**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On July 24, 2008, the Board of Directors of Saia, Inc. (the "Company") adopted amendments to Section 2.07 of Article II of the Company's amended and restated by-laws. The amendments, which were effective immediately upon approval, clarify that stockholders seeking to nominate directors or propose other business at a meeting must comply with the advance notice provisions in Section 2.07 while stockholders seeking to have a stockholder proposal considered for inclusion in the Company's annual proxy statement must comply with the notice requirements applicable to stockholder proposals under the federal proxy rules. Under the amendments, stockholders intending to make a director nomination or propose other business at the Company's annual meeting must provide the Company advance written notice of such nominations or business not later than the 90th day and not earlier than the 120th day prior to the first anniversary of the preceding year's annual meeting. The amendments also expand the information required to be provided by a stockholder making a nomination or proposal, including, among other things, all ownership interests, hedges, economic incentives (including synthetic or temporary stock ownership) and rights to vote any shares of the Company's common stock.

The forgoing description is qualified in its entirety by reference to the Company's amended and restated by-laws, which are filed as Exhibit 3.1 and are incorporated herein by reference.
