Item 8.01 Other Events.

At a meeting on February 10, 2006, the Hillenbrand Industries, Inc. Board of Directors accepted Peter H. Soderberg's resignations from each of the Compensation and Management Development and Nominating/Corporate Governance Committees of the Board of Directors. Additionally, the Board of Directors, based on a recommendation from its Compensation and Management Development Committee, amended the management stock ownership guidelines included in the Company's Corporate Governance Standards for Board of Directors as follows:

All executive officers and designated members of management are expected to own shares of the Company's common stock. Specifically, the Chief Executive Officer of the Company, his or her executive officer or Grade Level V Employee direct reports, each of their direct reports who are officers or Grade Level V Employees of the Company or any of its subsidiaries, and all other Grade V level employees of the Company or any of its subsidiaries from and after the later to occur of (i) February 13, 2006 or (ii) the date on which any such individual first became an officer or Grade Level V Employee of the Company or any of its subsidiaries ("Start Date") shall be required to hold shares of the Company's common stock or equivalents described below at the following levels ("Required Ownership Level"):

Position / Required Ownership Level (Expressed as Base Annual Salary Multiple)

Company Chief Executive Officer ("CEO") / 4 x Base Annual Salary

CEO Executive Officer Direct Reports who are Officers or Grade Level V Employees / 2 x Base Annual Salary

Officer or Grade V Level Direct Reports of CEO Executive Officer or Grade Level V Direct Reports / 1 x Base Annual Salary

Other Grade V level Employees / 0.75 x Base Annual Salary

Shares owned outright (including vested deferred shares) and restricted stock units (otherwise known as deferred stock awards under the Company's Stock Incentive Plan ("RSUs")) with respect to shares of the Company's common stock (whether vested or unvested) will count as share equivalents towards the Required Ownership Level. The Required Ownership Level must be achieved within five years from the Start Date.

Failure to achieve or maintain the Required Ownership Level may result in (i) the applicable individual being required to hold all after tax vested RSUs and shares acquired upon exercise of stock options or (ii) suspension of future restricted stock or RSU grants until the Required Ownership Level is achieved. The Compensation and Management Development Committee (or its designee) may make exceptions, in its (his or her) sole discretion, in the event of disability or great financial hardship.
