- (1) On December 5, 2017, the form of ownership of these shares changed when the reporting person's GRAT transferred the shares for no consideration for the reporting person. The transaction did not result in any change in the reporting person's total beneficial ownership.  
These shares were previously reported as being held in trust for the sole benefit of the reporting person's sister, with the reporting person
- (2) serving as sole trustee of the trust. As of December 5, 2017, the reporting person resigned as trustee and therefore, no longer has beneficial ownership of these shares.
