(weighted average return on average assets and weighted average return on tangible common equity) are measured over a three-year performance period, with each measure applying to one-half of the PSUs awarded to the reporting person. The actual payout of the PSUs may range from 0% to 150% of the target amount based upon the results of the two performance measures during the performance period compared to the performance formula approved by the Compensation Committee of Synovus' Board of Directors.

- These shares are subject to market restricted stock units (the "MRSUs"). The MRSUs have a service-based vesting component as well as a Total Shareholder Return Multiplier vesting component. Under the service-based vesting component, the MRSUs vest 1/3 each year
- (2) over a three-year period subject to the reporting person's continued employment with Synovus. Under the Total Shareholder Return multiplier based component, the target amount of MRSUs which vest each year may be adjusted upward or downward 25% based upon Synovus' total shareholder return during each year.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
