MATERIAL FACT

Braskem S.A. ("Braskem" or the "Company"), in compliance with the provisions of CVM Instruction 358/02, informs its shareholders and the market that it has decided to postpone to March 29, 2017, the filing of its audited financial statements related to the fiscal year ended on December 31, 2016. It also decided to postpone the holding of its Annual Shareholders' Meeting to April 28, 2017. The Company filed with the Brazilian Securities and Exchange Commission its Corporate Calendar in order to reflect above changes.

Due to the conclusion of the global settlement with authorities, announced on December 21, 2016, the Company has been conducting necessary analysis of its internal process and controls, which has impacted the progress of external auditors' work.

In order to keep the market informed on its operational and financial performance, Braskem decided to proceed with the release of its non-audited results, which are subject to adjustments and changes upon the release of the Company's audited financial statements.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
