Press Release

**GOL Signs Commercial Agreement with Unidas Rent a Car**

**São Paulo, April 29, 2009** GOL Linhas Aéreas Inteligentes S.A. (Bovespa: GOLL4 and NYSE: GOL), Brazil's low-cost airline, has signed a commercial agreement with Unidas Rent a Car, one of Brazil's leading car rental companies, to launch a Fly & Drive program. This air and ground service package offers a 50 percent discount on Unidas' daily car-rental charge when customers purchase their GOL tickets through the Company's website in Brazil and abroad.

With this agreement, we are integrating two of the main components of the travel and tourism industry," says Constantino de Oliveira Júnior, GOL's president and CEO. This is an unprecedented initiative in Brazil, which will give both GOL and Unidas a competitive edge. We're providing a more convenient and economical travel option for our customers, since they will be able to access the services online at extremely attractive prices.

The partnership, available at Brazilian destinations where both GOL and Unidas operate, is available for individual consumers at launch, but there are plans to extend the program to travel agencies and tour operators.

Unidas is Brazil's leading car-rental player, with a total fleet of 38,000 vehicles: approximately 27,100 vehicles for its more than 900 corporate clients nationwide and approximately 10,900 vehicles for consumer rentals. The company operates nearly 136 points of service, including corporate and consumer rental outlets.
