives with corporate objectives. In June 2013, the RSUs were granted to the officers in exchange for the termination of their incentive agreements.
- (1) Award of restricted stock units related to the termination of 2005 incentive agreements, each of which represents a contingent right to receive one share of Athersys, Inc. common stock per unit after vesting. The restricted stock units vest ratably on a quarterly basis over a three-year period.
- (2) Award of a routine, annual stock-based award. The option vests ratably on a quarterly basis over a four-year period.
